**TRIENNIAL GENERAL RENEWAL OF ELECTORS' RIGHTS.**

**SPECIAL NOTICE TO ELECTORS.**

**I**T is hereby notified that holders of electors' rights bearing date on or before the 2nd December, 1895, must obtain renewed rights in lieu thereof, in order to have their names placed upon the new General Lists to be made up on the 1st December next.

Neglect of this precaution will result in the omission of the names of the persons so neglecting from the new lists.

The old right must in every case be delivered up to the registrar, but the renewed right will be equally available for any election that may take place before the coming into force of the new rolls.

The Electoral Registrars and Deputy Electoral Registrars will keep open their offices for the issue of rights until Ten o'clock p.m. each night from Monday, the 23rd November, to Tuesday, the 1st December, both inclusive (Sunday excepted).

Intending applicants for electors' rights are cautioned to apply early to the registrar. The law requires the prescribed questions as to an applicant's qualification to be answered in writing twice over before the right is issued; therefore, if application be postponed until the last day allowed for the purpose the Registrar or Deputy may be unable to issue rights to all applicants, and those to whom rights are not issued will not be enrolled, and will lose their title to vote.

Each applicant should provide himself with the stamp (6d.) necessary for payment for the right.

Intending applicants are cautioned to carefully ascertain whether they are fully qualified under the law, as a penalty is imposed upon persons knowingly and wilfully obtaining electors' rights when not qualified.

No person whose name is on, or entitled to be on, any roll of ratepaying electors for any division of a province may obtain an elector's right for such province, and no person whose name is already on the new list of ratepaying electors (now being prepared) for any division of an electoral district may obtain an elector's right for such district.

Foreigners, who desire to obtain electors' rights, must, if not already naturalized in Victoria, obtain letters of naturalization before doing so.

\* Maoris, who numbered 41,993 at the Census of 1891, are not included in the population of New Zealand.  
 † The figures of revenue and expenditure for New South Wales and Tasmania are for the calendar year, for New Zealand for the year ended 31st March, 1896, but those for the other Colonies for the year ended 30th June, 1895.  
 ‡ Net, after deducting refunds of revenue, &c., amounting to £165,134, the expenditure is also exclusive of £150,000 paid towards the redemption of Treasury Bills.  
 § Exclusive of Treasury Bonds in aid of revenue amounting to £1,600,000 in Victoria; £1,752,884 in New South Wales; £343,223 in South Australia; and £735,000—of which, however, £400,000 was to redeem guaranteed debentures—in New Zealand.  
 ¶ The figures for New Zealand relate to the 31st March, 1896. As a set-off against the public debt of that colony, there exists an accrued sinking fund amounting to £778,891.  
 \*\* Including private lines in most cases. The figures for Tasmania relate to the 31st December, 1895, and those for New Zealand to the 31st March, 1896.  
 †† Including railway telegraphs in all the Colonies except New Zealand, but telephone lines and wire are excluded. The figures for Tasmania and New Zealand also include 422 miles and 226 miles of submarine cable respectively.  
 ††† The figures in this column should refer to the whole area sold by auction, selected under deferred payment system, and granted without purchase during the year. In the case of Queensland, the area alienated in fee simple has been returned; and in the case of South Australia, the area leased with option of purchase is not taken into account.  
 †††† The area under cultivation is exclusive of grass-sown lands in Queensland, Western Australia, and New Zealand, and land in fallow was not returned for New South Wales. The figures for South Australia—except in regard to wheat (which have been estimated unofficially)—are those for the year 1893, the information for 1895 not having been collected.  
 ††††† In New South Wales, 211,104 acres of maize, producing 5,687,030 bushels; and in Queensland, 100,481 acres of the same crop, producing 3,391,378 bushels, are included under this head.  
 †††††† The numbers of live stock for Victoria relate to the year 1894, and those for South Australia relate to the year 1893; those of sheep in New Zealand relate to the year 1894-5.

Tenders must be placed in the Crown Lands Office Tender-box not later than half-past Four o'clock p.m., on Thursday, 22nd October, 1896.

Note.—The fee for the period from 1st November, 1896, to 30th June, 1897, and fee of Five shillings for Licence, must accompany each Tender.

No tender will be accepted unless the fees referred to above are forwarded with the tender.

TENDERS will be received by the Board of Land and Works up to half past Four o'clock p.m., on Thursday, 22nd October, 1896, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the Land Act 1890 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the Vermin Destruction Act 1890, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

## Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Act 1890, except under the 123rd section thereof under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1890, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the Land Act 1890 may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plants and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the Government Gazette that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depositing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desires a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The felling, barkling of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

14. Free access to water shall be kept open at all times for travelling and other stock and also for persons desiring to take water for domestic supply.

## Special Conditions:

1. The period of occupation will be from 1st November, 1896, to 30th June, 1897.

2. The licence-fee must be paid in advance. The fee for the period from 1st November, 1896, to 30th June, 1897—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 2398," or "Lot 2, Block 3564," or "Lot 3, Block 3567," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less; and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.
