CONTRACT No. 96/632.

James Miller and Co., 357-359 Little Collins-street, Melbourne.

Lines and Twine.

Contract from 1st July, 1896, to 30th June, 1899.

LINES AND TWINE (OF VICTORIAN MANUFACTURE).

LINES AND TWINE (OF VICTORIAN MANUFACTURE).

No subletting will be allowed. All work must be carried out in the factory of the contractor, and the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week at a minimum wage of £1 16s. per week. Any infringement of this condition will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money.

Under Items 6, 7, and 8 the twine must not only be equal to sample as regards make, finish, and material, but must also bear an average breaking strain of not less than 40 lbs. under Item 6, 120 lbs. under Item 7, and 220 lbs. under Item 8.

CONTRACT No. 94/527.

T. Anthony and Company, a'Beckett-street, Melbourne.

Timber.

Contract from 1st July, 1894, to 30th June, 1897.

Contract from 1st July, 1894, to 30th June, 1897.

All timber to be free from large knots, shakes, heart sap, or any imperfection; to be thoroughly sound, seasoned, and close-grained or free, as may be required. All boards under one inch will be measured and paid for by the superficial foot on the face, unless otherwise described. All timber (excepting where otherwise specified) one inch thick and upwards will be measured and paid for by the superficial foot of one inch thick. All timber classed as boards to be under two inches in thickness and more than five and a half inches in width. Posts and rails and hardwood for country stations may be jurchased locally without infringing this contract. Actual measurements only will be paid for.

CONTRACT No. 94/528.

Kemp and Sheehan, Little Collins-street, Melbourne.

Contract from 1st July, 1894, to 30th June, 1897.

(All items to sample.)

(All items to sample.)

Where the sizes vary all articles are to be made the sizes ordered.

For the Lunatic Asylums the tinware goods are to be made of DXXXX best charcoal tin, and the galvanized-iron goods of Tenax steel, Orb brand. Brass wire is to be used for the brass and tin domestics, tinned wire for the galvanized goods.

The contractor will be allowed one month from the receipt of each order to complete the delivery.

No subletting will be allowed. All work must be carried out in the factory of the contractor, and the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week. Any infringement of this condition will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money.

CONTRACT No. 96/652.

Alfred Paynter, 30 Chapel-street, Windsor.

Venetian Blinds.

Contract from 1st July, 1896, to 30th June, 1899.

No subletting will be allowed. All work must be carried out in the factory of the contractor, and the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week, at a minimum wage of 8s. per day. Any infringement of this condition will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money.

Cloths and Tweeds of Victorian Manufacture for Military Uniforms.

Contract from 1st July, 1894, to 30th June, 1897.
All articles to sample.

All material to be dyed in the wool, and no yarn or picce-dyed goods will be accepted.

The blue tartan is to be indigo dyed, and the scarlet tartan cochineal dyed.

Trade system of measurement will be followed, viz., 36 inches to the yard, with the thumb measurement given in.

All cloth must be supplied at the rate of 100 yards per week, except Khaki tweed, which must be supplied at the rate of 300 yards per week, if required.

Should any portion of a delivery be found to be inferior to the samples either in weight, strength, quality, colour, or texture, the whole delivery may be rejected.

All material must be delivered thoroughly dried (no damp whatever allowed) and clean soured, free from grease, scap, or any other admixture which may be used to give fictitious weight or substance to the goods, free from grass seeds, burrs, or other imperfections, and also thoroughly shrinkless, i.e., so fully shrunk that it cannot be shrunk more.

The colours of the cloths are to be true to patterns, and are to be fast in shade, even if in this respect the samples may be faulty.

All cloths may be submitted to such tests as may be deemed proper for the purpose of ascertaining that they are in accordance

with the patterns and specifications in every respect, including the dyo, which may be tested by lengthened exposure to the weather or otherwise, and to cut off and destroy a portion not exceeding nine (9) inches in length from each piece as often as may be considered necessary, or to wash and dry any piece of cloth for such purposes.

Three (3) threads of pale blue cotton must be woven into the heading of each piece of cloth, and they must be of the full width of the cloth.

All pieces of the cloth which it may be found necessary to reject will have a small piece removed from the end, and no piece of cloth from which the heading has been removed will be received.

CONTRACT No. 94/981.

Alfred Bowley and Co., 588 Collins-street, Melbourne.

Great-Coats and Capes for Military Uniforms.

Contract from 1st July, 1894, to 30th June, 1897.

All articles to sample.

The great-coats and capes are to be made in Victoria, and the contractor must provide everything necessary for the due fulfilment of the contract.

The lengths of the coats from the collar seam downwards, and the sizes of the men round the chest over the tunics for whom they are required are shown on Schedule I., annexed hereto. Sleeve at wrist to have a full 3-inch turn-up, and the coats must be in trade proportions throughout, and the capes must be made to fit the coats.

The great-coats and capes must be strictly in accordance with pattern, both as to shape and materials. They are to be indelibly marked and numbered as required, and in every respect to be subject to the approval of the Controller of Stores, or whom he

may appoint.

Orders will be issued from time to time for such articles as may be required, and the contractor will be bound to complete the orders at the following rate as to time, viz.:—For any number of coats with capes complete or capes only, ordered at one time, up to 100, two (2) weeks; over 100 and up to 200, three (3) weeks; over 200 and up to 350; four (4) weeks; and exceeding 350, at the rate of 150 per week.

Should any emergency arise which would necessitate either great-coats or capes being required in less time than is provided for under the contract, the Government may obtain them elsewhere than from the contractor, without in any way infringing this contract.

The contractor will be required to purchase from the Defence Department all cloth and uniform buttons that may be required for the contract at the prices named in Schedule II. No cloth or buttons other than those purchased from the Defence Department are to be used in the garments, and the contractor will not be allowed to use any materials purchased from the Department for any private work.

All goods to be delivered at the Ordnance Stores, St. Kilda-

In the event of great-coats being required without capes, they are to be supplied at the contract prices, less the price of capes.

The contractor must measure the warrant officers' great-coats, and they must fit perfectly; but warrant officers will visit the contractor for the purpose of being measured, provided the contractor's place of business is within two miles of the General Post Office, Melbourne, but if more than that distance the contractor must visit the officer and measure him, or make such other arrangements at his own expense as will insure a perfect fit.

No subletting will be allowed. All work must be carried out in the factory of the contractor, and the hours of employment of any person engaged in the manufacture of the articles tendered for in this schedule shall not exceed 48 per week. Any infringement of this condition will subject the contractor, upon report from the Tender Board, to such mulet, not exceeding Fifty

pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money.
