PRESENT:

His Excellency the Governor.

Mr. Peacock | Mr. Williamson.
Mr. Taverner

has received petitions signed by a majority in number of the owners of land in the special area (the petitioners owning more than one-half of the land in such area) describing the special area for which the petitioners desire a loan to be obtained by the shire, which petitions contain statements of the acreage of the whole of such special area and of the acreage owned by each and every owner of every part thereof, with a short description of the land owned by each petitioner, and of the acreage thereof, and gives an estimate of the probable cost of the whole of the materials for wire-netting or other rabbit-proof or vermin-proof fencing required for the land in such area, and asks that the said shire council will apply to the Governor in Council for a loan an amount sufficient to purchase materials for wire-netting or other rabbit-proof or vermin-proof fencing not exceeding four lineal miles of fencing to every owner, and gives an estimate of the materials required for each petitioner's land, and the probable cost of such material, and an estimate of the extent of fencing to be erected by each owner [and states that in such special area adjoining properties could advantageously be enclosed by one continuous wire-netting fence, and states in each case the estimated cost of such continuous fence and the proportions thereof to be borne by every owner of property to be enclosed by such fence] and states that each petitioner signing the petitions undertakes to pay to the council in each and every year one-tenth part of his proportion of the value of all materials for wire-netting fencing which the council may obtain by means of the loan proposed to be obtained from the Governor in Council, with interest in the meantime at the rate of £3 per cent. per annum on the amount of the value of such materials or on the value of so much thereof as is unpaid for, and that such undertaking as between each petitioner, or the owner for the time being of the land of such petitioner, or any part thereof, and the said shire council is to be deemed to be and may be enforced as a specialty contract, and states that each petitioner undertakes to erect on his land, with the materials with which he may be furnished, wire-netting fencing to the satisfaction of the said council, or that he will join with other owners in erecting all necessary fencing: And whereas every signature to such petitions is verified by the solemn declaration of a person signing such petitions, which declaration is in the form or to the effect in the Eighth Schedule to the *Vermin Destruction Act 1890*:

And whereas the said shire council has considered the prayer of such petitions and has determined to apply for a loan from the Governor in Council in accordance therewith, and has transmitted to the Minister the said petitions, accompanied by an application, under seal on behalf of the said shire, for a loan of £40 in the terms therein stated, which said application contains an undertaking by the said shire to repay such loan in accordance with the provisions of the said-recited Acts and of any Order in Council granting such loan: Now therefore His Excellency the Governor, with the advice of the Executive Council, doth hereby order that the sum of £40, being the whole of the amount applied for by the said shire council in the application hereinbefore referred to, be granted out of any trust funds or money under the control of the Treasurer of Victoria, available by virtue of the provisions of the *Vermin-proof Fences Advances Act 1896*, as a loan to the said shire of Springfield for the purposes of the said *Vermin Destruction Acts*.

That the said sum of £40 be repaid by the council of the said shire to the Treasurer of Victoria for the time being within ten years, by annual instalments of not less than £4 each. The first of such payments to be made on or before the 31st May, 1898, and a further instalment of not less than £4 on or before the 31st May in each and every succeeding year until the whole sum of £40 is repaid.

Department of Lands and Survey (Mallee Branch),
Melbourne, 18th August, 1897.

R. W. BEST,
Commissioner of Crown Lands and Survey.

Mallee Lands Act 1896.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS UNDER SECTION 7, EITHER UNDER LICENCE OR PERPETUAL LEASE.

THE undermentioned allotments being subdivisions of the parts of mallee blocks 51A and 51B, transferred by Messrs. Wood to the Crown, are now available for application.

The land is situated about 4 miles north-west from Lake Lambert. The railway station at Berrivillock is 14 miles, Kaneira 12 miles, and Quambatook 22 miles from the land.

Not more than one allotment will be granted to any one person, and no person who already holds 640 acres of mallee lands will be eligible to select, but holders of less than 640 acres will be entitled to apply for the difference between 640 acres and the area held.

The rent payable under agricultural allotment licence is 1s. per acre per annum, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years will be granted at the same rental, and a Crown grant will issue when such payments amount to £1 per acre, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 14s. per acre.

Rent payable under perpetual lease will not exceed 2d. per acre per annum until 1903, after which, at every successive period of ten years, the rent is calculated at 2 per cent. on the unimproved value of the land.

The survey fees must be paid within twenty-one days after an allotment has been granted.

Applications, accompanied by the registration fee of £1, must be made on the usual form, addressed to the President of the Board of Land and Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the colony before Friday, the 17th day of September next.

Lessees must either reside on or within 5 miles of their land or else cultivate up to one-half of the area of their allotment before the end of the fourth year.

Any further information required will be supplied at the following Crown Lands Offices:—Melbourne, Bendigo, Horsham, Warracknabeal, and St. Arnaud, also on application to the postmaster at Birchip and the Crown lands bailiffs at Swan Hill and

Charlton, where forms of application for licence or lease can be obtained. Care should be taken by the applicant that he secures the correct form and that it is properly filled up.

TENDERS FOR GRAZING LANDS.

Tenders must be sent in on proper form, which can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Thursday, 26th August, 1897.

NOTE.—No tender will be accepted unless the fee for the period from 1st September, 1897, to 30th June, 1898, and fee of Five shillings for Licence, are forwarded with the Tender.

TENDERS will be received by the Board of Land and Works up to Twelve noon on Thursday, 26th August, 1897, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 123 of the *Land Act 1890* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Under section 7 of the *Vermin Destruction Act 1890*, all licensees under the section for which these licences will issue are liable for the destruction of rabbits within the boundaries of their licences.

Conditions:

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Act 1890*, except under the 123rd section thereof, under which the licence is issued, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1890*, or for mining purposes.

2. In case the said land, or any part or parts thereof, shall be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than the return of such portion of his licence-fee paid by him as the responsible Minister of the Crown for the time being administering Division II. of the *Land Act 1890* may think fit. This licence is also subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine therein, and to erect and occupy mining plant and machinery, without making any compensation for surface or other damage.

3. Subject to these conditions, the licensee shall be entitled to use the land for the purposes for which the licence has been granted, until notice has been given in the *Government Gazette* that such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid; and immediately upon such notice being given, all the interest of the licensee in the licensed land described in such notice shall cease and be determined, and any person entitled to occupy the licensed land, or any part thereof, may lawfully make entry upon and hold the same without the permission or sanction of the licensee or any one claiming under her, him, or them.

4. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

5. This licence entitles the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but does not confer any right to build thereon, or to cultivate or to fence any portion thereof.

6. If the licensee desire a renewal of this licence, notice to that effect must be given to the responsible Minister aforesaid one month prior to the expiration thereof, but nothing herein contained shall be deemed to confer the right to any renewal.

7. The interest in this licence may not be transferred without the consent of the Minister aforesaid and the payment of a fee of £1.

8. No claim whatever shall be made or entertained by reason of the licence not being renewed or transferred.

9. This licence is to be used under and in accordance with the regulations made or to be made under the provisions of the said Act and for the time being in force.

10. This licence may be forfeited if the licensee commit a breach of or neglect to comply with any of these conditions.

11. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

12. The ring-barking of the timber upon the land by the licensee is expressly forbidden, nor is he entitled to destroy or cut and take away any such timber; and should he be found destroying, felling, or removing live or dead timber without a licence authorizing him so to do he will be prosecuted according to law.

13. The licensee shall destroy all thistles on the land, and on the half width of adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act in like manner as holders of freehold lands.

14. Free access to water shall be kept open at all times for travelling and other stock and also for persons desiring to take water for domestic supply.

Special Conditions:

1. The period of occupation will be for ten months—from 1st September, 1897, to 30th June, 1898.

2. The fee for the period from 1st September, 1897, to 30th June, 1898—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 2401," or "Lot 2, Block 4114," or "Lot 3, Block 4171," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.
