Overcoats (Waterproof) for the Police.

To Sample at Tender Board Office.

Security, £10.

The Waterproof Cloth and Taping must be purchased from the Police Department at the prices laid down in the Schedule herein, but all other material, including buttons, must be provided by the contractor at his own expense.

No cloth other than that purchased from the Police Department is to be used in the garments, and the contractor will not be allowed to use any material purchased from the Department for any private work.

Should any emergency arise which would necessitate either coats or cloaks being required in less time than is provided for under the contract, the Government may obtain them elsewhere than from the contractor without in any way infringing this contract.

Delivery must be made at the Police Depot, St. Kilda-road, within two months from the date of the order, failing which a fine of One shilling (1s.) per garment per day may be enforced at the option of the Tender Board on report from the Chief Commissioner of Police, the amount to be deducted from the contractor's account or from the security money.

The coats and cloaks must be cut and made in accordance with samples at the Tender Board Office, with buttons, canvas, and finishings as per sample—the canvas to run the entire length of facing of garments, to be not less than three (3) inches in width, and sewn to outer edge of garment. The best para rubber solution must be used in sticking down seams, &c.

All coats and cloaks must be indelibly marked and numbered as required.

All garments shall be subject to the approval of the Chief Commissioner of Police, or such other officer as may be authorized by him.

Any garment not fitting or bad in workmanship will be rejected, and the cost of the material that may be thereby rendered unserviceable for the purpose intended will be deducted from the contractor's account or from the security money; in exceptional cases arrangements may be made for any member of the force to visit the premises of the contractor for the purpose of being measured.

No subletting will be allowed; all work must be carried out in the factory of the contractor; and the hours of employment of any person engaged in the manufacture of the coats and cloaks tendered for in this schedule shall not exceed 48 per week, at a minimum wage for a man of £2 5s. and for a woman of £1 per week respectively; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.
