VICTORIAN RAILWAYS.

REGULATION OF THE VICTORIAN RAILWAYS COMMISSIONERS.

No. 45.

THE Victorian Railways Commissioners in pursuance of the powers conferred in that behalf by the Railways Acts, do hereby make the following Regulation in regard to the examination and the qualifications of candidates for employment as "Junior Clerks" in the Victorian Railways Service, and do hereby repeal so much of all previous regulations as conflicts therewith:—

JUNIOR CLERKS.

1. When a vacancy exists and public notice is given in connexion with any position in the Railway Service which the Commissioners desire to fill by the appointment of a "Junior Clerk" every person desiring to become a candidate for employment as a "Junior Clerk" shall prepare an application in his own handwriting, in the form prescribed, stating that he is an applicant for the position of a "Junior Clerk." He shall address such application to the Secretary for Railways, Spencer-street, Melbourne, and post it, duly stamped, so that it will reach the Secretary for Railways before the time fixed by the Commissioners for opening and dealing with such applications.
2. The age of every candidate shall not be under fourteen (14) nor over eighteen (18) years of age, and shall be reckoned to the date fixed by the Commissioners for the opening of applications.
3. Every candidate shall forward with his application a certified extract from the register of his birth, which may be obtained from the office of the Government Statist, Melbourne, at a cost of two shillings and sixpence. In the case, however, of a youth born outside of the State of Victoria, a statutory declaration by one of his parents or a near relative as to his age last birthday and the date thereof will be accepted in lieu of such certified extract.
4. The Secretary for Railways, hereinafter referred to as the Secretary, shall, on the day, and at the hour named in the public notice, proceed to open such applications, and shall cause the name and address of the writer of each of such applications to be then and there registered in a book provided for that purpose, hereinafter called the "Register," and a consecutive number, of which the first number shall be one, shall be placed in the Register opposite the name of each of such applicants.
5. If the number of candidates be not more than twice the number of Junior Clerks to be employed, such candidates shall thereupon be examined by the Medical Officer, and, if certified as free from any physical infirmity, and as up to the standard prescribed in respect of vision, color-sense, and hearing, they shall then be examined by the Educational Examiners duly appointed for that purpose.
6. If the number of candidates be more than twice the number of Junior Clerks to be employed, such number of candidates shall be reduced by a Board of Selectors (which shall be appointed within seven days prior to the date fixed for the selection) to a number equivalent to twice the number of Junior Clerks to be employed.
7. The Members of the Board of Selectors shall not be informed of, nor acquaint themselves with, the names of the applicants, or any of them, and any person who either directly or indirectly attempts to influence any Member of the Board of Selectors in favour of himself, or in favour of or against any other candidate, shall be for ever disqualified for employment in the Railway Service.
8. Every candidate shall be notified in writing by the Secretary, of the place and time at which he shall present himself to the Board of Selectors for selection or otherwise.
9. Every candidate, immediately before presenting himself to the Board of Selectors, shall be furnished by the Secretary with a card bearing a number, by which number alone he will be known to the Board of Selectors.
10. A list of the names of the candidates selected by the Board of Selectors shall be compiled, and such list shall be certified to by the Board of Selectors, and every candidate whose name has been enrolled on such list shall be entitled to present himself for examination by the Medical Officer, and, if certified as free from any physical infirmity, and as up to the standard prescribed in respect of vision, color-sense, and hearing, he shall then be examined by the Educational Examiners duly appointed for that purpose.
11. Every candidate selected by the Board of Selectors shall pass an examination by the Medical Officer as free from physical infirmity, and as up to the standard prescribed in respect of vision, color-sense, and hearing. For such examination he shall pay a fee of 5s.
12. Every candidate who has been selected by the Board of Selectors, and who has passed the physical, &c., examination, shall present himself for an educational examination by the Examiners appointed in that behalf, at such time and place as he may be directed in writing by the Secretary.
13. Every candidate shall be required by the Examiners appointed for that purpose to pass an educational examination equivalent to the examination prescribed for the State School Merit Certificate.
14. Every candidate shall produce to the Examiners satisfactory written testimony that he is of respectable character, and shall furnish the name or names of any person or persons or firm or firms with whom he may have been employed during the preceding two years.
15. The Examiners shall thereupon examine the selected candidates who have passed the physical, &c., examination, at such hour and place as may be notified to such candidates respectively.

16. The Examiners shall, immediately after the completion of the educational examination, forward to the Secretary the examination papers of every candidate so examined, together with a certificate as hereinafter prescribed:—

We, the undersigned duly appointed Examiners under the "Railways Acts," do hereby certify that on the* 190 , we examined† for the position of Junior Clerk, and allotted him marks, and accordingly certify that he is§ for such employment.

Examiners.

17. After examination by the Examiners the successful candidates, provided that such successful candidates be not in excess of the number of Junior Clerks required by the Commissioners shall be employed in order of merit according to the number of marks respectively allotted them by the Examiners, but if the successful candidates be in excess of the number of Junior Clerks required by the Commissioners, such successful candidates shall be called together at a place and time of which due notice will be sent them in writing, and shall then and there in the presence of the Secretary draw lots in accordance with the following method to determine the order of precedence in which their names shall be respectively recorded for appointment.

Two ballot boxes shall be provided, numbered 1 and 2 respectively, in each of which shall be deposited as many numbers in arithmetical progression, commencing with the number one, as shall correspond with the number of successful candidates.

NOTICE is hereby given that the three beacons in line N. 25 deg. E., formerly marking the fairway over bar, have been removed, and two of them have been re-erected in the vicinities of flagstaff and lighthouse.

The rear beacon, about 100 yards westward of flagstaff and semaphore-station, is painted black and shows against the sky. The front beacon, about 500 yards eastward of lighthouse, is painted black with white bull's-eye centre, and shows against the sandhill.

These beacons, in line N. 52 deg. E., lead in over the bar; shoalest water, 4½ fathoms at L.W.O.S. Steer in with the beacons in line until near outer end of North Sand Spit, then midway between North Sand Spit and Tory Shoal; when abreast of lighthouse a course may be steered to enter any of the different branches.

Mariners should pay attention to the lead and to any direction given from flagstaff and semaphore-station on top of sandhill; also bear in mind that the lighthouse is not a leading-mark.

REGULATIONS FOR THE DISPOSAL OF LANDS ACQUIRED UNDER THE CLOSER SETTLEMENT ACT 1904.

At the Executive Council Chamber, Melbourne, the
25th day of February, 1905.

PRESENT :

His Excellency the Governor of Victoria.

Mr. Bent	Mr. Cameron
Mr. Davies	Mr. Pitt
Sir Samuel Gillott	Mr. Mackey.

WHEREAS by section 55 of the *Closer Settlement Act* 1904 (4 Edw. VII. No. 1962) it is provided that the Governor in Council may make regulations prescribing, amongst other things, the form and manner of application for allotments, and the issue of permits for immediate occupation of allotments, and the rates of registration permit and lease fees payable, and generally for fully carrying out the objects and purposes and guarding against evasions and violations of the said Act: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby make the following Regulations, to have effect from and after the 28th day of January, 1905, that is to say:—

AS TO FARM ALLOTMENTS.

1. Every lease shall be for a term of 36½ years, or such lesser number as may be agreed upon.

2. The land shall be divided into allotments not exceeding in value £1,500 each, except where "The Homestead" is situated, when the allotment may contain land to the value of £4,000, and no lease shall comprise more than one allotment, but, subject to the limit of maximum value prescribed by these regulations, the Board may at any time increase the area of an allotment, or divide it into other allotments.

3. (1.) The yearly purchase money in respect of each allotment shall be an amount equal to 6 per cent. on the capital value of the land, or such other percentage as may be agreed upon, computed in the manner prescribed by section 41 of "The Savings Bank Act 1896," and shall be payable in equal parts, half-yearly in advance, to the Secretary to the Board, on the 1st day of March, June, September, or December in each year, the first half-year's purchase money being due on the date of the lease, and being payable out of the hereinafter-mentioned deposit.

(a) Any lessee may, from time to time, pay to the Board, in addition to the half-yearly payments, any portion thereof, to be held on his behalf, and applied in payment of—(a) The half-yearly instalments of interest and principal as they fall due; or (b) as many future half-yearly instalments of principal as it will cover.

(3) The lease shall be dated as on the first day of March, June, September, or December next preceding the issue of such lease or of any permit for the immediate occupation of the allotment.

4. No applicant for an allotment lease shall be under the full age of twenty-one years.

5. Any person qualified to become an applicant may, in the same application, apply for some particular allotment, or alternatively for some one of several allotments to be named in his application.

6. Every application shall be in the form or to the effect set forth in Form 1. of the First Schedule hereto, and every applicant shall make the declaration therein set forth, or to that effect.

7. Every intending applicant for an allotment lease shall cause to be delivered, either to the Secretary to the Board, or to some one of the class of officials nominated for that purpose in the *Gazette* notice in which it is announced that allotments are available for transmission to the Secretary, an application particularizing the allotment applied for, or where an allotment is applied for in the alternative particularizing the several allotments, any one of which is applied for in the form, with all questions set out in the form fully answered to the best of the applicant's information, knowledge, and belief by the applicant himself.

8. Every applicant before lodging his application must affix thereto, as fee for Registration, a 5s. duty stamp (uncancelled), and such stamp shall be cancelled by the Secretary to the Board when he receives the application.

9. Every applicant shall lodge with his application a deposit, consisting of an amount equal to one instalment of the purchase money of the allotment of the highest value of those applied for, together with the sum of one pound to defray the cost of the preparation of the lease. The deposit may be made either in cash or by post-office order, or postal notes, or bank draft.

10. The Secretary to the Board, or the officer with whom the application is lodged shall indorse the same with the date that it was lodged with him, and, in the case of an officer other than the Secretary, such officer shall forthwith transmit the application with the instalment of purchase money and lease fee to the Secretary.

11. The proclamation announcing that allotments are available shall also notify where plans of sub-division may be inspected by intending applicants, and the date up to which applications will be received, and the date when, and the place where applications for leases and objections to such applications will be publicly heard by the Board, or a person or persons appointed by the Board to hear the same, and report thereon in writing to the Board.

12. At least seven days before the date of such public investigation the Secretary to the Board shall notify, by post, every person who, in his opinion, is interested in any application of the date of the investigation, and shall insert in a newspaper circulating in the district wherein the investigation will be held a list of the applications and matters to be investigated. The notice to be given therein shall be in addition to the *Gazette* notice.

13. The Chairman, or any official appointed to conduct the investigation on behalf of the Board, is hereby authorized, when obtaining evidence, to administer the prescribed oath or affirmation to any person, and the evidence given by such person shall be taken down in writing, and signed by him, and countersigned by the Chairman or official taking the same.

14. In case the Board considers further inquiry necessary in respect of any application before dealing with it, it may require the applicant to appear before it for examination, or may require the applicant to supply any further information it may consider necessary.

15. Where there are two or more applications for the same allotment, the Board shall, unless for special reasons to be recorded by the Board, give preference to any applicant who is landless over one who already owns land or occupies land with a right to acquire the fee-simple thereof.

16. When the Board has decided to recommend the grant of a lease, the amount deposited in respect of the first instalment by an applicant shall be carried to account in payment of his first half-year's purchase money, and the Board shall, in due course, cause the lease to be prepared, and submit it to the Minister for execution by the Governor in Council.

17. In the event of an application for a lease being granted, and the amount of the deposit lodged being in excess of the amount of one instalment of purchase money, the amount in excess shall be returned to the applicant, or, on the refusal of an application, the Board shall return the amount forwarded as the deposit in respect of the first instalment of purchase money and the lease fee to the unsuccessful applicant or his order, but the registration fee shall in no case be returned.

18. No lease shall issue to a person who, at the date of his application, is directly or indirectly, either by himself or jointly with any other person or persons, the owner of any other land in Victoria, his interest in which, with the allotment applied for, would exceed in value £1,500.

19. Upon payment of the valuation (if any) for improvements there shall be issued to the approved applicant a permit to enter into immediate occupation of the land indicated therein, in the form or to the effect of that contained in the Second Schedule hereto.

20. Every applicant who obtains an allotment under these regulations shall, from the date of the lease, reside thereon at least eight months during each year, subject to the provisions of section 49 of "The Closer Settlement Act 1904" and section 84 of "The Land Act 1901."

21. Every application for the consent of the Board to occupation by the wife, or any specified child of a lessee over eighteen years of age, or, if he has no wife or has no child over that age, by his father or mother, if dependent upon him for support, being allowed to count as occupation for any period, shall be in the form or to the effect of that contained in the Sixth Schedule hereto, and the consent of the Board shall be in the form or to the effect of that in the Seventh Schedule hereto.

22. Any lessee who may desire to absent himself from his allotment for a period in all not exceeding four months in any one year of the currency of his lease, shall apply in the form prescribed in the Fifth Schedule hereto, which shall be registered in a book kept for that purpose in the office of the Board.

23. It shall not be lawful for a lessee under this Act to transfer the land comprised in the lease within the period of six years from the date of such lease: Provided that, in the case of the insolvency or death of a lessee, a transfer of the lease may be made within 12 months from the date of such insolvency or death, by the assignee or trustee in insolvency, or the executors or administrators of the lessee, to any person who is qualified to become a lessee under the Act.

24. The lessee shall put on the land comprised in his lease substantial improvements as under, that is to say:—

- (1.) Within one year from the date of his lease, to a value equal to at least one year's purchase money;
- (2.) Within three years from the date of his lease, to a value equal to 10 per cent. of the capital value of the land;

- (3.) And within six years from the date of the lease to a value equal to 20 per cent. of the capital value of the land.
25. For the purpose of determining whether the lessee has put upon the land substantial improvements to the value and within the time prescribed by these regulations (but for no other purpose), there shall be included the value of all substantial improvements existing on the land at the date of the lease, which improvements shall be deemed to be improvements required by the previous regulation 24, and also all capital sums paid by the lessee in respect of the value of buildings under clauses 19 and 31 of these regulations, nevertheless to the extent only of the actual value of such of the said improvements and buildings as are subsisting at the time when their value is included as aforesaid.
26. The lessee shall, within three years from the date of his lease, have the land fenced with a ring-fence; and such fence shall be a sufficient fence within the meaning of "The Fencing Act 1890."
27. The lessee shall destroy all vermin once a year throughout the term of his lease, plant such wind brakes or shade trees as shall be specified when the land is made available, and at the proper season of the year, properly cut and trim all live fences on the land at the date of the lease, or subsequently planted thereon, and keep it free of Bathurst burr, wildbriar, and other noxious plants.
28. The lessee shall, whenever necessary, but not less than once a year during the term of his lease, properly clean and clear from weeds, and shall at all times during the said term keep open, all creeks, drains, ditches, and water-courses upon the land, or upon any road or reserve adjacent to the same, and the Board shall have the power at any time to enter upon and make through the land any drain that it deems necessary, without payment of any compensation to the lessee.
29. In the event of the lessee at any time failing to comply with any of the conditions hereinbefore mentioned relating to the destruction of vermin, planting wind brakes or shade trees, trimming of live fences, keeping the land free of noxious plants, and to the cleaning, clearing from weeds, and keeping open all creeks, drains, ditches, and water-courses, it shall be lawful for the Board to have such work done, and to recover the cost of the same from the lessee in the same manner as purchase money.
30. The lessee shall pay all rates, taxes, and assessments levied on or payable in respect of the land during the term of his lease, and fulfil all the conditions and covenants of his lease.
31. In the case of land with buildings thereon which have been valued separately, other than "The Homestead" allotment, the following special provisions shall apply:—
- (1.) The ascertained value of the buildings shall be set forth in the sale-plan and in the deed of lease, and the amount so set forth shall be final and conclusive evidence of such value.
 - (2.) The amount so set forth, together with interest thereon at the rate of 5 per cent. per annum, computed from the date of the lease, shall be paid by the lessee by equal half-yearly instalments in advance, extending over such period, being not more than sixteen years, as, with the approval of the Minister, the Board thinks fit to determine, and until paid shall be deemed to be a charge on the land and on the lessee's interest therein.
 - (3.) Such instalments, computed in the manner prescribed by section 41 of the "Savings Bank Act 1896," shall be payable in the manner and on the dates hereinbefore appointed for the payment of purchase money: Provided that the lessee may at any time pay the whole or any less number of the then future instalments, or any portion thereof, under a duly proportionate rebate of interest.
 - (4.) So long as any such instalment remains unpaid, the lessee shall, at his own cost in all things, insure the buildings and keep them insured in the name of His Majesty in an amount equal to the full insurable value thereof, in some reputable insurance office, to be first approved by the Board.
 - (5.) The lessee shall deposit with the Board the policy of insurance forthwith upon effecting the insurance, and shall also duly pay all premiums in respect thereof, and deposit with the Board each premium-receipt not later than the forenoon of the day on which such premium becomes payable.
 - (6.) If the lessee at any time fails or neglects to effect or maintain such insurance, or to duly pay any such premium or deposit such policy or receipt, it shall be lawful for but not obligatory on the Board, at the cost in all things of the lessee, to effect such insurance in such sum as aforesaid, or in any other sum, or to pay such premium as it thinks fit.
 - (7.) The amount of such insurance may, with the consent of the Board, be reduced from time to time, provided that it is not reduced below the total amount of the aforesaid instalments for the time being remaining unpaid.
 - (8.) In the event of the buildings so insured, or any of them, being destroyed or damaged by fire, all moneys payable to His Majesty under the insurance shall be recoverable by the Board, who, after deducting the expense (if any) incurred in recovering the same, shall, in its discretion, apply the residue thereof, or a sufficient part thereof, either in or towards restoring the buildings or in or towards paying the unpaid instalments (a duly proportionate rebate of interest being made in the case of instalments not then due), and any surplus shall be payable to the lessee.
 - (9.) Every such instalment as aforesaid, as it becomes due, and every sum paid by the Board in respect of cost of insurance, shall be payable by and may be recovered from the lessee in the same manner as purchase money.
32. The lessee shall at all times during the term of his lease keep in good repair and condition, to the satisfaction of the Board, all buildings and erections for the time being standing on the land, and shall not destroy, pull down, or remove them, or any part thereof, without the previous permission of the Board in writing.
33. If and so often as the lessee makes default in the due and full payment of any purchase money under the lease, or of any instalment in respect of the value of buildings as aforesaid, or of any sum in respect of cost of insurance as aforesaid, or of any other moneys payable under the lease, or in the faithful observance and performance of any other of the provisions of these regulations, or of the lease, then and in any such case the Board may, without any previous or other notice or demand, forfeit the lease; and in such case all his interest therein shall absolutely cease and determine, subject, nevertheless, to the provisions of clause 37, respecting valuation of improvements; but such forfeiture shall not affect any right or remedy on the part of His Majesty to recover from the lessee any money due to His Majesty, or release the lessee from any penalty or liability in respect to anything done or omitted to be done by him.
34. The lessee shall not, unless the holder of a mining or mineral lease, open up any mine on the land comprised on his lease without the previous permission of the Board in writing.
35. The full and free right to enter on the land comprised in the lease and search for and take and remove gravel or stone for making or maintaining roads is reserved to His Majesty: Provided that the lessee shall be entitled to compensation for any surface damage caused thereby, but to no other compensation or remedy whatsoever.
36. The lessee shall not cut down or remove any of the trees growing on the land demised without the consent of the Board in writing first obtained.
37. In the event of the forfeiture or surrender of the lease, the provisions of "The Land Act, 1901," respecting valuation of improvements and the payment or other disposal thereof shall, so far as the same are applicable, apply to the improvements made by the lessee.
38. For the purpose of distinguishing the improvements existing on the land at the date of the lease from those subsequently made by the lessee, the first-mentioned improvements and their value shall be fixed by the Board, and be specified in the lease: Provided that to the extent to which the lessee pays the aforesaid instalments in respect of the value of buildings, to the same extent shall such buildings be deemed to be improvements made by him.
39. The right is reserved to the Crown or to its delegated authority to take water-races, and to lay water-pipes over any lands disposed of, without compensation subject to the proviso that the purchase money of the allotments is to be reduced in proportion to the value of the area taken when any such right has been exercised.
40. In any case where the channel of any creek, or natural or artificial water-race or water-course, runs on more allotments than one, then each lessee on whose land any part of such channel runs shall have the right to the reasonable use and enjoyment of a reasonable proportion of the water that would flow in such channel if it were not stopped or diverted by any other lessee; and, for the purpose of securing such right as between the respective lessees, it is here declared that no lessee on whose land any portion of such channel runs shall at any time alter such portion, or stop or divert the water flowing therein, save to such extent as the Board deems reasonable, and the decision of the Board shall be final and conclusive.

41. A covenant that the lessee will, before the 31st day of July in each year, forward to the Board a statement in the form for the time being prescribed, showing how the allotment has been utilized during the twelve months ending the 30th June next preceding the date of such statement.

42. The ordinary lease shall be in the form or to the effect set forth in the Third Schedule hereto, with the appropriate modifications as indicated applicable to the class of allotment applied for. In the case of an allotment where special conditions are to be inserted, the ordinary form shall be used with such additions and alterations as the circumstances may require.

43. The certificate to be given by the Lands Purchase and Management Board of compliance by a lessee of an allotment with the terms, covenants, or conditions of his lease, as regards improvements, may be in the form or to the effect of that contained in the Ninth Schedule hereto.

44. At any time after the expiration of twelve years from the date of the lease, providing the covenants therein have been fulfilled, and the full amount due to the Board thereon has been paid, a Crown Grant may be issued for the allotment in the form or to the effect prescribed.

AS TO AGRICULTURAL LABOURERS' ALLOTMENTS.

45. The land shall be divided into allotments not exceeding in value £200 each; and no lease shall comprise more than one allotment, but, subject to the limit of maximum value prescribed by these regulations, the Board may at any time increase the area of an allotment, or divide it into other allotments.

46. Every application shall be in the form or to the effect set forth in Form III. of the First Schedule hereto, and every applicant shall make the declaration therein set forth or to that effect.

47. No person shall be capable of applying for or holding any allotment if at the date of his application he is, directly or indirectly, either by himself or jointly with any other person or persons, the owner of any other land in Victoria, his interest in which, with the allotment applied for, would exceed in value £200.

48. The lessee shall put on the land comprised in his lease substantial improvements as under, that is to say:

- (b.) Within two years from the date of his lease, enclose the allotment with a substantial fence.

49. The lease shall be in the form or to the effect set forth in the Third Schedule hereto, and may contain such additional provisions, not inconsistent with "The Closer Settlement Act 1904," or these regulations, as the Board thinks fit.

50. Sections 52 and 53 of "The Closer Settlement Act 1904," shall apply solely to lands set apart as allotments for agricultural labourers, and for workmen's homes, and advances under that section may be made subject to the following conditions:—

- (1.) An advance of not more than £50 may be made to the lessee towards the cost of fencing the land comprised in his lease, or of building a dwelling-house thereon if no dwelling-house already exists.
- (2.) Such advance shall not exceed one-half of the total cost to the lessee in fencing and building actually done or erected and paid for by the lessee on the land.
- (3.) An application shall be made in the form set forth in the Fourth Schedule hereto, and submitted to the Governor in Council with the Board's report and recommendation. If the Governor in Council approves of the recommendation the Board shall notify the applicant of the decision.
- (4.) If the applicant does not within twenty-eight days of being so notified intimate that he accepts the terms offered, or if such applicant does not thereafter, on request, duly execute the necessary securities, his application shall be deemed to be withdrawn.
- (5.) No advance shall be made unless and until the applicant has signed the form of charge in the Tenth Schedule hereto, which charge shall be indorsed on the applicant's lease.
- (6.) No advance shall be made save on the written certificate of an Inspector appointed in that behalf by the Board, specifying the total value of the work done by the lessee, and the amount of the advance to which he is entitled, and certifying that such work has been well and faithfully done, and to the Inspector's satisfaction.
- (7.) Such advance, together with interest thereon at the rate of 5 per cent. per annum, computed from the date of the advance, shall be

repayable by the lessee to the Secretary to the Board on the half-yearly purchase money days by equal half-yearly instalments in advance, extending over such period, being not more than sixteen years, as with the approval of the Minister the Board thinks fit to prescribe: Provided that the lessee may, at any time during such period, repay the whole or any less number of the then future instalments, or any portion thereof, under a duly proportionate rebate of interest.

(8.) The amount of the instalments shall be computed in the manner prescribed by section 41 of the "Savings Bank Act 1896," and a certificate under the hand of the Board shall at all times and from time to time be conclusive evidence as to the date and amount of the advance, the amounts and due dates of the instalments, and the sums paid and unpaid in respect thereof.

(9.) As long as any such instalment remains unpaid the provisions of sub-clause (g), and as long as any such instalment in respect of a dwelling-house remains unpaid, the provisions of sub-clauses (4) to (6), inclusive, of clause 31 of these regulations shall apply.

51. 54. No lease shall issue except to a person who is engaged in some form of manual, clerical, or other work for hire or reward; nor to a person who at the date of his application is directly or indirectly, either by himself or jointly with some other person, the owner of or beneficially interested in any other land in Victoria his interest in which, if town or suburban land, exceeds one-eighth of an acre, or, if country land, exceeds fifty acres, in area, or whose real and personal estate exceeds in value £250.

55. Each applicant must satisfy the Board that he possesses the following qualifications:—

- (1.) That he is a workman as hereinbefore defined.
- (2.) That he has the means to erect a suitable house on the land for himself and his family, and to fence and cultivate the land, or that there is a reasonable probability that he will be able to do so with the assistance of any advance that may be made to him under the provisions in that behalf hereinafter contained, or otherwise.

(3.) That he is in all respects a deserving and suitable person.

56. If any applicant fails to satisfy the Board as to any of the aforesaid qualifications, his application shall be void.

Payment of the first of such half-yearly instalments having been made, the next of the said half-yearly payments to be made on the first day of _____, that will be in the year One thousand nine hundred and _____, and the final instalment to be made on the first day of _____ next following the expiration of the term hereby created. And the lessee doth hereby for himself, his heirs, executors, administrators, and assigns, covenant and agree with His Majesty, his heirs and successors, and with the Board, that he, the lessee, his executors, administrators, or assigns will observe and perform and be bound by the several covenants, conditions, provisos, agreements, acts, matters, and things hereinafter contained (that is to say):—

1. That he or they will pay the instalments payable hereunder at the times and in manner hereinbefore appointed for payment thereof clear of all deductions.

2. That he or they will, during the continuance of this demise, pay all existing and future rates, assessments, and taxes for the time being payable either by landlord or tenant in respect of the said premises.

3. That these presents are upon this condition: that the lessee, unless prevented by illness, certified to the satisfaction of the Board, will, during the currency of this lease, personally reside on the land demised eight months, during each year; this condition of personal residence may be complied with to the satisfaction of the Board in accordance with the provisions of section 84 of

the *Land Act 1901*, and these presents are on this further condition that upon a transfer of these presents, pursuant to law, the transferee shall personally reside on the allotment for eight months during each and every year of the currency of this lease: Provided that for the purposes of this condition a residence shall be deemed to be complied with, if the lessee, with the consent of the Board, resides with his family either on any part of the estate of which this allotment formed a portion when acquired by the Board, or on any land adjacent thereto.

4. That these presents are upon this further condition: that neither he nor they will transfer, assign, mortgage, sub-let, or part with the possession of the whole or any part of the land hereby demised within the first six years of this lease: Provided that in the case at any time of the insolvency or death of the lessee, it shall be lawful for the assignee or trustee in insolvency or for the executors or administrators of the lessee, at any time within twelve months from the date of such insolvency or death to assign these presents to any person who is qualified for becoming a lessee under the *Closer Settlement Act 1904*, and such person shall be, with respect to this lease, in the same position as though he had been the original lessee: Provided in case this lease is assigned to any person by such assignee or trustee in insolvency or the executors or administrators of the lessee, such lessee not having personally resided on the allotment pursuant to the conditions of these presents in that behalf, or no proof satisfactory to the Board being given of such residence, the Governor in Council may date such assigned lease so as to enable the new lessee to comply with the said condition of residence, and may make such adjustments of the rent as are necessary, and these presents shall be read and construed accordingly.

5. That he or they, after the expiration of the six years in the last preceding clause mentioned, will not transfer, assign, or mortgage any part of the land hereby demised, without the written consent of the Board first had and obtained, it being a condition of these presents that, if, at any time after the expiration of the first six years hereof, the Board is satisfied that all the covenants and conditions hereof have been complied with, that the lessee may, with the written consent of the Board, transfer, assign, mortgage, sub-let, or part with the possession of the whole or any part of the land hereby demised.

6. That he or they will forthwith, after the granting of this lease, commence and continue to destroy, and will, within three years after the issue of this lease, have destroyed to the satisfaction of the Board the animals and birds by the *Land Act 1901* included in the term "vermin," or which the Governor in Council may by proclamation in the *Government Gazette* declare or have declared to be vermin, for the purposes of the said Act or of any Act thereby repealed, upon the land hereby demised, and will keep the same free of such animals and birds and of Bathurst burr, wild briar, and gorse to the satisfaction of the Board.

7. That he or they will, within three years from the issue of this lease, if not sooner called upon under the provisions of the *Fences Act 1890*, enclose the land described herein with a fence, and keep the same in repair: Provided nevertheless that where any lessee proves to the satisfaction of the Board that, owing to the physical conditions or the nature of the land demised, the enclosing thereof with a fence would be impracticable, or where in the opinion of the Board the fencing of the whole or any part of the land hereby demised is not required, the Board may in writing accept as a compliance with this covenant, the expenditure by the lessee on such land for substantial and permanent improvements previously approved by the Board of an amount equivalent in the Board's opinion to the cost of fencing.

8. That these presents are upon this condition: that the lessee shall, on the land hereby demised, make substantial and permanent improvements, certified in writing under the seal of the Board to be equivalent in value to at least two instalments payable for the said land before the end of the first year from the commencement of this lease, and to the value of Ten pounds per centum of the said purchase money payable therefor before the end of the third year from the commencement of the lease and to the value of a further Ten pounds per centum of the said purchase money before the end of the sixth year from such commencement.

9. That he or they will, at all times during the term of the lease, keep in good repair and condition, to the satisfaction of the Board, all buildings and erections for the time being standing on the land,

and will not destroy, pull down, or remove them, or any part thereof, without the previous permission of the Board in writing.

10. That he or they, not being the holder of a mining or mineral lease, him or them permitting, will not open up any mine on the land comprised in this lease without the previous permission of the Board in writing.

11. That neither he nor they will cut down or remove any of the trees growing on the land hereby demised without the consent of the Board in writing first obtained.

12. That he or they will permit any person appointed in that behalf by the Board at any time to enter upon the premises hereby demised to ascertain if the conditions and covenants of this lease are being performed by the lessee.

13. That he or they shall and will observe, perform, fulfil, and be bound by the stipulations, conditions, covenants, and provisos contained in the Schedule hereto or which may be made pursuant to the *Closer Settlement Act 1904* from time to time by the Governor in Council.

14. That he or they will, on or before the 31st day of July in each year, forward to the Board a statement in the form for the time being prescribed, or if none such there be, a statement showing how the land hereby demised has been utilized during the twelve months ending the 30th day of June next preceding the date of such statement.

15. That these presents are upon this condition: that if and whenever there shall be a breach of or non-compliance with any of the covenants, stipulations, conditions, provisos, or agreements by the lessee herein contained, and the Governor in Council shall determine that this lease shall in consequence be avoided (and the production of the minute of the proceedings of the Executive Council whereat such determination was arrived at, shall be conclusive evidence thereof), then these presents and the term hereby created shall be void and of no effect.

16. That these presents are upon this further condition: that the Governor in Council or the Board may at any time enter upon the whole or any portion of the land hereby demised for the purpose of resuming the same, if required, for any public purposes, roads, railways, canals, reservoirs, or for mining purposes. And further, that in the event of such entry the lessee, his executors, administrators, and assigns, or any mortgagee, will remove any improvements from off the land so resumed, and relinquish and give up possession of the same to His Majesty. There shall be paid by His Majesty the actual cost of removing and re-erection of and any actual depreciation in value caused by such removal and re-erection of such improvements, and the amount of loss sustained in consequence of the relinquishment of any improvements not removable, and the portion of principal repaid, such cost or amount to be fixed by the Board, and to be payable to such person or persons as it determines: Provided that no compensation for severance or for any person's interest in the unexpired term of the lease shall be given or allowed.

17. That these presents are upon this further condition: that if and whenever any instalment covenanted to be paid hereunder shall be in arrear, whether the same shall have been legally demanded or not, or if and whenever there shall be a breach of any of the covenants and agreements positive or negative by the lessee hereinbefore contained, and this lease be avoided either by operation of law or by a determination of the Governor in Council, hereinbefore provided, then these presents and the term hereby created shall be void and of no effect, and immediately upon these presents and the term hereby created becoming void and of no effect it shall be lawful for any bailiff of the Crown lands or for any other agent or officers authorized in that behalf, without any demand whatsoever, to enter upon the land hereby demised, and the lessee, his executors, administrators, and assigns and all persons claiming from under or through him or them forever to expel and remove therefrom without any legal process whatsoever and as effectually as any sheriff might do in case His Majesty had obtained judgment in ejectment for recovery of possession of the said land, and a writ of *habere facias possessionem* or other process had issued on such judgment directed to such sheriff in due form of law: And that in case of such entry, and any action being brought or other proceeding taken for or on account of the same by any person whomsoever the defendants or defendant to such action may plead leave and licence in bar thereof, and these presents shall be conclusive evidence of the leave and licence of the lessee, his executors, or administrators, and all persons claiming from under or through him or them to any

bailiff of Crown lands, and all persons, acting in the matters complained of, in such action or other proceedings: Provided nevertheless that a forfeiture for non-payment of any half-yearly instalment may be prevented for one month by the payment of a fine at the rate of Five pounds per centum per annum, and for each additional month not exceeding eleven by an additional One pound per centum per month, at the end of twelve months forfeiture shall be prevented only by the payment of the whole amount of instalments due: Provided further that no forfeiture shall operate to extinguish any debt to the Crown in respect of such instalment. If the lessee pay the prescribed fines, but is unable at the end of twelve months to pay his instalments the Board may, if the lessee is entitled to his first year's certificate for full compliance with the conditions of these presents, suspend payment of such instalments as will not exceed sixty per centum of the value of the improvements effected on the land over and above any incumbrance thereon and allow him to pay the arrears of instalments and interest thereon in one amount or spread over a definite time, or may extend the lease for a corresponding time.

18. That these presents are upon this further condition: that at any time after the expiration of the first twelve years of this demise, provided the Board is satisfied that all the covenants and conditions hereof have been complied with, and the fencing and improvements maintained, and that the full purchase money for the land and for any improvements has been paid, the lessee or his representatives shall be entitled to a grant in fee of the lands hereby demised, subject to such covenants, conditions, exceptions, and reservations as the Governor in Council may direct. The amount to be paid by the lessee who is not in arrear with his half-yearly instalments, and who at the end of any half-year desires to acquire the fee-simple of the land hereby demised after the expiration of twelve years, but before the expiration of this lease, shall be an amount equal to the balance of the principal together with an amount representing the premium (if any) at which stock or debentures may be re-purchased on such date of payment of the balance of purchase money.
