WHEREAS by section 23 of the *Education Act 1890* (54 Vict. No. 1086) it is enacted that the Governor in Council may from time to time make and rescind regulations for all or any of the purposes therein mentioned, and generally for carrying the said Act into effect: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby rescind Regulations No. XV. and No. XVI. of the Regulations made under the *Education Act 1890*, and doth make the Regulations following in lieu thereof, that is to say:—

REGULATION XV.—RECORDS.

1. The Head Teacher of each school will be held responsible for the proper keeping of the following school records and documents:—

- (a) School Register;
- (b) School Rolls;
- (c) Teachers' Rolls;
- (d) Register of Absence;
- (e) Inspector's Register;
- (f) Teachers' Examination Register;
- (g) Time Tables for current year;
- (h) Work Programmes for current year;
- (i) Portfolio of Official Documents;
- (j) Corporal Punishment Register;
- (k) Acts and Regulations;
- (l) Invoices of grants of furniture, apparatus, books, and other requisites;
- (m) Files of *Education Gazette*.

2. All school records and documents shall be considered to be the property of the Minister, and must not be removed from the school without special direction.

3. The Head Teacher will be held responsible for the proper training of his assistants and pupil teachers in the keeping of records and in the filling up of returns.

4. *School Rolls*—

- (1) The roll, which must be original, and not copied from papers, slates, &c., will always commence on the 1st January and 1st July, and terminate on the 30th June and 31st December respectively.
- (2) The names of all children above four and a half years of age attending school are to be entered in the order of their classes, and the age of each child at the time of commencing the roll is to be given.
- (3) Children below six years of age shall be enrolled during the first fortnight only of each school quarter, unless such children are provided with transfer notes from other schools.
- (4) The roll is to be called and marked in ink, two hours previous to the time fixed for closing the school, morning and afternoon, and only those children who are present at roll-call and answer to their names may be marked as present. The time for roll-call must be stated in the timetable. The attendance of children under four and a half years of age must not be recorded. In night schools the roll must be called and marked not less than one hour and forty minutes before the time fixed for closing the school.
- (5) If a child leaves before school is closed, and has not attended two hours, the mark denoting presence must be cancelled in the manner prescribed in the directions for filling up the rolls printed on the face of the roll-sheet.
- (6) The number of attendances made by the school must be entered at the close of each school meeting.
- (7) When any day is observed as a holiday, the word "Holiday" should be written in the attendance column for that day.
- (8) The reasons assigned by parents for the absence of their children from school should be noted in the attendance columns.

5. *Teachers' Rolls and Attendances*—

- (1) Each member of the staff is to enter the time of his arrival and of his departure in the roll-sheets provided for the purpose. When any member of the staff arrives later than the prescribed time or departs earlier, the reason for such

action should be entered. If any teacher leaves the premises during the day, the interval of his absence should be recorded in the same manner. If the absence occurs during school hours, the cause of absence should be stated. Visiting teachers will also enter the time they arrive at and leave school. When a member of the staff is frequently unpunctual, such unpunctuality should be reported.

- (2) The absence of any member of the staff shall be promptly reported and explained.
- (3) When leave of absence is required for a period exceeding two days, timely application must be made, accompanied in the case of illness by a medical certificate. Special forms are provided for such applications and for medical certificates, and these must be used.
- (4) In cases of transfer or exchange, Head Teachers must at once notify the respective District Inspectors and Correspondents of local Boards of Advice of the last date of duty in their old school and of the first date in the new.

6. *Registers*.—The registers are to be kept in accordance with the directions accompanying them, and they with the other records are at all times to be open to the inspection of officers of the Department and members of the Board of Advice when visiting the school.

REGULATION XVI.—SCHOOL BOOKS AND REQUISITES.

1. It is expected that children will supply themselves with books, slates, and other articles required to enable them to take part in the work of their class.

2. Children shall not be required to provide themselves with any text-books which have not been formally approved by the Director.

3. Grants of school requisites will be made only in cases of indigence, or for use in the school; but these requisites must on no account be taken out of the school-room without the special permission of the teacher, who will be held responsible for any loss or damage beyond fair wear and tear.

4. In places where school books and requisites can be purchased from tradesmen at ordinary rates the sale of such articles by teachers is prohibited. Where there is an absence of other adequate means of supply, teachers are permitted to keep a stock of school requisites for sale, but the prices charged to the scholars must not be more than sufficient to cover the original cost with the expense of carriage added, and a list of such prices must be kept conspicuously exhibited on the wall of the school-room.

And the Honorable Arthur Otto Sachse, His Majesty's Minister of Public Instruction for the State of Victoria, shall give the necessary directions herein accordingly.

FARM AND AGRICULTURAL LABOURERS' ALLOTMENTS AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

MORTLAKE ESTATE.

THE allotments mentioned in the Schedule hereunder will be available for application till 12th April, 1905. Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the registration fee of 5s., and a deposit equal to the first half-yearly instalment for the most valuable allotment applied for, and the lease fee of £1.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made.

The applications received will be dealt with on Tuesday, 18th April, 1905, at 10 a.m., in the Court House, Mortlake.

Conditional Purchase Lease.

The leases issued to successful applicants will be dated the first day of June, 1905, and may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £1,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

In the case of Agricultural Labourers' Allotments, the maximum value of land which can be held by any one person is limited to £200.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

In the case of Agricultural Labourers' Allotments, a substantial dwelling house, to the value of at least £30, must be erected within one year from the date of lease, and the land fenced within two years from the said date.

The lessee must reside on the allotment. (Personal residence by a wife, or any child not less than eighteen years of age, of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments (including deposit), calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

TENDERS will be received up to Twelve noon on Thursday, 30th March, 1905, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the Land Act 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate, or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the Land Act 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring-barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act 1890 in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for fifteen months—from 1st April, 1905, to 30th June, 1906.

2. The fee for the period from 1st April, 1905, to 30th June, 1906—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.
