WESTERN WIMMERA WATERWORKS TRUST.—
REGULATIONS FOR THE ELECTION OF COMMISSIONERS.

At the Executive Council Chamber, Melbourne, the
twenty-eighth day of August, 1906.

PRESENT :

His Excellency the Administrator of the Government of
Victoria.

Mr. Bent	Mr. Sachse
Mr. Davies	Mr. Cameron.
Sir Samuel Gillott	

WHEREAS by the *Water Act 1905* the Governor in Council is empowered to make regulations for the election of Commissioners of Waterworks Trusts: Now therefore His Excellency the Administrator of the Government of the State of Victoria, acting by and with the advice of the Executive Council of the said State, and in pursuance of the powers aforesaid, doth hereby make the following Regulations for the election of Commissioners of the Western Wimmera Waterworks Trust :—

1. *Interpretation of terms.*—In these Regulations "the Trust" or "the said Trust" shall mean the Western Wimmera Waterworks Trust. "Minister" shall mean the Minister of Water Supply.

2. *Period for which Commissioners shall hold office.*—The period for which the Commissioners shall hold office shall be three years, and shall date on and from the date of election.

3. *Annual retirement of Commissioners.*—Four Commissioners shall retire annually, but the retiring Commissioners shall, subject to the provisions of the said Act, be eligible for re-election.

4. *Extraordinary vacancies, how filled.*—Should any vacancy in the office of Commissioner be occasioned by death, resignation, disqualification, or any other cause whatever, the same shall be filled up by election under these Regulations within one month after the vacancy has occurred, and the person elected to fill such vacancy shall hold the office of Commissioner during the unexpired portion of the term of office of the Commissioner whose seat shall have become vacant.

5. *Date of first and subsequent Election of Commissioners.*—The first election of Commissioners under these Regulations, other than for filling up any vacancy under the preceding clause, shall be held on the first Wednesday in the month of March, 1907, and the ordinary election of

Commissioners shall be held on the first Wednesday in the month of March in each succeeding year. Provided that, whenever such day shall fall upon any day set apart as a public holiday, such election shall be held upon the day next following.

6. *Voters' List to be prepared annually.*—Before the last day of February in each year a voters' list shall be made out in the manner prescribed by section 96 of the *Water Act 1905*, which shall, upon approval of the Commissioners under the common seal of the Trust, be the list of voters for the election of Commissioners for the twelve months next ensuing.

7. *Form of Voters' List—First Schedule.*—Such voters' list shall be in the form in the First Schedule hereto, and shall contain, in regular numerical sequence and alphabetical order of surname, the Christian name or names, surname, and address (so far as these may be known) of every ratepayer within that portion of any municipal district included within the district of the Waterworks Trust.

In making out such list of voters, if the land or tenement in respect of which any ratepayer is entitled to vote is only in part within the Waterworks District, then the number of votes of such ratepayer in respect of such land or tenement shall be varied so as to be in the proportion to which the net annual value of such part bears to the net annual value of the whole of such land or tenement.

8. *Chairman of Trust to be Returning officer at Elections.*—For the purpose of the elections herein mentioned (whether ordinary or extraordinary) the Chairman of the Trust holding office as such on the day immediately preceding the date of election, shall be the returning officer; but if at the time of any election the office of Chairman of the Trust should become vacant the Commissioners of the Trust may, by resolution, appoint one of their number to be returning officer; and the returning officer may appoint a deputy or deputies to assist him or to act in his room at any election, and such deputy or deputies may do all things which the returning officer is hereby authorized or required to do.

9. *Notice of Election—Nomination of Candidates—Second Schedule.*—Fourteen clear days before any election of Commissioners under these Regulations, the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the Waterworks District of the Trust, and by such notice shall require all candidates at such election to be nominated at some place within the said district to be in such notice in manner hereinafter mentioned, between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon on a day (hereinafter called the day of nomination) not less than four nor more than seven days after the time of giving such notice, and named therein, and any person desirous of becoming a candidate shall cause to be delivered on the date and at the place aforesaid to the returning officer a nomination paper, in the form to the Second Schedule, or to the like effect, stating therein both his Christian and surname, together with the other particulars required in and by the said Schedule; and such nomination paper shall be signed by not less than three persons duly qualified to vote at such elections, as well as by the candidate. And no person who shall not have been so nominated shall, within the provisions of these Regulations, be deemed to be a candidate at any election of Commissioners.

10. *Qualifications of Commissioners.*—No person shall be eligible for election as a Commissioner unless he is liable to be rated under the *Water Act 1905* in respect of some land or tenement in the Waterworks District of such Trust.

11. *Where number of Candidates does not exceed number of Commissioners to be elected.*—If, at the expiration of the time limited as hereinbefore provided for the nomination of candidates, the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

12. *Where number of Candidates exceeds the number of Commissioners to be elected—Third Schedule—Notice of Poll—Hours of Polling.*—If, at the expiration of the time limited for the nomination of candidates, the number of candidates exceeds the number of Commissioners to be elected, then the returning officer shall forthwith cause the ballot-papers to be printed, with the Christian names and surnames of all the candidates in full in the form of the Third Schedule hereto, and shall also give public notice by advertisement in some newspaper circulating in the Waterworks District of the Trust, stating the names of the persons so nominated, and that a poll will be taken for the election of such Commissioners upon the day named in such notice, at such place or places within the said district as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly and shall commence at Nine o'clock in the forenoon, and close at Four o'clock in the afternoon.

13. *Retirement of Candidates before Polling Day.*—If, at any election, after a poll shall have been appointed as aforesaid, any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than seven clear days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the waterworks district of the Trust a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election, shall, on the day appointed for the election, declare the remaining candidates duly elected, and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and, if such papers are already printed shall erase such name therefrom; and such person shall not be capable of being elected at such election.

14. *Polling Booths may be hired.*—At such election the returning officer shall provide suitable places for taking a poll, and may, if necessary, cause to be hired and used as polling booths any rooms which he may deem to be suitable at the places appointed for taking the poll, and may divide such rooms into compartments as to him may seem most convenient.

15. *Returning Officer to preside at Polling Booth.*—The Returning Officer or his deputy shall preside at each polling booth for taking the poll.

16. *Scrutineers may be appointed.*—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in each polling booth, and the said returning officer or his deputy, and the said scrutineers, and any voters not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling booth.

17. *Pencils to be provided.*—The returning officer or his deputy shall provide pencils in each polling booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot papers, and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked, and shall stand on a table opposite the returning officer, or deputy returning officer, who shall keep the key of such box.

18. *Mode of Voting.*—The returning officer or his deputy shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of the Third Schedule hereto, and initialed by the returning officer or his deputy; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name or names have been so struck out, the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot-paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

19. *Ballot-papers to be numbered.*—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

20. *Informal Ballot-papers.*—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of Commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

21. *What Question may be asked.*—At any election of Commissioners the returning officer or his deputy may, if he see fit, or if required to do so by any candidate or

scrutineer, put to any person tendering his vote the question following:—

“Are you the person whose name appears as (A.B.) in the roll now in force for this Trust, being enrolled therein in respect of land or tenement described to be situated in (here specify the land or tenement described in the roll)?”

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

22. *False Answer, Polling Twice, and Personation.*—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once or offer to poll more than once at the same election, or who shall depart or who shall depart from any polling booth after having received a ballot-paper or ballot-papers without having deposited the same in the ballot-box, as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these Regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

23. *Result of Polling, how ascertained.*—Immediately on the close of the poll at each booth the returning officer or his deputy shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer or his deputy shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer or his deputy shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll the returning officer shall publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust; and if two or more candidates have received an equal number of votes, the returning officer shall determine by lot the candidate to hold office.

24. *Ballot-papers, how disposed of.*—The returning officer shall forthwith after the declaration of the poll indorse with a description of the contents thereof, and sign the sealed parcel of ballot-papers, and forward the same to the Secretary of the Trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of two Commissioners of the Trust.

25. *Questions arising upon elections to be determined by the Trust.*—If any question arise as to the due election of any Commissioner at any election (whether ordinary or extraordinary) such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of the Commissioners whose election is not in dispute shall form a quorum.

26. *Appeal to Minister from determination of Trust.*—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

27. *Failure to Elect deemed to create Extraordinary Vacancies.*—If at any election of Commissioners any vacancies less than the whole number which should have been filled up at such election are not filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies, and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

28. *Expenses of Election to be paid by Trust.*—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

29. *Penalty for Breach of Regulations.*—Any person guilty of a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

30. *Interpretation.*—In these regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.

31. *Revocation of Regulations.*—The regulations bearing date the 25th day of November, 1880, providing for the election of Commissioners of the Western Wimmera Irrigation and Water Supply Trust, shall be, and the same are, hereby revoked.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring-barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of sawmillers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

1. Where a licensee under section 187 of the *Land Act 1901*, has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may in any Court of competent jurisdiction sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
