At the Executive Council Chamber, Melbourne, the thirteenth day of February, 1906.

PRESENT:

His Excellency the Governor of Victoria.

Sir Samuel Gillott.
Mr. Murray

Mr. Sachse
Mr. Mackey.

WHEREAS by section 2 of the *Stock and Debentures Registers Act 1905* (5 Edw. VII. No. 2001), it is provided that the Governor in Council may from time to time make regulations for enabling the holders of any Victorian Government Inscribed Stock or Victorian Government Consolidated Inscribed Stock or Victorian Government Debentures which are redeemable in London to have any such stock or debentures if the holders thereof so desire transferred from the registers of such stock or debentures kept in London to registers to be opened and kept in the Treasury at Melbourne and for prescribing the

fees chargeable for any such transfers: Now therefore His Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof, doth hereby make the following Regulations, viz.:-

1. Applications for transfer of Victorian Government Inscribed Stock and Victorian Government Consolidated Inscribed Stock from the London registers to the Melbourne registers shall be made by letter, signed by the registered holders of the stock or their attorneys under approved power, addressed to the London and Westminster Bank Limited, Lothbury, London.

2. The London and Westminster Bank will thereupon issue to the applicant a certificate in the form of Schedule A to these regulations, and forward by next available post to the Treasurer of Victoria, Melbourne, the duplicate of such certificate.

3. On receipt of the said certificate and duplicate the stock will be inscribed in the stock ledgers to be kept for such purpose in the Treasury, Melbourne, and in the Audit Office, Melbourne, and all transactions relating to such stock shall thereafter be made in Melbourne.

4. On the issue of a certificate the London and Westminster Bank shall transfer the stock named therein from the account in which it is inscribed and shall credit it to an account to be called "Stock Transition Account" until receipt of advice, as per Schedule B, from the Treasury, Melbourne, when the said stock shall be removed from the London registers finally.

No dealings whatever shall be made in the stock while in the "Stock Transition Account."

5. All the conditions relating to such stock at the time of its original inscription shall continue in force excepting the place for payment of interest and redemption, but after inscription in the Melbourne registers the mode of transfer shall be the same as prescribed by the *Victorian Government Stock Act 1896*, No. 1468.

2. The quantity mentioned in the schedules will be required from the contractor, who will be bound, however, to supply any further quantities, at the scheduled price, that may be ordered by the Government Printer during the currency of the contract. Four (4) months' notice of the ADDITIONAL REQUIREMENTS will be given to the contractor by the Government Printer.

3. In the event of the supplies not being delivered by the time specified in the schedule or order as the case may be, it will be competent for the Government Printer to purchase the same, or such articles as may be suitable for the service, at the risk of the contractor, from whose account any expense that may be incurred over and above the contract price will be deducted.

4. The supplies on delivery will be surveyed by a board appointed by the Government for that purpose, and the decision of the board is to be considered as final. Payment will be made on the board's certificate that the goods are of contract quality and in good order and condition.

5. If the board of survey shall decide that the goods are not of contract quality, the contractor must in that case remove the goods objected to and supply others in their stead, failing which the supplies may be purchased as in condition 3.

6. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense.

7. A repetition of irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding One hundred pounds, as the Government may direct, and the amount may be deducted as in condition 3, or from the contractor's security. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith and forfeit the security.

8. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

9. In the event of the contractor failing to carry out the contract, the contract security money will be absolutely forfeited, and the contractor disqualified from tendering for a period of twelve months.

10. The packages, cases, &c., will become the property of the Government without extra charge.

11. In the event of any alteration in the duties of Customs now being collected, which may affect any of the items included in these contracts, the Government or the contractor, as may be the case, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, provided that the duty on such item has actually been paid.

Tenders must be placed in the Crown Lands Office Tender-box not later than Twelve noon on Wednesday, 28th February, 1906.

NOTE.—No tender will be accepted unless the fee for the period from 1st March, 1906, to 30th June, 1907, and fee of Five shillings for licence, are forwarded with the tender.

TENDERS will be received up to Twelve noon on Wednesday, 28th February, 1906, for the occupation, for grazing purposes only, of the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring-barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

2. The fee for the period from 1st March, 1906, to 30th June, 1907—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.
