SHIRE OF GLENELG.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Glenelg, and they desire that the North and Central Ridings of the shire be re-subdivided into three Ridings.

The petitioners state that the proposal would more evenly divide the shire as regards rateable value of property, as the Central Riding is at present more than equal to the other two Ridings combined, and that it would concentrate the roads of the different Ridings into Casterton, their natural and chief business centre.

The petitioners further state that the Closer Settlement now established at Wando Vale, and the cutting up of other large estates, has considerably altered the distribution of interests; and they consider that this in itself has rendered a change very necessary, &c.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire as desired—the South Riding to remain as at present.

The names of the proposed Ridings are as follows:—

- South Riding.
- Central Riding.
- West Riding.
- East Riding.

Notices for the petitioners may be served on C. W. S. Paramor, Esq., Henty-street, Casterton.
