STAUGHTON VALE ESTATE.

THE allotments mentioned in the Schedule hereunder will be available for application till 20th December, 1907. Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the registration fee of 5s., and a deposit equal to the first half-yearly instalment for the most valuable allotment applied for, and the lease fee of £1.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made.

The Local Land Board to deal with applications will be held on 6th January, 1908, at the Board Room, Public Offices, Melbourne.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person. No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £1,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments (including deposit), calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

* Six months in the year only.

Tenders for supply of forage to more than five separate stations in any one district must be accompanied by a preliminary deposit of 10s. for each and every station over and above five, except in the case of the Melbourne District, the preliminary deposit for which shall be £25 with each tender, irrespective of the number of stations tendered for, in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the necessary bond within a reasonable time after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to hold contracts for Government supplies for a period of two years.

The price must include delivery at the stations, and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied the contractor will be required to remove them when delivery is taken. At other stations, notices will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

For police stations, excepting the depot and institutions other than police, the successful tenderer will be required to enter into a bond for the sum of £5 per horse per station, and for the depot and other institutions a bond based on one-quarter of the total amount of the tender accepted, such bonds to be entered into within a reasonable time after the acceptance is notified. Two approved sureties are required for contracts where the sum stated in the bond is £50 and upwards, and one surety where the sum stated is under £50.

CONDITIONS OF CONTRACT.

1. The hay to be good, sound, and sweet, and properly trussed except when otherwise specified in the contract; the straw to be wheat or oats, and both to be in all respects of the best quality; oats, white or Algerian (Victorian grown), of the best description, full kernel, clean, and free from wild oats or other objectionable seeds; bran to be sound and sweet, and of the best description; chaff to be made from oat straw of the best quality. As much forage as can be stored at any station where the storage is small will, for the convenience of the contractor, be ordered at one time.
2. The quantities stated in the schedule are only approximate, and the Government may draw either more or less than those mentioned. Should new telegraph stations be formed or additional horses be required at any station, the contractor will be required to supply the extra forage. Should the additional number of horses, however, exceed two, the contractor may, if he desires it, terminate the contract by supplying at once the whole quantity due at the station.
3. Notwithstanding anything contained in the preceding condition, the contractors for the supply to the Police Depot may be called upon to supply any Government Departments within a radius of six miles from Melbourne, for which no contracts have been taken, and also forage for any extra horses that may be at any time stabled at the depot for police purposes, at the same rates. The contract for the supply of forage to the Military Barracks may be terminated by three months' notice being given by the Secretary to the Tender Board to the contractor of such determination.
4. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.
5. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a board of survey, composed of persons named by the head of the department ordering the supply, and the decision of the Board is to be considered final.
6. If the Board shall decide that the forage is not of proper quality, it must be immediately replaced, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 4.
7. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue to either party by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, but he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 4.
8. A refusal to execute orders, irregularity in the quantity or quality of the forage, or delay in delivering or replacing it when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £20, as the Treasurer of the State for the time being may direct. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.
9. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.
10. Under no circumstances will a contractor be permitted to abandon his contract, and in the event of his failing to carry on his contract he will be held liable for any loss which the Government may sustain in consequence of such failure. In the event of a station being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.
11. The contracts entered into under this notice are not to be considered as broken, infringed, or vitiated by the purchase by any Department of forage grown at any Government establishment.
