SPECIAL.

*Gulf St. Vincent—Semaphore Anchorage.—Wreck of
s.s. Jessie Darling.*

REFERRING to Notice to Mariners, No. 2 of 1907, the attention of masters of vessels, pilots, and others navigating the Semaphore anchorage, is directed to the salvage operations now in progress there, and to the fact that the wreck of the s.s. *Jessie Darling* at present lies in a position about one mile north of where the *Norma* was wrecked, but will probably be in various positions at the Anchorage during the continuance of the raising operations.

So long as the wreck constitutes a menace to safe navigation it will be marked as a vessel aground in or near a fairway, i.e.:—At night, by the usual anchor lights and two red lights placed vertically; by day, with two black balls placed vertically, as required by the Article 11 of the Rules relating to Collisions at Sea. Masters of vessels, pilots, and others are therefore cautioned to give the wreck a wide berth, and steamers should slow down when passing in the vicinity.

And it is hereby further provided that if such order is made in the interests of the public it may direct such amount by way of compensation to be paid to the licensee, his executors, administrators, or assigns out of the consolidated revenue as to the Governor in Council shall seem equitable.

And the licensee for himself, his executors, administrators, and assigns further covenants with His Majesty, his heirs, and successors, that at the expiration or other sooner determination of the term of this licence, he will forthwith remove all weirs, off-takes, sluices, or other works, machinery, materials erected and obstructions placed in position for the purpose of diverting or taking water under the terms hereby granted.

ALLAMBEE ESTATE.

THE allotments mentioned in the Schedule hereunder will be available for application till 10th July, 1907. Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the registration fee of 5s., and a deposit equal to the first half-yearly instalment for the most valuable allotment applied for, and the lease fee of £1.

All applications so lodged on or before the above-mentioned date will be deemed to have been simultaneously made. The applications received will be dealt with on Wednesday, 24th July, 1907, at 9 a.m., in the Court House, Warragul.

Conditional Purchase Lease.

The leases issued to successful applicants will be dated the first day of August, 1907, and may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £1,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments (including deposit), calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box not later than Three o'clock p.m. on Thursday, 27th June, 1907.

NOTE.—No tender will be accepted unless the fee for the period from 1st July, 1907, to 30th June, 1908, and fee of Five shillings for licence, are forwarded.

TENDERS will be received up to Three o'clock p.m. on Thursday, 27th June, 1907, for the occupation, for grazing purposes only, of the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for twelve months—from 1st July, 1907, to 30th June, 1908.

2. The fee for the period from 1st July, 1907, to 30th June, 1908—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 3935," or "Lot 2, Block 6556," or "Lot 3, Block 6709," as the case may be, and addressed to Secretary for Lands, Melbourne.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

Section 13, Land Act 1904, provides:—

1. Where a licensee under section 187 of the Land Act 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may in any Court of competent jurisdiction sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
