PRESENT:

The King's Most Excellent Majesty.

Lord President,	Lord Tweedmouth,
Earl of Sefton,	Lord Allendale,
Earl Beauchamp,	Lord Justice Kennedy.
Mr. Winston Churchill.	

WHEREAS by the Extradition Acts 1870 to 1906, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of

being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient;

And whereas a Treaty was concluded on the twenty-sixth day of January, One thousand nine hundred and four, between His Majesty and the President of the Republic of Peru, for the extradition of criminals, which Treaty is in the terms following:—

Treaty of Extradition between Great Britain and Peru.

His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and His Excellency the President of the Republic of Peru, having determined, by common consent, to conclude a Treaty for the extradition of criminals, have accordingly named as their Plenipotentiaries:

His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, William Nelthorpe Beaucherk, His Majesty's Minister Resident in Peru;

And His Excellency the President of the Republic of Peru, José Pardo, his Minister for Foreign Relations;

Who after having exhibited to each other their respective full powers and found them in good and due form, have agreed upon the following Articles:—

ARTICLE I.

The High Contracting Parties engage to deliver up to each other, in accordance with the stipulations of the present Treaty, any persons who, being accused or convicted in one of the two countries of one or more of the offences enumerated in the following Article are found in the territory of the other.

ARTICLE II.

Extradition shall be reciprocally granted for the following crimes or offences:—

1. Murder (including parricide, infanticide, poisoning) or attempt or conspiracy to murder. The Peruvian Government may, however, in its absolute discretion, refuse to deliver up any person charged with a crime punishable with death.
2. Manslaughter.
3. Procuring or attempting to procure abortion.
4. Rape, abduction, and indecent assault.
5. Unlawfully detaining or kidnapping children, abandoning, or exposing them.
6. Bigamy.
7. Wounding or inflicting grievous bodily harm.
8. Assault occasioning actual bodily harm.
9. Threats, by letter or otherwise, with intent to extort money or other things of value.
10. Perjury, or subornation of perjury.
11. Arson and other malicious injury to property if such injuries are indictable.
12. Burglary or housebreaking, robbery with violence, larceny, or embezzlement.

13. Fraud by a bailee, banker, agent, factor, trustee, director, member, or public officer of any company punishable with imprisonment for not less than one year.

14. Obtaining money, valuable security, or goods by false pretences; receiving any money, valuable security, or other property, knowing the same to have been stolen or unlawfully obtained.

15. Counterfeiting or altering money or bringing into circulation counterfeited or altered money.

16. Making or having possession of instruments adapted and intended for the counterfeiting of the coin of the realm or for the forgery of documents. Forgery and uttering what is forged.

17. Offences against bankruptcy law.

18. Any malicious act done with intent to endanger the safety of any persons travelling or being upon a railway.

19. Piracy by the law of nations.

20. Dealing in slaves in such manner as to constitute a criminal offence against the laws of both States.

21. Extradition is also to be granted for other crimes or offences against persons or things which, according to the laws of the High Contracting Parties, are Extradition offences and are punishable by not less than one year's imprisonment.

The extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both Contracting Parties.

Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the law of both the Contracting Parties for the time being in force, the grant can be made.

ARTICLE III.

Each of the High Contracting Parties reserves the right to grant or refuse the surrender of its own subjects or citizens.

ARTICLE IV.

The surrender shall not take place when the person claimed by the Government of either of the two nations has already been tried and sentenced by the authorities of the other for the crime for which his extradition is demanded.

If the person claimed should be awaiting trial in the territory of one of the two nations, or be undergoing sentence in it on account of any other crime than that for which his extradition is claimed, his surrender shall be deferred until after he has been discharged, whether by acquittal or on the expiration of his sentence, or by pardon, or otherwise.

ARTICLE V.

The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

ARTICLE VI.

A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he proves that the requisition for his surrender has in fact been made with a view to try or punish him, for an offence of a political character.

ARTICLE VII.

A person surrendered may in no case be kept in prison or be brought to trial in the State to which the surrender has been made for any other crime, or on account of any other matters than those for which the extradition shall have taken place, until he has had an opportunity of returning to the State by which he has been surrendered.

This stipulation does not apply to crimes committed after the extradition.

ARTICLE VIII.

The requisition for extradition shall be made through the Diplomatic Agents of the High Contracting Parties respectively; in default of these by the Consular Officers, and in the absence of both of these, directly, from Government to Government.

The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

Also, in case of extradition being demanded by Great Britain for a crime which is an offence against some statute, a copy of the said statute shall be sent; and if for a crime at common law only, an extract from some text-book generally recognised as authoritative may be sent, as indicating the punishment applicable to the offence giving rise to the requisition.

If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

A sentence passed in *contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

ARTICLE IX.

If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

ARTICLE X.

When either of the Contracting Governments considers the case urgent it may apply for the provisional arrest of the criminal and the safe keeping of any objects relating to the offence.

Such request will be granted, provided the existence of a sentence or warrant of arrest is proved and the nature of the offence of which the fugitive is accused is clearly stated.

The warrant of arrest to which this Article refers should be issued by the competent judicial authorities of the Country applying for extradition. In the United Kingdom the accused shall on arrest be sent as speedily as possible before a Police Magistrate. The prisoner shall be discharged if the State applying does not complete the requisition within the term of ninety days counting from the date of the arrest of the prisoner.

ARTICLE XI.

The extradition shall take place only if the evidence be found sufficient according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove by the documents presented which shall contain a description of the person claimed and any particulars which shall serve to identify him, that the prisoner is the identical person convicted by the Courts of the State which makes the requisition and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

ARTICLE XII.

In the examinations which they may have to make in accordance with the foregoing stipulations, the Authorities of the State applied to shall admit as valid evidence the sworn depositions or the affirmations of witnesses taken in the other State, or copies thereof, and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating the fact of a conviction, provided the same are authenticated as follows:

1. A warrant must purport to be signed by a Judge, Magistrate or Officer of the other State.

2. Depositions or affirmations, or the copies thereof, must purport to be certified under the hand of a Judge, Magistrate, or Officer of the other State to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

3. A certificate of or judicial document stating the fact of a conviction must purport to be certified by a Judge, Magistrate, or Officer of the other State.

4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by oath of some witness, or by being sealed with the official seal of the Minister of Justice or some other Minister of the other State: but any other mode of authentication for the time being permitted by the law of the country where the examination is taken may be substituted for the foregoing.

ARTICLE XIII.

If the individual claimed by one of the High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to the State whose demand is earliest in date.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within ninety days from the date of the apprehension of the fugitive, or within such further time as the State applied to or the proper Tribunal thereof shall direct, the fugitive shall be set at liberty.

ARTICLE XV.

When extradition is conceded the papers and other Articles connected with the offence or its authors, or which were in their possession at the time of their arrest, shall be delivered to the State to which extradition is granted.

This State shall be bound to return them after the termination of the trial, if any persons shall satisfy the authorities of the State granting extradition that they have a right to them.

ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the colonies and foreign possessions of His Britannic Majesty, so far as the laws in such colonies and foreign possessions allow.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such colonies or foreign possessions shall be made to the Governor or chief authority of such colony or possession by the Chief Consular officer of the Republic of Peru in such colony or possession.

The Governor or chief authority may dispose of the requisition, in accordance with the laws of the territory in which he exercises authority, and shall be at liberty to grant the surrender or to refer the matter to his Government.

Requisitions for the surrender of a fugitive criminal emanating from any colony or foreign possession of His Britannic Majesty shall be governed by the rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the High Contracting Parties. It may be terminated by either of the High Contracting Parties by a notice not exceeding one year, and not less than six months.

It shall be ratified after receiving the approval of the Congress of the Republic of Peru, and the ratifications shall be exchanged at Lima as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and affixed thereto their respective seals.

Done at Lima this twenty-sixth day of January, in the year One thousand nine hundred and four.

(L.S.) WILLIAM NELTHORPE BEAUCLERK.

(L.S.) JOSÉ PARDO.

And whereas the ratifications of the said Treaty were exchanged at Lima on the thirtieth day of November, One thousand nine hundred and six:

Now, therefore, His Majesty, by and with the advice of His Privy Council, and in virtue of the authority committed to Him by the said recited Acts, doth order, and it is hereby ordered, that from and after the 20th day of May, One thousand nine hundred and seven, the said Acts shall apply in the case of Peru, and of the said Treaty with the President of the Republic of Peru:

Provided always that the operation of the said Acts shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in 1886, and entitled "An Act respecting the Extradition of Fugitive Criminals," shall continue in force there, and no longer.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

THE land known as "Nyppo" is situated on the north-east of Lake Albacutya, about 15 to 18 miles from Rainbow railway station.

Applications (with uncanceled duty stamp of value of 5s. affixed) must be made on the usual form, addressed to the President of the Board of Land Works, and lodged at any Crown Lands Office or Receipt and Pay Office in the State on or before Wednesday, 28th August, 1907.

One application and duty stamp will only stand good for one allotment, but if an applicant desires to apply for more than one allotment he may do so.

No person who already holds the area of mallee land allowed by classification will be eligible to select, but holders of less than such area will be entitled to apply for the difference between the area held and that which the classification of the land entitles them to select.

Married women are eligible to select.

The applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

For 3rd class land the rent payable under agricultural allotment licence is 6d. or 3d. (as the licensee may elect) per acre per annum, and at the end of six years, if conditions with regard to residence, cultivation, improvements, and all other usual conditions have been complied with, a lease for fourteen years or 34 years, as the case may be, will be granted at the same rental, or, if desired, on the expiry of the licence a Crown grant will be issued on payment of 7s. or 8s. 6d. per acre, as the case may be. For 3rd class land, the total amount payable in order to obtain a Crown grant is 10s. per acre.

The survey fees must be paid within 28 days after an allotment has been granted.

Plans (price 1s.) and further information may be obtained at the Inquiry Room, Lands Department, Melbourne, and Land Offices, Seymour, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Sale, and Warracknabeal.

Plans may also be inspected at the Police Stations at Jeparit, Rainbow, Beulah, Hopetoun, and at Receipt and Pay Offices, Nhill and Dimboola.

Licensees are not entitled to transfer, assign, mortgage, sublet, nor part with the possession of land for six years from date of licence.

Applicants may obtain from a Local Land Officer, or the Inquiry Branch, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Commissioner of Crown Lands and Survey.

TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Survey Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box not later than Monday, 29th July, 1907.

NOTE.—No tender will be accepted unless the fee for the period from 1st August, 1907, to 30th September, 1908, and fee of Five shillings for licence, are forwarded.

TENDERS will be received up to Monday, 29th July, 1907, for the occupation, for grazing purposes only, of the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

5A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for fourteen months—from 1st August, 1907, to 30th September, 1908.

2. The fee for the period from 1st August, 1907, to 30th September, 1908—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. *Tenders to be indorsed*—"Tender for Lot 1, Block 1," or "Lot 2, Block 1," or "Lot 3, Block 1," as the case may be, and addressed to Secretary for Lands, Melbourne.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

8. The areas are given as more or less, and all appropriated, alienated, or licensed land (if any) within the boundaries is excluded.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may in any Court of competent jurisdiction sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
