CONTRACTS ACCEPTED.—(Series 1908-9.)

CORRECTIONS.

IN the list of Contracts accepted on page 86 of the *Government Gazette* of 13th January, 1909, the Serial No. at the foot of the page is a misprint, being 1733 for 1753. As No. 1733 appears higher up on the same page, the No. should now read 1733A. And on page 239 of the *Gazette* of 20th January, 1909, under the heading Orders in Council, the Serial Nos. 1734 and 1735 should read 1734A and 1735A.

Similarly, under the heading Contracts accepted, the Serial Nos. from 1733 up to and including 1752 should be distinguished by the letter "A," to avoid confusion with the Nos. on page 86.

MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

SCHEDULE OF ALLOTMENTS.

**T**HE land is situated near Ouyen, on the Mildura railway line, about midway between Woomelang and Mildura. Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, the 17th February, 1909. Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

**The applications received will be dealt with by Local Land Board at Birchip on Wednesday, the 3rd March, 1909, and following days, and at Warracknabeal on Monday, the 8th March, 1909, and following days as required.**

**When making application, the applicant should notify at which place he desires to attend the Local Land Board.**

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £8 to £11 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the licence, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the licence. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the Lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than one allotment in this or any future mallee subdivision.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Intending applicants who may go to Ouyen to inspect the land may obtain further information regarding the country from Mr. D. Crosbie, Officer in Charge of Tank Construction at Ouyen.
