Mr. Brown	Mr. Hagelthorn.
Mr. Thomson	

WHEREAS by section 95 of the *Water Act 1905* it is enacted that where in any Order in Council, whether made before or after the passing of the said Act, it has not been provided that the Commissioners of any Waterworks Trust are to be elected by the ratepayers, the Governor in Council, upon a petition of a majority of the ratepayers, may, if he thinks fit, declare that the Commissioners shall, from a date to be named in such Order, cease to be such Commissioners, and shall, from such day, be succeeded by Commissioners elected by the ratepayers.

And whereas it is further provided by the aforesaid section 95 that the Governor in Council may, by the same or any subsequent Order, direct that any number of Commissioners stated in such Order, shall, within a time specified in such Order; and thereafter from time to time, be elected in such manner as may be prescribed by regulations made by the Governor in Council.

And whereas by an Order in Council bearing date the 12th day of May, 1885, a certain Waterworks Trust, now known as the Mooroopna Waterworks Trust, was duly constituted, and, by an Order in Council bearing date the 10th February, 1891, it was ordered and provided that the Councillors for the Mooroopna Riding of the Shire of Rodney, and three other persons should be Commissioners of the said Trust.

And whereas a petition has been signed by a majority of the ratepayers within the Waterworks District of the said Trust praying that the Municipal Councillors for the Mooroopna Riding of the Shire of Rodney and the three other persons appointed Commissioners of the said Trust shall cease to hold office as such Commissioners, and that they be succeeded by Commissioners to be elected by the ratepayers within the Waterworks District of the said Trust.

Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, and in pursuance of the powers conferred upon him by the provisions of the said *Water Act 1905*, doth hereby declare that the persons holding office as Commissioners by virtue of their office as Municipal Councillors for the Mooroopna Riding of the Shire of Rodney and the three persons appointed Commissioners of such Trust shall, after the 22nd day of August, 1909, cease to hold office as such Commissioners accordingly, and shall, after such day, be succeeded by six Commissioners to be elected for such Trust on the 23rd day of August, 1909, in the manner prescribed by regulations made for that purpose, and also for the purpose of conducting subsequent elections.

And the Honorable George Graham, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

**MOORoopNA WATERWORKS TRUST.—REGULATIONS FOR THE ELECTION OF COMMISSIONERS.**

*At the Executive Council Chamber, Melbourne, the twenty-ninth day of June, 1909.*

PRESENT :

His Excellency the Governor of Victoria.	
Mr. Murray	Mr. Cameron
Mr. Graham	Mr. Edgar
Mr. Brown	Mr. Hagelthorn.
Mr. Thomson	

WHEREAS by Division 3 of Part III. of the *Water Act 1905* the Governor in Council is empowered to make regulations for the election of Commissioners of Waterworks Trusts: Now therefore His Excellency the Governor of the State of Victoria, acting by and with the advice of the Executive Council thereof, and in pursuance of the provisions of the now in part recited Act, doth for the purposes aforesaid make the following regulations for the election of Commissioners of the Mooroopna Waterworks Trust.

1. Interpretation of terms.—In these regulations "the Trust" or "the said Trust" shall mean the Mooroopna Waterworks Trust. "Minister" shall mean the Minister of Water Supply.

2. Period for which Commissioners shall hold office.—The period for which the Commissioners shall hold office shall be three years, and shall date on and from the date of election.

3. Extraordinary vacancies, how filled.—Should any vacancy in the office of Commissioner be occasioned by death, resignation, disqualification, or any other cause whatever, the same shall be filled up by election under these regulations, within one month after the vacancy has occurred, and the person elected to fill such vacancy shall hold the office of Commissioner during the unexpired portion of the term of office of the Commissioner whose seat shall have become vacant.

4. Date of first and subsequent Election of Commissioners.—The first election of Commissioners under these regulations shall be held on the 23rd August, 1909, and the ordinary election of Commissioners shall be held on the 23rd August in each succeeding triennial year. Provided that whenever such date shall fall upon a Sunday or any day set apart as a public holiday such election shall be held upon the day next following.

5. Voters' List to be prepared.—For the purposes of the first election of Commissioners a voters' list shall be prepared in like manner to that provided by section 96 of the *Water Act 1905* in so far as circumstances will admit, on or before the 28th July, 1909, by the Secretary to the Trust, certified by him as correct, and such list shall be the list of voters for the said election of Commissioners, and shall remain in force, and shall be used at any subsequent election of Commissioners that may be held prior to a fresh voters' list being made out as hereinafter provided.

6. Voters' List to be prepared annually.—Before the last day of February in each year a voters' list shall be made out in the manner prescribed by section 96 of the *Water Act 1905*, which shall, upon approval of the Commissioners under the common seal of the Trust, be the list of voters for the election of Commissioners for the twelve months next ensuing.

7. Form of Voters' List.—First Schedule.—Such voters' list shall be in the form in the First Schedule hereto, and shall contain, in regular numerical sequence and alphabetical order of surname, the christian name or names, surname, and address (so far as these may be known) of every ratepayer within that portion of the municipal district of the Shire of Rodney included within the district of the Waterworks Trust.

In making out such list of voters, if the property in respect of which any ratepayer is entitled to vote is only in part within the Waterworks district, then the number of votes of such ratepayer in respect of such property shall be reduced in the proportion which such part bears to the whole property of such ratepayer rated in the municipal district.

8. Minister may appoint returning officer for first election.—Chairman of Trust to be returning officer at subsequent elections.—For the purpose of the first election herein mentioned the Minister shall appoint some fit and proper person to be returning officer; but for every subsequent election (whether ordinary or extraordinary) the Chairman of the Trust holding office as such on the day immediately preceding the date of election shall be the returning officer; but if at the time of any election the office of Chairman of the Trust should become vacant the Commissioners of the Trust may, by resolution, appoint one of their number to be returning officer; and the returning officer may appoint a deputy to assist him or to act in his room at any election, and such deputy may do all things which the returning officer is hereby authorized or required to do.

9. Notice of Election.—Nomination of Candidates.—Second Schedule.—Fourteen clear days before any election of Commissioners under these regulations, the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the Mooroopna township, and by such notice shall require all candidates at such election to be nominated at some place within the said township to be named in such notice in manner hereinafter mentioned, between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon, on some day before a day (hereinafter called the day of nomination) not less than four nor more than seven days after the time of giving such notice, and named therein, and any person desirous of becoming a candidate shall, before Four o'clock in the afternoon of the day next preceding the nomination day, cause to be delivered at the place aforesaid to the returning officer a nomination paper, in the form to the Second Schedule, or to the like effect, stating therein both his christian and surname, together with the other particulars required in and by the said Schedule; and such nomination paper shall be signed by not less than three persons duly qualified to vote at such elections, as well as by the candidate. And no person who shall not have been so nominated shall, within the provisions of these regulations, be deemed to be a candidate at any election of Commissioners.

10. Qualifications of Commissioners.—No person shall be eligible for election as a Commissioner unless he is liable to be rated under the *Water Act*, 1905 in respect of property within the district of the Trust.

11. Where Number of Candidates does not exceed Number of Commissioners to be elected.—If, at the expiration of the time limited as hereinbefore provided for the nomination of candidates, the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

12. Where Number of Candidates exceeds the Number of Commissioners to be elected.—Third Schedule.—Notice of Poll.—Hours of Polling.—If, at the expiration of the time limited for the nomination of candidates, the number of candidates exceeds the number of Commissioners to be elected, then the returning officer shall forthwith cause the ballot-papers to be printed, with the christian names and surnames of all the candidates in full in the form of the Third Schedule hereto, and shall also give public notice by advertisement in some newspaper circulating in the Mooroopna township, stating the names of the persons so nominated, and that a poll will be taken for the election of such Commissioners upon a day named in such notice, at such place within the said township as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly, and shall commence at Eight o'clock in the forenoon, and close at Seven o'clock in the afternoon.

13. Retirement of Candidates before Polling Day.—If, at any election, after a poll shall have been appointed as aforesaid, any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the Mooroopna township a copy of such notice; and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election shall, on the day appointed for the election, declare the remaining candidates duly elected; and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and, if such papers are already printed, shall erase such name therefrom; and such person shall not be capable of being elected at such election.

14. Polling booth may be hired.—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

15. Returning Officer to preside at Polling Booth.—The returning officer or his deputy shall preside at the polling booth for taking the poll.

16. Scrutineers may be appointed.—Each candidate shall be entitled to appoint, in writing, one scrutineer to be present in the polling booth, and the said returning officer or his deputy, and the said scrutineers, and any voters not exceeding four in number, actually engaged in voting, shall alone be permitted at any one time to enter or remain in the polling booth.

17. Pencils to be provided.—The returning officer or his deputy shall provide pencils in the polling booth for the use of the voters, and also a locked box, to be called the ballot-box, with a cleft or opening therein capable of receiving the ballot-papers, and such box shall be opened and exhibited to the scrutineers before the polling begins; and the box shall then be locked, and shall stand on a table opposite the returning officer or deputy returning officer, who shall keep the key of such box.

18. Mode of voting.—The returning officer shall deliver to every voter who requires the same a ballot-paper, or if such voter appears by the roll to be entitled to give more votes than one, then so many ballot-papers as may be equal to the number of votes which such voter so appears to be entitled to give, such ballot-papers being in the form of the Third Schedule hereto, and initialed by the returning officer; and every such voter shall, without leaving the booth, strike out from all or any of such papers the name of every candidate for whom he does not intend to vote. And in case any voter is unable to read or write, the returning officer or his deputy, if so required, shall, in view of such one of the scrutineers as the voter may desire, strike out the name or names of such candidate or candidates as such voter may designate; and after such name

or names have been so struck out, the ballot-paper or ballot-papers (as the case may be) shall forthwith be deposited in the said box. Provided that all the ballot-papers to which any person may be entitled at the polling booth shall be demanded and received by him at one and the same time; and no person having once demanded and received any such ballot paper or papers, and voted by the same, shall at the same election receive any further ballot-papers, or exercise any further right of voting.

19. Ballot-papers to be numbered.—Before delivering any ballot-paper to the voter, the returning officer or his deputy shall write upon the back of each such ballot-paper, as near as practicable to the lower edge thereof, the number set opposite to the voter's name in the roll, and shall thereupon, upon a copy of such roll, check off such voter's name as having voted, and mark against such name the number of ballot-papers delivered to such voter.

20. Informal Ballot-papers.—If any voter suffer to remain upon his ballot-paper a greater number of names not struck out than the number of Commissioners to be elected, the vote given on and by such paper shall be void and of no effect.

21. What Question may be asked.—At any election of Commissioners the returning officer may, if he see fit, or if required to do so by any candidate or scrutineer, put to any person tendering his vote the question following:—

“Are you the person whose name appears as (A.B.) in the roll now in force for this Trust, being enrolled therein in respect of property described to be situated in (here specify the street or other place described in the roll)?”

And no other question shall be put to any person tendering his vote; and no person who shall refuse to answer such question, or who shall not answer the same absolutely in the affirmative, shall receive a ballot-paper or be permitted to vote.

22. False Answer, Pelling Twice, and Personation.—Every person who shall wilfully make a false answer to the question aforesaid, or who shall poll more than once or offer to poll more than once at the same election, or who shall depart or attempt to depart from any polling booth after having received a ballot-paper, without having deposited the same in the ballot-box, as hereinbefore provided, or who shall personate any other person for the purpose of polling at such election, shall be guilty of a breach of these regulations; but nothing contained in this clause shall apply to any person only by reason of his exercising the right of voting as often as it appears by the roll he is entitled so to do.

23. Result of Polling, how ascertained.—Immediately on the close of the poll, the returning officer shall, in the presence of and subject to the inspection of so many of the scrutineers of the candidates as please to be present, proceed to ascertain the number of votes for each candidate; and such returning officer shall abstain from inspecting the number written as aforesaid on any ballot-paper, and take care that the same is not seen by any person before being sealed up as herein provided; and the returning officer shall seal up the ballot-papers deposited in the booth, and as soon as conveniently may be on or after the day of the poll, publicly declare the candidates, not exceeding the number of vacancies to be filled up, who have received the greatest number of votes to have been duly elected Commissioners of the Trust, and if two or more candidates have received an equal number of votes, the returning officer shall determine by lot the candidate to hold office.

24. Ballot-papers, how disposed of.—The returning officer shall forthwith after the declaration of the poll indorse with a description of the contents thereof, and sign the sealed parcel of ballot-papers, and forward the same to the Secretary of the Trust, to be by him safely and secretly kept for six months then next ensuing, and then by him caused to be destroyed in the presence of three Commissioners of the Trust.

25. Minister to determine question arising upon first election.—If any question arise as to the due election of any Commissioner at the first election, the returning officer shall, at the request of any voter or candidate, submit such question, in writing, to the Minister, who shall decide the same; and such decision shall be final and binding.

26. Questions arising upon subsequent election to be determined by the Trust.—If any question arise as to the due election of any Commissioner at any subsequent election (whether ordinary or extraordinary), such question shall be determined by the Commissioners of the Trust at the first ordinary meeting held after the election; but no Commissioner in respect of whose election such question shall have arisen shall act as a Commissioner at such meeting, or be entitled to take any part in the proceedings thereof, or in any manner or at any time to act as a Commissioner until such question shall have been so determined; and the majority of the Commissioners whose election is not in dispute shall form a quorum.

27. Appeal to Minister from Determination of Trust.—In event of any voter or candidate feeling aggrieved by the determination of the Trust with reference to any such question as last aforesaid, he may appeal therefrom to the Minister within fourteen days from the date upon which the Commissioners shall have determined the question, and the Minister may make such inquiry as to the merits of the question as may appear to him to be necessary, and determine such question in such manner as to him may appear just; and such determination of the Minister shall be final and binding.

28. Failure to Elect deemed to create Extraordinary Vacancies.—If at any election of Commissioners any vacancies less than the whole number, which should have been filled up at such election are not filled up, then the vacancies which are not so filled shall severally be deemed extraordinary vacancies and to have occurred on the day appointed for such election. Provided always that the Commissioners eventually elected or appointed to fill such vacancies shall go out of office as if elected at such election.

29. Expenses of Election to be paid by Trust.—The expenses incurred by the returning officer, or under his direction, in connexion with any election shall be defrayed by the Trust.

30. Penalty for Breach of Regulations.—Any person guilty of a breach of any of the provisions of these regulations shall be liable to a penalty not exceeding Ten pounds, to be recovered in a summary manner before justices of the peace.

31. Interpretation.—In these regulations words importing the masculine gender shall be deemed and taken to include females, unless there is something in the context repugnant to or inconsistent with this interpretation.

WHITE CLIFFS IRRIGATION AREA.

HOMESTEAD AND MALLEE FARM ALLOTMENTS AVAILABLE FOR SELECTION UNDER CONDITIONAL PURCHASE LEASES.

THE land is situated between White Cliffs and Yelta, and is about 8 to 20 miles west from Mildura.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Officer, or to the Secretary for Lands, Melbourne, on or before Thursday, the 15th July, 1909.

Every application must be accompanied by a deposit equal to the first instalment of the purchase money and the lease fee £1.

An applicant can, however, apply for more than one holding, and will only be required to lodge the deposit payable in respect of the most valuable allotment applied for, together with a registration fee of 5s. with every application made.

Only one holding can be granted to any one person.

No conditional purchase lease of a Homestead and Mallee Farm allotment can be granted to any person who is already the holder of any land, the area of which, if added to the area of the Homestead and Mallee Farm allotment, exceeds 640 acres if 1st class land, or like proportions of 2nd, 3rd, or 4th class land.

Where a Homestead allotment and a Mallee Farm allotment form one holding, improvements must be effected on the Homestead allotment, as follows:—

To the value of not less than £50 each year, before the end of the second and third years, from the date of the lease.

Before the end of the third year from the commencement of the lease and thereafter in each and every year, not less than one-fifth of the Mallee Farm allotment must be planted with cereal crops.

The lessee must permanently reside on the holding for at least eight months during each year.

Personal residence by the lessee's wife, or any of his children over 18 years of age, may, with the approval of the Minister of Lands, be considered personal residence by the lessee.

The term of the lease is 3½ years, and the lessee cannot transfer, assign, mortgage, or sublet his holding within the first six years of the lease.

The Crown grant may be issued on expiry of the lease, provided all conditions have been complied with, and the full purchase money has been paid.

All applications received will be dealt with by a Local Land Board, the date and place of hearing will be hereafter notified.

The irrigation charges will be about one pound ten shillings per acre per annum on the Homestead allotments.

In order that the Farm Allotments may be occupied in a compact group, the particular Farm allotment to be attached to a Homestead allotment will be determined at the time of the Local Land Board inquiry.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares to enable them to inspect the land, or to attend the Local Land Board.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

**Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.**

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £8 to £11 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the licence, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the licence. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the licence. If in the third class, improvements to the value of 5s. per acre must be made before the end of the third year from the date of the licence, and the balance of 5s. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence-fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the lease and the Crown grant, providing, that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Inquiry Office, Lands, Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the Lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

In the case of different makers' goods, the contractor will be required to supply the kind ordered. In other cases the supplies are to be the best quality of their several kinds or manufacture. A preference will, however, be given to goods of Victorian manufacture, provided the quality is equal to the particular manufacture indicated in the schedule.

3. All orders for supplies will emanate from the Government Printer. These orders must accompany the goods on delivery, otherwise the goods will not be received. Delivery, as a rule, is to be of the full quantity ordered.

4. Supplies ordered must be delivered free of all charges (whether cartage, freight, &c.). The value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for.

5. Arrangements as to time of delivery and inspection of goods will be made by the Government Printer.

6. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the Government Printer, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

7. The contractor will be required to furnish his account in the prescribed form simultaneously with delivery of the full quantities of goods ordered, the account being rendered with the order to which it relates. The prices quoted in the orders cannot be increased.

8. The acceptance of the supplies shall be subject to the approval of the Government Printer, whose decision shall be final.

9. Delivery will not be deemed to have been made until the goods have been approved of. All articles rejected must be immediately replaced by the contractor, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Condition 6.

10. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount may be deducted as in

Condition 6. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any portion of the security money.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

12. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government Printing Office; or by any article being made at any Government establishment, and supplied for use in the Government Printing Office; or by the consumption of the surplus stock of any Government establishment.

13. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be) may give two months' notice of the termination of the contract to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made.

14. Under no circumstances other than those mentioned in clause 13 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

15. In the event of a tender for articles of Commonwealth manufacture being accepted under this schedule the following clause will be enforced:—

No subletting will be allowed; all work must be carried out in the factory of the Contractor; the hours of employment of any person engaged in the manufacture of the articles tendered for in this Schedule shall not exceed 48 per week, and in case of articles being manufactured for which a Wages Board has not fixed rates of pay under the Factories and Shops Acts every such person shall be paid at a minimum wage of not less than £2 8s. for a man and £1 for a woman per week respectively, but in cases where a Wages Board has provided rates of pay for any particular article, every such person shall be paid such wages and employed subject to such conditions as are or may be determined by such Board; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the Contractor, upon report from the Tender Board, to such mulet, not exceeding fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

Treasurer.

#### TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender Box on or before Saturday, 24th July, 1909.

NOTE.—No tender will be accepted unless the fee for the period from 1st August, 1909, to 30th September, 1910, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 24th July, 1909, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

#### Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

#### Special Conditions.

1. The periods of occupation will be for fourteen months—from 1st August, 1909, to 30th September, 1910.

2. The fee for the periods from 1st August, 1909, to 30th September, 1910—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands* (Tender Box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries is excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act 1901*.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
