Area described in petition: Commencing at the north-west angle of allotment 107, in the parish of Balliang; thence in a direct line east to the Balliang Creek; thence south-easterly along that creek to its intersection with the road from Geelong to Bacchus Marsh; thence south-westerly along that road to the south-east angle of allotment 39; thence west to the south-west angle of allotment 36; thence south by the east boundary of allotments 30, 15, and 8, to the Little River; thence westerly by that river to the south-west angle of allotment 123; thence north to the commencing point.

Applications must be made on the prescribed forms and lodged with the Secretary, Lands Purchase Board, Public Offices, Melbourne, accompanied by a deposit equal to that for the most valuable allotment applied for, together with the lease fee of £1, and registration fee of 5s.

The leases issued to successful applicants will be for such a term of years not exceeding 31½ as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Applicants must be at least 18 years of age.

Only one allotment can be granted to any one person.

Improvements must be effected as follows:—The allotment must be fenced in the first year, and throughout the currency of the lease the buildings must be kept in good repair, and insured in the name of Secretary, Lands Purchase and Management Board.

Lessees are not permitted to destroy or remove timber from the land unless by written consent of the Board.

The lessee must reside on the allotment. Personal residence by the lessee's wife, or any of his children over eighteen years of age, may, with the approval of the Board, be considered personal residence by the lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The lessee has the option of paying the whole or any portion of the balance of purchase money at the end of any half-year, and securing a reduction of the instalment accordingly.

The deposit, after deducting the sum of £1 5s. for fees, will be credited as part payment of the capital value of the allotment, and the balance of the purchase money, with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Applications must be made on the prescribed forms, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

#### MALLEE LANDS AVAILABLE FOR SELECTION AS AGRICULTURAL ALLOTMENTS.

THE land is situated on the Guyen-Cow Plains railway line, now in course of construction, and is from 31 to 48 miles south-west from Guyen.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Saturday, 24th December, 1910.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

No person who already holds the area of mallee land allowed by classification will be eligible to select, but holders of less than such area will be entitled to apply for the difference between the area held and that which the classification of the land entitles them to select.

**Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.**

The land will be granted under agricultural allotment licence, and at the end of 6 years, if the residence, cultivation, improvement, and all other conditions have been complied with, a lease for 34 years will be granted, or, if desired, on expiry of licence, or at any time within the period of 34 years, a Crown grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The licence will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the licence, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the licence. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and

the balance of 7s. 6d. per acre before the end of the sixth year of the licence. If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the licence, and the balance of 5s. per acre before the end of the sixth year of the licence.

The first half-year's rent and licence-fee must be paid prior to issue of licence, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the licence.

That the licensee shall go into residence on the land within twelve months after the date of the licence, and shall reside on the land during the continuance of such licence, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the licensee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the currency of the licence.

That a special condition shall be inserted in the lease and the Crown grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of agriculture, grazing, and residence, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,500 acres, if the land be in any other class.

That the licensee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

CHARCOAL.

Doncaster—Supplies for suction plant, Government Cool Stores	2	10
--	---	----

Unless otherwise specified in the schedule the firewood tendered for must consist of either box, red or white gum, or peppermint, or proportions of each. Tenders for stringybark and messmate will not be entertained. Tenderers to specify in their tenders the kind or kinds of these woods, and the proportions of each kind tendered for.

The firewood for Yarra Bend is to be tendered for at per ton weight of 2,240 lbs.

Printed forms of tender, giving full particulars, may be obtained from the Secretary to the Tender Board, Melbourne, the Receivers and Paymasters at Ararat, Ballarat, Beechworth, Bendigo, Castlemaine, Geelong, and Maryborough, and the Medical Superintendent, Sunbury Asylum, by whom also any information or explanation will be afforded to persons tendering.

Security will be required in cash, Savings Bank Deposit Book, or Bank deposit receipt, in favour of the Secretary to the Tender Board, or Government debentures.

Tenders must be accompanied by the preliminary deposit above mentioned in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in a separate envelope, and having the words "Tender for Firewood at" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. As the exact quantity of firewood or charcoal which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same at contract rates.

2. All the firewood supplied under these contracts must be split out of large timber, and of the kind or kinds specified in the schedule, and must be dry, perfectly sound, and of good burning quality, and cut into billets of the lengths stated in the schedules, such billets to be not less than four inches nor more than six inches in any diameter. The long wood to be not less than nine inches nor more than eighteen inches in any diameter. Neither burnt wood, heart wood, small branches, nor outside pieces of bark will be received. If the firewood is obtained from a State forest timber reserve or ordinary Crown lands, persons cutting and removing same must be provided with a licence or permit from the State Forests Department. Charcoal must be of the very best description for the purpose for which it is required, and subject to approval of the officer ordering.

3. The orders will be issued by the departments requiring the supplies, and the firewood or charcoal shall be delivered as may be directed by the officer ordering the supply. Should an order not be complied with within forty-eight hours it will be competent for the department concerned to purchase the firewood or charcoal at the contractor's risk, and the extra expense (if any) over and above the contract price will be deducted from the contractor's account or from the security money.

4. Melbourne District will include a radius of six miles from the General Post Office. The Williamstown District will include the Borough.

5. The contractor will be bound to place the firewood in stacks for measurement on such ground as may be pointed out. The stacks are to be five feet high, and of the width specified in the various schedules, with space between each stack for measuring; and the billets or lengths are all to lie the same way, viz., cross-ways of the stacks in the form of a cord, and are to be laid as closely and solidly as possible in the stack, and to the satisfaction of the officer receiving the supply. Firewood for the Yarra Bend need not be stacked, but must be weighed on the Asylum weighbridge.

6. The acceptance of the firewood or charcoal shall be subject to the approval of the officer authorized to take delivery, or such other officer as shall be named by him. If after the delivery of the firewood or charcoal has been taken any deficiency or defect is discovered therein, such firewood or charcoal may be returned to the contractor. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the article so rejected or returned.

7. As soon as the orders shall have been completed the contractor will be required to furnish to the department supplied his account in the prescribed form, with the receipted delivery order attached thereto. Accounts will be payable at any Receipt and Pay Office that the contractor may desire.

8. In the event of a difference of opinion between the contractor and the officer receiving the firewood or charcoal as to the quality, the same shall be decided by a board of survey, composed of persons named by the head of the department, and the decision of the board is to be considered as final.

9. If the board shall decide that the firewood or charcoal is not of proper quality it must be immediately replaced by the contractor, failing which it will be procured elsewhere and the extra expense (if any) will be deducted as in condition 3.

10. If from any cause injury would accrue to the public service by waiting for a board of survey, the head of the department or officer in charge will have the power to reject such firewood or charcoal as is obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back this rejected article, and supply good in its stead, failing which it will be procured elsewhere, and the extra expense (if any) will be charged as in condition 3.

11. A refusal to execute orders, irregularity in the quality or quantity of the firewood or charcoal, or delay in delivering or replacing it when required, will subject the contractor to such mulct, not exceeding £50, as the Treasurer of the State for the time being may direct; and the amount may be deducted as in condition 3. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

13. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by any purchase of firewood or charcoal by the Commonwealth Government.

14. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract the contract security money will in that case be absolutely forfeited, and in addition the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

15. No subletting will be allowed; all work must be carried out by the contractor, and the hours of employment of any person engaged in any business or occupation connected with the preparation of the Firewood or Charcoal for sale or connected with the sale or distribution of the Firewood or Charcoal tendered for in this schedule shall be in accordance with those provided for by the Hay, Chaff, Wood and Coal Board under the Factories and Shops Acts, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be therein determined; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from any accounts which are or may be due to the contractor, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and all other respects.

16. The contractor shall, before any account is passed for payment, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 15 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

W. A. WATT,  
Treasurer.

The Treasury,  
Melbourne, 31st October, 1910.

Tenders should be placed in the Crown Lands Office Tender-box on or before Saturday, 26th November, 1910.

NOTE.—No tender will be accepted unless the fee for the period from 1st December, 1910, to 30th September, 1911, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 26th November, 1910, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

#### Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

#### Special Conditions.

1. The period of occupation will be for ten months from 1st December, 1910, to 30th September, 1911.

2. The fee for the period from 1st December, 1910, to 30th September, 1911—for which the licence will be issued—and fee for licence, must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
