Delivery to be made on the written order of the chief officer of the Department requiring the supply. The ton of firewood consists of 40 cubic feet. If the firewood is obtained from a State forest timber reserve, or ordinary Crown lands, persons cutting or removing same must be provided with a licence or permit from the State Forests Department.
3. Orders will be issued half-yearly (except in cases where the storage is small, when they will be issued quarterly); but the contractor must have 24 hours' notice before purchases are made at his risk.
4. The contractor will be bound to place the firewood in stacks for measurement on such ground as may be pointed out. The stacks are to be 2 feet wide (or 4 feet 6 inches for long wood) by 5 feet high, with space between each stack for measuring; and the billets (or lengths) are all to lie the same way, viz., crossways of the stacks in the form of a cord, and are to be laid as closely and solidly as possible in the stack and to the satisfaction of the officer receiving the supply. In the event of any inconvenience being felt, either through delay in delivery or of stacking the wood, the Department concerned will purchase the same or re-stack that delivered, at the risk of the contractor, from whose account any expense incurred thereby will be deducted.
5. The officer receiving the supply shall have full power to reject any wood which he may consider not in accordance with the contract, notice of which will be given to the contractor in writing, stating the reason. The contractor may, however, claim a survey; but in that case he must, within 48 hours after objection is made, give notice thereof in writing to the officer rejecting the wood.
6. The board of survey will be composed of persons appointed by the Honorable the Treasurer, and the decision of the board of survey is to be considered as final.
7. If the board of survey shall decide that the supply is not of proper quality, it must be immediately replaced by the contractor; failing which, it will be procured elsewhere, and the extra expense, if any, will be charged as in clause 4.
8. Accounts for firewood to be rendered to the Department receiving the supply immediately upon completion of the order, which must be attached to the account. Payment will be made at the receipt and pay office of the district, or at the Treasury, Melbourne, as the contractor may desire.
9. In the event of any irregularity on the part of the contractor being repeated, it will be competent for the Government, in case such irregularity should be established to the satisfaction of the Tender Board, to cancel the contract forthwith.
10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.
11. Under no circumstances will a contractor be permitted to abandon his contract.
12. No subletting will be allowed; all work must be carried out by the contractor, and the hours of employment of any person engaged in any business or occupation connected with the preparation of the firewood for sale or connected with the sale or distribution of the firewood tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid such wages and employed subject to such conditions as are or may be determined by the Wood, Hay, Chaff, and Coal Board under the Factories and Shops Acts; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters on the premises of the contractor. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from any accounts which are or may be due to the contractor, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.
13. The Contractor shall, before any account is passed for payment for supplies made, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 12 of these Conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

NOTE.—No tender will be accepted unless the fee for the period from 1st September, 1911, to 30th September, 1912, or 31st October, 1912, as the case may be, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 26th August, 1911, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act* 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to

erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

Cattle, horses, asses, or mules left in the market after Twelve o'clock the day following the sale will be impounded. All implements, vehicles, furniture, or other

articles now on or which may be brought on the market must be removed from the market within one calendar month of the passing of this By-law, or of the day when first offered for sale if brought on after the passing of this By-law, as the case may be, otherwise the same and the owner or respective owners thereof will be charged a rent or fee for such article not so removed of 2s. 6d. per week, calculated from the time when such article was first brought into the market; and no such article shall be sold or removed until payment of such rent, and if the same remains unpaid for one calendar month after such first-named one calendar month the Council or its proper officer may, after having at least one week previously posted a notice in the market of its intention to distrain on such article for all rent accrued up to the time of making such distrain, distrain on and sell the same in the same manner as landlords are entitled to distrain on and sell goods for arrears of rent.

That the ordinary day of holding the market shall be on Tuesday in each week; but the market shall also be open for the receipt and/or sale of all such animals, goods, and commodities as the Shire Council shall permit to be sold therein on such days during the year, and for such hours during each day from sunrise to sunset as the Council may from time to time determine, except Sundays, Christmas Days, and Good Fridays, on which days no business shall be transacted therein.

There shall be appointed by the Council, if it deems necessary, an inspector for the said market, whose duty shall be as follows:—

- (1) To see that the market regulations are duly observed.
- (2) To preserve order and regularity in the market.
- (3) To inspect all articles intended for human food that may be brought to the market, and such articles as are deemed unfit for use to report the same to the proper authorities or take such measures as may be desirable to prevent the sale thereof.

All tolls and dues chargeable under the said schedule shall be payable on the entrance of the articles into the market, or prior to their leaving the market, to the proper officer of the Council, and no live stock shall be taken out of the market by any person without obtaining written authority from the auctioneer selling the same, and any person wilfully omitting or neglecting to pay any of such tolls or dues, or taking out of the market any such live stock without such written authority, shall be guilty of an offence against this By-law.

Any person who shall wilfully place any matter or thing so as to obstruct the thoroughfare in the market, and shall wilfully refuse or neglect to remove the same on being required by the Inspector or his assistant to do so, or who shall wilfully place any cart, carriage, or wheelbarrow or other article in any part of the said market contrary to the direction of the Inspector or his assistant, shall be deemed to have committed a breach of this By-law.

No person shall place or drive any hook, nail, peg, or other instrument unto any part of the wood, stone, or brickwork or any shed or stall, or shall in any way fit up or enclose any stall without the consent in writing of the Council or some person authorized by it in that behalf.

Any person wilfully resisting or obstructing or interfering with the Inspector, officers of the Council, or any of their assistants in the discharge of his or their duty, shall, independently of any penalty he or she may incur, for assault or otherwise, be deemed to have committed a breach of this By-law.

No person shall offer for private or public sale in any part of the market any produce, goods, horses, cattle, &c., before the hour of opening or after the hour of closing the said market, nor upon any day not fixed by the Council as a day upon which the market will be open without the sanction, in writing, of the Council or President thereof or some person authorized by it in that behalf.

The gates of the market will be open for the receiving of animals for sale as follows:—On the day of sale for milking cows up to half-past Eleven o'clock a.m., and for dry cattle Twelve o'clock noon. All milking cows entering the gates of the market after half-past Eleven o'clock a.m. and dry cattle after half-past Twelve o'clock p.m. shall be kept separate and apart from the cattle received prior to such respective times herein fixed, and shall not be offered for sale by public auction until after all stock received for sale at or before the appointed time or times aforesaid shall have been submitted for sale, with this exception, however, that milking cows received for sale after the hour of half-past Eleven a.m. shall be submitted for sale immediately following milking cows received for sale prior to that hour, each auctioneer selling in his turn as originally drawn for milking cows.

That the owner and drover bringing cattle into the market must give the name of the auctioneer selling, and the number of milking cows or dry cattle, either or both, he has for sale, to the market gatekeeper before entering the market yard therewith.

Each auctioneer shall yard, or cause to be yarded, all cattle after they have been submitted for sale, whether sold or not, in such yard or yards as shall be directed by the Council or its Inspector, and shall tie up all such cattle as are milking cows.

That the sale of milking cows shall commence at half-past Eleven o'clock a.m.; the sale of dry cattle shall commence at half-past Twelve o'clock p.m.; and the sale of calves and pigs shall commence at Twelve o'clock at noon, and all sales must be punctually commenced, and must be continuous and without any breaks or adjournments of such sales until the whole sales or intended sales shall have been fully completed and ended. If and when more than one sale is going on at the same time, each sale shall be conducted in a separate yard, and in each case as and where the Council or the said Inspector shall direct.

The sale of poultry shall commence at half-past Ten o'clock a.m., and all poultry coming into the market for sale after that hour shall not be offered for sale until all poultry arriving in the market yard for sale on or before that hour shall have been first submitted for sale, and then the order of sale of such last-mentioned poultry shall be regulated as to precedence of sale as and in accord with the time of such poultry arriving in the market yard for sale. Each person bringing poultry into the market for sale shall place the same in the coops provided by the Council, and empty crates must be removed from the yard.

No poultry shall be offered for sale in the coops or boxes in which they are brought into the yard except there is no room in the coops provided by the Council.

On each day of sale there shall be a drawing of lot by auctioneers desirous of selling milkings in the market for priority of sale, which drawing shall take place at half-past Eleven o'clock a.m., and also a like drawing as to dry cattle at half-past Twelve o'clock p.m.

Any auctioneer proposing to sell at any market shall, at or before any drawing takes place, furnish to the timekeeper the number of milking cows and dry cattle he intends to offer at auction. The draw for priority of sale shall be conducted by the timekeeper, who shall ring a bell for each drawing, and provide ballot balls or papers, which shall be consecutively numbered, and shall represent the order of sale to be observed by the person drawing the same, the number of ballot balls or papers to be equal in number to the auctioneers, who shall have signified their intention of selling. The timekeeper shall place the ballot balls or papers in a box or other like receptacle, from which each auctioneer shall draw one of the ballot balls or papers, the priority of drawing being determined as follows:—That the auctioneer who conducted the first sale on the preceding market day shall on the market day next held be the last one to draw. The auctioneer who was the last one to sell at the preceding market shall be the first entitled to draw, and so on through the whole number, the order in precedence in drawing the ballot ball or paper being reversed from the position held at the preceding sale until the whole ballot shall have been exhausted. In case any auctioneer shall be absent at the time of any draw, the timekeeper shall arrange for some person to draw for him. The timekeeper, immediately at the conclusion of each of the ballots for priority of sale of milking cows and dry cattle, shall post a list on some conspicuous part of the market showing the name of the auctioneer in the several positions of priority, and the time allotted to each auctioneer for selling.

The timekeeper or his assistant shall on each day of sale ring a bell at half-past Eleven o'clock a.m., and again at half-past Twelve o'clock p.m., and the auction sales of milking cows and dry cattle shall then commence in the order and subject to the conditions herein provided. The auctioneer or firm of auctioneers having priority of sale of milking cows shall commence selling the same not later than thirty minutes after Eleven o'clock a.m., and the auctioneer or firm of auctioneers having priority of sale of dry cattle shall commence selling the same not later than thirty minutes after Twelve o'clock noon, and, except as hereinafter provided, the time allowed for each auctioneer or firm of auctioneers shall be determined by the number of head of cattle entered for sale, as follows:—

Number Entered.	Number to be Sold.
Not exceeding 500 head of dry cattle	60 head per hour.
Exceeding 500 head of dry cattle and not exceeding 650 head of dry cattle	80 head per hour.
Exceeding 650 head of dry cattle and not exceeding 750 head of dry cattle	90 head per hour.
Exceeding 750 head of dry cattle	100 head per hour.

But if such auctioneer or firm of auctioneers shall sell or offer for sale cattle in lots exceeding 5 head, then number of head to be sold per hour shall be proportionately increased, as such sale in lots exceeding 5 head shall be treated and counted so far as time limits is

affected as a sale of 5 head. Provided, however, that the above rates shall not apply to milking cows, and each auctioneer shall be allowed 2 minutes for the sale of each and every milking cow submitted by him.

Any auctioneer not present and proceeding with his sale when his time arrives to commence selling shall, besides being guilty of a breach of this By-law as hereinafter mentioned, forfeit his right to sell, and shall be placed at the foot of the list of auctioneers entitled to sell. Any auctioneer, upon being informed by the timekeeper that his proportionate time for selling has expired, shall immediately cease to sell, and the next auctioneer on the posted list shall occupy the position vacated. No auctioneer shall offer, or cause to be offered, any cattle a second time at the same market until all other sales are disposed of and completed, and before offering for sale by auction any animal or animals sold on the same day in the market the auctioneer shall procure from the purchaser instructing him to re-sell the selling agents' pass for the same.

Any auctioneer or agent wilfully not proceeding with his sale as and at the time, and times provided herein shall be guilty of an offence against this By-law. Any person offering any cattle for sale in the market which are not sold who shall afterwards sell the same privately, having wilfully neglected to first pay the proper dues, shall be guilty of an offence against this By-law. The market timekeeper shall be appointed by the Council, to whom all disputes with reference to or affecting the time, order, and otherwise of conducting the sales in the market by the auctioneers shall be referred, and his decision shall be final. Every person desiring to offer land for sale by public auction within the precincts of the market shall previously obtain the permission of the Council or the market inspector, and shall forthwith on the determination of such sale, if a sale be made, pay to the Council or its proper officer a fee of 1s. per cent. on the total amount of the purchase on such sale.

Any person who shall by any wilful act or default be guilty of any breach or non-observance of any of the provisions of the foregoing By-law shall be liable for any such offence to a penalty not exceeding £10. By-laws numbers 13, 14, 15, and 25 of the Shire of Dandenong, being By-laws having the same or some of the same objects of this By-law, are hereby repealed. This By-law shall apply to and have operation within the area of the township of Dandenong, and Crown allotments 39, 40, and 41, parish of Dandenong, and shall come into operation on its confirmation or as soon as legally possible thereafter.

Resolution for passing this By-law, No. 28, agreed to by the Council on the 11th day of July, 1911, and confirmed on the 14th day of August, 1911.
