#### SHIRES OF ELTHAM AND HEALESVILLE.

##### PROPOSED SEVERANCE.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Eltham described in their petition, and they desire that the area so described may be severed from the said Shire of Eltham and annexed to the Shire of Healesville.

Area described in petition: Commencing at a point on the Yarra River near the south-west corner of allotment 10, parish of Tarrawarra; thence northerly by a road fronting the western boundary of that allotment to the south-east corner of allotment 28A; thence north-westerly by a road to the south-east corner of allotment 22A; thence by a road fronting the southern boundaries of that allotment and allotments 21B and 21A to the south-west corner of allotment 23A; thence northerly by the western boundary of that allotment to its north-west corner; thence westerly by part of the southern boundary of allotment 35 and the southern boundary of allotment 37 to the south-west corner of the allotment last named; thence northerly by the western boundary of the same allotment and a road fronting the western boundary of part of allotment 43 to an angle; thence westerly by a road fronting part of that allotment and allotment 50B to the south-west corner of the last-named allotment; thence northerly by a road fronting the western boundary of the same allotment to its north-west corner; thence easterly by the north boundary of allotment 50B to the south-west boundary of allotment 85, parish of Tarrawarra North; thence northerly by the western boundary of that allotment and allotments 84, 83, 82, 81, 80 to the north-west corner of the latter allotment; thence northerly across the State Forest by the top of a range to the south-west corner of allotment 67C; thence by the western boundary of that allotment to its north-west corner; thence easterly by a road and the northern boundaries of allotments 67C, 67B, 65B to the north-east boundary of the latter allotment; thence south-easterly by a road running through portion of allotment 65 to the north boundary of allotment 65A; thence easterly by the north boundary of that allotment; thence south-easterly by the north boundaries of allotments 2 and 1C, parish of Tarrawarra North, and by the top of the Dividing Range to Mount St. Leonards; thence by the same range in a southerly direction to the summit of Mount Monda, in the parish of Monda; thence south by a line to the Watts River; thence south-westerly by that river to the River Yarra, and by that river to the commencing point.

The petitioners state that the area proposed to be severed is adjacent to the township of Healesville and the Healesville Railway Station, and that all their business is transacted in that township, and that part of the said area is so situated that residents therein have to travel through the township of Healesville to reach other parts of the Shire of Eltham.

The petitioners further state that the area is so remote from the municipal offices and unknown to most of the Councillors, that they believe that their interests are neglected, the roads serving their properties being in a bad state of repair, and the district generally does not receive that attention which they consider it deserves.

The petitioners therefore humbly pray that His Excellency in Council may be pleased to sever that portion of the Shire of Eltham above described and annex same to the Shire of Healesville.

Notices for the petitioners may be served on Mr. Thomas Brown, "Heathdene," Healesville P.O.

## Conditions.

1. 2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. 5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. 11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the Thistle Act 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.
