12. For every public water trough supplied with water from the works of the Trust, the sum of One shilling (1s.) per annum shall be paid.

13. All public water troughs must be fitted with approved self-acting taps to prevent overflow; such taps to be approved by the secretary for the time being of the said Trust.

14. It shall be unlawful for any person to have an overflow waste pipe from any private bath.

15. The Trust may by notice, in writing, intimate to any owner or occupier using water for other than domestic purposes solely that the water supplied is to be charged by measure, and may by such notice require such owner or occupier to provide a meter within fourteen days after the receipt of such notice; and thereupon such owner or occupier shall, within the time specified, at his own expense, provide a meter.

Any person supplied with water by the Trust who shall wilfully or negligently allow the same to run to waste, or who shall use or allow the water to be used in an unauthorized manner, or who is in arrears with the payment of his water rate, the Trust may, after one hour's notice, cut off the supply of water from the premises of such person either by cutting the pipes by or through which the water is supplied or by any other means that are available, and may cease to supply such premises with water so long as the Trust may think fit.

21. It shall be lawful for any person appointed by the Trust for such purpose to request permission from any owner or occupier to make an inspection of the water service to ascertain if water is being allowed to run to waste, and, if such occupier or owner refuse permission for such inspection, the Trust may, if it think fit, refuse to supply such premises with water; and such refusal on their part will in no way relieve the owner or occupier from payment of any rate or rates as may be levied on such property.

22. If the person appointed for such inspection shall ascertain that any owner or occupier is allowing water to waste by reason of leaky taps or otherwise, he shall be empowered to authorize the repair of such taps or pipes and to notify such owner or occupier that the waste of water must at once cease.

23. No person shall affix any service pipe to any pipe of the Trust, or alter or repair or in any way interfere with any pipe of the Trust or any service pipe, cock, or fitting connected with the pipes of the Trust until he shall have obtained from the Trust permission to execute such works, and such permission shall be at and during the pleasure of the Trust, who may at any time cancel such permission.

25. All connexions from the Trust mains to property shall be made at the expense of the owner or occupier of the property to be supplied, and all repairs or renewals shall, when necessary, be made by the owner or occupier, and such pipes shall at all times be under the control of the Trust.

26. All connexions, pipes, and fittings shall be of the best quality, and approved by the Secretary and Chairman of the Trust.

27. The service pipes from the main being the property of the owner or occupier of the tenements supplied by such service pipes, the occupier (if any), and, if none, the owner, shall, upon receiving notice that his service pipe requires repairing, immediately proceed to repair the same, and he shall be responsible for any loss of water or other damage which shall be caused by reason of such service pipe being leaky or otherwise out of repair or broken, and the Trust may stop the water from flowing into such premises in any way it may seem fit until such repairs have been effected.

28. Fire plugs shall not be used except for the purpose of extinguishing fires unless any other use of them be allowed by the Trust, and they shall at all times be under the control of an officer of the Trust.

29. Any person watering any street or footpath by means of a hose except under the direction of an officer of the Trust shall be guilty of an offence against these Regulations.

30. For any breach of these Regulations a penalty not exceeding Five pounds (£5) shall be imposed.

ALLOTMENTS IN THE TONGALA ESTATE NEAR TONGALIA AND KYABRAM, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm and Agricultural Labourers' Allotments to be taken up on Conditional Purchase Lease. Applications must be made on the prescribed forms, and forwarded to the Secretary, Closer Settlement Branch, Lands Department, on or before Wednesday, 15th November 1911, accompanied by the deposit for the most valuable allotment applied for, as shown in Schedule hereunder. Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

For a period of at least ten years, unless remission is given by the Agricultural Department, a minimum area of 10 acres shall be utilized for beet culture each year, the cultivation of the crop to be carried out to the satisfaction of the Agricultural Department. A system of three-course rotation to be followed (i.e., the 10 acres under beet in any one year shall not be put under beet again until the third year following) unless remission of this condition be approved by the Agricultural Department, and the whole resulting crop of manufacturable beet shall be supplied to the Maffra Factory, which will pay for same at a rate per ton of topped clean roots delivered at the factory, such rate to be determined by the Factory Manager from year to year during the ten years or until this condition is remitted, which may be done at any time by the Board.

Allotments 9, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 34, 35, 36, 59, and 60 in the Parish of Wurruk Wurruk, will, however, not be subject to the foregoing conditions. Allotments 51, 52, 53, 54, 55, 56, 58 Parish of Wurruk Wurruk and allotments 2, 3, 4, 5, 6, 7 Parish of Denison will be subject to the beet culture condition with a minimum area of 4 acres instead of 10 as set forth previously.

MALLEE LANDS AVAILABLE FOR SELECTION AS
SELECTION PURCHASE ALLOTMENTS.

THE land is situated on the Ouyen-Murrayville railway line, and is from 2 to 10 miles from Nyang railway station and from 3 to 9 miles from Underbool railway station.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 13th December, 1911.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease. If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket, over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.
