MALLEE LANDS AVAILABLE FOR SELECTION AS SELECTION PURCHASE ALLOTMENTS.

THE land is situated on the west side of the Mildura line, near Carwarp and Yatpool railway stations, and is from 10 to 20 miles from Mildura.

Applications (with uncancelled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 24th January, 1912.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years; if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £6 17s. to £9 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket, over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

Commissioner of Crown Lands and Survey.

* Deposit of £10 required. Delivery on trucks at Wail Railway Station.

Tenders for supply of forage to more than five separate stations in any one district must be accompanied by a preliminary deposit of 10s. for each and every station over and above five, except in the case of the Melbourne District, the preliminary deposit for which shall be £25 with each tender, irrespective of the number of stations tendered for, and for the State Plantation at Wail, the preliminary deposit for which shall be £10, in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the necessary bond within a reasonable time after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to hold contracts for Government supplies for a period of two years.

The price must include delivery at the stations, and all charges except the bags, which will remain the property of the contractor. At stations where the bags can be at once emptied the contractor will be required to remove them when delivery is taken. At other stations, notice will be sent to the contractor when the bags are empty. Bags to be removed at contractor's expense.

For police stations, excepting the depot and institutions other than police, the successful tenderer will be required to enter into a bond for the sum of £5 per horse per station, and for the depot and other institutions a bond based on one-quarter of the total amount of the tender accepted, such bonds to be entered into within a reasonable time after the acceptance is notified. Two approved sureties are required for contracts where the sum stated in the bond is £50 and upwards, and one surety where the sum stated is under £50.

CONDITIONS OF CONTRACT.

1. The hay to be good, sound, and sweet, and properly trussed except when otherwise specified in the contract; the straw to be wheat or oats, and both to be in all respects of the best quality; oats, white or Algerian (Victorian grown), of the best description, full kernel, clean, and free from wild oats or other objectionable seeds; bran to be sound and sweet, and of the best description; chaff to be made from oats of the best quality. As much forage as can be stored at any station where the storage is small will, for the convenience of the contractor, be ordered at one time.

2. The quantities stated in the schedule are only approximate, and the Government may draw either more or less than those mentioned. Should new telegraph stations be formed or additional horses be required at any station, the contractor will be required to supply the extra forage. Unless otherwise specified in the tender form the contractor may, if he desires it, terminate the contract by supplying at once the whole quantity due at the station, should the additional number of permanent horses exceed two.

3. Notwithstanding anything contained in the preceding condition, the contractors for the supply to the Police Depot may be called upon to supply any Government Departments within a radius of six miles from Melbourne, for which no contracts have been taken, and also forage for any extra horses that may be at any time stabled at the depot for police purposes, at the same rates. The contract for the supply of forage to the Military Barracks may be terminated by three months' notice being given by the Secretary to the Tender Board to the contractor of such determination.

4. Should forage duly ordered under these contracts not be delivered within forty-eight hours of the time specified in the order for delivery, it will be competent for the department to purchase the same at the risk of the contractor, from whose account any expense over and above the contract price is to be deducted.

5. In the event of a difference of opinion between the contractor and the officer receiving the forage as to the quality of the same, it is to be decided by a board of survey, composed of persons named by the head of the department ordering the supply, and the decision of the Board is to be considered final.

6. If the Board shall decide that the forage is not of proper quality, it must be immediately replaced, failing which it will be procured elsewhere, and the extra cost, if any, will be charged as in clause 4.

7. When a board of survey cannot be conveniently assembled, or when, from some other cause, injury would accrue to either party by waiting for a board of survey, the officer in charge will have the power to reject such supplies as are obviously of inferior quality, but he will be responsible to the Government for so doing; and the contractor must take back the rejected forage, and supply good in its stead, failing which it will be obtained by the officer requiring it, and the expense will be charged as in clause 4.

8. A refusal to execute orders, irregularity in the quantity or quality of the forage, or delay in delivering or replacing it when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £20, as the Treasurer of the State for the time being may direct. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

9. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

10. Under no circumstances will a contractor be permitted to abandon his contract, and in the event of his failing to carry on his contract he will be held liable for any loss which the Government may sustain in consequence of such failure. In the event of a station being discontinued or any change in the supplies required, the contractor will receive the earliest possible intimation.

11. The contracts entered into under this notice are not to be considered as broken, infringed, or vitiated by the purchase by any Department of forage grown at any Government establishment.

SUPPLY OF COIR YARN FOR THE PENAL DEPARTMENT.

TENDERS will be received until Eleven o'clock a.m. on Tuesday, the 16th January, 1912, from persons willing to supply Coir Yarn to the Penal Establishment, Pentridge, as per Schedule No. 56. Delivery to be made on or before 1st April, 1912. To sample at Tender Board Office.

Preliminary deposit, £5; security, £20.

Printed forms of tender, giving an estimate of the quantity required, specifications, and conditions of contract, can be obtained at the Office of the Secretary to the Tender Board, Treasury, Melbourne, by whom also the samples will be shown, and any information will be given to persons tendering.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender.

The Government will not necessarily accept the lowest or any tender.

The conditions of contract and stipulations of advertisement are those for General Stores for 1911-12, published in the *Government Gazette* of 5th April, 1911, page 1941.

Tenders, enclosed in an envelope, and having the words "Tender for Coir Yarn" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.
