SHIRES OF WYCHEPROOF AND KERANG.

PROPOSED SEVERANCE.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Wycheproof described in their petition, and they desire that the area so described may be severed from the said Shire of Wycheproof and annexed to the Shire of Kerang.

Area described in petition:—Commencing at a point on the boundary line between the Shires of Kerang and Wycheproof, parish of Lalbert, county of Tatchera, being the north-west angle of allotment 35B of said parish; thence south-easterly by the northern boundary of the aforesaid allotment 35B to Lake Lalbert; thence southerly by the western margin of that lake and Lalbert Creek to the road to Ninyeunook at the north-east angle of allotment 17, section 4, parish of Towaninny; thence south-westerly by the aforesaid road to the north-west angle of allotment 25A, section 1; thence east and south by that allotment to the north boundary of Towaninny pre-emptive section; thence east by that section and allotment 22 to the north-east angle of the last-mentioned allotment; thence southerly by a road to the south-west angle of allotment 17A, section 1; thence easterly by a road to the north-west angle of allotment 13; thence southerly by a road to the south-west angle of allotment 2; thence easterly by a road along the south boundary of allotment 3, section 1, parish of Towaninny, to the south-west angle of the last-named allotment to the main three-chain road from Charlton to Swan Hill; thence northerly generally by the aforesaid three-chain road to the north-west angle of allotment 23; thence easterly along a one-chain road and the southern boundaries of allotments 17, 16, and 15, section 4, to the south-west angle of the said allotment 15; thence northerly along a one-chain road, being the western boundary of allotment 15, to the north-west angle of the said last-mentioned allotment; thence westerly along the southern boundary of allotment 70 to the eastern boundary of allotment 22; thence northerly by a portion of the eastern boundary of the aforesaid allotment 22 to the north-east angle thereof; thence westerly along the northern boundary of allotment 22 aforesaid to a point

of intersection with the production of the western boundary of allotment 23; thence northerly along the aforesaid production and the western boundary of allotments 23, 24, and A2 of section 4, parish of Towaninny, and allotments 5, 6, 7, and 8, section 2, parish of Tittybong, to the north-west angle of the last-named allotment at a one-chain road; thence westerly by a road along a portion of the northern boundary of allotment 39, parish of Kalpienung, to the south-west angle of an 110th section reserve; thence northerly by the western boundaries of the aforesaid 110th section reserve and allotments 11, 10, 52, 51, 48B, 48A, and 35B, in the parish of Tittybong, to the commencing point.

The petitioners state that certain ratepayers in that portion of the Shire of Kerang which bounds the above-mentioned district on the eastern side, and which, with the portion of the Shire of Wycheproof, now desired to be severed, forms one continuous area, have signed and lodged a petition praying for severance from the Shire of Kerang and constitution of a new municipality, to be called the Shire of Tatchera; that the municipal government of the area desired to be severed would be more advantageously, effectively, and economically carried out if severed from the Shire of Wycheproof and annexed to that portion of the Shire of Kerang, which is desired to be constituted a new shire.

The petitioners therefor pray that His Excellency in Council may be pleased to sever that portion of the Shire of Wycheproof above described and annex same to the Shire of Kerang, and to form portion of the proposed new Shire of Tatchera.

Notices for the petitioners may be served on Mr. William John Ingram, of Tittybong, Lalbert.

SHIRE OF KERANG.

PROPOSED SEVERANCE AND CONSTITUTION OF A NEW MUNICIPALITY.

The petitioners state that the development of the area above described and the interests of the inhabitants of the said area have been injuriously affected by the distance and inaccessibility of the Seat of Government. In the winter season the roads are frequently impassable, and even under favorable circumstances there is a loss of two and sometimes three days in attending meetings of the Shire Council in Kerang.

The petitioners further state that they believe it would be more economical, advantageous, and in the best interests of the ratepayers and for the district generally to be constituted a separate municipality.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the Shire of Kerang and constitute it a separate shire, under the name and title of "The Shire of Tatchera."

Notices for the petitioners may be served on Mr. George C. Berrett, storekeeper, Quambatook.

FARM ALLOTMENTS AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE NEAR COHUNA.

THE several allotments included in the Schedule hereunder are declared available for application as Farm Allotments under conditional purchase lease. Applications must be made on the prescribed forms, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board).

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

The deposit includes registration fee of 5s. and lease fee of £1.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Each schedule can be tendered for, and will be dealt with, separately.

The price must be expressed without alterations or erasures, and the total amount of the tender must be stated.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule and the rates quoted are considered reasonable.

The tenders must state where the supplies have been, or are to be manufactured. Paper of British manufacture will receive preference over that of foreign manufacture.

Tenders must be accompanied by a preliminary deposit, as shown above, in bank notes, or a bank draft payable to the order of the Secretary of the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required either in Government debentures, Savings Bank Deposit Book, or Bank Deposit Receipt (in favour of the Secretary to the Tender Board), or cash deposit, as the tenderer may elect.

The security must be completed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders must be enclosed in a separate envelope, marked "Tender for Printing Papers, &c.," and be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. Where samples are provided for, the supplies are to be equal in quality, finish, and in all other respects to, and of the same colour as, the contract sample, but as to weight and otherwise are to conform to the specification. In cases where supplies of a particular maker or of a particular brand or trade mark

or of a particular distinguishing mark of such make, brand, or trade mark are required, the supplies shall conform in all respects with the specified requirements. All supplies are to be delivered as directed by the Government Printer, either at the Government Printing Office or at a store situate in the city of Melbourne, but delivery will not be deemed to have been made until the goods have been approved of.

2. The quantity mentioned in the schedules will be required from the contractor, who will be bound, however, to supply any further quantities, at the scheduled price, that may be ordered by the Government Printer during the currency of the contract. Four (4) months' notice of the ADDITIONAL REQUIREMENTS will be given to the contractor by the Government Printer.

3. In the event of the supplies not being delivered by the time specified in the schedule or order as the case may be, it will be competent for the Government Printer to purchase the same, or such articles as may be suitable for the service, at the risk of the contractor, from whose account any expense that may be incurred over and above the contract price will be deducted.

4. The supplies on delivery will be surveyed by a board appointed by the Government for that purpose, and the decision of the board is to be considered as final. Payment will be made on the board's certificate that the goods are of contract quality and in good order and condition.

5. If the board of survey shall decide that the goods are not of contract quality, the contractor must in that case remove the goods objected to and supply others in their stead, failing which the supplies may be purchased as in condition 3.

6. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense.

7. A repetition of irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding One hundred pounds, as the Government may direct, and the amount may be deducted as in condition 3, or from the contractor's security. It will also be in the power of the Government, upon such repetition, to terminate the contract forthwith and forfeit the security.

8. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

9. In the event of the contractor failing to carry out the contract, the contract security money will be absolutely forfeited, and the contractor disqualified from tendering for a period of twelve months.

10. The packages, cases, &c., will become the property of the Government without extra charge.

11. In the event of any alteration in the duties of Customs now being collected, which may affect any of the items included in these contracts, the Government or the contractor, as may be the case, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, provided that the duty on such item has actually been paid.

12. As regards supplies of Commonwealth manufacture no subletting will be allowed; all work must be carried out in the factory of the contractor; the hours of employment of any person engaged in the manufacture of the paper, envelopes, &c., tendered for in these schedules shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £2 5s. per week for a man, and £1 per week for a woman respectively, or such other wages as may be determined by any special board under the Factories and Shops Acts which may be appointed during the period of the contract to fix the rate of wages in the papermaking trade, and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

13. The contractor shall, before any account is passed for payment for services rendered, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 12 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Saturday, 25th February, 1911.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 25th February, 1911, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise vice specified, be for nineteen months from 1st March, 1911, to 30th September, 1912.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender Box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries is excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act 1901*.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
