Melbourne, 8th January, 1912.

RULE OF THE ROAD.—MOTOR BOATS.

PERSONS in charge of pleasure motor boats navigating in Port Phillip are notified that complaint has been made that serious danger is incurred from time to time by failure of those in charge to strictly observe the prescribed rules for preventing collisions.

Such persons are informed that the rules apply with equal force to all classes of boats (whether steam, motor, or sail propelled) without exception, and in case of wilful default infringement of the regulations is deemed a misdemeanour punishable by fine or imprisonment, or both (*Marine Act* 1890, section 134), and that there is, therefore, an obligation resting upon every person in charge of such craft to be acquainted with the prescribed rules, and to carefully observe them on all occasions, otherwise very serious personal responsibility may be incurred.

Caution.—Those in charge of pleasure boats of all kinds are advised to give larger craft a wide berth, and when in doubt as to the rule of the road, to indicate by early action the intention to make for a position of safety.

By order of the Marine Board,

J. GEO. McKIE,
Secretary.

Marine Board of Victoria,

SHIRE OF MORWELL.

PROPOSED SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1903 (No. 1893, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Morwell.

The petitioners state that the whole of the Shire is now in a fairly settled state, and that the system of one united electorate has ceased to afford the satisfaction and contentment previously enjoyed by them, also that the commercial business relations of the towns of Morwell, Yinnar, and Boolarra, on the branch railway line from Morwell to Yinnar, have been so altered by the progress of development that they preclude the possibility of just and equitable representation under the present system of election of members.

The petitioners further state that the ratepayers in the south portion of the Shire are almost out of touch at present in their interest in the general concerns of the Shire, and are consequently neglected.

The petitioners therefore pray that His Excellency in Council may be pleased to subdivide the Shire into four ridings, to be named the

Morwell Riding,
Yinnar Riding,
Hazelwood Riding,
Boolarra Riding.

Notices for the petitioners may be served on Mr. Jenkyn Hopkins, of Driffield.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

Only one allotment can be granted to any one person.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 16s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

H. McKENZIE,
Commissioner of Crown Lands and Survey.

Land Act 1911, Section 22.

MALLEE LANDS AVAILABLE FOR SELECTION AS SELECTION PURCHASE ALLOTMENTS.

THE land is situated on the west side of the Mildura line, near Carwarp and Yatpool railway stations, and is from 10 to 20 miles from Mildura.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne on or before Wednesday, 24th January, 1912.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £6 17s. to £9 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the remaining term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket, over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

Commissioner of Crown Lands and Survey.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 27th January, 1912, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the Land Act 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to

erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for eight months from 1st February, 1912, to 30th September, 1912.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

Each schedule can be tendered for, and will be dealt with, separately.

The price must be expressed without alterations or erasures, and the total amount of the tender must be stated.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule and the rates quoted are considered reasonable.

The tenderers must state where the supplies have been, or are to be manufactured. Paper of British manufacture will receive preference over that of foreign manufacture.

Tenders must be accompanied by a preliminary deposit, as shown above, in bank notes, or a bank draft payable to the order of the Secretary of the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the successful tenderer failing to complete the security within the prescribed period.

Security will be required either in Government debentures, Savings Bank Deposit Book, or Bank Deposit Receipt (in favour of the Secretary to the Tender Board), or cash deposit, as the tenderer may elect.

The security must be completed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders must be enclosed in a separate envelope, marked "Tender for Printing Papers, &c.," and be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. Where samples are provided for, the supplies are to be equal in quality, finish, and in all other respects to, and of the same colour as, the contract sample, but as to weight and otherwise are to conform to the specification. In cases where supplies of a particular maker or of a particular brand or trade mark or of a particular distinguishing mark of such maker, brand, or trade mark are required, the supplies shall conform in all respects with the specified requirements. All supplies are to be delivered as directed by the Government Printer, either at the Government Printing Office or at a store situate in the city of Melbourne, but delivery will not be deemed to have been made until the goods have been approved of.

2. The quantity mentioned in the schedules will be required from the contractor, who will be bound, however, to supply any further quantities, at the scheduled price, that may be ordered by the Government Printer during the currency of the contract. Four (4) months' notice of the ADDITIONAL REQUIREMENTS will be given to the contractor by the Government Printer.

3. In the event of the supplies not being delivered by the time specified in the schedule or order as the case may be, it will be competent for the Government Printer to purchase the same, or such articles as may be suitable for the service, at the risk of the contractor, from whose account any expense that may be incurred over and above the contract price will be deducted.

4. The supplies on delivery will be surveyed by a board appointed by the Government for that purpose, and the decision of the board is to be considered as final. Payment will be made on the board's certificate that the goods are of contract quality and in good order and condition.

5. If the board of survey shall decide that the goods are not of contract quality, the contractor must in that case remove the goods objected to and supply others in their stead, failing which the supplies may be purchased as in condition 3.

6. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense.

7. A repetition of irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding One hundred pounds, as the Government may direct, and the amount may be deducted as in condition 3, or from the contractor's security.
