ALLOTMENTS IN THE TOORONGA ESTATE. AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Workmen's Homes Allotments to be taken up on Conditional Purchase Lease. Applications must be made on the prescribed forms, and will be received by the Secretary, Closer Settlement Branch, Lands Department, until Wednesday, 3rd July, 1912, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. All applications lodged on or before the above date will be deemed to have been simultaneously made. The deposit includes registration fee of 5s, and lease fee of £1.

The Local Land Board to deal with applications will be held at the Public Offices, Melbourne, on Thursday, 11th July, 1912, at Ten a.m.

CONDITIONS, ETC.

Allotments in this Estate will be disposed of under Conditional Purchase Lease extending over a term of 31½ years.

The amount to be paid for each allotment is shown in the schedule herewith.

Any person 18 years of age who is engaged in any form of manual, clerical, or other work for hire or reward, and is not possessed of real or personal property to a value exceeding £350, or whose salary does not exceed £220 per annum, may apply for one or more allotments, but no one can be granted more than one allotment.

No conditional purchase lease of an allotment can be granted to any person who is directly or indirectly the owner of any other land in the State, which, if Town or Suburban land, exceeds ¼ of an acre, or if Rural land, exceeds 50 acres in area.

Every application must be made on the prescribed form, and be accompanied by a deposit equal to that prescribed for the most valuable allotment applied for.

The lessee has the option of paying the whole or any portion of the balance of purchase money at the end of any half-year, and securing a reduction of the instalment accordingly.

The deposit, after deducting the sum of £1 5s. for fees, will be credited as part payment of the capital value of the allotment, and the balance of the purchase money with interest at 4½ per cent., must be paid by 63 or a less number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

A substantial residence to the value of at least £300, excluding fencing, must be erected on each allotment in accordance with plans and specifications approved by the Board's architect, and advances may be made on the £1 for £1 principle to assist lessees to build, repayable by monthly instalments extending over a period of 20 years, and bearing 5 per cent. interest. In special cases the Board may advance the maximum amount of £250, although the value of the house which is to be erected does not exceed the £300. All such improvements are to be insured in the name of the Board.

Successful applicants, when signing the contracts for their houses, must deposit a sum of at least £50, as proof of their bona fides. This amount, together with the sum advanced by the Board, is paid to the contractor as the work proceeds. In the event of the sum of £250 being advanced by the Board, the monthly repayment extending over 20 years is £1 12s. 11d., and smaller advances in proportion.

All buildings must be erected under the supervision of the Board's architect, and a charge of 2½ per cent. of the total value of the buildings, &c., will be made. This amount must be paid by the lessee on completion of the contract.

Advances will be only paid on the certificate of the architect that the conditions of contract have been complied with in every particular.

The lessee must, within four months, enter into bona fide occupation of his allotment and reside there permanently.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Not more than one residence or place of business shall be erected on any one allotment, and no building or verandah attached thereto shall be erected within 20 feet of the street boundary line, except in the case of business premises.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

ALLOTMENTS IN THE SHEPPARTON ESTATE, SECOND SUBDIVISION, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm and Agricultural Labourers' Allotments to be taken up on Conditional Purchase Lease. Applications must be made on the prescribed forms, and forwarded to the Secretary, Closer Settlement Branch, Lands Department, on or before Monday, 22nd July, 1912, accompanied by the deposit for the most valuable allotment applied for, as shown in Schedule hereunder. The deposit includes registration fee of 5s. and lease fee of £1. All applications so lodged will be deemed to have been simultaneously made. A Local Land Board to deal with the applications will be held at Shepparton, on Wednesday, 31st July, 1912, at 10 a.m.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

No conditional purchase lease of a farm allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the estate. (Personal residence by a wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.)

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

Advances of money to assist in effecting improvements may be granted by the Board, such advances to be repaid in half-yearly instalments extending over fifteen years, bearing interest at 5 per cent. The half-yearly payment will be at the rate of £4 15s. 7d. for every £100 advanced.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Commissioner of Crown Lands and Survey.

MALLEE LANDS AVAILABLE FOR SELECTION AS SELECTION PURCHASE ALLOTMENTS.

THE land is situated between Ouyen and Murrayville, at a distance of from 4 to 14 miles north of the railway line.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 19th June, 1912.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of each year of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease. If in the second class, improvements to the value of 2s. 6d. per acre must be made during the like periods, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease. If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the 4th, 5th, and 6th years of the term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession, or grant the use of the whole, or any part of the allotment, during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Wednesday, 26th June, 1912.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Wednesday, 26th June, 1912, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 137 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for fifteen months from 1st July, 1912, to 30th September, 1913.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands* (Tender Box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act 1901*.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
