NOTICE TO MARINERS.—VICTORIA.

[No. 149.]

LIGHT, SUNDAY ISLAND.—PORT ALBERT.

REFERRING to General Notice to Mariners dated 1st August, 1907, page 113, mariners and others are hereby notified that, on and after 1st September, 1913, the fixed white light shown from the flagstaff at the pilot station at Sunday Island will be removed and re-established on a piled beacon erected on the mud flats about one mile south-westward of the pilot station.

The light will show an all-round fixed white light, and will be visible about 4 miles in clear weather.

Such light will not in any way mark the channel, but is only for the guidance of fishermen and others within Port Albert.

As the shoals off the coast at the entrance to Port Albert extend for over Two (2) miles off shore, masters of vessels making a course close to the coast in such locality, and sighting the light, should at once haul out to safer waters.

C. W. MACLEAN.
Port Officer.

Provided that nothing in this By-law contained shall relieve the lessee from his obligation to bear the cost of any unusual or special service in handling, transporting, marking, or otherwise dealing with such explosives, or to pay the amount of the tolls as specified in By-law 12 hereunder, in cases where the explosives are not received into any private magazine on the Reserve.

4. The right of any person to become the lessee of a site of a magazine for the storage of explosives shall be conditional on his satisfying the Board that he is a fit and proper person to become such lessee, and that the annual rent will average not less than Twelve pounds per annum.

5. It shall be a further condition on which sites hereunder are to be let that the intending lessee shall execute a lease containing, in addition to any other conditions and covenants not inconsistent with these By-laws that the Board may in any particular case direct, covenants and conditions binding on the lessee to the following effect:—

(a) To pay the rent reserved in the manner and at the times appointed.

- (c) The lease to become void at the option of the Board upon an assignment, whether by operation of law or otherwise.
- (d) To repair and keep in repair to the satisfaction of a Government Inspector of Explosives any buildings or erections now or at any time during the currency of the lease on the demised land.

WERRIBEE ESTATE (IRRIGABLE AREA).

ALLOTMENTS IN THE WERRIBEE ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the schedule hereunder are declared available as Farm Allotments and Agricultural Labourer's Allotments until Thursday, 10th July, 1913. Applications must be made on the prescribed forms, and lodged with the Secretary, Cluser Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1. A Local Land Board to deal with the applications will be held at the Board Room, Public Offices, Melbourne, on Friday, 18th July, 1913, at 10 a.m.

Terms, Conditions, &c.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the State Rivers and Water Supply Commission.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for. Applicants must be at least 18 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value. This does not apply to Homestead Allotments.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

No conditional purchase lease of an Agricultural Labourer's allotment can be granted to any person who is already the holder of land of the value of £350, or who would thereby become the holder of land exceeding such value.

The lessee must enclose his allotment with a substantial and sufficient fence within two years from the date of his lease unless sooner called upon under the provisions of the *Fences Act 1890*, and erect a house to the value of at least £30.

The lessee must reside on the estate. (Personal residence by the lessee's wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Commission.) In special cases the Commission has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

Lessees are not permitted to destroy or remove timber from the land unless by written consent of the Commission.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1898*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Cluser Settlement Branch, Crown Lands Office.

BIENNIAL CONTRACTS FOR THE SUPPLY OF STORES FOR THE VICTORIAN RAILWAYS, IN SUCH QUANTITIES AS MAY BE REQUIRED AND ORDERED DURING THE TWO YEARS COMMENCING FROM 1ST JULY, 1914.

The intention of intending tenderers for the above-mentioned supplies is specially drawn to the fact that it is desired that samples of certain articles, of which full particulars can be obtained on application to the Chief Storekeeper, Room 109, Railway Offices, Spencer-street, be submitted not later than 15th October next, so that, if

Tenders should be placed in the Crown Lands Office Tender-box on or before Monday, 28th July, 1913.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Monday, 28th July, 1913, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.
2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.
3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.
4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.
5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.
6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.
7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.
8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.
9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.
10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.
11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.
12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.
14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for fourteen months from 1st August, 1913, to 30th September, 1914.

2. The fee for the period as shown in the head-lines— for which the licence will be issued, and fee for licence— must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Land* (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act 1901*.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
