YEA AND ALEXANDRA SHIRES.

PROPOSED SEVERANCE.

IN pursuance of the provisions of the Local Government Act 1903 (No. 1893, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Yea described in their petition, and they desire that the area so described may be severed from the said Shire of Yea and annexed to the Shire of Alexandra.

Area described in petition :—

Commencing at a point on the northern boundary of the Shire of Yea at the north-west angle of allotment 12, section B, parish of Ruffly, where the roads forming the northern boundary of allotments 12 and 16 and the western boundary of allotments 12 and 13 of section D respectively, in the said parish, intersect each other; thence south by the latter road to the north-west angle of

allotment 9 of section C, parish of Dropmore; thence southerly by Grassy Creek to its junction with Stony Creek; thence westerly by the latter creek to Hughes Creek; thence southerly and westerly by Hughes Creek to the north-west angle of allotment 37 in the said parish of Dropmore; thence southerly by a creek on the western boundary of said allotment 37 to the Dropmore-Yarck road; thence north-easterly, south-easterly, southerly, south-easterly, and north-easterly by said Dropmore-Yarck road to a point on the eastern boundary of the parish of Dropmore and the Shire of Yea at the south-east angle of allotment 9 of section E in the said parish of Dropmore; thence northerly by the eastern boundary of the Shire of Yea to the north-east angle of aforesaid allotment 16, parish of Ruffly; thence westerly along the northern boundary of the Shire of Yea to the commencing point.

The petitioners state that Yarck, in the Shire of Alexandra, is their nearest township and railway station, and all their produce, including cream, has to be carted to the Yarck Railway Station during certain seasons of the year, and all goods, provisions, building materials, &c., required by them have to be carted over three miles of roads in the Shire of Alexandra, the cost of making and maintaining of which falls upon the ratepayers of that Shire.

The petitioners further state that most of their banking and legal business is transacted at Yarck, and that by reason of their geographical position and community of interests, they are of opinion that their rates should be paid to the Shire of Alexandra.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the Shire of Yea, and annex same to the Shire of Alexandra.

Notices for the petitioners may be served upon Mr. Thomas C. Rowan, of Terip Terip.

Commissioner of Public Works.

REGULATION XVIII.—HOLIDAYS.

1. The holidays observed in State elementary schools, exclusive of Saturdays, shall be as follow, except in cases in which a different arrangement may be specially sanctioned by the Director:—

(a) Five weeks at midsummer. This vacation shall begin on the Monday preceding Christmas Day. When Christmas Day falls on a Monday the vacation shall begin on that day.

(b) Good Friday and Easter week.

(c) One week commencing on the Monday in the last full week in September.

(d) The public holidays not included in the above, viz.:—Foundation Day, Eight Hours Day, King's Birthday, and such other days as may be gazetted as public holidays, except those proclaimed in connexion with races, provided that no school shall observe more than one public holiday proclaimed for agricultural shows.

(e) One holiday in each financial year may be observed with the approval of the School Committee for the purpose of a school celebration or local festivity.

(f) With the approval of the Director, schools may be closed for an additional week in conjunction with the holidays in (a) or (c) above, in order that teachers may attend a two weeks' course of instruction in educational subjects under the direction of the Department.

2. No other holidays than those specified above shall be given without the express sanction of the Minister; except days on which the school building may be required for erection purposes.

3. Whenever a school is to be closed on days other than those specified in clause 1, the head teacher shall notify the same, with full particulars, to the School Committee and the district inspector.

4. Whenever a school is to be closed on a day proclaimed as a local public holiday, or for any other special reason, or when a holiday has been granted by the School Committee, under (f) above, the head teacher shall give ample notice to the district inspector, and shall make a special report to the Department in his monthly return. In the case of a holiday granted by the School Committee, the written consent of the Committee must be forwarded with the report.

5. In the absence of such special report and written consent, or in the event of any other days than those specified in clause (f) being observed as holidays, and no satisfactory explanation thereof being furnished in the monthly return, pay will be deducted, and no appeal against such deduction will be entertained.

6. Arbor Day shall be celebrated in each school each year. Arbor Day is not a school holiday, and the attendance of teachers and pupils must be recorded as on any other school day. In addition to tree-planting and other horticultural work proper to Arbor Day, teachers shall draw up and carry out a program, as outlined, from time to time, in the Education Gazette, including songs, recitations, addresses, &c., upon trees and flowers. If, from any cause, outdoor work cannot be carried on, this program should still be given. When it is not advisable to plant trees in the school reserve, Arbor Day may be celebrated by the planting of trees in public reserves, streets, &c.

And the Honorable Sir Alexander James Peacock, His Majesty's Minister of Public Instruction for the State of Victoria, shall give the necessary directions herein accordingly.

FARM ALLOTMENTS IN THE EUMERALLA ESTATE, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE Farm Allotments mentioned in the Schedule hereunder are available for application. Applications, accompanied by the amount of deposit, must be lodged with the Secretary, Lands Purchase Board, Public Offices, Melbourne. Plans and fuller particulars on application.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each Farm Allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. Personal residence by the lessee's wife, or any of his children over eighteen years of age, may, with the approval of the Board, be considered personal residence by the lessee. In special cases the Board has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown Grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Applications (with uncancelled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Saturday, 15th November, 1913.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land, if in the first class, to the value of 3s. 4d. per acre, before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of each of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease. If in the second class, to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease. If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee, shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable).

Tenders must be accompanied by the preliminary deposit above mentioned in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers. Such deposit to be forfeited in the event of the tenderer after the time fixed for closing of tenders withdrawing or attempting to withdraw his tender, or of the successful tenderer failing to complete the security within the prescribed period.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

Tenderers failing to take up their accepted tenders will be disqualified from tendering for Government supplies for a period of twelve months.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in a separate envelope, and having the words "Tender for Firewood at" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. As the exact quantity of firewood or charcoal which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same at contract rates.

2. All the firewood supplied under these contracts must be split out of large timber, and of the kind or kinds specified in the schedule, and must be dry, perfectly sound, and of good burning

quality, and cut into billets of the lengths stated in the schedules, such billets to be not less than four inches nor more than six inches in any diameter. The long wood to be not less than nine inches nor more than eighteen inches in any diameter. Neither burnt wood, heart wood, small branches, nor outside pieces of bark will be received. If the firewood is obtained from a State forest timber reserve or ordinary Crown lands, persons cutting and removing same must be provided with a licence or permit from the State Forests Department. Charcoal must be of the very best description for the purpose for which it is required, and subject to approval of the officer ordering.

3. The orders will be issued by the departments requiring the supplies, and the firewood or charcoal shall be delivered as may be directed by the officer ordering the supply. Should an order not be complied with within forty-eight hours it will be competent for the department concerned to purchase the firewood or charcoal at the contractor's risk, and the extra expense (if any) over and above the contract price will be deducted from the contractor's account or from the security money.

4. Melbourne District will include a radius of six miles from the General Post Office. The Williamstown District will include the Borough.

5. The contractor will be bound to place the firewood in stacks for measurement on such ground as may be pointed out. The stacks are to be five feet high, and of the width of the length of the firewood specified in the various schedules, with space between each stack for measuring; and the billets or lengths are all to lie the same way, viz., crossways of the stacks in the form of a cord, and are to be laid as closely and solidly as possible in the stack, and to the satisfaction of the officer receiving the supply. Firewood for the Yarra Bend need not be stacked, but must be weighed on the Asylum weighbridge.

6. The acceptance of the firewood or charcoal shall be subject to the approval of the officer authorized to take delivery, or such other officer as shall be named by him. If after the delivery of the firewood or charcoal has been taken any deficiency or defect is discovered therein, such firewood or charcoal may be returned to the contractor. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the article so rejected or returned.

7. As soon as the orders shall have been completed the contractor will be required to furnish to the department supplied his account in the prescribed form, with the receipted delivery order attached thereto. Accounts will be payable at any Receipt and Pay Office that the contractor may desire.

8. In the event of a difference of opinion between the contractor and the officer receiving the firewood or charcoal as to the quality, the same shall be decided by a board of survey, composed of persons named by the head of the department, and the decision of the board is to be considered as final.

9. If the board shall decide that the firewood or charcoal is not of proper quality it must be immediately replaced by the contractor, failing which it will be procured elsewhere and the extra expense (if any) will be deducted as in condition 3.

10. If from any cause injury would accrue to the public service by waiting for a board of survey, the head of the department or officer in charge will have the power to reject such firewood or charcoal as is obviously of inferior quality, it being understood that he will be responsible to the Government for so doing; and the contractor must take back the rejected article, and supply good in its stead, failing which it will be procured elsewhere, and the extra expense (if any) will be charged as in condition 3.

11. A refusal to execute orders, irregularity in the quality or quantity of the firewood or charcoal, or delay in delivering or replacing it when required, will subject the contractor to such mulct, not exceeding £50, as the Treasurer of the State for the time being may direct; and the amount may be deducted as in condition 3. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

13. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by any purchase of firewood or charcoal by the Commonwealth Government.

14. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract the contract security money will in that case be absolutely forfeited, and in addition the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

15. No subletting will be allowed; all work must be carried out by the contractor, and the hours of employment of any person engaged in any business or occupation connected with the preparation of the Firewood for sale or connected with the sale or distribution of the Firewood tendered for in this schedule shall be in accordance with those provided for by the Fuel and Fodder Board or the Country Fuel and Fodder Board, as the case may be, under the Factories and Shops Acts, and every such person shall be paid such wages and shall be employed subject to such conditions as are or may be therein determined; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from any accounts which are or may be due to the contractor, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement, and all other respects.
