Applications must be made on the prescribed forms, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½ as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. Personal residence by the lessee's wife, or any of his children over 18 years of age, may, with the approval of the Board, be considered personal residence by the lessee. In special cases the Board has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown Grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land or a member of his family over 18 years of age, or any person approved by the Governor in Council shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

## KYABRAM ESTATE.

## ALLOTMENTS IN THE KYABRAM ESTATE AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the schedule hereunder are declared available as Farm Allotments and Agricultural Labourer's Allotments until Wednesday, 23rd April, 1913. Applications must be made on the prescribed forms, and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s. and lease fee of £1. A Local Land Board to deal with the applications will be held at Kyabram, on Wednesday, 30th April, 1913, at 10 a.m.

## Terms, Conditions, &amp;c.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for. Applicants must be at least 18 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value. This does not apply to Homestead Allotments.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

No conditional purchase lease of an Agricultural Labourer's allotment can be granted to any person who is already the holder of land of the value of £350, or who would thereby become the holder of land exceeding such value.

The lessee must enclose his allotment with a substantial and sufficient fence within two years from the date of his lease unless sooner called upon under the provisions of the *Fences Act 1890*.

The lessee must reside on the estate. (Personal residence by the lessee's wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Board.) In special cases the Board has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

Lessees are not permitted to destroy or remove timber from the land unless by written consent of the Board.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Department of Lands and Survey,  
Melbourne, 8th April, 1913.

HUGH MCKENZIE,  
Commissioner for Crown Lands and Survey.

## MALLEE LANDS AVAILABLE FOR SELECTION AS SELECTION PURCHASE ALLOTMENTS.

The land is situated from 11 to 23 miles north-west from Nyah and from 5 to 17 miles from River Murray, and will be served by the Swan Hill to Piangil and Chillingollah to Manangatang railway extensions, which have been authorized by Parliament.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 14th May, 1913.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

**Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.**

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land if in the second class to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease.

If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the 4th, 5th, and 6th years of the term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and wind breaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate

authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

35. Sundries for Defence ...	3	5	

10 per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £5 be required.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

In certain schedules where doubt exists as to whether the articles enumerated may or may not be manufactured within the Commonwealth, double columns are inserted for the rates, "A" for articles manufactured within the Commonwealth and "B" for articles manufactured elsewhere.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule and the rates charged are considered reasonable. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application.

Security will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for —" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

## CONDITIONS OF CONTRACT.

1. The Government will not be bound to order from the contractor all the articles enumerated in the schedules, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedule, the contractor will nevertheless be bound to supply the same at contract rates.

2. The supplies are to be the same as sample where so stated, and of the particular manufacture indicated in the schedule of tenders. In the case of different makers' goods, the contractor will be required to supply the kind ordered. The supplies are to be the best quality of their several kinds or manufacture. Substantial and effective preference will, however, be given to goods of Commonwealth manufacture, provided the quality is equal to the particular manufacture indicated in the schedule. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

3. Except where otherwise stated in the schedule, the value of all packages, cases, casks, &c., whether bulk be broken or not, must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, casks, &c. The net weight or quantity only will be paid for. Contractors must provide, without extra charge, whatever labour may be required in the packing of stores.

4. All orders for supplies will emanate from the departments requiring the goods. The goods shall be delivered as may be directed by the officer ordering the supply. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor.

5. Supplies ordered for delivery in Melbourne and Williamstown are to be delivered free of all charges (whether cartage, freight, &c.), and, for the purposes of these contracts, Melbourne district will include a radius of six miles from the General Post Office, and Williamstown district will include the Town of Williamstown, Hobson's Bay, and the River Yarra. Supplies for s.s. *John Murray* must be delivered at the Railway Pier, Port Melbourne.

6. Arrangements as to time of delivery and inspection of goods will be made by the officers ordering the goods.

7. Orders must receive prompt execution; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the officer named in Clause 6, or the head of the Department to whom the goods are to be supplied, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

8. The contractor will be required to furnish his account in the prescribed form at the time of the delivery of the goods, and the account shall be accompanied by the receipted delivery orders on which it is based. The prices quoted in the orders cannot be increased.

9. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. The contractor may, however, claim a survey on any goods objected to; but in that case he must, within twenty-four hours after objection is made, give notice thereof, in writing, to the officer rejecting the goods. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

10. All goods forwarded under these contracts shall, where practicable, be forwarded by rail, and all consignments shall bear the number of the consignment notes under which they are forwarded, and also the name of the contractor or contractors by whom consigned, on a legibly written business label.

11. When the contractor is required to make delivery of goods at a railway station for transmission by rail for any department except the Commonwealth Departments, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the Railways to act as agent for, and charge the freight to, the Stores and Transport Department or such other department as shall be named therein. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be forwarded to consignee in accordance with Clause 12. (In the case of the Commonwealth Departments, however, the Commonwealth consignment note only which accompanies the order must be used.) Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which service the departmental consignment note is not to be used. Any infringement of this condition will subject the contractor to such mulct as the Tender Board may recommend under Clause 16 of these conditions.

12. Immediately after the consignment of the goods the officer to whom they are forwarded shall be notified by the contractor, on the duplicate consignment note provided for the purpose, that the goods have been sent. On receipt of this document the officer to whom it has been forwarded shall acknowledge thereon the receipt of the goods without delay, to the Stores and Transport Office. In the event of loss through failure on the part of the contractor to comply with this condition he will be held responsible, and the amount of the loss incurred for same will be deducted, as in Clause 7.

13. Should the order on the contractor specially provide that goods of a fragile character, or such as are liable to suffer loss by leakage, shall be consigned at the risk of the Railways Commissioners under special freight conditions, the contractor shall in such instance provide, in writing, on the consignment note an intimation to that effect, failing which, in the event of loss, he shall bear the whole cost of replacing the goods, the amount being deducted from the contractor's account or the security money.

14. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Clause 7.

15. The members of boards of survey will be appointed by the Treasurer of the State for the time being, and the decision of the board is to be considered as final. If the board shall decide that the article is not of proper quality it must be immediately replaced by the contractor, failing which it, or any like supply that is suitable for the service, will be procured elsewhere, and the survey fees and extra expense (if any) will be charged as in Clause 7.

16. A refusal to execute orders, irregularity in the quantity or quality of the supplies, delay in delivering or replacing them when required, or non-compliance with the terms of Clauses 11 and 12 of these conditions respecting the forwarding of consignment notes, &c., will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount may be deducted as in Clause 7. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

17. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government. If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderor be a member of a firm, and such firm be interested in the contract, then the tender is to be in the name of the firm, and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.

18. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat or Agent-General for Victoria, or by any contracts or agreements made for any works or supplies by the Department of Public Works, or State Rivers and Water Supply Commission, or on account of the Federal Government, or for the Railway Department, or for supplies for Technical Schools, or for the Metropolitan Parks and Gardens, or for supplies to the Aborigines, or for connexions and fittings for Diamond Drills and Batteries; or by any article being made at and supplied for the use of any Government establishment, or by the consumption of the surplus stock of any Government establishment.

19. In the event of any alteration in the Tariff affecting any of the items included in this contract, the Government or the contractor (as the case may be) may give two months' notice, through the Secretary to the Tender Board, of the termination of the contract for the particular item or items so affected to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made. The contract for the unaffected items to remain in full force and effect.

20. As regards Contracts for Supplies used expressly for the Defence Department, however, it will be competent either for the contractor, on his own behalf, or for the Secretary of the Tender Board, on behalf of the Government, to terminate the whole or any item of the contract by giving three full calendar months' notice, in writing, to the opposite party, it being understood that such notice can only be given as in Clause 19.

21. Under no circumstances other than those mentioned in Clauses 19 and 20 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

22. For the purposes of these contracts the word Government shall mean Government of the Commonwealth as regards supplies for the Commonwealth, and Government of the State as regards supplies for the State; and the word Treasurer shall mean Treasurer of the Commonwealth as regards supplies for the Commonwealth, and Treasurer of the State as regards supplies for the State.

23. No subletting will be allowed; all work must be carried out in the factory of the contractor; the terms of employment of any person engaged in the preparation or manufacture of the articles tendered for in those schedules, and the wages paid to any such person shall be in accordance with and subject to the terms and conditions specified in the schedules concerned; and a copy of the labour clauses thus indorsed on the schedules affected shall be kept conspicuously and continually posted, in legible Roman characters, in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such

mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

24. The Contractor shall, before any account is passed for payment for services rendered, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with Clause 23 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.
