BOROUGH OF OAKLEIGH.

PROPOSED SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act 1903* (No. 1893, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the borough of Oakleigh.

The petitioners state that in view of the annexation of a portion of the town of Caulfield to the borough of Oakleigh it would be more satisfactory for the ratepayers of that portion to be formed into a separate ward, and for the remainder of the borough to be divided into two other wards; further, that the ratepayers of the whole borough would be better satisfied if they had representatives who would see that a due proportion of their rates was spent in the ward which they represented.

The petitioners therefore pray that His Excellency in Council may be pleased to subdivide the borough into three ridings, to be named as follows :—

North Ward,
South Ward,
West Ward.

Notices for the petitioners may be served on Mr. Arthur Parker, Palmer-street, Oakleigh.

FARM ALLOTMENTS IN THE WERRIBEE ESTATE, NEAR WERRIBEE, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE allotments mentioned in the Schedule hereunder are available for application until Thursday, 24th April, 1913, and all applications lodged on or before that date will be deemed to have been simultaneously made. Applications, accompanied by the amount of deposit, must be lodged with the Secretary, Lands Purchase Board, Public Offices, Melbourne, on or before the above-mentioned date. Plans and fuller particulars on application.

A Local Land Board to deal with applications will be held at the Board Room, Public Offices, Melbourne, on Tuesday, 29th April, 1913, at 10 a.m.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. Personal residence by the lessee's wife, or any of his children over eighteen years of age, may, with the approval of the Board, be considered personal residence by the lessee. In special cases the Board has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

FARM ALLOTMENTS (DRY AREAS) IN THE WERRIBEE ESTATE, NEAR WERRIBEE, AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE allotments mentioned in the Schedule hereunder are available for application until Thursday, 1st May, 1913, and all applications lodged on before that date will be deemed to have been simultaneously made. Applications, accompanied by the amount of deposit, must be lodged with the Secretary, Lands Purchase Board, Public Offices, Melbourne, on or before the above-mentioned date. Plans and fuller particulars on application.

A Local Land Board to deal with applications will be held at the Board Room, Public Offices, Melbourne, on Thursday, 8th May, 1913, at 10 a.m.

Conditional Purchase Lease.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the Board.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on the allotment. Personal residence by the lessee's wife, or any of his children over eighteen years of age, may, with the approval of the Board, be considered personal residence by the lessee. In special cases the Board has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown Grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Closer Settlement Branch, Crown Lands Office.

Land Act 1911, Section 22.

MALLEE LANDS AVAILABLE FOR SELECTION AS SELECTION PURCHASE ALLOTMENTS.

THE land is situated from 11 to 23 miles north-west from Nyah and from 5 to 17 miles from River Murray, and will be served by the Swan Hill to Piangil and Chillingollah to Manangatang railway extensions, which have been authorized by Parliament.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Wednesday, 14th May, 1913.

Not more than one allotment can be included in any application, but any number of applications may be lodged, with the prescribed fee in each case.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 34 years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £11 per allotment.

The lease will be subject to the following conditions:—

That substantial and permanent improvements shall be made on the land if in the second class to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease.

If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease, and, provided improvements equivalent in value to the amount of rent due for each year be expended on the land during each of such years, in addition to the value required by the ordinary improvement condition, as set forth above, further payment of rent may be suspended until the end of the third year, and such suspended payments, without interest, will be collected in instalments during the 4th, 5th, and 6th years of the term of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside on the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole, or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee shall preserve the timber on an area, or otherwise plant an area, of not less than 3 per cent. of the total area of his holding, preferably along the exposed boundary lines, viz., the western and southern.

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate

authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

WRITING AND PRINTING PAPERS,
ENVELOPES, ETC.

TENDERS will be received until Eleven o'clock a.m. on Monday, 28th April, 1913, from persons willing to supply to the Government Printer Writing and Printing Papers, Envelopes, and Bookbinders' Leathers and Materials, &c., as per schedule No. 1, in the quantities as may be required, from 1st July, 1913, to 30th June, 1916.

Printed forms of tender, schedules, conditions of contract, and stipulation of tendering, &c., may be obtained at the office of the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

Each group, schedule, or item can be tendered for, and may be accepted or rejected separately.

Each tender must be accompanied by a preliminary deposit of 2½ per cent. of total of tender submitted.

The prices must be expressed without alterations or erasures, and the total amount of the tender must be stated.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is equal to the particular manufacture indicated in the schedule and the rates charged are considered reasonable.

The tenderers must state where the supplies have been, or are to be manufactured. Supplies of British manufacture will receive preference over those of foreign manufacture.

Tenders must be accompanied by the preliminary deposit, as shown and designated in the conditions of tendering.

The Government will not necessarily accept the lowest or any tender.

Tenders must be enclosed in a separate envelope, marked "Tender for Printing Paper, or as the case may be," and must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, must be addressed to the Chairman of the Tender Board, Treasury, Melbourne.

CONDITIONS OF CONTRACT.

1. In these conditions and in the form of contract and schedule hereto annexed the words "Government Printer" shall include the officer bearing or acting under that title or such other officer as the Government may from time to time appoint to perform the duty in the matter in relation to which the expression is used. The word "Storekeeper" shall mean the officer (or officers) of the Government who inspects and takes delivery of the stores. The word "Schedule" shall mean and embrace the schedule or schedules hereunto annexed.

2. As regards supplies of Commonwealth manufacture no subletting will be allowed; all work must be carried out in the factory of the contractor; the standard hours of employment of any person engaged in the manufacture of the paper, envelopes, and other supplies tendered for in this schedule shall not exceed 48 per week, and every such person shall be paid at a minimum wage of not less than £2 5s. per week for a man, and £1 per week for a woman respectively, unless other wages and conditions may be determined by any special Board under the Factories and Shops Acts which may be appointed during the currency of the contract for the paper-making or other trades under which the manufacture of the various supplies is included, when every such person shall be employed at such wages and subject to such conditions as may thus be determined; and a copy of these conditions shall be kept conspicuously and continually posted in legible Roman characters in the factory (and in each part of the factory where several rooms are in use) in which goods are prepared or manufactured under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulet, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

3. The contractor shall, before any account is passed for payment for services rendered in terms of clause 2, furnish a statutory declaration that all the workmen under this contract have been employed in accordance with clause 2 of these conditions, and have been paid not less than the minimum rate of wages for such workmen as is provided for under that clause.

4. *Under no circumstances will a contractor be permitted to abandon his contract.* In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

5. The Government will not be bound to order from the contractor all the articles enumerated in the schedules, but only those articles, and such quantities of those articles, as it may be found necessary to order. Should the Government, however, require a larger supply of any article than the quantity stated in the schedule, the contractor will nevertheless be bound to supply the same at contract rates. All reasonable notice not exceeding four months will be given to the contractor of demands in excess of the estimated requirements.

6. Should the Government Printer for the time being decide to discontinue the use of any article or articles mentioned in the schedule, or to direct that any article other than those enumerated therein be substituted, he shall at any time give six months' notice of such intention or decision to the contractor, the contract for the remaining items to have full force and effect. After the expiration of the period of such notice the Government Printer shall not be bound to take any further supply of such article nor shall the contractor be bound to supply the same. The contractor shall, however, have the option of supplying

such substituted article but at a price to be agreed upon with the Government Printer, and in the event of failure to mutually agree as to the price of such article the Government Printer may requisition the Tender Board to invite fresh tenders if so desired.

7. The first delivery under this contract—three months' supply based on the estimated requirements for three years—shall be made not later than 1st September, 1913. The contractor shall, in addition, hold and keep in Melbourne a reserve stock or stocks equal to one-twelfth of the estimated requirements for three years as set out in the schedule. The Government Printer may at any time require, and shall be entitled to receive, delivery of the whole or any portion of such reserve stock or stocks to meet his requirements. In the event of the Government Printer requiring and receiving delivery of such reserve stock or stocks, or any portion thereof, the contractor shall within a reasonable time, but not exceeding four months, replace and make good such reserve stock or stocks, or the portion thereof delivered to the Government Printer as aforesaid. The Government Printer shall at any time be entitled to call upon the contractor to satisfy, and the contractor being so called upon shall satisfy, the Government Printer that he holds all reserve stock or stocks that he is required or bound to hold in terms of conditions of tender.

8. The supplies are to be the same as sample and in accordance with schedule conditions where so stated, and of the particular manufacture indicated in the schedule of tenders. Substantial and effective preference will, however, be given to goods of Commonwealth manufacture, provided the quality is equal to the particular manufacture indicated in the schedule. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

9. The value of all packages, cases, wrappings, &c., whether bulk be broken or not, all wharfage fees and duty of Customs must be included in the prices stated in the contractor's tender; all such packages, &c., to be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor for any articles or packages, cases, wrappings, &c. The net weight or quantity only will be paid for. Contractors must provide, without extra charge, whatever labour, &c., may be required in the packing and delivery of the supplies.

10. All orders for supplies will emanate from the Government Printer. The goods shall be delivered as may be directed by that officer in terms of contract. At the time of delivering the supplies, the contractor shall produce the order for the same, setting out the order number and particulars of the supply, together with an invoice in duplicate, to the officer authorized to accept delivery, and such officer shall give an acknowledgment to the contractor of the receipt of the stores tendered by him. The contractor shall also furnish a statement at the end of each month setting forth deliveries during the month, and the total money value of same. Arrangements as to time and place of delivery and of inspection of goods will be made by the Government Printer or such other officer as he may appoint.

11. Orders must receive prompt execution in terms of contract; and in the event of the goods not being delivered within forty-eight hours after the contractor shall have received the order, or within such other time as the order may specify for delivery, it will be competent for the Government Printer, on giving the contractor twenty-four hours' notice, to purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

12. The stores supplied under every item or group of items shall in respect of quality, shape, and (when only one size is specified) size, be in accordance with the sample or samples exhibited by the Tender Board to the contractor when tendering. Any samples furnished by the contractor shall become the property of the Government.

13. The acceptance of the supplies shall be subject to the approval of the Government Printer, whose decision shall be final. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense, such expenses to be deducted as in Clause 11. Delivery will not be deemed to have been made until the goods have been approved of. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in Clause 11.

14. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Government Printer to the Tender Board, to such mulet, not exceeding One hundred pounds, for each and every default as the Treasurer may direct, and the amount may be deducted as set out in Clauses 4 and 11. It will also be in the power of the Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

15. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

16. In the event of any alteration in the duties of Customs which may affect any of the items included in these contracts, the Government or the contractor, as may be the case, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, provided that the duty on such item at the altered rate has actually been paid.

17. The contract shall not be considered as being infringed, broken, or vitiated—

By the manufacture or importation by the Government of any stores for the use of the Victorian Government Printing Office; by the purchase or use of any stores manufactured by any Government establishment; or by the purchase of any stores which, in the opinion of the Government Printer, may be necessary to meet special circumstances or requirements.
