thirteenth day of July, 1914.

PRESENT:

His Excellency the Governor of Victoria.

Sir A. J. Peacock

Mr. Murray

Mr. Mackinnon

Mr. Hutchinson.

WHEREAS by Division 3 of Part III. of the *Water Act 1905* the Governor in Council is empowered to make regulations for the election of Commissioners of Waterworks Trusts: Now therefore His Excellency the Governor of the State of Victoria, acting by and with the advice of the Executive Council thereof, and in pursuance of the provisions of the now in part recited Act, doth for the purposes aforesaid make the following regulations for the election of Commissioners of the Sunbury Waterworks Trust.

1. Interpretation of terms.—In these regulations "the Trust" or "the said Trust" shall mean the Sunbury Waterworks Trust. "Minister" shall mean the Minister of Water Supply.

2. Period for which Commissioners shall hold office.—The period for which the Commissioners shall hold office shall be three years, and shall date on and from the date of election.

3. Extraordinary vacancies, how filled.—Should any vacancy in the office of Commissioner be occasioned by death, disqualification, or any other cause whatever, the same shall be filled up by election under these regulations, within one month after the vacancy has occurred, and the person elected to fill such vacancy shall hold the office of Commissioner during the unexpired portion of the term of office of the Commissioner whose seat shall have become vacant.

4. Date of first and subsequent Election of Commissioners.—The first election of Commissioners under these regulations shall be held on the 9th day of September, 1914, and the ordinary election of Commissioners shall be held on the 9th day of September in each succeeding triennial year. Provided that whenever such date shall fall upon a Sunday or any day set apart as a public holiday such election shall be held upon the day next following.

5. Voters' List to be prepared.—For the purposes of the first election of Commissioners a voters' list shall be prepared in like manner to that provided by section 96 of the *Water Act 1905* in so far as circumstances will admit, on or before the 10th day of August, 1914, by the Secretary to the Trust, certified by him as correct, and such list shall be the list of voters for the said election of Commissioners, and shall remain in force, and shall be used at any subsequent election of Commissioners that may be held prior to a fresh voters' list being made out as hereinafter provided.

6. Voters' List to be prepared annually.—Before the last day of February in each year a voters' list shall be made out in the manner prescribed by section 96 of the *Water Act 1905*, which shall, upon approval of the Commissioners under the common seal of the Trust, be the list of voters for the election of Commissioners for the twelve months next ensuing.

7. Form of Voters' List.—First Schedule.—Such voters' list shall be in the form in the First Schedule hereto, and shall contain, in regular numerical sequence and alphabetical order of surname, the christian name or names, surname, and address (so far as these may be known) of every ratepayer within that portion of the municipal district of the Shire of Bulla included within the district of the Waterworks Trust.

In making out such list of voters, if the property in respect of which any ratepayer is entitled to vote is only in part within the Waterworks district, then the number of votes of such ratepayer in respect of such property shall be reduced in the proportion which such part bears to the whole property of such ratepayer rated in the municipal district.

8. Minister to appoint returning officer for first election.—Chairman of Trust to be returning officer at subsequent elections.—For the purpose of the first election herein mentioned the Minister shall appoint some fit and proper person to be returning officer; but for every subsequent election (whether ordinary or extraordinary) the Chairman of the Trust holding office as such on the day immediately preceding the date of election shall be the returning officer; but if at the time of any election the office of Chairman of the Trust should become vacant the Commissioners of the Trust may, by resolution, appoint one of their number to be returning officer; and the returning officer may appoint a deputy to assist him or to act in

his room at any election, and such deputy may do all things which the returning officer is hereby authorized or required to do.

9. Notice of Election.—Nomination of Candidates.—Second Schedule.—Fourteen clear days before any election of Commissioners under these regulations, the returning officer shall give public notice of such election by advertisement inserted in some newspaper generally circulating in the Sunbury township, and by such notice shall require all candidates at such election to be nominated at some place within the said township to be named in such notice in manner herein-after mentioned, between the hours of Ten o'clock in the forenoon and Four o'clock in the afternoon, on some day before a day (hereinafter called the day of nomination) not less than four nor more than seven days after the time of giving such notice, and named therein, and any person desirous of becoming a candidate shall, before Four o'clock in the afternoon of the day next preceding the nomination day, cause to be delivered at the place aforesaid to the returning officer a nomination paper, in the form of the Second Schedule, or to the like effect, stating therein both his christian and surname, together with the other particulars required in and by the said Schedule; and such nomination paper shall be signed by not less than three persons duly qualified to vote at such elections, as well as by the candidate. And no person who shall not have been so nominated shall, within the provisions of these regulations, be deemed to be a candidate at any election of Commissioners.

10. Qualifications of Commissioners.—No person shall be eligible for election as a Commissioner unless he is liable to be rated under the *Water Act 1905* in respect of property within the district of the Trust.

11. Where Number of Candidates does not exceed Number of Commissioners to be elected.—If, at the expiration of the time limited as hereinbefore provided for the nomination of candidates, the number of persons who have become candidates as aforesaid does not exceed the number of Commissioners to be elected, the returning officer shall then declare such candidates to be duly elected, and they shall be deemed to be then duly elected accordingly.

12. Where Number of Candidates exceeds the Number of Commissioners to be elected.—Third Schedule.—Notice of Poll.—Hours of Polling.—If, at the expiration of the time limited for the nomination of candidates, the number of candidates exceeds the number of Commissioners to be elected, then the returning officer shall forthwith cause the ballot-papers to be printed, with the christian names and surnames of all the candidates in full in the form of the Third Schedule hereto, and shall also give public notice by advertisement in some newspaper circulating in the Sunbury township, stating the names of the persons so nominated, and that a poll will be taken for the election of such Commissioners upon a day named in such notice, at such place within the said township as the returning officer shall in and by such notice appoint; and such poll shall take place accordingly, and shall commence at Eight o'clock in the forenoon, and close at Seven o'clock in the afternoon.

13. Retirement of Candidates before Polling Day.—If, at any election, after a poll shall have been appointed as aforesaid any candidate for such election, and two of the persons having signed the paper nominating him as aforesaid, are desirous that he should retire from such candidature, such candidate and the persons aforesaid may sign and deliver to the returning officer, not later than four clear days before the day of polling, a notice in the form of the Fourth Schedule hereto, stating that such candidate so retires; and the said candidate or his agent shall thereupon publish in some newspaper generally circulating in the Sunbury township a copy of such notice, and the returning officer, on sufficient proof of such publication aforesaid, if the number of candidates is by such retirement reduced to the number of persons to be elected at such election shall, on the day appointed for the election, declare the remaining candidates duly elected; and, if the said number is not so reduced, shall omit the name of the person so retiring from the ballot-papers to be used at the said election, and, if such papers are already printed, shall erase such name therefrom; and such person shall not be capable of being elected at such election.

14. Polling Booth may be hired.—At such election the returning officer shall provide a suitable place for taking a poll, and may, if necessary, cause to be hired and used as a polling booth any room which he may deem to be suitable at the place appointed for taking the poll, and may divide such room into compartments as to him may seem most convenient.

MURRABIT ESTATE (No. 2) IRRIGIBLE LAND.

ALLOTMENTS IN THE MURRABIT ESTATE (No. 2) AVAILABLE FOR APPLICATION UNDER CONDITIONAL PURCHASE LEASE.

THE several allotments included in the Schedule hereunder are declared available as Farm Allotments until Thursday, 13th August, 1914. Applications must be made on the prescribed forms and lodged with the Secretary, Closer Settlement Branch, Lands Department, accompanied by the deposit, as shown in Schedule hereunder, for the most valuable allotment applied for. The deposit includes registration fee of 5s and lease fee of £1. A Local Land Board to deal with the applications will be held at the Court House, Kerang, on Friday, 28th August, 1914, at 9 a.m.

Terms, Conditions, &c.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the State Rivers and Water Supply Commission.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for. Applicants must be at least 18 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value. This does not apply to Homestead Allotments.

Improvements to the value of at least two instalments of the purchase money must be effected on each Farm Allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must enclose his allotment with a substantial and sufficient fence within two years from the date of his lease unless sooner called upon under the provisions of the *Fences Act 1890*.

The lessee must reside on the estate. (Personal residence by the lessee's wife, or any child not less than eighteen years of age of lessee, may be considered personal residence by the lessee, with the approval of the Commission). In special cases the Commission has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

Lessees are not permitted to destroy or remove timber from the land unless by written consent of the Commission.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments calculated according to any of the tables under Division 3 of Part I. of the *Savings Banks Act 1890 Amendment Act 1896*, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Enquiry Office, Crown Lands Department.

Terms, Conditions, &c.

The leases issued to successful applicants may be for such a term of years, not exceeding 31½, as may be agreed upon between the lessee and the State Rivers and Water Supply Commission.

An applicant may apply for more than one allotment, but will only be required to lodge one deposit, being the amount chargeable on the most valuable allotment applied for. Applicants must be at least 18 years of age.

No conditional purchase lease of a Farm Allotment can be granted to any person who is already the holder of land of the value of £2,500 (township land excepted), or who would thereby become the holder of land exceeding such value. This does not apply to Homestead Allotments.

Improvements to the value of at least two instalments of the purchase money must be effected on each farm allotment before the end of the first year from the date of the lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year. Unless sooner called upon under the provisions of the Fences Act the allotment must be fenced within one year.

No conditional purchase lease of an Agricultural Labourer's Allotment can be granted to any person who is already the holder of land of the value of £350, or who would thereby become the holder of land exceeding such value.

The lessee of an Agricultural Labourer's Allotment must enclose the land with a substantial and sufficient fence within two years from the date of his lease, unless sooner called upon under the provisions of the Fences Act 1890, and erect a house to the value of at least £30 within one year.

The lessee must reside on the estate. (Personal residence by the lessee's wife, or any child not less than 18 years of age of lessee, may be considered personal residence by the lessee, with the approval of the Commission.) In special cases the Commission has power to allow persons other than those above mentioned to reside for a limited period in lieu of lessee.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first six years of the lease.

Leases will be subject to a condition providing for resumption of land required for necessary drains or channels through any allotment.

Lessees are not permitted to destroy or remove timber from the land unless by written consent of the Commission.

The amount of deposit (less £1 5s.) will be deducted from the capital value, and the half-yearly instalments calculated on the balance of purchase money.

Payments in advance may be made at any time at the option of the lessee, and proportionate reduction of interest secured thereby.

The balance of purchase money, with interest at 4½ per cent., must be paid by 63 or a lesser number of half-yearly instalments, calculated according to any of the tables under Division 3 of Part I. of the Savings Banks Act 1890 Amendment Act 1896, the first of such instalments being payable six months after the date of the lease. Each instalment will include interest upon the balance of the purchase money remaining unpaid.

The Crown grant may be issued to the lessee at the end of any half-year after the first twelve years have expired, on payment of the balance of the purchase money, and will be subject to a condition that the owner for the time being of the land, or a member of his family over eighteen years of age, or any person approved by the Governor in Council, shall reside thereon for at least eight months in every year, and that a breach of this condition may lead to the forfeiture of the land to the Crown.

Plans and further information may be obtained from the Inquiry Branch, Crown Lands Office, Melbourne.

Land Act 1911, Section 22.

MALLEE LANDS AVAILABLE FOR APPLICATION AS
SELECTION PURCHASE ALLOTMENTS.

THE land is situated west of Mildura railway line and north of Hopetoun Railway Station. It is from $2\frac{1}{2}$ to 10 miles west of Gama Railway Station, $2\frac{1}{2}$ to 14 miles south-west of Turriff Railway Station, $8\frac{1}{2}$ to 16 miles west of Minapre Railway Station, and 9 to 17 miles north of Hopetoun Railway Station.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Saturday, 15th August, 1914.

Two or more applications for allotments may be made at the same time by any one person, without affixing more than one duty stamp of 5s.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £12 per allotment.

The amount of loading (3s. per acre) is to be collected in instalments, therefore its cash value, about 1s. 11d. per acre only, will be the limit of expenditure for road and water improvements.

The half-yearly payment on each allotment, set out in Schedule hereto, includes the amount of loading.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land—if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease. If in the second class, to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease. If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of

residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable).

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.

Land Act 1911, Section 22.

MALLEE LANDS AVAILABLE FOR APPLICATION AS SELECTION PURCHASE ALLOTMENTS.

THE land is situated north of Chillingollah, and is from $1\frac{1}{2}$ to 10 miles from Chillingollah Railway Station. The nearest point of the land is 5 miles east from Chinkapook and 6 miles east from Cocamba Railway Stations.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any Local Land Office, or to the Secretary for Lands, Melbourne, on or before Saturday, 25th July, 1914.

Two or more applications for allotments may be made at the same time by any one person, without affixing more than one duty stamp of 5s.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee must be paid within 28 days of demand, and will range from £9 to £10 per allotment.

The amount of loading (3s. per acre) is to be collected in instalments, therefore its cash value, about 1s. 11d. per acre only, will be the limit of expenditure for road and water improvements.

The half-yearly payment on each allotment, set out in Schedule hereto, includes the amount of loading.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease.

The first half-year's rent and lease-fee must be paid prior to issue of lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No persons who already holds or has previously selected the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,280 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable).

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Enquiry Office, Lands Department, Melbourne, and at Land Offices, Alexandra, Ararat, Bairnsdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Omeo, St. Arnaud, Stawell, Seymour, Sale, and Warracknabeal, and may be inspected at the principal railway stations throughout the State.

Applicants may obtain from a Local Land Officer, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, at excursion fares, to enable them to inspect the land, or to attend the Local Land Board.
