27. **Resolutions, how revoked or altered.**—No resolution shall be revoked or altered except in accordance with clause 2 of section 21 of the same Act.

29. **Members to stand while addressing the Trust.**—Every member, including the Chairman, shall stand while addressing the Trust.
30. **Points of order.**—The Chairman, when called upon to decide on points of order or practice, shall state the provision, rule, or practice which he deems applicable to the case, without discussion or commenting on the same; and his decision as to order or practice in each case shall be final.
31. **Member not to digress.**—No member shall digress from the subject-matter of the question under discussion, or comment upon the words used by any other member in a previous debate; and all imputations of improper motives, and all personal reflections on members, shall be deemed highly disorderly.
32. **Members to apologize for disorderly or offensive expressions.**—Whenever any member shall make use of any expression disorderly, or capable of being applied offensively to any other member, the member so offending shall be required by the Chairman to withdraw the expression, and to make a satisfactory apology to the Trust.
33. **Members called to order to sit down.**—A member called to order shall sit down, unless permitted by the Trust to explain.
34. **Members twice offending to be liable to a penalty.**—Any member using disorderly or offensive language, and having been twice called to order, or to withdraw, and to apologize for such conduct, and refusing to do so, shall be liable to a penalty for a breach of this Regulation.
35. **Strangers.**—Any person, not being a member of the Trust, who shall, having been admitted to any meeting of the Trust, be guilty thereof of any improper or disorderly conduct, or who shall not leave when requested by the Chairman to do so, may, on his order, be forthwith removed, and shall be liable to a penalty for a breach of this Regulation.

38. **Mover of motion to have right of reply.**—The mover of every original proposition, but not of any amendment, shall have a right of reply, immediately after which the question shall be put from the Chair; but no other member shall be allowed to speak more than once on the same question unless permission be given to explain, or the attention of the Chair be called to a point of order.
39. **No discussion on motion for adjournment of Trust.**—No discussion shall be allowed on any motion for an adjournment of the Trust; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice-paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained; but if the motion for adjournment be carried, the debates on motions moved and seconded, or any order of the day, may be resumed at the next adjourned meeting of the Trust at the point at which it was so interrupted.
40. **Protests.**—Any member may protest against any resolution of the Trust, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against; and the protest shall specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Trust by the protesting member, in a book to be kept for that purpose in the office of the Secretary, and signed by such member, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof; but such protest may be expunged from the minutes if declared by a majority of the Trust to be not in accordance with truth, or in its terms disrespectful to the Trust.
41. **Lapsed questions.**—If a debate on any motion moved and seconded be interrupted by the number of members present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted.
42. **Lapsed order of the day may be restored.**—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-paper for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.
43. **Committees.**—Minutes of all proceedings of Committee shall be entered in the Committee's minute-book, and, being signed by the Chairman of the Committee, shall be presented to the Trust.
44. **Meetings of Committees.**—The Secretary shall convene every Committee within ten days of its first appointment, or at any other time by order of the Trust, or on the written order of the Chairman, or of any two members of the Committee.
45. **Petitions.**—No petition shall be presented after the Trust shall have proceeded to the orders of the day; and every member presenting a petition to the Trust shall acquaint himself with its contents, and ascertain that it does not contain language disrespectful to the Trust, and that its contents do not violate any Regulation herein contained, and shall write his name at the beginning of the said petition.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

**Conditions.**

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the Land Act 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the Land Act 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence; he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
