WHEREAS by an Order in Council dated the 7th day of July, 1887, made under the *Local Government Act Amendment Act 1883*, No. 786, the Council of the Municipality of the Shire of Moorabbin was authorized to construct a tramway in the Municipal District of the Shire of Moorabbin:

And whereas by the said Order in Council it is provided that the Governor in Council should be the sole judge of the compliance with or of the breach of any of the requirements contained in the said Order and for the purpose of enabling the Governor in Council to arrive at a just decision, an inquiry into the facts of each case should be conducted in the manner provided in clause 26 of the Regulations contained in the Second Schedule of the said Act, before an officer to be appointed in that behalf by the Governor in Council, as provided in the Regulations in the said Schedule:

And whereas by an Order in Council dated the 30th day of December, 1889, the Governor in Council approved of the said Shire of Moorabbin delegating the authority conferred by the said Order in Council dated the 7th day of July, 1887, to construct and maintain tramways within the said Shire, to the Beaumaris Tramway Co. - (2) If any person so employed is guilty of any contravention of this section, then on proof thereof to the satisfaction of the Public Service Commissioner, the Commissioners of Railways, the Chief Commissioner of Police, or the State Rivers and Water Supply Commissioners, or the Inspector-General of Insane (as the case may be), such person may by the said authority—

TENDERS FOR GRAZING LANDS.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Monday, 30th March, 1914.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Monday, 30th March, 1914, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the Land Act 1901 shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any

of the provisions of the Land Acts, except under the 187th section of the *Land Act* 1901, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1901, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act* 1901 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act* 1890 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for eighteen months from 1st April, 1914, to 30th September, 1915.

2. The fee for the period as shown in the head-lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act* 1901.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

The quorum for the Advisory Board shall be seven.

III. That By-laws Nos. 24 to 33 be repealed, and the following new By-laws be enacted in lieu thereof:—

25. Subject to the provisions of By-law 27, the honorary medical staff shall be from time to time appointed by the committee after, except in the case of consulting surgeons and anaesthetists, report from the Advisory Board.

26. The honorary medical staff shall consist of:—

(1) Sixteen honorary medical officers, six of whom shall be called infirmary surgeons, and shall have charge of the infirmary department; six shall be called assistant surgeons, and shall assist the infirmary surgeons in the treatment of indoor patients, and shall have charge of the outdoor department, and may have beds allotted to them by the committee; the other four shall be called midwifery surgeons, and shall have charge of the midwifery department; but all appointments of these officers shall be in respect to either the infirmary department, the outdoor department, or the midwifery department;

(2) The honorary consulting surgeons;

(3) The honorary anaesthetists of not less than two years' service.

27. In addition to the aforesaid honorary medical officers appointed, the committee may in their discretion appoint the lecturer on obstetrics at the Melbourne University to be *ex officio* a member of the honorary medical staff of this hospital, provided he be qualified under By-law 28; any such lecturer so appointed shall be attached to the hospital, and his appointment shall be for such time as the committee think fit, and the committee may define his duties in connexion with the aforesaid appointment.

28. No person shall be an honorary medical officer in this corporation unless, in addition to the requirements of the *Medical Act* 1890, he possesses a degree in medicine of an Australian University, or a degree in medicine of one of the recognised universities of the United Kingdom, or of some foreign university recognised by the University of Melbourne, or he a member or licentiate of the Royal College of Physicians of London, Edinburgh, or Ireland; and, in addition to the above, he shall possess a degree in surgery of some university in the Australian States or in the United Kingdom, or be a member, fellow, or licentiate of some college of surgeons in the United Kingdom, and shall have been engaged in the actual practice of his profession not less than five years. One year of actual practice in a hospital for treatment of diseases peculiar to women is to be considered and counted as equal to two years of ordinary practice, but not more than one year is to be thus counted in favour of any one candidate. If a member of the medical staff of any other metropolitan hospital shall be appointed, he shall resign his position as member of such staff or cease to hold office as honorary medical officer in this corporation.

29. All honorary infirmery, assistant, and midwifery surgeons, except such as hold office under By-law 27, shall be appointed for a period of five years, and shall be eligible for, but not entitled to, reappointment to the positions previously held by them respectively for a second similar period. Provided that all honorary medical officers, whether holding office as University lecturers or otherwise, shall, upon attaining the age of 60 years, cease to hold office in the hospital. All appointments to vacancies among the infirmery, assistant, or midwifery surgeons, caused by retirement or death, shall be for the unexpired term of the appointment of the retiring or deceased surgeon.

Proposed new By-law No. 30:—

30. (a) When a vacancy occurs in the office of infirmery surgeon, the senior assistant surgeon shall, if he is not disqualified from further service under By-law 29, be appointed by the committee to the vacancy, unless the Advisory Board shall recommend otherwise. If the Advisory Board recommend otherwise, the assistant surgeon next in seniority shall be appointed by the committee to the vacancy, unless the Advisory Board shall recommend otherwise, and so on. When a vacancy occurs in the office of assistant surgeon, the senior midwifery surgeon shall, if he is not disqualified from further service under By-law 29, be appointed by the committee to the vacancy, unless the Advisory Board shall recommend otherwise. If the Advisory Board recommend otherwise, the midwifery surgeon next in seniority shall be appointed by the committee to the vacancy, unless the Advisory Board shall recommend otherwise, and so on. In the event of equal seniority, the committee shall elect one from among the seniors to the vacancy after report from the Advisory Board. An assistant surgeon or a midwifery surgeon succeeding to office as infirmery surgeon or assistant surgeon respectively, shall vacate his previous office.
- (b) The Advisory Board shall not recommend that an assistant surgeon or a midwifery surgeon be not transferred, as mentioned in subsection (a) of this by-law except by resolution of an absolute majority of the board.
31. On the occurrence of any vacancy in the honorary medical staff, other than consulting surgeons or anaesthetists, the committee shall cause an advertisement to be inserted in some daily newspaper published in Melbourne, notifying that such vacancy has occurred, and inviting applications for appointment thereto.
32. All applications for appointment as surgeons must be in writing, and lodged with the superintendent within fourteen days from the date of the advertisement referred to in By-law 31, and must be accompanied by evidence of qualification. A meeting of the advisory board shall be convened for a date as early as possible after the expiration of such fourteen days, and all applications, except for positions of honorary anaesthetists, so received, shall be submitted to the Advisory Board for report thereon to the committee.
33. Where, at the expiration of such period of fourteen days, there is only a sufficient number of duly qualified candidates for the position or positions vacant, the committee may, and after report from the Advisory Board, declare him, her, or them, to be duly appointed, or in their discretion may from time to time postpone the appointment, and may advertise anew as hereinbefore directed, provided that no vacancy shall remain unfilled for more than six weeks.
34. Where, at the expiration of such period of fourteen days, there are more than a sufficient number of duly-qualified candidates for the vacant position or positions, the superintendent shall convene a special general meeting of the committee for the appointment by such meeting of some one or more of such candidates to fill the vacant office or offices, and shall give to each member of the committee not less than seven days' notice in writing of such meeting, and of the names of such candidates, and the committee shall at such

meeting, or at any adjournment thereof, and after report from the Advisory Board, appoint the necessary number of surgeons required to fill the vacancy or vacancies.

35. No honorary medical officer shall be absent from the hospital for more than fourteen consecutive days without permission from the committee. If absent for more than seven days, one of the other honorary medical officers shall be appointed to take charge of his patients, and in case of absence on leave for more than three months, the committee, may, after report from the Advisory Board, a meeting of whom shall be convened forthwith for the purpose, appoint a qualified *locum tenens*, who shall be subject to the same rules as the honorary medical officers.

IV. That By-laws Nos. 34, 35, and 36 be re-numbered 35, 36, and 37 respectively.

V. That By-law No. 37 be eliminated.
