REGULATIONS RELATIVE TO DEFENCE OF DESTITUTE PERSONS CHARGED WITH CAPITAL CRIMES AND OF ABORIGINALS CHARGED WITH INDICTABLE OFFENCES.

At the Executive Council Chamber, Melbourne, the nineteenth day of October, 1915.

PRESENT:

His Excellency the Governor of Victoria.

Sir A. J. Peacock	Mr. Mackinnon
Mr. Murray	Mr. Gray.

THE Governor, by and with the advice of the Executive Council, doth, in lieu of the Regulations dated the thirtieth day of September, One thousand nine hundred and eleven, make the following Regulations:—

1. When any person charged with an offence punishable by death, or any aboriginal accused of an indictable offence, requires assistance from the Crown for his defence, he shall, seven days before the first day of the gaol delivery, Circuit Court, or Court of General Sessions at which he is to take his trial, or so soon as he shall know that he is to be tried for such offence, apply to the Sheriff for such assistance, and shall show to the satisfaction of such Sheriff that he is without sufficient means wherewith to employ legal assistance.

2. Upon the Sheriff being convinced of the truth of the allegations contained in such application, and having ascertained from the Crown Solicitor or the Clerk of the Peace, as the case may be, that the applicant is to be tried on a capital charge, or in the case of an aboriginal, that he is to be brought to trial, he shall—if the applicant nominate one legal practitioner to conduct his whole defence—communicate to such legal practitioner the desire of the applicant to be defended by him, together with the amount of fees to be allowed, and forward notice of the same to the Attorney-General. If, however, the applicant nominates two legal practitioners, one to act as solicitor and one as counsel, the Sheriff shall communicate to each of the legal practitioners so nominated the desire of the applicant, together with the amount of the fees to be allowed, and shall forward notice of the same to the Attorney-General.

3. If the applicant shall intimate to the Sheriff that he desires the person or persons so nominated to agree not to withdraw from the defence before the trial is concluded, the Sheriff shall request the said person or persons to agree accordingly.

If the said person or persons shall refuse to agree accordingly the Sheriff shall forthwith inform the applicant of such refusal, and shall require the applicant to nominate another or others in the place of the person or persons so refusing to agree, and shall proceed in the case of second and all subsequent nominations as in the case of the person or persons first nominated.

Provided that the applicant shall be at liberty to withdraw the said intimation and may re-nominate the first nominated person or persons.

4. If any person or persons so nominated shall make such agreement as aforesaid and shall break the same without cause or excuse appearing to the Attorney-General to be sufficient, then such breach shall be sufficient to justify the Attorney-General in not agreeing to pay or not paying the said person or persons should he or they be at any subsequent time nominated under these Regulations to defend any accused person.

5. The fees shall not (except in special cases, to be approved of by the Attorney-General before the trial), exceed the sum of £10 10s. where such barrister and solicitor conducts the whole case himself, or £14 14s. where the defence is conducted in Court by another barrister and solicitor briefed for the purpose.

6. The above sums are exclusive of the expenses of any witnesses whom the Judge or the Chairman of General Sessions presiding at the trial shall certify to have been material and necessary (which expenses shall be paid at the same rate as those of Crown witnesses).

7. The barrister and solicitor so engaged shall, after the trial, present his claim to the Sheriff by whom he was so engaged, and shall, when the claim is £14 14s. (or upwards), produce to the Sheriff a receipt for the fee paid to the barrister and solicitor who has conducted the case in Court.

8. Only those persons who comply with these Regulations shall be entitled to receive aid from the sum voted by Parliament.

9. Every gaoler shall, as soon as possible after the commitment for trial of any prisoner to whom these Regulations apply, communicate the purport of them to such prisoner.

And the Honorable Donald Mackinnon, His Majesty's Attorney-General for Victoria, shall give the necessary directions herein accordingly.

NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Saturday, 30th October, 1915, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants were in any way responsible therefor.

Special Conditions.

1. The period of occupation will, except where otherwise specified, be for twelve months from 1st November, 1915, to 31st October, 1916.

2. The fee for the period as shown in the head-lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands* (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 190, *Land Act 1901*.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act* 1904, provides:—

1. Where a licensee under section 187 of the *Land Act* 1901 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
