*Bendigo Creek Act 1914 (Act No. 2561).*  
**REGULATIONS.**

At the Executive Council Chamber, Melbourne, the eleventh day of January, 1916.

PRESENT:

His Excellency the Governor of Victoria.  
Mr. McLeod | Mr. McCutcheon.  
Mr. Membrey

**W**HEREAS by section 15 of the *Bendigo Creek Act 1914 (Act No. 2561)* it is enacted that the Governor in Council may make Regulations in relation to the Bendigo Creek Trust as to all or any of the following matters:—

- (b) The accounts of the Trust and the audit thereof.
- (c) Generally all matters necessary or convenient for carrying into effect the provisions of Act 2561.

Now therefore His Excellency the Governor of the State of Victoria in the Commonwealth of Australia, acting by and with the advice of the Executive Council of the said State, and in pursuance of the said provisions of the now, in part recited Act, doth for the purposes aforesaid make the Regulation following (that is to say):—

1. *Accounts to be Kept of Receipts and Disbursements.*—The Trust shall cause books to be provided and kept, and true and regular accounts to be entered therein, of all sums of money received and paid for or on account of the Trust's business and undertakings, and of the several purposes for which sums of money shall have been received and paid, and which books shall at all reasonable times be open to the inspection of any officer appointed by the Minister, which officer may take copies of or abstracts from the said books without payment.

2. *Accounts to be Audited and Furnished.*—The accounts of all moneys received and disbursed by the Trust shall be audited once at least in every year by

some person appointed for that purpose by the Minister, such person shall have in respect to such accounts all the powers conferred on the Auditor-General by any law now or hereafter to be in force relating to the audit of the public accounts, and such Trust shall at least once in every year furnish to the Minister a true copy of the accounts so audited as aforesaid, together with a particular statement of the moneys received by the Trust and of the expenditure thereof.

3. *Special Meetings.*—The Trust may hold special meetings which may be called upon the requisition of the chairman, or upon the requisition in writing under their hands of any two members, addressed to the chairman, but no such special meeting shall be held unless three clear days' notice thereof at least shall be given.

4. *General Conduct of Business.*—In all cases not herein provided for resort shall be had to the rules, forms, and usages of Parliament, which shall be followed, so far as the same are applicable, to the proceedings of the Trust.

5. *Notice of Meetings.*—A notice of every meeting of the Trust shall be by the secretary delivered or sent by the post, addressed to the usual or last-known place of abode of each member, three clear days at least prior to the day upon which such intended meeting is to be held.

6. *Minutes to be read at Second Meeting.*—At every meeting of the Trust the first business thereof shall be the reading and putting of the question, the confirmation of the proceedings at the preceding meeting, and the reading of the minutes of the proceedings of any committee presented at any such preceding meeting, and no discussion shall be permitted thereon, except as to their accuracy as a record of their proceedings; and the said minutes of the proceedings at the preceding meeting shall then be signed by the chairman.

7. *Order of Business of Meetings.*—After the signing of the minutes as aforesaid the order of business of any ordinary meeting shall be as follows, or as nearly thereto as may be practicable; but for the greater convenience of the Trust at any particular meeting thereof it may be altered by resolution to that effect:—

- (1) Reading of copies of letters sent by authority of the Trust.
- (2) Reading letters received, and considering and ordering thereon.
- (3) Reception and reading of petitions and memorials.
- (4) Presentation of reports of committees.
- (5) Payments.
- (6) Ordinary business, including dealing with tenders.
- (7) Orders of the day, including subjects continued from proceedings of former meetings.
- (8) Extraordinary business.
- (9) Other motions, of which previous notice has been given.
- (10) Notice of motion.

And the order of business at a special meeting shall be the order in which such business stands in the notice thereof.

8. *Motions.*—All notices of motion shall be given in writing to the secretary at least seven clear days before the meeting at which the motion is intended to be moved, and the secretary shall, three clear days at least before such meeting, cause notice of such intended motion to be sent to each member. A notice of motion may be handed to the secretary at any meeting, and, on being read to the meeting, may be dealt with at the next meeting.

9. *Notice of Motion to be given.*—No member shall make any motion initiating a subject for discussion but in pursuance of notice given as prescribed in the last preceding clause.

10. *Petitions.*—No motion except that for receiving the same shall, unless under most urgent circumstances, and then only by leave being granted by a two-thirds majority of those present at the meeting, be made on any petition, memorial, or other like application until the next ordinary meeting of the Trust after that at which it has been presented.

11. *Motions to be Moved in Order.*—Except by leave of a majority of the members present, motions shall be moved in the order in which they have been received, and if not so moved shall be struck out.

12. *Motion to be Moved by Member giving Notice.*—No motion shall be proceeded with in the absence of the member who gave notice of the same unless by some other member producing written authority from him to that effect.

13. *Mover of Motion appointing Committee to be Member.*—The mover of every motion appointing a committee shall be a member of such committee.

14. *Draft of Address or Petition to be submitted at previous Meeting.*—No motion for any address or petition shall be entertained unless the mover shall at some previous meeting have submitted a draft of the same.

15. *Order, &c., of Debate.*—Any member desirous of making a motion or amendment, or taking part in discussion thereon, shall rise and address the chairman, and shall not be interrupted unless called to order, and then he shall sit down until the member calling to order shall have been heard thereon, and the question of order disposed of, when the member in possession of the chair may proceed with his subject.

16. *Nature of Motion to be Stated.*—Any member desirous of proposing an original motion or amendment must state the nature of the same before he addresses the Trust thereon.

17. *No Motion to be Withdrawn without Leave.*—No motion or amendment shall be withdrawn without the leave of the majority of members present.

18. *Motion to be Seconded.*—No motion or amendment shall be discussed or put to the vote of the Trust unless it be seconded; but a member may, however, require the enforcement of any standing order of the Trust by directing the chairman's attention to the infraction thereof.

19. *Mover of Motion.*—A member moving a motion shall be held to have spoken thereon, but a member merely seconding a motion shall not be held to have spoken upon it.

20. *Resolution not to be Revoked unless under certain Circumstances.*—No resolution or other act of the Trust at any meeting shall be revoked or altered at any subsequent meeting unless such meeting be specially convened for the purpose, nor unless such revocation or alteration be determined upon by a majority consisting of at least two-thirds of the members present at such subsequent meeting.

21. *Priority of Speakers.*—If two or more members rise to speak at the same time the chairman shall decide by naming the member who is entitled to priority.

22. *Members to Address Trust Standing.*—Every member, including the chairman, shall stand while addressing the Trust.

23. *Points of Order.*—The chairman, when called upon to decide on points of order or practice, shall state the provision, rule, or practice which he deems applicable to the case without discussion or comment on the same, and his decision as to order or practice in each case shall be final.

24. *Members not to Digress.*—No member shall digress from the subject-matter of the question under discussion or comment upon the words used by any other member in a previous debate, and all imputations of improper motives and all personal reflections on members shall be deemed highly disorderly.

25. *Members to Apologize for Disorderly or Offensive Expressions.*—Whenever any member shall make use of any expression disorderly or capable of being applied offensively to any other member, the member so offending shall be required by the chairman to withdraw the expression and make a satisfactory apology to the Trust.

26. *Members Called to Order to Sit Down.*—A member called to order shall sit down, unless permitted by the Trust to explain.

27. *Strangers.*—Any person, not being a member of the Trust, who shall, having been admitted to any meeting of the Trust, be guilty thereof of any improper or disorderly conduct, shall leave when requested by the chairman so to do, failing which he may be forthwith removed.

28. *Members may Demand Documents.*—Any member may of right demand the production of any of the documents of the Trust applying to the question under discussion.

29. *No Second Amendment until previous one Disposed of.*—No second or subsequent amendment, whether upon an original proposition or on an amendment, shall be taken into consideration until the previous amendment is disposed of.

30. *Mover of Motion to have Right of Reply.*—The mover of every original proposition, but not of any amendment, shall have a right of reply immediately after the question shall be put from the chair, but no other member shall be allowed to speak more than once on the same question unless permission be given to explain or the attention of the chair called to a point of order.

31. *No Discussion on Motion for Adjournment of Trust.*—No discussion shall be allowed on any motion for an adjournment of the Trust, but, if on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice-paper, shall be discussed, or any other that may be allowed precedence before any subsequent motion for adjournment shall be entertained, but if the motion for adjournment be carried the debates on motions moved and seconded, or any other order of the day, may be resumed at the next adjourned meeting of the Trust at the point at which it was so interrupted.

32. *Protests.*—Any member may protest against any resolution of the Trust, and notice of intention to protest shall in every case be given forthwith on the adoption of the resolution protested against, and the protest shall

specify the reasons for protesting, and shall be entered three days at least before the next ordinary meeting of the Trust by the protesting member in a book to be kept for that purpose in the office of the secretary, and signed by such member, and shall also be entered in the minutes of the meeting at which notice of the intention to protest shall have been given previously to the confirmation thereof, but such protest may be expunged from the minutes if declared by a majority of the members to be not in accordance with truth or in its terms disrespectful to the Trust.

33. *Lapsed Questions.*—If a debate on any motion moved and seconded be interrupted by the number of members present becoming insufficient for the transaction of business, such debate may be resumed at the point where it was so interrupted.

34. *Lapsed Order of the Day may be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice-paper for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

35. *Committees.*—Minutes of all proceedings of committee shall be entered in the committee's minute-book, and, being signed by the chairman of the committee, shall be presented to the Trust.

36. *Meetings of Committees.*—The secretary shall convene every committee within ten days of its first appointment, or at any other time by order of the Trust, or on the written order of the chairman or of any two members of the committee.

37. *Petitions.*—No petitions shall be presented after the Trust shall have proceeded to the orders of the day, and every member presenting a petition to the Trust shall acquaint himself with its contents and ascertain that it does not contain language disrespectful to the Trust, and that its contents do not violate any regulation herein contained, and shall write his name at the beginning of the said petition.

38. *No Debate upon Petitions.*—No debate shall take place upon any petition or memorial except as to its being received and taken into consideration as an order of the day at some future meeting, or, if necessary, that it be referred to a committee.

39. *Secretary.*—The secretary shall keep all minutes of meetings of the Trust, or of any committee of the same; he shall also keep all account books and documents; conduct all correspondence, and perform all clerical work required to be performed for the Trust, and shall attend all meetings of the Trust or committee when required, and attend at the office for the transaction of business as provided for under these Regulations, and shall perform all other acts which shall be deemed by the Trust incumbent upon the secretary to discharge.

40. *Treasurer.*—The treasurer shall have receipt and disbursement of all moneys, and shall provide a guarantee for such amount for his fidelity and the due fulfilment of his duties and for the proper management and disposal of the funds of the Trust as the Trust may direct. All moneys received by him shall, as soon as possible thereafter, be paid into the account of the Trust in the bank wherein the same is kept. The treasurer shall at no time hold in his hands more than Twenty (£20) pounds for longer than seventy-two hours without banking the same.

41. *Payments.*—All payments of the Trust shall be paid by cheque signed by the chairman or vice-chairman and one member, and countersigned by the treasurer.

42. *Amalgamation of Offices.*—The Trust may amalgamate the offices of secretary and treasurer, but any time subsequent to such amalgamation such Trust may, on its own motion, separate and appoint a separate person to fill each office.

43. *Appointment, &c., of Officers.*—No appointment to any office at the disposal of the Trust shall be made until seven clear days' notice has been given, by advertisement in one or more newspapers circulating in the Bendigo District, inviting applications from qualified candidates for the same.

44. *Salaries of Officers, &c.*—The salary or allowance attached to all offices and places at the disposal of the Trust shall in all cases be fixed before they proceed to appoint any person to fill the same, and before the advertisement inviting applications as aforesaid, and shall be specified in such advertisement.

45. *Determination of Employment of Officers.*—No appointment of any person as an officer or employee of the Trust shall be made or operate to have effect on any terms or conditions which would in any way prevent the Trust from at any time determining such person's employment by notice, which notice may, by agreement, be provided to run for any time less, but shall in no case exceed twenty-eight days. In the absence of any express agreement providing for notice, all officers and employees of any Trust shall hold office during pleasure only.

46. *Expenses of Preparing Security.*—In all cases of security being given for the faithful performance of any duty the expense of such security shall be borne by the Trust.

47. *Common Seal.*—The secretary of the Trust shall have the custody of the common seal, and shall be responsible for the same, and impressions shall only be made by order of the Trust, verified by the signatures of the chairman and a member or by two members, and in either case the secretary.

48. *Suspension of Rules.*—With the exception of clause 20, any one or more of the clauses of this Regulation concerning the regulation of the proceedings of a Trust when in session may be suspended for the time being in cases of emergency and with the consent of a majority of the members present at any meeting.

And the Honorable Thomas Livingston, His Majesty's Minister of Mines for the State of Victoria, shall give the necessary directions herein accordingly.

**TENDERS** will be received on or before Saturday, 29th January, 1916, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

**Conditions.**

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Lands Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible therefor.

#### Special Conditions.

1. The period of occupation will, except where otherwise specified, be for twenty months from 1st February, 1916, to 30th September, 1917.

Plans can be seen and information may be obtained in this office.

Section 13, *Land Act 1904*, provides:—

1. Where a licensee under section 187 of the *Land Act 1901* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Tuesday, 8th February, 1916, from persons willing to furnish the undermentioned articles, in such quantities as may be ordered by the Victorian Government, or by the Commonwealth Government for its offices situated in Victoria, for the twelve calendar months indicated hereunder, commencing 1st July, 1916.

Schedule of Articles.	Year.	Preliminary Deposit.
No. 1. Beaverskin and moleskin .. .. .	1	5
2. Cottons .. .. .	1	10
3. Drapery Piece Goods .. .. .	1	10
4. Canvas Truck Hose, &c. .. .. .	1	5
5. Tents and Flies .. .. .	1	5

\*Security.—10 per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £2 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

In certain schedules where doubt exists as to whether the articles enumerated may or may not be manufactured within the Commonwealth, double columns are inserted for the rates, "A" for articles manufactured within the Commonwealth and "B" for articles manufactured elsewhere.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory, and the rates charged are considered reasonable. Preference will also be given to articles of British manufacture as against those of foreign manufacture.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application.

Security will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for ——" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne.

The Conditions of Contract are those published under General Stores, in the Government Gazette of 17th April, 1915, page 1420.
