The main duty of Inspectors is to supervise, to guide, and to report upon the work of the teachers. They inspect and examine schools periodically; they report upon applications for new schools, and the proposed closing and amalgamation of schools; they hold departmental inquiries into charges against teachers and report upon matters affecting education; they report upon educational text-books submitted for adoption by the Department; and they prepare annual reports upon the schools and upon the state of education in their districts; they prepare examination papers and examine the papers of candidates in the periodical examinations of teachers and of candidates for State school scholarships. Mr. McOwan, Senior Inspector, has the general supervision of these examinations.
