The Board determines, under the provisions of sub-sections (1) and (2) of section 144 of the Factories and Shops Act 1915, that any employer may fix and pay piece-work prices to any person employed at making cripple corks, provided that such employer shall base such piece-work prices on the earnings of an average worker working under like conditions, and such piece-work prices shall be fixed so that an average worker can earn not less than the wages rate fixed by the Board for such work.

E. NOTLEY MOORE, P.M., Chairman.
