2. The fees for depasturing stock on the common shall be as follow, and shall be payable quarterly in advance:—

For quarter 1st April to 30th June, 1s.
For quarter 1st July to 30th September, 1s.
For quarter 1st October to 31st December, 4s.

For every head of small cattle—
For quarter 1st January to 31st March, 8d.
For quarter 1st April to 30th June, 4d.
For quarter 1st July to 30th September, 4d.
For quarter 1st October to 31st December, 1s. 4d.

Progeny under six months old of stock legally depasturing on the common, free.

3. No pigs shall be depastured on the common.

4. No bull or entire horse above the age of six months shall be allowed to depasture on the common without the express consent, in writing, of the Managers.

5. No person shall depasture on the common stock of which he is not the *bonâ fide* owner.

6. Persons desiring to depasture stock on the common shall, after payment to the Managers of the prescribed fees, deliver the stock to their herdsman, to whom receipts for such fees shall be produced. A full quarter's fee shall be paid for stock placed on the common during the currency of a quarter.

7. No animal affected with any contagious disease shall be allowed to depasture on the common. Whenever any animal depasturing thereon is affected with any such disease, the owner thereof shall remove the same within twenty-four hours after receiving notice, in writing, from the Managers or their herdsman so to do, and in the event of the owner refusing or neglecting to remove such animal, it may forthwith be removed by them at the risk and expense of the owner, and the Managers shall not be liable in any way to the owner in respect of the removal of any such animal. The expense occasioned by such removal may be recovered by the Managers from the owner in Petty Sessions, on complaint for work and labour done for the owner at his request.

8. The Managers shall not be responsible for any straying or loss of, or damage or injury to, any stock placed on the common, but in the event of straying, loss, damage, or injury, will, as far as practicable on such event becoming known to them, afford the owner all reasonable information and assistance.

9. All stock remaining on the common for two days after the period for which payment has been made shall be liable to be impounded.

10. All persons desiring to remove stock from the common shall give the Managers two days' previous notice thereof, in writing.

11. No person shall remove stock from the common without first applying to the Managers, to whom a receipt shall be given for the stock removed.

12. The herdsman will, if required, muster the stock on the common at the expiration of every quarter.

13. A numbered metal tag or disc shall be attached, and kept continuously attached, to every animal depasturing on the common. The Managers will on application supply such tags or discs with chain or leather attachments, but the owner of the animal shall be responsible for attaching such tag or disc, and keeping it continuously attached, to the animal. Any animal found on the common without such tag or disc attached to it shall be deemed to be trespassing, and may be forthwith impounded by the Managers. The tags or discs and attachments shall remain the property of the Managers, and on removal of any animal from the common the owner thereof shall return the tag or disc and attachment to the Managers.

14. The owner of any dead animal found on the common shall remove the carcass within twenty-four hours after receipt of notice from the Managers or their herdsman. If such owner shall refuse or neglect to so remove the carcass, it may be removed, buried, burned, or otherwise destroyed by the Managers at the expense of such owner, which expense may be recovered in Petty Sessions on complaint of the Managers for work and labour done for the owner at his request.

Every person offending against any of the foregoing Regulations shall, on conviction before any Justice, forfeit and pay a penalty not exceeding Twenty pounds for each offence.

Land Act 1915, Section 198.

MALLEE LANDS AVAILABLE FOR APPLICATION AS SELECTION PURCHASE ALLOTMENTS.

AVAILABLE FOR RETURNED SOLDIERS ONLY.

THE land is situated north-west of Manangatang Railway Station, and north of Danyo Railway Station. Applications must be made on the usual form, and delivered or forwarded by post to the Secretary for Lands, Melbourne, on or before Saturday, 4th May, 1918.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvement, and all other conditions have been complied with, the lease will be indorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years (as the case may be) a Crown Grant will be issued on payment of the full amount of the purchase money.

The amount of loading (3s. per acre) is to be collected in instalments, therefore its cash value, about 1s. 11d. per acre only, will be the limit of expenditure for road and water improvements.

The half-yearly payment on each allotment, set out in Schedule hereto, includes the amount of loading.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land—if in the first class, to the value of 3s. 4d. per acre before the end of the second year from the date of the lease, another 3s. 4d. per acre before the end of the third and fourth years, and the balance of 10s. per acre before the end of the sixth year of the lease. If in the second class, to the value of 2s. 6d. per acre before the end of the second year from the date of the lease, another 2s. 6d. per acre before the end of each year of the third and fourth years, and the balance of 7s. 6d. per acre before the end of the sixth year of the lease. If in the third class, improvements to the value of 5s. per acre must be made on the land before the end of the third year from the date of the lease, and the balance of 5s. per acre before the end of the sixth year of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within five miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years of obtaining a permit to occupy the land.

That the lessee shall not transfer, assign, mortgage, or sublet, or part with the possession or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been indorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

No person who at present holds the area of Mallee land allowed by classification will be eligible to apply.

The total area of Mallee land which may be selected is 640 acres if in the first class, or 1,000 acres if in the second class, or 1,250 acres if in the third class. Any further area (limited as by the next succeeding paragraph) can be obtained only by purchase from other persons.

That a special condition shall be inserted in the lease and the Crown Grant, providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, more than 1,000 acres, if the land be in the first class, or more than 1,600 acres, if the land be in any other class.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of, not less than 3 per cent. of the total extent of his holding. (N.B.—Along the exposed boundary line, viz., the western and southern, would be preferable.)

No person, unless specially authorized, will be permitted to clear timber from any portion of areas retained for the purposes of roads and windbreaks.

Plans may be obtained at the Inquiry Office, Lands Department, Melbourne.

Applicants may obtain from a Local Land Officer, or the Inquiry Office, Lands Department, Melbourne, a certificate authorizing the issue, by the Railway Department, of a ticket over the Victorian Railways only, free of charge, to enable them to inspect the land, or to attend the Local Land Board.

Commissioner of Crown Lands and Survey.
