NOTE.—No tender will be accepted unless the fee for the period as shown in the head-lines, and fee of Five shillings for licence, are forwarded.

TENDERS will be received on or before Noon on Monday, 30th June, 1919, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act* 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act* 1915, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act* 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. In the event of the area being damaged by fire, the licence may be forfeited unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible therefor.

SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for fifteen months from 1st July, 1919, to 30th September, 1920.

2. The fee for the period as shown in the head-lines—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides:—
1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. 8. Vehicles as required must call at the Stores and Transport Offices twice daily, viz., 12 noon and 4 p.m., and at 11 a.m. on Saturdays, for goods and parcels, and on such other special occasions when notified without extra payment, otherwise the service will be performed at the contractor's risk and expense, and the amount deducted as in Condition 4.

9. Bills of lading for oversea and Inter-State shipments must be obtained from the shipping company when required, and deposited at the office of the Secretary to the Tender Board in time for the first outgoing mail and prior to the departure of the vessel.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract. The Government will not necessarily accept the lowest or any tender.

CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act 1915* (No. 2623), section 50, cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 16.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctively offensive character, such as of persons drowned and long in the water, or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor, of timber 1 inch in thickness.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and Cemetery Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

10. When burials or removals are required to take place on Sunday, or, in the case of any lunatic asylum, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities in the case of burials will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the Contractor must inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the Contractor gives the order for interment. The Contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed at the time of the burial, and that he received the fee for so doing. Should the burial service not be performed at the time of the burial no reimbursement will be allowed. The receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

12. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.
