Land Surveyors Act 1915.

EXAMINATION OF LAND SURVEYORS.

THE Surveyors Board appointed under the Land Surveyors Act 1915 hereby gives notice that the next examination will commence on Monday, 26th September, 1921.

All applications from intending candidates must be in the hands of the Secretary by the 16th September, 1921.

Regulations for the examination of Land Surveyors are published hereunder.

By order,

W. THORN,
Secretary to the Board.

Office of the Surveyors Board, Public Offices, Treasury Gardens, Melbourne, 15th August, 1921.

Land Surveyors Act 1915.

REGULATIONS FOR EXAMINATIONS FOR LAND SURVEYORS AND ISSUE OF LICENCES TO SURVEY.

REGULATIONS approved by the Governor in Council, 25th November, 1912, are hereby rescinded, and the following Regulations are substituted therefor:—

1. Examination of candidates for certificates as surveyors will be held in Melbourne in the months of March and September of each year, and at such other times as may be deemed advisable.

2. A candidate shall forward to the Secretary of the Board—

- (a) Notice of his intention to present himself for examination, with documentary evidence of having complied with the preliminary conditions specified hereunder, all of which must reach the Secretary at least ten days before the date fixed for the examination, due notice of which will be given in the *Government Gazette*.
- (b) An examination fee of £2 2s., which must be paid on or before the date of examination.

PRELIMINARY CONDITIONS.

3. A candidate shall satisfy the Board that he will be of the full age of twenty years at the time of examination, but no certificate will be issued until the candidate shall have attained the age of 21 years.

4. A candidate shall produce satisfactory evidence as to character.

5. (a) A candidate shall have served under articles, or other similar agreement, with some qualified surveyor or surveyors, for a period of four years, three of which must have been in the field; and shall produce satisfactory evidence of having received such education as will qualify him for the proper exercise of his profession.

NOTE.—Applies only to candidates whose articles or other similar agreements were entered into prior to 1st March, 1910.

(b) Or he shall have passed at any University recognised by an Australasian University the matriculation examination, or such other examination as shall, in the opinion of the Board, be equivalent thereto; and shall have been professionally employed under articles or other similar agreement with some qualified surveyor or surveyors for not less than three years, two of which must have been in the field.

(c) Or shall have passed the examination for the degree of Bachelor in Engineering at any University recognised by an Australasian University, and have been professionally employed under articles or other similar agreement in the field for a period of two years with a qualified surveyor or surveyors.

(d) Or shall have passed the examination for the degree of Bachelor in Engineering at the Melbourne University on examination in which a representative of the Surveyors Board acted as co-examiner, and shall have been at some time professionally employed in the field for a period of eighteen months on work satisfactory to the Board.

6. In addition to evidence of service, a candidate shall produce in the following form, or to like effect, a certificate from a qualified surveyor or surveyors, with whom he has served, that he is competent to undertake surveys:—

Form of Certificate for Presentation to the Board of Examiners.

I, A.B., a qualified land surveyor, hereby certify that C.D. has been professionally and continuously employed with me as _____, in the practice of land surveying, for the period of _____, viz., from _____ to _____, or has served under articles or other similar agreement for a period of _____ years (_____ of which have been in the field), and that he is fully competent to undertake surveys.

[Here describe the survey work on which C.D. was engaged.]
(Signed) _____ A.B.

(Date.) _____
NOTE.—For this purpose a "qualified surveyor" shall mean any person entitled to practise as a land surveyor in any part of the British Empire, where the standard of examination is, in the opinion of the Board, equivalent to that prescribed by these Regulations.

7. A candidate shall produce his original field notes and plan plotted by him therefrom of the survey of an area of not less than 40 acres, one of the boundaries of which shall be a water-course or other natural feature or an irregular road, and also a plan, field notes, and description of a survey of a town lot built upon, as made for the purpose of an application under the provisions of the Real Property Act or Land Transfer Act.

The field notes, plan, and survey must be certified by the candidate to be entirely his own work.

8. If the foregoing preliminary conditions are complied with to the satisfaction of the Board, the candidate will be admitted to examination.

9. Each candidate presenting himself for examination shall provide himself with a book of logarithms, 40-20 scale, a parallel ruler, protractor, and necessary appliances for plan-drawing, except paper.

SUBJECTS OF EXAMINATION.

10. A candidate shall undergo an examination which shall embrace the following subjects:—

Mathematics.

(a) Trigonometry, plane and spherical; geometry and algebra. These subjects will be treated as far as they are applicable to surveying.

Computation.

(b) Reduction of traverses, computation connected with triangulation and the setting out of roads and curves; adjustment of discrepancies in surveys, computation of areas, including such as have irregular and curved boundaries.

Principles and Practice of Surveying.

(c) Detail of field practice, including the keeping of field notes, topographical, trigonometrical, and underground surveying, setting out of areas, redetermination of boundaries, laying out of roads, setting out curves, plotting by co-ordinates and from field notes, stadia surveying, barometric and other measurement of heights, surveying under Transfer of Land Act, writing descriptions of boundaries.

Candidates may be required to effect surveys under supervision.

Engineering Surveys.

(d) Levelling and contouring; grading; setting-out, and measurement of earthworks, including practical tests.

Use of Instruments.

(e) Principles of construction, adjustment and use of the following instruments:—Theodolite, plane-table, sextant, tachometer, level, compass, clinometer, barometer, thermometer and steel band.

Field Astronomy, Geodesy, &c.

(f) Determination (including practical tests) of time, latitude, and azimuth; the use of ephemerides; elementary geodesy, including spherical excess and convergence of meridians; declination of the magnetic needle.

Drawing.

(g) Plan-drawing, drawing of sections and contours, compilation of plans, projection of maps and charts.

Miscellaneous.

(h) Elementary physics, elementary geology, elementary forestry.

[The scope of the examination in elementary physics will be that covered by "Balfour Stewart's Elementary Physics," Fourth Edition, omitting chapters 8, 10, and 11, and the scope of the examination in elementary geology will be that covered by "Geikie's Class-book of Geology," Fourth Edition.]

11. Candidates producing satisfactory evidence of having passed the matriculation or senior examination at a University, or of having completed a course of the degree of Bachelor in Engineering at any University recognised by an Australasian University, may be exempted from working out papers in elementary geometry, trigonometry, and algebra, and will be credited with 60 per centum of the maximum marks allotted those papers. Candidates holding satisfactory certificates or diplomas from any University recognised by an Australasian University or from recognised public technical schools may be exempted from working out papers in physics and geology, and will be credited with 60 per centum of the maximum marks allotted those papers.

Candidates admitted under clause 5(d) may be exempted from working out papers other than those prescribed in clause 10(c), and from such portion of the practical examination as the Board may determine.

CERTIFICATES OF COMPETENCY.

12. A candidate qualifying and passing the examination held under these regulations shall be entitled to a certificate that he is qualified for the position of a land surveyor in Victoria.

13. A surveyor applying to the Board for a certificate of competency without examination on the grounds of his holding a licence and certificate entitling him to practise in any of the other Australian States or in the Dominion of New Zealand, shall produce such licence or certificate of competency from the Board of the State or Dominion in which he is licensed or authorized to survey, together with satisfactory evidence as to character; provided that, should such licence or certificate have been issued upon examination held prior to September, 1895, or in virtue of a certificate issued prior to September, 1895, he shall further produce a written recommendation or a certificate, dated not more than twelve months previously, from such Board; provided also, that any surveyor prevented by absence from the State or Dominion in which he obtained his licence or certificate from obtaining the recommendation of the Board of that State or Dominion, may be granted a certificate on passing such examination under these regulations as the Board may require. Each application shall be accompanied by a fee of £2 2s.

14. The Board may grant a certificate of competency or a letter of recommendation to any surveyor holding a Victorian certificate dated prior to September, 1895, and desiring to be registered in another State or the Dominion of New Zealand, either without examination or on such *visa voce* examination as in the opinion of the Board may be necessary. Application for such certificate shall be accompanied by a fee of £2 2s.

REGISTRATION OF ARTICLES OF INDENTURE.

15. Articles of indenture or other similar agreement for the tuition of surveying by a qualified surveyor shall be forwarded to the secretary for registration within three months of the date of commencement of service thereunder. Applications for registration shall be accompanied by evidence of the pupil having passed at any University recognised by an Australasian University the matriculation examination or such other examination as shall, in the opinion of the Board, be equivalent thereto. The fee for each registration shall be five shillings. Transfers of articles or agreements shall be registered within three months of such transfers.

16. No candidate shall be eligible for examination unless he shall have passed the University or other examination as set forth in the preceding clause; provided that, subject to his passing a special examination prescribed by the Board which shall include English, arithmetic, geometry, and algebra, a candidate who has not passed the University or other examination as set forth in the preceding clause may be admitted to examination if—

- (a) He failed at an examination held prior to March, 1913; or
- (b) He produces certificates of six years' satisfactory field service.

LICENCES TO SURVEY.

17. The Board may issue a licence to any person to whom it has issued a certificate of competency, or who holds a certificate of competency issued by any reciprocating Board of Examiners for land surveyors in Australasia subsequent to 1st January, 1896, and who is still entitled to practise as a land surveyor in the State or Colony where he obtained his certificate, or to any surveyor holding a certificate of competency issued by the Department of Land and Survey prior to 1st January, 1896, or who holds a licence to practise as surveyor under the Transfer of Land Act issued by the Surveyor-General prior to 1st January, 1896. Each application shall be accompanied by the fee (£1 1s.), the declaration as prescribed by the *Land Surveyors Act 1915*, and satisfactory evidence as to character.

Adopted at a meeting of the Surveyors Board, held on the 6th November, 1920.

SHIRE OF KILMORE.

NOTICE OF INTENTION TO BORROW MONEY FOR PERMANENT WORKS AND UNDERTAKINGS.

TAKE notice that the Council of the shire of Kilmore proposes to borrow, on the credit of the President, Councillors, and Ratepayers of the said shire, the sum of One thousand pounds, such sum to be raised by the issue of debentures, in accordance with the provisions of Part XIV. of the *Local Government Act 1915*.

It is further proposed that—

1. The rate of interest to be named in such debentures shall be Seven pounds per centum per annum.

2. The interest thereon is to be payable in moieties half-yearly on the first day of May and the first day of November in each year, at the Bank of Victoria Limited, Kilmore.

3. The moneys borrowed shall be repayable at the Bank of Victoria Limited, Kilmore, by equal annual payments of One hundred pounds respectively on the first day of November, in the years 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, and 1931.

4. The purposes for which the loan is to be applied are:—
The purchase of accumulators or storage batteries and accessories in connexion with the Electric Supply Works owned by the shire of Kilmore, and the payment of attendant expenses in connexion with the installation of such accumulators—£1,000.

5. The loan is to be liquidated by a provision out of the Municipal Fund of One hundred pounds in each year during the currency of the loan.

6. The loan is to be expended in the purchase of the plant, and in the payment of attendant expenses as set out above.

The specifications and estimate of the cost of the above, with a statement of the proposed expenditure of the money to be borrowed, are open for inspection at the office of the said shire, at the Town Hall, Sydney-street, Kilmore.

Dated the seventh day of September, 1921.
