COLAC WATERWORKS TRUST.

RATING BY-LAW FOR 1922.

16. No meter shall be affixed until it shall have been examined and approved, and a certificate from the Board of Works or other authorized person be produced for the inspection of the secretary of the Trust for the time being that such meter is in proper order.

18. If any person who has provided any meter fail to give the notice required of any repairs required for such meter he shall be liable to a penalty not exceeding Five pounds (£5).

19. If any person refuse or delay to have such meter properly repaired and put in correct working order after having been required by any officer of the Trust so to do, the Trust may shut off the supply of water from the premises of such person, either by cutting the service-pipe or otherwise, until such meter shall have been properly repaired and certified by some officer of the Trust as being in proper working order.

20. Any person supplied with water by the Trust who shall wilfully or negligently allow the same to run to waste, or who shall use or allow the water to be used in an unauthorized manner, or who is in arrears with the payment of his water rate, the Trust may, after one hour's notice, cut off the supply of water from the premises of such person either by cutting the pipes by or through which the water is supplied or by any other means that are available, and may cease to supply such premises with water so long as the Trust may think fit.

21. It shall be lawful for any person appointed by the Trust for such purpose to request permission from any owner or occupier to make an inspection of the water service to ascertain if the water is being allowed to run to waste, and, if such occupier or owner refuse permission for such inspection, the Trust may, if it think fit, refuse to supply such premises with water; and such refusal on their part will in no way relieve the owner or occupier from payment of any rate or rates as may be levied on such property.

22. If the person appointed for such inspection shall ascertain that any owner or occupier is allowing water to waste by reason of leaky taps or otherwise, he shall be empowered to authorize the repair of such taps or pipes and to notify such owner or occupier that the waste of water must at once cease.

23. No person shall affix any service-pipe to any pipe of the Trust, or alter or repair or in any way interfere with any pipe of the Trust or any service-pipe, cock, or fitting connected with the pipes of the Trust until he shall have obtained from the Trust permission to execute such works, and such permission shall be at and during the pleasure of the Trust, who may at any time cancel such permission.

24. Any person, whether licensed or permitted as aforesaid or not, who shall require to affix any service-pipe to any pipe of the Trust, or to make any repairs to pipes under the control of the Trust, shall give notice to the secretary of his intention so to do.

25. All connexions from the Trust mains to property shall be made at the expense of the owner or occupier of the property to be supplied, and all repairs or renewals shall, when necessary, be made by the owner or occupier, and such pipes shall at all times be under the control of the Trust.

26. All connexions, pipes, and fittings shall be of the best quality, and approved by the secretary and chairman of the Trust.

27. The service-pipes from the main being the property of the owner or occupier of the tenements supplied by such service-pipes, the occupier (if any), and, if none, the owner, shall, upon receiving notice that his service-pipe requires repairing, immediately proceed to repair the same, and he shall be responsible for any loss of water or other damage which shall be caused by reason of such service-pipe being leaky or otherwise out of repair or broken, and the Trust may stop the water from flowing into such premises in any way it may seem fit until such repairs have been effected.

28. Fire plugs shall not be used except for the purpose of extinguishing fires unless any other use of them be allowed by the Trust, and they shall at all times be under the control of an officer of the Trust.

29. Any person watering any street or footpath by means of a hose except under the direction of an officer of the Trust shall be guilty of an offence against these Regulations.

30. For any breach of these Regulations a penalty not exceeding Five pounds (£5) shall be imposed.

31. The above-mentioned rate is made for one year, commencing on the 1st day of January, 1922, and ending on the 31st day of December, 1922, and shall be payable in two instalments; the first instalment shall be due and payable on the 1st day of May, 1922, and the second instalment on the 1st day of November, 1922. SHIRE OF KERANG.

PROPOSED SEVERANCE AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition in accordance with the said Act, which has been presented to His Excellency the Governor, are published, viz.:—

The petitioners purport to constitute a majority of the rate-payers in the portion of the shire of Kerang which is described in their petition, and they desire that the area so described may be severed from the shire of Kerang and constituted a new municipality under the name and title of the shire of Cohuna.

Area described in Petition.

Starting at a point on the Murray River, in the parish of Gunbower, at the junction of Deep Creek with the Murray River; thence westerly along Deep Creek to Gunbower Creek; thence westerly and southerly along Gunbower Creek to Gunbower township; thence westerly along three-chain Kerang-Echuca road to south-east corner of allotment 7, parish of Gunbower; thence west along south boundaries of allotments 7, 9, and B to Kow Swamp at junction of Taylor's Creek with the swamp; thence north and west along swamp to Box Creek; thence westerly along Box Creek to Pyramid Creek; thence north and west along Pyramid Creek to south-east corner of allotment 20c, parish of Gunbower West; thence north along east boundary of allotments 20c and 20 to three-chain Kerang-Echuca road; thence westerly along three-chain road to south-west corner of allotment 20, parish of Macorna; thence north along the west boundaries of allotments 23, 17b, 18, D, A, and 3, parish of Macorna, and 27, 31, 32, parish of Gannawarra, to Barr Creek; thence west along Creek to south-west boundary of allotment 47a; thence north along west boundaries of allotments 47a and 48, east along north boundaries of allotments 48, 57, 58, and north along west boundaries of allotments 55, 90, 86, 74, 75, 77, parish of Gannawarra, and 12, parish of Cohuna, to Gunbower Creek, at north-west boundary of allotment 12; thence east along creek to south-east corner

of allotment 1, parish of Cohuna; thence due east across Gunbower Island to Murray River; thence south-east along river to starting point.

The petitioners state—

1. The rapid growth of the staple industry of dairying, due to the closer settlement policy of the Government, the subdivision of privately-owned lands, and the great fertility of the whole area, renders necessary greater attention to and expenditure on the roads, bridges, culverts, and other municipal works in the area desired to be served.
2. The size of the existing shire makes such efficient attention and supervision impossible.
3. There are three rapidly growing towns—Cohuna, Leitchville, and Gunbower—all with direct rail communication to Melbourne, in the district proposed to constitute the new shire.
4. The area to be severed is remote from the existing centre of local government.
5. There is no community, but a conflict of interest, between the area proposed to be severed and generally other portions of the existing shire from which it is geographically and commercially distinct.
6. The area, population, and rateable value of the area proposed to be severed make such severance reasonable and proper, and justify local control.
7. The present representation is altogether inadequate, and local opinion and aspirations have practically no influence.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described and constitute it a separate municipality under the name and title of "The Shire of Cohuna," and that such shire may be subdivided into three ridings, viz., East Riding, West Riding, and Central Riding.

Notices for the petitioners may be served on Mr. Joseph Henry Hewison, 237 Collins-street, Melbourne.

Commissioner of Public Works.

The petitioners purport to constitute a majority of the ratepayers in the portion of the shire of Kara Kara which is described in their petition, and they desire that the area so described may be severed from the shire of Kara Kara and annexed to the shire of Donald.

AREA DESCRIBED IN PETITION.

Commencing at the north-west corner of allotment 10, section F, parish of Swanwater, thence east to the north-east corner of allotment 17, thence south to the north-west corner of the Water Reserve, thence east to the north-east corner of allotment 5, section K, thence south to the south-east corner of allotment 29, thence north-west along the railway to the main Donald-St. Arnaud road, thence south-east to the south-east corner of allotment 4, section F, thence west to the south-west corner of allotment 4, thence north-west to the south-west corner of allotment 4A, thence west to the south-west corner of allotment 3, thence north to the point of commencement.

The petitioners state that their reasons for desiring the severance are as follows:—

1. Geographically they belong to the shire of Donald, as they are 16 miles from St. Arnaud, and 8 miles from Donald.
2. Their banking and general business is mostly done in Donald.
3. Owing to being in constant touch with the councillors and officers of the shire of Donald, they would secure better representation by being attached to the shire of Donald.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to sever the area above described from the East and West Ridings of the shire of Kara Kara and annex it to the South Riding of the shire of Donald.

Notices for the petitioners may be served on Mr. David Dunstan, farmer, Cope Cope.
