- (1) Where the supply is for domestic as well as for other than domestic purposes, the quantity which, if charged for at Twelvepence per 1,000 gallons, would give an amount equal to that payable in respect of the premises so supplied under the provisions of any By-law of the Commission for making and levying rates, if such premises were supplied otherwise than by measure.
- (2) Where the supply is solely for other than domestic purposes a quantity which, if charged as provided by the last preceding section, would give a sum of Twenty shillings for any continuous period of three months.
