STIPULATIONS FOR SUPPLIES OF PROVISIONS.

Special attention is drawn to note *re* Potatoes *re* varying rates from time to time.
 (Where practicable, all items must be manufactured or prepared within the Commonwealth.)
 Under all Sub-schedules particular attention is drawn to Clause 1 of the Condition as to quality.

BEER AND SPIRITS.

For brandy, whisky, and for Guinness' porter in case, delivery will be taken at and from the bond.
 The contractor will be bound to supply such of the brands named in the tender as the departments may order. In cases where delivery from the bond is taken by the Government, the contractor will be required to hand to the secretary to the Tender Board the bond certificate and the locker's order and a copy of the entry, and pay all charges, including re-gauging, before delivery is taken.
 English ale, brandy, whisky, and Guinness' porter in case must be delivered as imported; if bottled in the State it will not be accepted.

BREAD.

Samples of the best ordinarily retailed to the public will be considered as test loaves for first quality for fine wheat and pure wheaten Meal Bread. Third quality (that issued to prisoners of the Crown) to be made of flour, fine sharps, the produce of prime, strong, thin-skinned, good-coloured wheat, to be perfectly free from coarse pollard or other offal. *Pure wheaten Meal Bread of first quality may be substituted, wholly or in part, for fine wheaten Bread at such times and in such quantities as in the opinion of the Medical Superintendent may be deemed necessary; and the contractor will be required to supply such Bread at the contract rate. Reasonable notice, however, of the intention to substitute wheaten Meal Bread must be given to the contractor by the officer ordering the supply.* Bread may be baked at any Government establishment without infringing these contracts. At the Gaols, Ballarat, Geelong, Bendigo, Castlemaine, and Sale, if required, bread must be supplied one day old, due notice to be given to the contractor of such requirement.

In the event of bread being made at any Government establishment in the Melbourne District, during the currency of these contracts, the flour required will be drawn under the flour and maize meal sub-schedule. The maize meal for all the country gaols is included in the sub-schedule for flour and maize meal, Melbourne District, and delivery of same will be required to be made at the Victorian Railways, Spencer-street.

Should a supply of any article which may be reasonably included in a Baker's Price List, and which is not included in the schedule hereunder, be required for the use of attendants and nurses resident at the Hospitals for the Insane or for inmates of any Government institution drawing supplies under sub-schedules for Groceries during the currency of the contract, the contractor shall, with the exception of Ararat and Ballarat, supply such article at the current list rates at which it is retailed by the contractor to the public.

GROCERIES, CANDLES, SOAP, TEA, ETC.

Should the supply of any article which may be reasonably included in a Grocer's Price List, and which is not included in the schedule hereunder, be required for the use of the attendants and nurses resident at the Hospitals for the Insane or for inmates of any Government institution drawing supplies under sub-schedules for Groceries during the currency of the contract, the contractor shall, with the exception of Ararat and Ballarat, supply such article at the current list rates at which it is retailed by the contractor to the public.

As a guarantee of quality, Rice, when ordered in quantities of 56 lbs. and over, must be supplied in original bags as delivered by the miller or dresser. Such bags must be branded "Rice, Dressed," and shall also have stencilled thereon the miller or dresser's name. The bags thus stencilled shall contain Rice milled or dressed by the miller or dresser whose name appears thereon. Supplies not in conformity with the foregoing conditions will be absolutely rejected. Oatmeal must be supplied in original bags as delivered by millers.

Candles, except those for prison cells, must be supplied in 1-lb. packets. Candles for prison cells must be delivered in boxes containing from 25 to 50 lbs. per box, the boxes for which must be legibly stencilled on one end, showing the estimated burning time and the gross, tare, and net weight of contents. The soap supplied must be hard throughout, ready for immediate use without waste. Soap for Hospitals for the Insane is not included

in these contracts. When the quantity admits, tea must be supplied in original and unopened packages, labelled, as landed. Raisins and currants must be present season's, and where the quantity admits, be supplied in original boxes labelled 3 crowns. For *s.s. Rip* a certain quantity of Biscuits are sometimes required in lieu of fresh bread, and are included to meet such contingency only.
 The contracts are not to be considered broken, infringed, or vitiated by purchase of sugar from any Government Institution at any time during the currency of this contract.

BUTTER, CHEESE, AND JAMS.

Butter is to be delivered to the *s.s. Rip* in 1-lb. pats, in such quantities as may be ordered, and no excess over the quantity ordered will be received.

All Butter supplied, as well as the cases in which it is packed, must bear the impress stamp of the creamery manufacturing the Butter, otherwise it will be rejected. The Butter supplied may be tested at any time by the Government Dairy expert if it is considered by the officer ordering that the supply is not up to standard quality. The cheese must be fairly matured and packed in boxes for transport.

As regard Butter for Ararat, Ballarat, Beechworth, Lara, Sunbury, and Mount Park all supplies delivered from Melbourne must be submitted by the contractor to the Government Dairy Expert in Melbourne for test as to standard quality, and if found to be satisfactory, shall be forwarded by that officer direct to the Institution, ordering, the cost of freight being borne by the contractor in the usual way.

N.B.—Jams.—The weight stamped on the tins in accordance with the regulations under the Commerce Act, as indicating the minimum net quantity that each tin contains, shall for the purpose of this contract be taken as the actual contents when computing the quantity supplied.

When Jam is supplied in jars the jars remain the property of the contractor, and must be removed by the contractor at his own expense when empty.

MEAT.

Fore and hind quarters of beef for Hospitals for the Insane are to be supplied in equal proportions of each, and must be delivered as a whole respectively, also extra buttocks separately when ordered. Meat for other institutions must be supplied as ordered. Where hind-quarters or buttocks are ordered, 9 inches must be cut off from the end of the leg from the hock upwards, i.e., the end of the leg from which the shank has been removed at the abattoirs; and when fore-quarters form a portion of the supply, 6 inches from the end of the neck and the whole of the shin at the clovebone joint must be removed. The sticking pieces also must be trimmed off, and the point and end of the brisket rendered free from blood and blood stains.

Fore and hind quarters, for convenience of handling, may be cut into two parts, but each part is to bear evidence of having been cut from the same beast.

Corned beef, rolled or round, as ordered, must be supplied without bone or cartilage and will be received, whether pumped or prepared in the ordinary way by pickling, but in the former case must have been soaked after pumping for at least 48 hours, in a good pickle, and then thoroughly drained before supply. No flank, chuck, sticking piece, shin, leg of beef, or piece under 7 lbs. will be received.

Should the local supply of fresh meat become scarce, or the price of same become abnormally high, frozen meat may, with the consent of the Tender Board on the recommendation of the head of the Department, be supplied.

In cases of emergency, or on such other occasions as in the opinion of the Inspector-General of the Insane may seem advisable, other forms of meat such as rabbits, tinned meats, &c., may be purchased apart from the contract for Hospitals for the Insane, in lieu of the meat mentioned in the schedule, and substituted therefor, provided 24 hours' notice (except in cases of emergency) be given to the contractor of such intention.

Meat derived from the carcasses of Bulls, Stags, or Rams will not be received, and shall not be tendered for delivery.

The parts to be removed by the contractor are indicated by the shaded portions of the annexed diagram.

For Beschworth samples (corresponding to the description given in the schedule) of meat ordinarily retailed to the public will be considered as a test for quality.

As regards supplies for *s.s. 419*, all Meat must be of prime quality, and must be supplied in equal quantities from ribs, sirloin, and thick flanks; mutton to be delivered in sides; all kidney fat to be removed; meat containing an undue proportion of fat will not be accepted. Chuck ribs will not be accepted in lieu of prime ribs. Live sheep to be supplied when required.

Should a supply of any article which may be reasonably included in a Butcher's Small Goods List, and which is not included in the schedule hereunder, be required for the use of attendants and nurses resident at the Hospitals for the Insane or for Inmates of any Government Institution drawing supplies under sub-schedules for Meat during the currency of the contract, the contractor shall, with the exception of Ararat and Ballarat, supply such article at the current list rates at which it is retailed by the contractor to the public.

MILK.

The milk must be fresh, pure, and of the best quality, and subject to test when required by the Department, and supplied

at such times as the Department may require. Should the contractor fail to supply at the time specified in the order or at such times as may be indicated in any general notice to the contractor his contract may be cancelled forthwith and his security forfeited, or should the supply prove to be not of contract quality it will be rejected, and any expense incurred will be charged to the contractor.

POTATOES.

(Potatoes to be dry and free from dirt. Contractors to supply 117 lbs. of potatoes for each cwt. credited to him, and, in addition, to take back all rejected before being cooked.)

If the price of potatoes becomes abnormally high, the heads of the various departments concerned may, if they think fit, cause rice or any other suitable food to be occasionally substituted in lieu thereof.

TOBACCO.

Tobacco for country Hospitals for the Insane is included in the contract for Melbourne District, and delivery of same will be required to be made at Spencer-street.

Tobacco for country Gaols is not included in the contract for Melbourne District.

Conditions of Contract for Provisions, 1924-5, &c.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Pure Food Act, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

3. Supplies for country districts for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include places within a radius of 6 miles from the General Post Office, with the exception of places for which separate contracts are provided; supplies for s.s. Rip are to be delivered to the Dredging Depot, Footscray-road, Victoria Dock, or River Yarra Wharf, as ordered; the Ararat, Beechworth, and Ballarat Districts will include the Hospitals for the Insane, Gaols, and Police Gaols at these places; and the Geelong District embraces a radius of 2 miles from the Post Office; Lara, the Inebriates Retreat; Greenvale, the Sanatorium; Rutherglen, the Viticultural College; Wahgunyah, the Vine Nursery; and the Creswick School of Forestry. Delivery must be made at the places, institutions, &c., named in the schedules.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the price demanded, except brandy casks, porter cases, hogsheads, butter firkins or boxes, and soap boxes (not including fancy soaps), jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for. The empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under proper authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge. All other supplies will be ordered by the head of the Department concerned or any officer authorized by him.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, and the account is to be rendered as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. The rates or quantities quoted in the orders cannot be exceeded.

9. For the supplies coming under the head of Rations and Medical Comforts (except for the gaols) the account is to be rendered monthly for such quantities only as are issued, the difference between the supply and issue to be kept at the contractor's credit. Supplies not issued at the termination of the contract to be removed by the contractor.

10. When a contractor is required to make delivery of goods at a railway station for transmission by rail, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carriers to act as agent for, and charge the freight to, the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which services the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 10 of these conditions.

11. Should the contractor fail to supply any articles at the time mentioned in the order, or any like supplies suitable for the service will be otherwise procured, and the expense over and above the contract price will be deducted from his account or from the security money.

12. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

13. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his Department and to the Tender Board.

14. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey composed of persons named by the Treasurer of the State for the time being; and the decision of the Board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 11.

15. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations or stores are due or to the contractor in waiting for a Board to survey, the head of the Department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which, it or any like supply suitable for the service, will be obtained by the officer requiring it as in clause 11. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

16. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which, it or any like supply suitable for the service will be procured by the officer requiring it, and the expense charged as in clause 11.

17. In the case of supplies for Hospitals for the Insane, it will be competent for a Board of Survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being; but, pending such appeal, he must take back the rejected articles and at once supply others of approved quality; failing which, the supplies required or any like supplies suitable for the service may be obtained by the officer concerned, and the expense charged to the contractor.

18. In the case of supplies for Hospitals for the Insane, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a Board of Survey will not be deemed to be necessary on the part of the contractor.

19. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 11. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

20. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government. *If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.*

21. It will be competent for the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

22. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat, or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

23. For the purpose of the contracts entered into under these conditions, it is hereby expressly provided that in the event of any alteration in the Tariff affecting any of the items included in these contracts, the Government or the contractor (as the case may be) may give two months' notice, through the Secretary to the Tender Board, of the termination of the contract for the particular item or items so affected to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period

for which the contract is made. The contract for the unaffected items to remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter at his last-known place of business or abode.

24. Under no circumstances other than those mentioned in clause 23 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

25. For the purposes of these contracts the word Government shall mean the Government of the State of Victoria, and the word Treasurer shall mean Treasurer of the said State.
