Public Half-Holidays from the hour of Twelve o'clock noon:—

- THURSDAY, THE 24TH DAY OF JANUARY, 1924, throughout the Yallock Riding of the Shire of Cranbourne*;
- No. 17.—887.—PRICE 6D.; Quarterly, 7s. 7d.; Half-Yearly, 15s. 2d.; Yearly, 30s. 4d.

BANK HOLIDAYS.

PROCLAMATION

By His Excellency Colonel the Right Honorable George Edward John Mowbray, Earl of Stradbroke, K.C.M.G., C.B., C.V.O., C.B.E., Aide-de-Camp to His Majesty the King; Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

IN pursuance of the provisions contained in Part III. of the *Banks and Currency Act 1915* (6 Geo. V. No. 2618), I, the Governor of the State of Victoria, in the Commonwealth of Australia, do by this my Proclamation appoint the days and dates named hereunder as special days to be observed as Bank Holidays and Bank Half-Holidays (as the case may be) at the places respectively mentioned, that is to say :—

Bank Holidays:—

- THURSDAY, THE 24TH DAY OF JANUARY, 1924, at Penshurst;
- MONDAY, THE 4TH DAY OF FEBRUARY, 1924, at Bacchus Marsh and Woodend;
- WEDNESDAY, THE 13TH DAY OF FEBRUARY, 1924, at Lilydale;
- THURSDAY, THE 14TH DAY OF FEBRUARY, 1924, at Bayswater, Box Hill, Croydon, Doncaster, and Ringwood;
- WEDNESDAY, THE 20TH DAY OF FEBRUARY, 1924, at Castlemaine.

Bank Half-Holidays from the hour of Twelve o'clock noon:—

- WEDNESDAY, THE 6TH DAY OF FEBRUARY, 1924, at Leongatha and St. Arnaud;
- WEDNESDAY, THE 13TH DAY OF FEBRUARY, 1924, at Bendigo;
- WEDNESDAY, THE 27TH DAY OF FEBRUARY, 1924, at Donald.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-second day of January, in the year of our Lord One thousand nine hundred and twenty-four, and in the fourteenth year of the reign of His Majesty King George V.

(L.S.) STRADBROKE.

By His Excellency's Command,

STANLEY S. ARGYLE,
Chief Secretary.

GOD SAVE THE KING!

APPOINTMENTS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Orders made on the 15th day of January, 1924, been pleased to make the undermentioned appointments, to take effect from the date of commencement of duty, viz. :—

SENIOR LECTURER, TRAINING COLLEGE, CLASS "B," PROFESSIONAL DIVISION, DEPARTMENT OF PUBLIC INSTRUCTION.

APPLICATIONS will be received by the Public Service Commissioner (Victoria) from officers of the Public Service of Victoria, who are qualified, for appointment to the above-mentioned position.

Yearly Salary.—£528, minimum; £576, maximum.

Duties.—Under the Principal of the Training College, to help in the organization and supervision of the practice of the Primary students and of Secondary students. To lecture to the Primary students on Education, on the rural school, on methods of teaching, and on such subject or subjects prescribed for the Trained Primary Teacher's Certificate as he may be specially qualified to undertake. To organize the work of these students in rural school practice. To conduct discussion lessons. To assist in the supervision of residential students, to take part in College developments, and to carry out such other duties as may be assigned by the Principal.

Qualifications.—Degree of Master of Arts and Diploma of Education. Evidence of power of research. Experience and skill as a teacher, and in the training of students.

Applications (which should be addressed to the Secretary to the Public Service Commissioner, Geological Museum Building, Gisborne-street, Melbourne, and accompanied by evidence of experience and qualifications) must be lodged not later than Saturday, the 2nd February, 1924.

By order,

W. A. ROBINSON,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 15th January, 1924.

WARDER WATCHMAN, GENERAL DIVISION, PENAL ESTABLISHMENT, PENTRIDGE, PENAL AND GAOLS BRANCH, DEPARTMENT OF CHIEF SECRETARY.

APPLICATIONS will be received by the Public Service Commissioner (Victoria) from officers of the General Division of the Public Service of Victoria, for appointment to the above-mentioned position.

Yearly Salary.—£221, minimum; £286, maximum.

Duties.—To attend to fires under galvanizing pot and to maintain metal at a proper temperature. To regularly inspect wire-netting factory throughout the night.

Applications (which should be in applicant's own handwriting, and addressed to the Secretary to the Commissioner) must be lodged at this office not later than Friday, the 1st February, 1924.

By order,

W. A. ROBINSON,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 21st January, 1924.

LAND OFFICER, HORSHAM, THIRD CLASS, CLERICAL DIVISION, DEPARTMENT OF LANDS AND SURVEY.

APPLICATIONS will be received by the Public Service Commissioner (Victoria) from officers of the Fourth Class of the Clerical Division of the Public Service of Victoria, who are qualified, for appointment to the above-mentioned position.

Duties.—To deal with land settlement and applications for land; to conduct Local Land Boards and other inquiries; to furnish information as required regarding land in the district to prospective applicants; to issue orders for payments for survey fees and other charges; to keep records of orders to surveyors and accounts for surveys executed; to check lists of lands available; to conduct sales by auction of Crown lands.

Qualifications.—To possess a general knowledge of the Lands Acts, the Closer Settlement Acts, and the Discharged Soldiers' Settlement Acts and of the Regulations and the procedure and practice thereunder. To have a knowledge of draughting and be able to chart blocks on plans from surveyors' field notes. To have experience and tact in dealing with the public.

Applications (which should be addressed to the Secretary to the Commissioner, and accompanied by evidence of experience and qualifications) must be lodged at this office not later than Friday, the 1st February, 1924.

By order,

W. A. ROBINSON,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 18th January, 1924.

STATE OF VICTORIA.

DEPARTMENT OF CHIEF SECRETARY.

Electoral Act 1923 (No. 3331), Section 7.

ARRANGEMENT BETWEEN THE COMMONWEALTH AND THE STATE OF VICTORIA MAKING PROVISION FOR JOINT ELECTORAL ROLLS.

RECOMMENDED for the approval of His Excellency the Governor in Council that, pursuant to section 7 of the *Electoral Act 1923 (No. 3331)*, the within arrangement be made between His Excellency the Governor-General in and over the Commonwealth of Australia and His Excellency the Governor in and over the State of Victoria, providing for the preparation, alteration, and revision of Electoral Rolls jointly by the Commonwealth and the State of Victoria, and that the arrangement shall come into force on the thirty-first day of January, 1924.

STANLEY S. ARGYLE,
Chief Secretary.

Chief Secretary's Office,
Melbourne, 22nd January, 1924.

Approved by the Governor in Council,
the 22nd January, 1924,

F. W. MABBOTT,
Clerk of the Executive Council.

Chief Secretary's Office,
Melbourne, 22nd January, 1924.

It is hereby notified, for public information, that the subjoined arrangement between the Governor-General of the Commonwealth of Australia and the Governor of the State of Victoria, making provision for Joint Electoral Rolls in the State of Victoria, shall come into force on and from the 31st day of January, 1924.

STANLEY S. ARGYLE,
Chief Secretary.

State of Victoria.

JOINT ELECTORAL ROLLS.

Arrangement between the Governor-General and the Governor of Victoria making provision for Joint Electoral Rolls in Victoria.

PURSUANT to the *Commonwealth Electoral Act 1918-1922* and the *Constitution Act Amendment Act 1915*, and the *Electoral Act 1923* of the State of Victoria and all other enabling powers, it is hereby mutually arranged between His Excellency the Governor-General in and over the Commonwealth of Australia, acting with the advice of the Federal Executive Council, and His Excellency the Governor in and over the State of Victoria, acting with the advice of the Executive Council of the State, for the preparation alteration and revision of the Electoral Rolls jointly by the Commonwealth and the State to the intent that the Rolls may be used for Commonwealth elections and also for State elections for the Legislative Assembly of the said State—

1. That the same persons shall be appointed Electoral Registrars under the laws of the Commonwealth and those of the State and that to the fullest extent practicable the Commonwealth Divisional Returning Officers shall be appointed to be Electoral Registrars.

2. That the Electoral Registrars shall subject to the provisions of the *Commonwealth Electoral Act 1918-1922* and of the *Constitution Act Amendment Act 1915* and the *Electoral Act 1923* of the State act under the joint instructions of the Chief Electoral Officer for the Commonwealth and the Chief Electoral Officer for the State.

3. That as soon as practicable after the coming into force of this arrangement steps shall be taken on the part of the Commonwealth to alter the boundaries of Commonwealth subdivisions in the State so that each subdivision shall be as far as practicable in one Legislative Assembly district only and on the part of the State to divide Legislative Assembly districts into subdivisions as far as practicable co-terminous with the Commonwealth subdivisions.

4. That as soon as practicable after the coming into force of this arrangement steps shall be taken for the preparation of new Electoral Rolls under the laws of the Commonwealth and those of the State for each Commonwealth electoral division and subdivision in the State and for each Legislative Assembly district and subdivision to the intent that each Roll so prepared shall be a Joint Roll in all cases.

5. That each Joint Roll so prepared shall contain all matters required by the electoral laws of the Commonwealth to be contained in Rolls, and all matters required by the electoral laws of the State to be contained in Legislative Assembly Rolls and may contain any matters authorized by those laws to be contained therein including footnotes references or dis-

tinguishing marks necessary or convenient to indicate that any person whose name appears thereon is not eligible to vote at any Commonwealth or State election or to indicate any other matter necessary or convenient to be indicated thereon for any purpose in connexion with the Joint Rolls.

6. That so far as practicable joint forms shall be prepared complying with the requisites of the electoral laws of the Commonwealth and those of the State for the purposes of additions to Rolls transfers and alterations of Rolls and of the removal of names from Rolls and for other purposes incidental to those purposes.

7. That the Chief Electoral Officer for the State shall have the right at all reasonable times to inspect claims in respect of existing enrolments received from electors and preserved in the Commonwealth Electoral Office at Melbourne for the purpose of carrying out any duty imposed upon the Chief Electoral Officer for the State under any law of the State.

8. (1) That the Commonwealth shall meet the cost of maintaining the Central Commonwealth Electoral Office and the Offices of the Divisional Returning Officers in Victoria and all other expenses in connexion with the Joint Rolls except in relation to expenditure under the following heads which shall be shared equally by the Commonwealth and the State namely—

- (a) The printing and binding of Joint Electoral Rolls and the material therefor.
- (b) The printing of books forms and other printed matter used for joint electoral purposes and the material therefor.
- (c) Payments to Electoral Inspectors now employed by the State whose services it may be deemed expedient to retain and special allowances if any to individual police officers in the form of extra remuneration as may be jointly agreed upon.

(2) That the State shall make available the services of the police in the joint interest for the purposes of electoral inquiries and canvasses subject only to the special allowances if any set out in paragraph 8 (1) (c).

9. That this arrangement shall come into force on a date to be fixed by the respective Governments of the Commonwealth and of the State of Victoria and a notification of this arrangement and of the date when it is to come into force shall be published in the *Commonwealth Gazette* and in the *Government Gazette* of the said State.

10. That this arrangement may be terminated by not less than twelve months' notice in writing given by the Governor of the State to the Governor-General of the Commonwealth or by the Governor-General of the Commonwealth to the Governor of the State on behalf of the State and the Commonwealth respectively or may be terminated at any time by mutual arrangement.

Dated the twenty-second day of January, One thousand nine hundred and twenty-four.

FORSTER,
Governor-General.

By Command of His Excellency the Governor-General—

G. F. PEARCE,
Minister of State for Home and Territories.

STRADBROKE,
Governor of the State of Victoria.

By Command of His Excellency the Governor of Victoria—

STANLEY S. ARGYLE,
Chief Secretary.

BY-LAW NO. 2.

SEWERAGE.

By-law relating to the design, materials, dimensions, levels, construction, ventilation, use, extension, alteration, cleansing, repair, maintenance, severance, and removal of sewers, drains, sewerage fittings and appliances, and all other sewerage works within the Bendigo Sewerage District.

THE Bendigo Sewerage Authority (hereinafter called the Authority), in order to secure the efficient maintenance of the main and general sewerage of the Bendigo Sewerage District, and pursuant to and in exercise and execution of the powers and authorities conferred upon or vested in the Authority by the Sewerage Districts Acts, or by any other Acts incorporated therewith (hereinafter called "the Act"), and in exercise and execution of any other powers and authorities in any wise enabling the Authority in that behalf, doth hereby make the By-law following:—

PART I.

1.—DEFINITIONS.

In this By-law, if not inconsistent with the context or subject-matter any word or expression which has a meaning assigned thereto by the *Sewerage Districts Act 1915*, or any Act incorporated therewith, or any amendments of any of them made from time to time shall have the same meaning, and in addition thereto:—

- "Act" means the "Sewerage Districts Acts" and any amendment thereof and any Act incorporated therein, or amendment of such Acts.
- "Approved" means and includes approved in writing by the Authority or by the Engineer-in-Chief or by any officer of the Authority duly empowered in writing to approve either generally or in any particular case.
- "Authorized" means and includes authorized in writing by the Authority or by the Engineer-in-Chief or by any officer of the Authority duly empowered in writing to authorize either generally or in any particular case.
- "Authority" means the Bendigo Sewerage Authority.
- "Certificated Plumber" means any person holding a valid certificate as working plumber issued by the Authority.
- "Drain" means any drain used for the drainage of one building only or of premises within the same curtilage and leading therefrom and communicating or intended to communicate directly or indirectly with any sewer of the Authority, and shall also include any drain for draining any group or block of houses or premises by a combined operation under an order of the Authority, and shall further include any drain constructed by the Authority between the common sewer and the boundary line of any allotment, or curtilage.
- "Educt," or "Exhaust Vent" means an untrapped air outlet pipe from the house drain.
- "Engineer-in-Chief" means the Authority's Engineer-in-Chief or his deputy (if any) or any engineering officer to whom such Engineer-in-Chief may in writing delegate authority either generally or in any particular cases or case.
- "Fitting" includes any fitting, appliance, closet, urinal, sink, bath, trap, basin, or apparatus whatsoever for receiving and collecting the sewerage from any premises and conveying same to any drain or for the flushing or cleansing of any sanitary fitting connected with such drain or for the ventilating or inspecting of such sanitary fitting or drain.
- "House" includes "Tenement" and "Premises."
- "Induct" means an opening or pipe designed or intended to admit air to a house drain, soil-pipe, or waste-pipe.
- "Inside room" means any room in the main building of premises or any room used as a living room or work-room, or in which food for man is prepared, manufactured, or stored, or any room which can be entered from any inside room as aforesaid without passing into the open air. It also means any room situated below or adjoining an inside room as aforesaid and through the ceiling or walls of which air can pass freely to the said inside room.
- "Inspector" means any person appointed or employed by the Authority to inspect, design, supervise, overlook, pass, or approve of any work, materials, apparatus, or fittings required or authorized by the Act, or by any by-laws made thereunder, and includes any person from time to time acting as such inspector of the Authority.
- "Land" includes any tenement or building thereon.
- "Licensed Drainer" means any person holding a valid licence as drainer issued by the Authority.
- "Licensee" means any plumber or drainer to whom a certificate or licence has been issued by the Authority to execute work under its supervision.
- "Local Authority" means the Council of the City of Bendigo, or any municipal council having jurisdiction in any part of the sewerage district or in any extension thereof.
- "Master Plumber" means a person or firm who holds a valid master plumber's licence issued by the Authority.
- "Occupier" means the person for the time being in actual or constructive occupation of the premises, and includes occupier of Crown land under mining lease, miner's right, residence area, garden licence, or other form of occupancy.
- "Outside room" means any room which cannot be entered from any inside room without passing into the open air, or any room having an open side or doorway not furnished with a door and not closed as an inside room.
- "Owner" includes holder, lessee, mortgagee, tenant of the Crown and any person for the time being who receives or is entitled to receive the rent of the houses lands or premises in connexion with which the word is used, whether on his own account or as an agent of or as trustee for any other person, or who if such houses lands or premises were let to a tenant at a rack rent would be entitled to receive the rack rent from the occupier thereof, and in the case of residence areas under miner's right the registered holder of such residence area.
- "Person" means any individual person, and shall be deemed to extend to and include a body corporate and the council of a municipality or shire, any institution or council or committee of management, or any body or number of persons, and the masculine shall include the feminine gender.
- "Premises" means and includes any house and any building whatsoever and any part of any house or building and any garden stable yard or other offices used together or in connexion with any house or building and every part thereof, and also land whether occupied or built upon or not.
- "Property" shall have the same meaning as premises.
- "Secretary" means the secretary to the Authority and includes any person appointed by the Authority to be acting secretary.
- "Sewage" means and includes faecal matter, urine, household slops, and household liquid refuse, and such polluted water from stables and yards, and such trade or manufacturing liquid refuse as the Authority may from time to time subject to such conditions as it may think fit to impose, order or authorize to be discharged into any sewer.
- "Sewer" means sewer of the Authority, and includes any underground conduit or pipe which is not a drain under these definitions, and any conduit or pipe or part thereof laid by the Authority.
- "Sewerage Area" means any portion of the Bendigo Sewerage District in which sewers are laid or to which sewers are available and are ready to receive connexion from premises within such portion to convey the drainage therefrom to such sewers whether such sewers be situated on streets, lauds, reserves, or public or private lands. Such sewerage area comprises all lands and premises which it is possible to drain to such sewers from within a distance of five (5) chains thereof in conformity with this By-law.
- "Sewered Property" means as well as any sewered premises every property which is connected with any sewer of the Authority and all premises situated within any sewerage area or contiguous to any road or street in, through, or along which a sewer has been constructed by the Authority and is ready to receive connexions from any such premises to convey the drainage therefrom to such sewer, and means also all premises within a distance of 5 chains of any sewer to which such premises can be drained in conformity with this By-law.
- "Slop-sink" means any sink such as is used by housemaids to take excremental discharges, bed-pan sinks, macintosh sinks, and any sink into which excremental matter is discharged.
- "Soil-pipe" means pipes fixed to or in connexion with buildings and which communicate directly or indirectly with the house sewer, and take or are intended to take the discharges from water-closets, slop-sinks, or urinals.
- "Street" includes and applies to any enclosed or unenclosed land, as well as any public or common highway road or thoroughfare and also any public bridge and any road lane passage alley or court which the owners or occupiers of two or more houses or buildings adjoining thereto or properties abutting thereon have the right to use or do commonly use as a means of access to or drainage from such houses or buildings or properties.
- "Tenement" includes houses, messuages, and every species of realty as well corporeal as incorporeal and whether freehold or any other tenure.
- "Trap" means an inverted syphon formed in a pipe or fitting and designed or intended to retain a quantity of water to arrest the passage of air through the pipe.
- "Undertaking" means the sewers drains and other works connected therewith authorized to be constructed and maintained and includes all fixings to be laid down or fixed by the Authority and all lands to be held or used by it for the purpose of the Act.
- "Vent-pipe" means pipes used or intended to be used for ventilating house-drains, soil-pipes, waste-pipes, or traps.

"Waste-pipe" means pipes which deliver or are intended to deliver into gullies or disconnector traps and fake the discharges from baths, sinks (except slop-sinks), wash-tubs, basins, cuspidors, fountains, carbonators, ice-chests, refrigerators, and all that class of fitting.

"Water-seal" means the water retained in a trap, the depth of which is measured from the water surface to the throat of the trap.

PART II.

2.—USE OF SEWERS AND DRAINS.

(1) The owner and/or occupier of any sewered property may discharge into any house-sewer or drain communicating directly or indirectly with any sewer of the Authority all faecal matter, urine, household slops, and household liquid refuse from such property, and such polluted water from stables and yards, and such trade or manufacturing liquid refuse as the Authority may, subject to such conditions as it may think fit to impose, authorize to be discharged into any such drain.

(2) The owner, occupier and/or mortgagee of each and every "sewered property" shall cause each and every separate tenement thereon to be provided with at least one water-closet and one slop-sink or yard-sink in accord with this By-law; and same, together with all other "fittings" for sewerage or polluted water shall be connected with the sewers of the Authority, as in this By-law hereinafter provided.

3.—SUBSTANCES EXCLUDED FROM SEWERS.

(1) No person, other than the Authority, shall throw, deposit, or discharge or cause, permit, or suffer to be thrown, deposited, or discharged into any sewer of the Authority or into any drain communicating directly or indirectly with any sewer of the Authority, or into any sanitary fitting used in connexion with such sewer or drain any of the following substances:—

- (a) Any animal matter, wool, hair, fleshings, fat, oil, grease, dust, ashes, cinders, rubbish, soil, filth, garbage, dead animal, vegetable or fruit parings, rags, house refuse, steam, or any solid matter.
- (b) Any petrol, or any other explosive substance whether it be of a solid, liquid, or gaseous nature.
- (c) Any infectious or contagious solid or liquid substance.
- (d) Any waste water, fluid, or other trade waste other than is authorized in writing by the Authority, or any salt-water or fluid containing more than one-tenth of 1 per cent. of sodium chloride.
- (e) Any disinfectant, germicide, or antiseptic other than chloride of lime (Ca. Cl_2) or Calcium hypochlorite ($\text{Ca. Cl}_2\text{O}_2$) or both in combination, forming what is commonly known as "bleaching powder."
- (f) The contents of any night-cart, cesspool, or privy.
- (g) Any matter, fluid, or substance which in the opinion of the Authority may or is likely to injuriously affect the sewers or sewage or the treatment and disposal works or the bacterial action therein or reduce the value of the sewage or sewerage effluent for irrigating purposes.
- (h) Rain or surface or subsoil water.
- (i) Any solid or liquid, other than ordinary domestic sewage, except as allowed under this By-law.

(2) No person shall cause or permit any waste water or fluid or other trade wastes, containing any substance or matter of a solid nature, to flow or pass, or to be carried from, any manufactory or business or other premises of such person into any sewer of the Authority, or any drain or pipe communicating therewith, provided always that approval and consent in writing to such drainage provision and discharge into its sewers of such trade wastes may be granted by the Authority upon such terms and conditions as the Authority may in each case and from time to time impose.

(3) No person shall cause or permit to be discharged into any drain or sewer of the Authority any solid or liquid likely, in the opinion of the Authority to produce compounds or cause the generation of gases injurious to the Authority's sewers or works or sewage treatment or disposal works or to the bacterial action therein, or to the value of the sewage or sewerage effluent for irrigation purposes.

(4) No person shall cause or permit any waste water or liquid or other trade wastes to flow or pass or be carried from any manufactory or business or other premises of any such person into any sewer of the Authority, or any drain or pipe communicating therewith, unless and until the temperature of such waste water or fluid trade wastes shall have been first reduced to or below one hundred and ten degrees Fahrenheit, and unless and until such waste water or fluid or trade wastes shall have been completely neutralized as to acidity; and unless and until such person shall have first made and provided suitable apparatus, means, or appliances approved by the Authority or its Engineer-in-Chief, for properly sedimenting, and filtering such waste water or fluid or trade wastes before the same shall flow or pass or be carried into such sewer or drain as aforesaid.

(5) No person shall cause or permit to flow or pass or be carried from any manufactory or business or other premises of any such person into any sewer of the Authority or any drain or pipe communicating therewith, any petrol, benzene, naphtha, ether, carbon bi-sulphide, or other inflammable materials which will not readily mix with water.

(6) No person shall cause or permit the admission to any drain or sewer of the Authority of any land drainage, surface or otherwise, or rain water from roofs, yards, streets, or other surfaces, whether by inlets specially designed to admit it, or by any other inlets or openings so placed that such water may get access thereto, but the Authority reserves the right to grant, if it thinks fit, permission to discharge subsoil water into sewers subject to such terms and conditions as the Authority may in each case impose.

4.—EXECUTION, REPAIR AND CLEANSING OF HOUSE CONNEXION WORKS.

(1) All connexions of plumbing work, drains, or sewers with the sewers of the Authority and all work connected in any way with the drainage of any premises, shall be executed in accordance with the Act and this By-law, and all sanitary fittings shall be in accordance therewith.

(2) All drains in and from properties to and as far as the point of connexion of the branch drain with the sewer must be repaired and cleansed by, or at the cost of, the owner, notwithstanding that the portion of same between owner's property and sewer is the property of the Authority.

(3) All the works of sewerage and drainage must be carried out in accordance with the provisions of the Act and By-laws or Regulations thereunder.

(4) In the case of any obstruction taking place in a combined drain the Authority will determine between the respective owners or occupiers of the premises drained thereby by whom and in what proportion the cost of removing any such obstruction shall be paid.

(5) Every person who, by a notice from the Authority, issued in accordance with the Act, or any By-law or Regulation thereunder, shall be required to do or not to do anything, including a requirement to make any sewer or drain, or branches, works, or arrangements for the better sewerage or draining of his house, building, or ground, and who fails to comply with such notice, shall be guilty of an offence.

5.—APPLICATIONS FOR CONSENTS, ETC.

(1) Application for the Authority's consent to connect with the sewerage system, or to do plumbing work connected therewith, must be made in writing by the owner of the property to be drained, or his authorized agent. Such application shall give the precise location of the property, the name of the owner, and the name of the person employed to do the work, and shall be made in such form as the Authority may prescribe or to the like effect. For any wilful misrepresentation in such application the owner or authorized agent as aforesaid shall be guilty of an offence against this By-law. No consent shall be deemed to authorize anything not stated therein. Consent will only be given to such application as shown upon the drainage plan approved by the Authority.

(2) The Authority will furnish applicants who are entitled thereto with drainage plans and estimates, permits, information, &c., upon payment of the fee prescribed in each case; or will, if requested, prepare plan, design, and estimate, invite tenders, supervise and carry out the sewerage of premises at an inclusive fee based upon cost (see list of fees).

(3) No person shall commence the construction of any drain intended to communicate directly or indirectly with any sewer of the Authority or of any sanitary fitting to be used in connexion with any such drain or shall connect any drain to any sewer of the Authority unless he shall have previously given to the Authority at least six days' notice in writing of his desire so to do, paid the prescribed fees, and obtained the Authority's consent.

(4) No person shall commence the extension, alteration, repair, renewal, or removal of any drain, communicating directly or indirectly with any sewer of the Authority, or of any sanitary fitting used in connexion with any such drain, or the severance of any such drain from any sewer of the Authority, unless he shall have previously given to the Authority at least forty-eight hours' notice of his desire so to do, paid the prescribed fees, and obtained the Authority's consent.

(5) Any approval by the Authority of a plan or any consent to connect any premises with any sewer of the Authority, shall not be deemed to authorize or to confer or grant the right to lay a drain through any land intervening between the premises proposed to be connected and such sewer of the Authority, and any owner or applicant for the approval of such plan or consent shall satisfy himself as to his legal right to drain through such intervening land, and shall be solely responsible for any trespass or damage thereon or thereto.

(6) Consents to make connexions with the sewerage system will be issued only when the plumbing in the property to be connected is planned to be made in accordance with the rules for plumbing hereinafter prescribed, and after such plan has been inspected and its approval recommended by the inspector appointed by the Authority for the purpose, and approval in writing given by the Authority, or, in the case of new buildings, when a proper plan of the plumbing and of the drainage

of the building into the branch, of which the Authority shall have fixed the position, has been approved in writing by the Authority. All connexions with drains or sewers, and all plumbing connexions therewith, shall be made under the direction of the Engineer-in-Chief or the superintending officer of the Authority.

(7) Consent will not be given for the performance of any such work except upon condition that no person shall be engaged or employed as a workman in the actual performance of any plumbing work unless he be the holder of a valid working plumber's certificate, or of any draining work unless he holds a valid drainer's licence from the Authority. Any person who shall at any time, or at any place, make up, form, affix, alter, repair, move or remove any fitting, pipe, bend, trap, or other thing connected or intended to be connected with the Authority's sewerage system, unless he be the holder of a certificate or licence, as the case may require, from the Authority authorizing him to do such work, shall be liable to a penalty not exceeding Ten pounds.

(8) Any person, whether licenced as aforesaid or not, who shall alter, repair, remove, or in any way interfere with any drain, fitting, pipe, bend, trap, or other thing connected with the Authority's sewerage system, unless the Authority's written consent has been previously issued to do such work at the premises concerned, shall be liable to a penalty not exceeding Ten pounds.

No such consent shall authorize interference with any sewer, or manhole, or other property of the Authority unless so specifically stated in such consent.

(9) No consent of any kind shall be valid unless given in writing under the hand of the Authority or of the Engineer-in-Chief or of the proper officer duly empowered to give consent either generally or in the particular case.

(10) A special condition of every consent issued to an owner or agent shall be that if a certificated plumber or a licenced drainer in his employment upon any such work prove, according to the judgment of the Authority's inspecting officer, to be incapable as a workman, or transgresses the by-laws or regulations of the Authority, and the "working plumber's certificate" or "drainer's licence" of such workman be for any such cause suspended or cancelled by the Authority, and notice of such suspension or cancellation be given by the Authority in writing, by registered letter addressed to the said owner or agent, the said owner or agent shall cease to employ such workman upon any such work immediately after and during the continuance of such suspension or cancellation. And any such owner or agent who shall neglect to comply with this condition shall be guilty of an offence against this By-law.

PART III.

LICENCES, CONDITIONS, CONSENTS, AND PERMITS.

6.—PERSONS AUTHORIZED TO CARRY OUT WORK.

(1) No person shall tender for or enter into any contract for or undertake any plumbing work relating to sewerage within the Bendigo Sewerage District or connected or to be connected with the sewers of the Authority who does not hold either a master plumber's or master builder's licence or a working plumber's certificate.

(2) No person shall tender for or enter into any contract for or undertake any draining work relating to sewerage within the said district or connected or to be connected to the sewers of the Authority who does not hold either a master plumber's or master builder's licence or a drainer's licence.

(3) No person other than the holder of a working plumber's certificate shall actually do or perform any such plumbing work.

(4) No person other than the holder of a drainer's licence shall actually do or perform any such draining work.

7.—MASTER PLUMBER'S OR MASTER BUILDER'S LICENCE.

(1) At the discretion of the Authority a master plumber's licence may be granted to any master plumber or a master builder's licence to any master builder, building contractor, or other person firm or corporation who is approved by the Authority, but such licence will only entitle the holder to tender for or enter into contracts for or otherwise undertake plumbing and drainage work under these By-laws, but shall not entitle the holder to personally do any actual plumbing or drainage work under the By-laws.

(2) Holders of master builder's licence and of master plumber's licence not themselves certificated plumbers or licenced drainers must continuously employ on all and every plumbing work carried out by them under these By-laws certificated plumbers, and on all and every drainage work licenced drainers.

(3) The general conditions under which working plumbers' certificates are issued shall apply to all master plumbers' and master builders' licences which will be annual licences only and renewable upon same terms and conditions as the certificates, the fee being £1 for each licence.

8.—WORKING PLUMBERS' CERTIFICATES.

(1) Working plumbers' certificates (first class) will be issued at the discretion of the Authority to—

(a) All persons who at the date of the passing of this By-law are resident in Bendigo and hold the 4th Grade plumber's certificate issued by the Education Department of Victoria provided that application is made and fee paid for such certificate within six months of the aforesaid date.

(b) Or to all persons other than those included in preceding sub-clause (a) who hold the 4th Grade plumber's certificate issued by the Education Department of Victoria, and who produce and surrender to the Authority a certificate of having been employed and given satisfactory service under a certificated plumber for a period of at least six months on plumbing work in connexion with the Authority's system pursuant to a permit issued by the Authority to so work to obtain experience.

(c) Or to all persons who hold and produce to the Authority a certificate or licence from any other sewerage authority equal in value to the standard established by the Authority's examination according to the judgment of the Authority.

(d) Or to eligible candidates who shall have successfully passed an approved examination by examiners appointed by the Authority in the following subjects, that is to say:—

Materials.—The use of lead, tin, copper, and their alloys, wrought and cast iron, cement concrete, bricks, tiles, Portland cement, and other materials used by the plumber.

Plumbing Practice.—As to solder and soldering, lead burning, lead laying, pipe and joint making, pipe bending, and general plumber's practice. Candidates for examination in plumbing practice must provide themselves with their own tools, and may be required to submit samples of work done by themselves, and also to make any pipe, bend, joint, or other plumbing appliance which may be required to satisfy the examiners.

Water Supply Work.—Knowledge of water supply by-laws, general water supply works, water supply fittings, hot-water connexions.

Sewerage Work.—Knowledge of the sewerage by-laws and regulations in so far as the same relate to the work and duties of plumbers or others in regard to the construction, maintenance, and protection of the general sewerage system, construction and use of traps, soil, waste, and vent pipes, house fittings, water-closets, kitchen sinks, baths, lavatories, housemaids' sinks, urinals, latrines, and other sewerage apparatus and appliances.

General Principles of Sanitary Work.—Flushing, ventilation, disconnexion.

(2) Candidates to be eligible for the foregoing examination shall produce—

(a) Satisfactory evidence of having been actually engaged in the handicraft of general plumbing for a total period of five years; and

(b) a certificate of having been employed by a certificated plumber for a period of at least six (6) months on plumbing work in connexion with the Sewerage Authority's system, pursuant to a permit by the Authority to so work with a certificated plumber for six (6) months to obtain experience; and shall

(c) give due notice in writing to the secretary of the Authority of intention to submit to examination at such times as may be appointed by the Authority by advertisement in local press.

(3) Every candidate who shall have successfully passed the before-mentioned examination, and given proof to the satisfaction of the examiners of practical ability as a plumber, will be furnished with a certificate from the Authority permitting him to do practical work as a working plumber upon all fittings, appliances, and apparatus connected or to be connected with the sewers of the Authority within the Bendigo Sewerage District, subject to and in accordance with the Authority's by-laws or regulations.

(4) Working plumbers' certificates (second class), entitling holders to carry out sewerage plumbing on single-storey houses only and not exceeding two-inch work, may be issued at the discretion of the Authority to practical plumbers of at least three years' experience in sanitary house plumbing (exclusive of general plumbing and shop work) who pass an examination approved by the examiners of the Authority.

(5) Whilst none but the holders of "working plumbers' certificates" are allowed to be engaged or employed in the performance of plumbing work for sewerage, the holders of licences for water supply work may do water supply work necessary to the sanitary work, including fixing cisterns and tanks and work for water supply generally.

9.—DRAINERS' LICENCES.

(1) Drainers' licences will be issued to candidates who have successfully passed an approved examination in the following subjects:—

Levels, &c.—Laying off levels for drains; the straight-edge, spirit-level, and boning rods; tools generally used in drain laying; preparing bottom of trench to receive pipes.

Excavating, Timbering, and Re-filling.—Protecting the trench by timbering; different treatment of different soils, as loam, clay, loose and wet sand, &c.; tunnelling and tunnel timber; precautions when near buildings; importance of care in re-filling trenches and tunnels.

Drain Laying.—Junctions to sewers, laying and jointing of stoneware pipes, cement joints, bitumen joints, self-fitting joints, drains under houses and in soft ground; cast-iron drains, laying and jointing; method of jointing, stoneware and cast-iron drains; minimum depth below surface for safety.

Drainage Details.—Diminishing of pipes by various methods; gully traps or sinks self-cleansing form and arresting form, and where each should be used; the reflux gully trap; acid, or grease interceptor trap, petrol trap; cottage pan and S trap; pedestal W.C.; cleaning bends, junctions and pipes; cast-iron drainage details.

Materials.—Salt-glazed stoneware; qualities of lime, mortar, and cement mortar, and where each should be used; concrete, proportioning, mixing, and usage; bricks; brick bond for junction pits, manholes, &c.; cast-iron pipes.

Plans.—How to read plans; meaning of scales—the scales commonly used in drainage plans; meaning of elevation, plan, and section drawings.

Hints on Work.—Laying-off work; drain testing by water, smoke, &c.; clearing of chokage; knowledge of sewerage by-laws and regulations so far as same relate to drains, traps and stoneware fittings generally.

(2) Any person who has been employed as a drainer under any sewerage authority may on prepayment of a fee of Five shillings and passing a practical test in draining to the satisfaction of the Engineer-in-Chief be granted a permit as drainer for a total period not exceeding 12 months, pending passing the Authority's examination for drainer's licence such permit to be subject to same conditions as said licence.

(3) Drainers' licences may be issued without examination to all persons who hold and produce to the Authority a drainer's licence or certificate from any other sewerage authority, equal in the judgment of the Authority to the standard established by the Authority's examination.

(4) Any holder of a "working plumber's certificate" obtained under section 8 will be granted, on payment of a fee of Five shillings, a permit as a drainer for a period of six (6) months, such permit being subject to the same conditions as a drainer's licence except as to date of expiry, and if such plumber's work as a drainer is at end of such period satisfactory to the Engineer-in-Chief the Authority will then issue to such plumber a drainer's licence without extra fee.

10.—CONDITIONS OF CERTIFICATES AND LICENCES.

The conditions upon which all certificates and licences will be issued by the Authority are—

(1) That every certificate and licence will be subject to suspension or cancellation at the will of the Authority and that all such certificates and licences or renewals thereof will expire on the 31st day of December of then current year.

(2) That every holder of a certificate or licence from the Authority who shall have received the consent of the Authority to execute any works in connexion with sewerage or drainage, or who shall (where such consent of the Authority is not required before the execution of any such works) have notified the Authority of his intention to carry out any such works—

- (a) shall obtain permission when necessary for the execution of such works on, over, or through any private property, or any streets, roads, parks, reserves, or other public places or properties; and
- (b) shall pay any fees demanded by the Council or Authority for opening any street, road, or thoroughfare, or otherwise in connexion with the work; and
- (c) shall execute such works in accordance with the provisions of the Act, and of the by-laws made thereunder, and of any special direction or orders given or issued by the Authority or proper officer; and
- (d) shall use materials of good quality only, and free from defects; and
- (e) shall employ only competent operatives and assistants; and
- (f) shall execute such works in a thorough and tradesman-like manner to the satisfaction of the Authority as expeditiously as practicable, and leave site clean and undefaced; and
- (g) shall, in the execution of such works, take such proper and necessary precautions that no accident or damages or unnecessary inconvenience may be directly or indirectly occasioned thereby; and

(h) shall restore any part of any street, road, or thoroughfare interfered with by the work to the satisfaction of the municipal authority having control thereof, upon the completion of the work; and

(i) shall restore any other property interfered with by the work to the satisfaction of the inspector; and

(j) shall in all cases notify the proper officer immediately upon completion of any work in hand, promptly amend any defects therein and again at once notify the said officer and subsequently take steps forthwith to secure the certificate of satisfactory completion and give same to owner; and

(k) shall, when so directed by the Authority, make good at his own expense any defect found within twelve months of the date of completion of any such work which, in the opinion of the Authority, is due to bad workmanship or defective material.

(3) Prior to the issue of any certificate or licence, the person to whom the same is to be issued shall pay to the Authority the fee named hereunder:—

| | |
|--|--------|
| For each master plumber's licence (firm company or person) | £1 0 0 |
| For each working plumber's certificate | 0 5 0 |
| For each drainer's licence | 0 5 0 |
| No fee will be charged for any annual renewal that may be granted. | |

(4) Certificates and licences shall be held only during the pleasure of the Authority, and shall have a currency of one year, running from the first day of January to the thirty-first day of December in each year, unless they shall be previously suspended or cancelled by the Authority.

(5) Prior to the issue of any certificate or licence the person to whom the same is to be issued shall sign a register to be kept by the Authority in which his address shall be entered, and containing a declaration that he accepts such certificate or licence as the case may be subject to the conditions contained therein, and in these by-laws. Any person holding a certificate or licence must give notice to the Authority of any change of address within forty-eight hours of such change being made.

(6) Every certificate and licence issued by the Authority shall be subject to suspension or cancellation, as the Authority may determine, where, in the opinion of the Authority, the holder thereof has failed to comply with the conditions of same, or with the by-laws or regulations. Such suspension or cancellation shall not prejudice the Authority's right to take any other proceedings against the holder of such certificate or licence which the Authority is by law authorized to take.

(7) Instructions as to plumbing work will be given to certificated plumbers only, and as to drainage work to licensed drainers only.

11.—NOTICES, APPLICATIONS, AND PERMITS.

(1) All notices and applications required by these By-laws are to be made in writing to the Authority. Notices and applications sent by post must be prepaid. All sums paid by the Authority on account of notices and applications received by post and not prepaid or insufficiently prepaid will be charged against and be recovered by the Authority from the sender thereof.

(2) In all cases in which diagrams are required from the Authority in connexion with new house drainage connexions, or any other class of work intended to be carried out under these By-laws six days' previous notice of the same must be given to the Authority.

(3) Before any person authorized by the Authority in that behalf shall commence any new work of repairing, renewing, altering, or making any addition to existing work or clearing any stoppage in connexion with sewerage or drainage under these By-laws, such person shall—

- (a) give to the Authority at least two days' previous notice of the intention of such person to execute such work; and
- (b) give such information as is required by the Authority; and
- (c) pay all fees payable to the Authority; and
- (d) obtain the Authority's written permit to execute such work; and
- (e) not commence such work until he has obtained a written permit; and
- (f) execute the work strictly within the terms of the permit; and
- (g) obtain a written permit for any further work which may be required in addition to that for which a permit has been issued.

Provided that in extreme cases where water is wasting, pipes are choked, or property is being damaged, the work may be put in hand at once, but a permit must be obtained as soon thereafter as possible.

(4) No person shall connect a pipe intended to be used for sewerage or drainage to an existing pipe on the property of any other person without first obtaining a written permission of such other person so to do, and such written permission must be lodged with the Authority with the application for a permit to make such connexion, but the Authority may refuse such permit.

(5) Any person who shall be carrying out work in connexion with sewerage or drainage shall give immediate notice to the proper authority of any accident that may be occasioned or occur to any water, sewer or gas pipes, electrical or telephone cable or other works. The cost of repairs of any such pipes or works shall be defrayed by the person carrying out the work on which the accident occurred.

(6) If any person shall execute any work without giving proper notice to and obtaining the permit of the Authority, the Authority may, in addition to exercising any other remedy which the Authority may have against such person, charge to and recover from such person an inspection fee in connexion with such work.

12.—INTERFERENCE WITH OR BUILDING OVER SEWER.

(1) No person shall interfere with, break up, remove, or build over with any building, wall, fence, or other structure, or plant trees, shrubs or hedges over any sewer or trap, ventilating shaft, manhole, lamp-hole, flush tank, catch-basin, or any part of the Authority's sewerage system without the previous consent in writing of the Authority, and no drain shall be so constructed as to pass under any building except in any case where any other mode of construction is impracticable.

13.—CONNEXIONS TO SEWERS.

(1) No person shall make any temporary or permanent connexion with any sewer of the Authority, or with any pipe or drain communicating directly or indirectly therewith, at any other place, or in any other form or manner than shall have been approved of by the Authority.

(2) No person shall commence the construction of any drain intended to communicate directly or indirectly with any sewer of the Authority, or of any sanitary fitting to be used in connexion with any such drain, or shall connect any drain to any sewer of the Authority, until an inspector has first visited and inspected the premises where such work is intended to be carried out, and until a diagram showing the manner in which the work is to be carried out is furnished and approved. On such diagram will be marked the position of the sewer, the house drains, sinks, soil-pipes, waste-pipes, or water-pipes, and appurtenances to be constructed. Such approved diagram, with any special instructions which may be written thereon, shall be strictly adhered to by the person carrying out the work. Such diagram shall be the property of the owner of the premises in respect of which such work is carried out, and shall be furnished to such owner by the person carrying out the work on completion of the work.

(3) No person shall abandon wholly or in part nor extend contract or alter any drain or sewer approved or sanctioned by the Authority or any plan of drainage so approved or sanctioned without the previous approval in writing of the Authority to such alteration or amendment given on the application of the owner or his authorized agent.

14.—TESTING OF FITTINGS.

(1) No person shall apply, fit, or use any pipe, junction, bend, trap, any water-closet pan or pedestal, slop sink, cradle urinal, flushing cistern or other fitting, unless same has previously been tested, stamped, and so marked by or under the direction of the Authority.

(2) No person shall forge or counterfeit, or cause or procure to be forged or counterfeited, or knowingly act or assist in the forging or counterfeiting of any stamp which may be used by the Authority for the stamping, testing, or marking of any sanitary fitting or water fitting.

(3) No person shall knowingly sell, utter, or dispose of, let, lend, expose for sale, apply, fit, or use, any sanitary fitting or water fitting, with such forged stamp thereon.

15.—INSPECTION.

(1) The owner or his authorized agent, or the plumber, drainer, or contractor carrying out the work, must give at least twenty-four hours' notice to the Authority of his intention to commence work, and also when any work is ready for inspection. All work must be left uncovered and convenient for examination until inspected and approved of by an inspector appointed by the Authority. Such inspection shall be made within twenty-four hours of such notification being received at the office of the Authority, except when notification is received on Saturdays, when sixty hours must be allowed.

(2) The inspecting officer may apply the ether, peppermint, water, or smoke test, and the plumber or drainer shall furnish all the necessary tools, labour, and assistance for such tests. The owner or other person responsible shall remove or repair any defect when so ordered by the inspecting officer, and if he neglect or fail to do so he shall be liable, upon conviction, to a penalty not exceeding Five pounds, and to a penalty not exceeding One pound for every day thereafter, during which such neglect or failure shall continue.

(3) Before the fittings are connected with the plumbing of any house or building, or after, if so ordered, and before the soil or waste pipe is connected with the sewer, the outlet of the soil or waste pipe and all openings into it below the top shall be hermetically sealed. The pipes shall then be filled with water to such a height as the superintending officer of the Authority shall require, and every joint carefully examined for leaks. Work already in place may be examined by the

peppermint or other tests. Defective pipes must be removed and replaced by sound ones, and all defective joints made tight, and every part of the work made to conform to this By-law, and subject to the approval of an officer appointed by the Authority.

(4) House drains, whether laid by the Authority's workmen or others, must be thoroughly tested in every case before being passed by the Authority's officers. When being tested with water there must be a head of at least six (6) feet above every part of the drain.

16.—DEFECTIVE FITTINGS.

(1) Any drain-pipe, soil-pipe, trap, water-closet, urinal, sink, or other fitting laid, used, or constructed otherwise than in accordance with this By-law, or which shall, in the opinion of the Authority, be or become bad, or of defective quality, shall, upon notice in writing from the Authority to the owner or occupier of the property, be by such owner or occupier removed or repaired in the manner determined, and within the time fixed by the Authority; and in case such owner or occupier fails to comply with the requirements of such notice he shall be liable to prosecution and penalty for an offence against the Act, or the Authority will, if it think fit, remove or repair the said defective fitting, and charge such owner or occupier of the premises with the cost so incurred, and will proceed for recovery of the same in manner provided by the said Act.

17.—STOPPAGES IN DRAINS.

(1) Owners and occupiers of premises are responsible for clearing stoppages in drains within their premises or between their premises and the sewers into which the branches lead, but must employ only certificated or licensed men to clear same under permit issued by the Authority.

(2) Before any person commences to clear any stoppage he must notify the Authority in writing of the time when he intends to clear the stoppage, so that an inspector may attend and pass the work in accordance with the provisions of the Act.

18.—QUALITY OF MATERIALS.

(1) All materials used must be approved of good quality and free from defects. The work must be executed in a thorough and workmanlike manner, and to the satisfaction of the Authority. No sanitary fitting shall be allowed to be connected to the sewers of the Authority unless it be of a type previously approved by the Authority, or unless special permission has been given by the Engineer-in-Chief for connexion of such fitting.

(2) The utmost care must be exercised on all house connexion work to insure that only materials which are in accordance with the Authority's by-laws and regulations are used.

19.—CAST-IRON DRAIN PIPES.

(1) All cast-iron pipes must be sound, free from holes or cracks, and coated with tar or asphaltum.

(2) The following weights will be accepted as standards for cast-iron drainage pipes:—

- 4 inch diameter, 16 lbs. per lineal foot.
- 5 inch diameter, 20 lbs. per lineal foot.
- 6 inch diameter, 23½ lbs. per lineal foot.

(3) All fittings used in connexion with such pipes shall correspond with them in weight and quality. All junctions must be curved; right-angled junctions must not be made.

20.—DRAINAGE—SEPARATE OR COMBINED.

(1) The drainage of each tenement is to be arranged for separately, unless in cases of properties belonging to the same owner, or where, in the Authority's opinion, special reasons exist for draining by a combined operation and the Authority consents thereto.

(2) Owners desiring to have the drainage of their properties combined must sign a request for a combined drain.

(3) In any case where it appears to the Authority that any building or premises may be sewered and drained more economically or advantageously in combination than separately, the Authority may order that such buildings or premises shall be connected with any sewer or drain constructed under order of the Authority for the sewerage or draining by combined operation of any group or number of houses or block or blocks of vacant land.

(4) Not more than two houses shall be combined except by the permission of the Engineer-in-Chief.

(5) When the drainage of more than two properties is combined an inspection chamber must be provided if shown on plan or ordered.

(6) Where a combined drain draining two or more tenements or properties has been constructed the Authority at any time, upon giving the owner or owners of such combined drain three months' notice in writing of its intention so to do, may take over and acquire possession of such combined drain without compensation or payment therefor, and thereafter such combined drain shall be and remain a sewer of the Authority.

(7) Except as hereinafter otherwise allowed, every owner, occupier, or mortgagee shall cause each tenement to be provided with at least one water-closet, and one yard sink or slop sink, and every such water-closet and sink shall be of approved design fitted with traps and connected by means of a drain

directly or indirectly, as may be approved by the Authority, with a sewer of the Authority, and every sink, bath, trough, basin, and other fitting shall be similarly connected to the sewers as this By-law provides.

(8) All drains must, wherever considered necessary by the Authority, join in a manhole at least 3 feet (3-ft.) long and two feet (2-ft.) wide, fitted with a closed cover if for inspection purposes only, or with an open grating if for ventilation purposes. The portions of the drains crossing the floor of the manhole must join the drain, either in a straight line or by curved junctions in the floor of the manhole.

(9) The drains outside of the house or building, or from isolated water-closets to the sewer shall be constructed of pipes of approved quality and manufacture.

(10) Cast-iron pipes jointed with lead, as is usual in water pipes, or other approved pipes, surrounded with at least six inches (6 in.) of Portland cement concrete, must, where ordered, be used, such concrete to be composed of one part Portland cement, two parts of clean sand, and four parts of stone of 1½-inch gauge, or gravel approved by the inspector—

- (a) In yards or places liable to heavy traffic, where the cover over the drain is less than two feet, or within fifteen (15) feet of trees.
- (b) In cases where the construction of drains under buildings is unavoidable.
- (c) Where drains or fittings are to be laid and fixed at a distance of less than 6 feet from any cellar, basement, underground tank, or other excavation, or in bad, loose or newly-filled ground, or wherever ordered.

(11) In all other cases drains must be of first quality, salt-glazed vitrified stoneware or other approved tested pipes.

21.—PIPE TRENCHES.

(1) The trench for the drain from any property shall be dug so as to meet the Authority's sewer at the position of the junction provided or to be provided for the connexion. In refilling the trench fine earth or sand or gravel shall first be deposited round the sides of the pipe and to a height of one foot and carefully rammed, after which the remainder of the trench shall be filled in layers twelve inches in thickness each well rammed. The surface material shall then be restored as nearly as possible to the same condition as it was in before operations were commenced.

(2) The excavations for drains and other works in connexion with sewerage or drainage shall be taken out neatly and with every care, and they shall, where necessary for the safety of workmen and the public or of any adjoining building or buildings, be suitably timbered, and any building or buildings adjacent to such trenches or which may possibly be injuriously affected by the work shall be effectively supported by shoring, and the works shall be provided with proper hoardings and night lights.

22.—LAYING DRAINS.

(1) All drains must be at least four inches in diameter, except where otherwise ordered by the Authority.

(2) The cover of the branch on the sewer shall be carefully removed so as not to injure the socket.

(3) All pipes shall be carefully bedded on the barrel in the solid ground.

(4) Where in the opinion of the Engineer-in-Chief it is necessary, cast-iron pipes must be used or stoneware or cement concrete pipes bedded in concrete of dimensions approved by the Engineer-in-Chief, such concrete to be composed of one part Portland cement, two parts of clean sand, and four parts of stone of one and a half-inch gauge or gravel approved by the inspector.

(5) Stoneware or cement concrete pipe drains must not be laid less than one foot deep from the surface to the top of socket of pipe. Where this amount of covering cannot be obtained, the stoneware or cement concrete pipes must be entirely surrounded with not less than six inches of Portland cement concrete, or the surface of the ground must be raised to the satisfaction of the Authority's inspector.

(6) All stoneware or cement concrete pipe drains under buildings and within 15 feet of such trees as the proper officer may consider dangerous to the sewer, such as willows, peppers, gums, Moreton Bay figs, &c., must be surrounded with not less than six inches of Portland cement concrete.

(7) Jump-ups, where allowed, must be bedded on six inches of Portland cement concrete, as shown in type drawing or connected to such further extent as may be ordered.

(8) The drain pipes shall be laid on an even grade of not less than 1 in 40 if a four-inch pipe be used, or of 1 in 60 if a six-inch pipe be used, unless by special permission of the Engineer-in-Chief, in which case special provision must be made for regular and efficient flushing.

(9) That part of the drain which acts as vent only must be given as great a fall as possible.

(10) As far as possible, all drains shall be laid in straight lines; where changes of direction occur they shall be made either by suitably curved pipes having cleaning openings or in manholes.

(11) After the drain is laid and before the cement is set the whole of the inside of the pipes shall be cleaned out with a full-size swab.

(12) On all drains standard oval cleaning openings shall be provided at least at every 40 feet; also at each change of direction; at the outlet of every water-closet, slop sink, and soil pipe; at each change of grade; and elsewhere as shown in the Authority's diagrams, or directed by the inspector.

(13) Stoneware or cement concrete drain pipes may be substituted for cast-iron drain pipes in every case except where the ground is soft or liable to heavy traffic; but in all cases where stoneware or cement concrete is substituted for cast-iron the pipes must be entirely surrounded by not less than six inches of Portland cement concrete, whether inside or outside of buildings.

(14) All drain pipes carried through walls must have a space of about three inches clear left over the pipes with approved provision against ingress of vermin.

(15) If a pipe be cut out for any reason, or if a pipe be broken, it must be replaced by a new cleaning pipe. The old pipe must not be patched up.

(16) Where outside closet buildings require repairing or removing, the necessary work within the space covered by the closet buildings must be carried out before the water-closet branch is laid; but other portions of the drain may be laid, provided provision be made for effectually testing the closet branch when laid.

(17) Wherever a paved, asphalted, or tar-paved yard or space has been broken in connexion with a house drainage, the surface where so broken must be restored as nearly as possible to the same condition as it was in previously, unless otherwise required by the owner in writing.

23.—MARKING OF CLEANING OPENINGS.

(1) After inspection of drains and before water test is applied the position and distance of the cleaning openings must be marked on the nearest permanent object at a height of 2 ft. 6 in. Such markings must be made in a neat and orderly manner with paint or some equally durable material.

24.—JOINTS—DRAINAGE.

(1) Cast-iron pipes shall be jointed with gasket and lead, and caulked so as to make the joints gas and water tight. Wrought-iron pipes shall be screw jointed with white lead.

(2) Stoneware pipes conveying acid discharges shall be put together with bitumen jointing; the pipe shall be previously warmed, and the bitumen jointing run hot and full.

(3) Joints of stoneware or cement concrete pipes shall be made with Stamford joints or cement joints composed of two parts of sand to one of cement.

(4) The ends of all private drains not immediately connected with the plumbing fixtures shall be securely closed with water-tight, imperishable materials. If stoneware or cement concrete, a stoneware, cement concrete, or cast-iron disc must be cemented in; if wrought-iron, a plug must be screwed on the end; if cast-iron, a cast-iron plug must be caulked in with lead.

25.—VENT PIPES—DRAINAGE.

(1) The main drain leading to the sewer must be vented at its upper end by a pipe or shaft erected vertically to such a height that the mouth of the pipe or shaft shall be at least 6 feet higher than any window, door, or other opening situated within a distance of 50 feet therefrom.

(2) Branch drains need not be vented if the drainage traps be within fifteen feet of the main drain.

26.—SPECIAL CASES—VENTILATION.

(1) In any case where the above described arrangements are not applicable for the ventilating of the main drain it shall be ventilated in such manner as the Authority may direct.

(2) Pipes used solely as ventilating pipes, and situated wholly outside buildings may be of cast-iron, wrought or galvanized iron above ground level; beneath the surface of the ground cast-iron or stoneware must be used.

(3) Dry venting of drains is prohibited.

(4) Every vent pipe extending upwards from a soil or drain pipe must be carried to such a height as may be deemed necessary by the Engineer-in-Chief; and in any case at least 2 feet above the highest part of the roof or coping, and a minimum height of 20 feet.

(5) Every vent pipe must be of undiminished size, without return bend, with basket end, and it must not open near a window, a chimney, or an air shaft which ventilates living rooms.

(6) Where the erection of any new building or the alteration or addition to or extension of any existing building causes the existing ventilation provision of any existing building to no longer comply with the provisions of this By-law, such ventilation provision shall be at once brought to comply with the By-law under the new conditions.

(7) No person shall commence to erect any new building, or to cause any existing building to be altered, added to, or extended, so as to involve the extension or alteration of the existing ventilation provision of any existing building, unless such person shall have previously made the necessary alterations or additions to the existing ventilation provision of the existing building, at his own expense, to the approval of the Authority, or with the consent of the Authority given an approved undertaking so to do before the new work is completed.

(8) All the main vents on house drains shall be of the same diameter as the drains unless special permission be given to vary their dimensions.

(9) No chimney flue shall be used to ventilate any drain, soil, or waste pipe.

(10) All inlets to drains or openings for ventilating shall be efficiently protected by proper gratings of ample area. The aggregate area of apertures in any grating covering a ventilation opening shall not be less than the sectional area of the pipe or drain to which such grating is fixed. All openings for ventilation made in accordance with this By-law, or upon order of the Authority, shall at all times be kept open and perfectly free from obstruction.

(11) All galvanized sheet-iron vent pipes used to ventilate the drainage system, or used as anti-syphonage pipes to soil or waste pipes from closets, slop sinks, or urinals, must be coated with hot tar or asphaltum inside before erection.

(12) All drainage sheet-iron vent pipes must be double galvanized.

(13) Whenever vent pipes from drains are not more than twelve feet above the offset they will not require staying; if longer they must be stayed with half-inch galvanized wrought-iron pipe.

(14) When a galvanized sheet-iron pipe, with or without an offset, is carried up above the brick wall of a building, a galvanized wrought-iron pipe clip shall be used, leaded to wall near the top wherever possible and bolted against vent pipe. All hand-iron clips of vent pipes to brick walls must be fastened with nuts and bolts, leaded in.

(15) A length of 20 feet of straight vent pipe without offset may be fixed without stays.

(16) There shall be at least one pipe hook or clip to each 6 feet length of vent pipe.

(17) All sheet-iron vents shall be double riveted at the joints, and the upper pipe shall have the inner lap.

(18) When vent pipes terminate more than 6 feet from chimney opening, at the same level, the ordinary rules as to height are to apply; but when the distance is 6 feet and under, the vent pipe must terminate 6 feet above the chimney opening. Vents must, as far as possible, be kept away from chimneys.

(19) When it is not possible to carry vent pipe above the parapet or ridge the pipe must be carried up as high as it will stand without staying, provided it is 50 feet from a window or door. When it is at a less distance than this it must be carried up 6 feet higher than any window or door opening within a radius of 50 feet of the vent pipe, and have sufficient stays to support it.

(20) Wooden blocks for vent pipes will not be allowed on walls; when used on posts they must be of redgum or jarrah.

27.—TRAPS—DRAINAGE.

(1) Traps of five (5) classes shall be used:—

- (a) "Traps" for intercepting gases only, to be of round section and self-cleansing form, but not so easy as to empty by momentum or suction.
- (b) "Silt Traps" for intercepting both gases and solids, to have slightly tapered sides, flat bottom, and rounded, not sharp angles, and provided with trays fitted with handles for catching and removing solids.
- (c) "Grease Traps" for solidifying and collecting grease or other semi-fluid matter liable to foul pipes.
- (d) "Acid Traps."
- (e) "Petrol" and other "Traps."

(2) The term "gully" is applied to traps (a) and (b) in cases where they are to be used externally, and fitted with dished tops and gratings. In such case the dish must be in one piece with the trap, or jointed thereto spigot and socket, and the depth of the dish from the top to the grating must not be less than five inches, and the grating must be removable, but fixed in with bitumen.

(3) The term "disconnecter" is applied to traps in cases where provision has to be made for inlet ventilation to the pipe discharging therein.

(4) All traps must have a water-seal of at least half the diameter of the outlet pipe, but in no case of less than two and a half inches.

(5) Unless a slop sink be fixed inside the building a gully trap must be provided in the yard of every tenement, placed as near as possible to the back or kitchen door, with a tap placed over it at a height of about two feet, except in cases where the owner desires the tap to be placed higher; provided that where there is no polluted liquid waste in timber yards, wood yards, blacksmiths' shops, and the like, a yard gully or slop sink need not be installed unless ordered.

(6) Gully trap basins and tops of silt traps must be surrounded with brickwork or concrete neatly rendered inside with cement mortar. The internal diameter of brickwork around gully traps, measured from face of cement rendering, must not be less than fifteen inches, and must be neatly rounded to meet the gully top. The walls at rear of gully and silt traps, if of brick or stone, must be cement-rendered to height of tap; if taps abut against a wooden wall, a sheet of galvanized iron apron must be fixed.

(7) The top of all traps must be at least six inches above the surface of the surrounding ground.

(8) Gratings to gully traps must not be less than six and seven-eighths inches overall, with openings of suitable outlet capacity.

(9) All gratings must be fixed down in an approved manner with bitumen or wedges of lead. In the case of a gully trap, bitumen only must be used.

28.—GREASE TRAPS.

(1) Every grease trap shall be fixed outside the premises, wherever possible, and (if not portable) must be of stoneware or cement concrete and attached directly to the drain or disconnecter trap.

(2) The size of grease traps in ordinary cases must be as nearly as possible the following, viz.:—Portable copper, 21 inches in length; stoneware or cement concrete, 27 inches in length.

(3) Wherever a grease trap is used inside a building it must be fitted so as to be easily movable, and be of copper or of galvanized iron.

(4) The size of the grease trap discharge pipes, except in special cases, must not be less than 3 inches for copper or galvanized iron, and 4 inches for stoneware or cement concrete.

(5) All large grease traps which are built in brick or slate must have provision made for inlet and outlet ventilation.

(6) All such places as food packing houses, butchers' shops, hard-rendering establishments, hotels, restaurants, boarding-houses and laundries, and wherever ordered by the Engineer-in-Chief, shall be provided with suitable approved grease traps.

29.—ADDITIONAL GULLY.

(1) Where the domestic washing of clothes is carried out in independent tubs, and the wash-house door is more than six feet away from the gully trap at back door, an additional gully trap must be fitted for the wash-house.

30.—BOUNDARY TRAPS PROHIBITED.

(1) The fixing of any trap commonly known as Boundary or Interceptor Trap between any sewer of the Authority and any house drain system is absolutely prohibited, except in the case of house drains connecting directly with the main outfall sewer below the junction of the Bendigo main sewer and the Quarry Hill sub-main at Bayne-street. All house drains connecting with such main outfall sewer shall make such connection through a boundary or interceptor trap of same bore as drain placed in such position near main outfall sewer as may be ordered and provided with an inspection opening and cap and closed cover on sewer side of trap; cover to be of such weight and pattern as may be ordered in every case. A cleaning opening and ventilator of type ordered must be provided on drain side of trap.

31.—WHEN DISCONNECTOR TRAPS DISPENSED WITH.

(1) Any trapped fitting situated in any room or place that complies with the conditions laid down for internal water-closet as to isolation, lighting and ventilation, may by permission of the Engineer-in-Chief be connected direct to any soil-pipe, or drain without any disconnecter trap being interposed, if such fitting be amply back-vented full bore at its own trap.

PART V.—WATER SUPPLY

32.—WATER SUPPLY.

(1) All water-closets and other plumbing fixtures must be provided with a sufficient supply of water for flushing purposes to keep them at all times in a proper and cleanly condition.

(2) Every owner of property who shall desire, or who shall have been ordered by the Authority, to provide sanitary appliances for his property, and to connect the same with the sewers of the Authority, must, prior to or at the commencement of the work of making such connection, provide piping approved by the Authority for the conveyance of water, and cause the same to be joined to the most convenient water supply main, or, with the permission of the Authority, to some pipe already joined thereto, which piping must be of capacity sufficient to supply all sanitary fittings on the premises freely and continuously, and convey to the flushing cistern of each water-closet upon the property enough water to fill such cistern within three minutes, and he shall cause such piping to be connected with such cistern prior to the completion of the work.

(3) No water service pipe shall be laid to supply any sanitary fitting in any property in the sewered area unless such fitting be connected with the sewers of the Authority; or unless the special permission of the Authority in writing shall have been previously given to lay on such water supply.

(4) The piping to convey a supply of water to a tenement for sanitary uses shall not, for the purpose of obtaining such supply, be joined to the piping which conveys water to another tenement unless authorized.

(5) Where two or more tenements have a joint or trunk service each tenement when a sewered property within the meaning of the Act shall either—

- (a) be provided with an independent direct service from a street water main, or

(b) be provided with a storage tank of not less than 100 gallons capacity for each water-closet, each urinal, and each housemaid's sink, whether internal or external, and connected with cistern of same as hereinbefore provided.

(6) All water service pipes laid or relaid in the ground or renewed therein in connexion with the supply of water to sewerage fittings shall be laid or placed at least nine (9) inches below the surface at shallowest point within the owner's property and at least eighteen (18) inches below the surface at the shallowest point outside the property.

33.—WATER STORAGE TANKS FOR W.C.'s, ETC.

(1) Water-closets, urinals, and slop sinks constructed within any main building, or in any position at factories, workshops, workplaces, schools, hotels, lodging-houses, places of amusement, and any water-closets, urinals, and slop sinks if so ordered by the Authority, must be provided with a storage tank or tanks, capable of holding in the aggregate six gallons of water for each occupant of the building, provided the minimum storage shall be 20 gallons and the maximum need not exceed 800 gallons. Such storage tanks may be made of 22-gauge galvanized sheet iron, or 24-gauge corrugated iron, or other approved material, and in each case shall have a good covering coat of best anti-corrosive or other approved paint or mixture applied to the interior or waterfaces.

(2) The storage tank may be placed in closet room, or on the roof, or between the ceiling and the roof, in which latter case a galvanized sheet iron or a lead safe with waste pipe having a visible outlet must be fixed under the storage tank. In each case the storage tank shall be readily accessible.

(3) Where in the opinion of the Authority the water supply is regularly deficient during portions of the 24-hour day the provision of storage equivalent to 10 gallons for each person the tenement is capable of accommodating with a minimum of 75 gallons shall be made if ordered.

(4) Water supply pipes to storage tanks must be $\frac{1}{2}$ inch diameter for tanks up to 20 gallons, and $\frac{3}{4}$ inch for tanks of larger size, and be provided with high-pressure ball-cock.

(5) Outlets from storage tanks must not be less than $\frac{3}{4}$ inch when supplying one or two cisterns, and 1 inch for three to six cisterns. Whenever a larger number than six cisterns is fixed, the size of the outlet must be increased. The overflow from storage tanks must be $\frac{1}{4}$ inches in diameter, and a stop-cock must be fixed on the rising supply pipe to tank.

(6) Low-pressure ball-cocks shall be fitted on all cisterns served from a storage tank with 20 feet or less head.

(7) Where any deviation from these provisions is desired, in special circumstances, an application in writing (in addition to the plumber's notice) must be made, and must distinctly state the reasons why such deviation is required, and pending the consent of the Authority the work must not be undertaken.

PART VI.—SANITARY PLUMBING.

34.—METAL PIPE, DIMENSIONS, GRADES, ETC.

(1) The following are the minimum sizes of soil, waste, and vent pipes, and weights of lead, soil, waste, and vent pipes, which must be used throughout, unless otherwise specially ordered by the superintending officer with the proviso that the trap and waste must not in any case be less in diameter than the outlet from fitting measured at the grating:—

| Fitting. | Diameter of Waste Pipe. | Minimum Weight of Lead Waste Pipe. | Diameter of Back Vent Pipe. | Minimum Weight of Lead Vent Pipe. |
|-----------------------------|----------------------------------|------------------------------------|----------------------------------|-----------------------------------|
| | inches | lbs. | inches | lbs. |
| One Wash Basin .. | $1\frac{1}{4}$ to $1\frac{1}{2}$ | 6 | $1\frac{1}{4}$ | 6 |
| Row of Wash Basins .. | $1\frac{1}{2}$ to 2 | 6 | $1\frac{1}{2}$ | 6 |
| Wash Basin Overflow .. | $1\frac{1}{4}$ to $1\frac{1}{2}$ | 6 | .. | .. |
| One Bath .. | 2 | 6 | $1\frac{1}{2}$ | 6 |
| Combined Waste for Baths .. | 2 to 3 | 6 | 2 | 6 |
| Bath Overflows .. | $1\frac{1}{2}$ to 2 | 6 | .. | .. |
| Wash Trough .. | $1\frac{1}{2}$ | 6 | $1\frac{1}{2}$ | 6 |
| Set of Troughs .. | $1\frac{1}{2}$ into 2 | 6 | $1\frac{1}{4}$ to $1\frac{1}{2}$ | 6 |
| Kitchen Sink .. | 2 | 6 | $1\frac{1}{2}$ | 6 |
| Pantry Sink .. | 2 | 6 | $1\frac{1}{2}$ | 6 |
| Slop Sink .. | $2\frac{1}{4}$ to 4 | 7 | 2 | 7 |
| One Urinal .. | $1\frac{1}{2}$ | 7 | $1\frac{1}{2}$ | 7 |
| Row of Urinals .. | 2 | 7 | $1\frac{1}{2}$ to 2 | 7 |
| Soil Pipes .. | 4 | 7 | 2 to 3 | 7 |

(2) All such cast-iron pipes and fittings must be sound, free from holes and cracks, and coated internally and externally with asphaltum or other approved protective composition.

(3) The following weights are standard for cast-iron soil, waste, and vent pipes:—

2 inch diameter, $5\frac{1}{2}$ lbs. per lineal foot ($\frac{1}{4}$ inch min. thickness).

3 inch diameter, 8 lbs. per lineal foot ($\frac{1}{4}$ inch min. thickness).

4 inch diameter, $10\frac{1}{2}$ lbs. per lineal foot ($\frac{1}{4}$ inch min. thickness).

(4) No such cast-iron pipe laid in the ground or fixed above the ground shall, for the first nine feet above the ground, be less than the standard weights given in Clause 3, but cast-iron soil, waste, and vent pipes in other positions, if not under heavy pressure, may be $3\text{-}16$ th inch in thickness (without coating), if glass-enamelled internally or coated throughout with Angus Smith's or other similar approved composition. NOTE.—C.I. pipe, 4 inch diameter, $\frac{1}{4}$ inch thick, equals $10\frac{1}{2}$ lbs. per foot; C.I. pipe, 4 inch diameter, $3\text{-}16$ th inch thick, equals 9 lbs. per foot.

(5) All wrought-iron pipes must be of approved standard weight and quality and galvanized or coated to the satisfaction of the Authority.

(6) All fittings used in connexion with such pipes shall correspond with them in weight and quality, and be at least of the weight, form, and dimensions of the samples on view at the stores of the Authority.

(7) All junctions must be curved; right-angled junctions must not be made.

(8) All soil pipes shall be at least four inches in diameter.

(9) Where lead or cast-iron soil or waste pipes are fixed outside a wall for upstairs fittings, the pipes must be carried up above the level of the highest fitting attached.

(10) Where lead pipe is used for waste or vent pipes, such pipes must not be lighter than of 6-lb. lead; but where, in the opinion of the Engineer-in-Chief, a heavier weight may be required, such heavier weight as the Engineer-in-Chief shall desire must be used. Lead soil waste or vent pipe is to be used only when specially permitted by the Engineer-in-Chief.

(11) The arrangement of vent soil and waste pipes must be as direct as possible.

(12) The following are the minimum gradients to be adopted:—

| Sizes of Pipes. | Gradients. | Sizes of Pipes. | Gradients. |
|-----------------|-------------|-------------------------|------------|
| 6 inch ... | 1 in 60 ... | $1\frac{1}{2}$ inch ... | 1 in 15 |
| 4 inch ... | 1 in 40 ... | $1\frac{1}{4}$ inch ... | 1 in 12 |
| 3 inch ... | 1 in 30 ... | 1 inch ... | 1 in 10 |
| 2 inch ... | 1 in 20 | | |

No variation will be allowed except by permission of the Engineer-in-Chief.

35.—JOINTS—PLUMBING.

(1) All connexions of lead waste and vent pipes shall be made by means of wiped joints.

(2) All connexions of galvanized sheet-iron pipes to cast-iron pipes shall be made with bitumen or with molten lead lightly caulked.

(3) Brass cap and lining must be used in connecting galvanized sheet-iron to wrought-iron pipes; and proper brass sleeves must be used in connecting galvanized sheet-iron pipes to lead pipes. Sheet-iron pipes must not be soldered to lead pipes.

(4) All joints connecting lead pipes or lead pipes and brass ferrules must be wiped joints, and in no case shall "bolt" or "copper bit" joints be allowed. No "bolt" or "copper bit" joints shall, under any circumstances, be allowed in any water service.

(5) All connexions of lead pipes with iron pipes must be made with a brass sleeve or ferrule of the same size as the lead pipe, put in the socket of the branch of the iron pipe, and caulked with lead. The lead pipe must be attached to the sleeve or ferrule by a wiped joint.

36.—JOINTS—LEAD TO IRON AND STONWARE PIPES.

(1) In every case the connexion of a lead pipe or trap to a cast-iron pipe or stoneware pipe drain shall be made by means of a brass ferrule; the brass ferrule shall be connected to the lead pipe or trap by means of a plumber's wiped joint and to the cast-iron pipe or stoneware pipe drain by inserting it in the socket thereof and making the joint to the iron pipe with molten lead and properly caulked and to the stoneware pipe with cement mortar.

37.—JOINTS—STONWARE TO LEAD PIPE.

(1) In every case the connexion of a stoneware trap or pipe to a lead pipe shall be made by means of a brass or cast-lead socket or other similar approved appliance; the outgo of the stoneware trap or pipe shall be inserted in the brass or lead socket and the point made with Portland cement or other approved material; the lead pipe shall be connected to the tail end of the brass or lead socket by means of a plumber's wiped joint.

(2) In connecting galvanized wrought-iron waste pipes the ends of the pipes must be butted by means of short sockets of a minimum length of $1\frac{1}{2}$ inches or the pipes must be sufficiently threaded to allow of the butting being done.

(3) The flushing pipe from cistern to water-closet must be connected by a lead cap-piece with red lead packing.

(4) Vent pipes must be connected to the vent horn of the water-closet trap by a lead cap-piece with red lead packing.

38.—TRAPPING FITTINGS.

(1) Every water-closet, urinal, lavatory, slop, or other sink, bath, and wash trough, or set of wash troughs, must be separately and effectively trapped.

(2) Traps must be placed as near to the fittings as possible, and in no case shall a trap be more than two feet from a fitting unless specially allowed by the Engineer-in-Chief.

(3) In the event of trap syphoning, it must be prevented by a special pipe connected to the waste pipe at a point not less than three nor more than twelve inches from the highest part of the trap, and on that side of the water seal which is nearest to the soil or waste pipe.

(4) All lead traps must be of 7-lb. drawn lead.

(5) All traps must have a water seal of at least half the diameter of the outlet pipe, but in no case of less than two and a half inches.

(6) The P form of traps, with wastes above floors, and with joints visible and accessible all round, must be used in all internal fittings where possible.

(7) The S form of traps, with wastes under floors, shall only be used by special permission. Where used, facilities for periodical inspection must be provided.

(8) In detached closets and urinals approved S forms of traps in earthenware with points visible and accessible all round may be used.

(9) All fittings inside of main building and also in buildings directly attached to a main building with doors or windows opening directly into living rooms, work rooms, or kitchens must be trapped.

(10) Bath, lavatories, wash troughs, and clean water sinks may remain untrapped where fixed under any of the following conditions—provided the length of the waste pipe, measured from centre of furthest inlet to end of outlet, does not exceed six feet, or in case of wash troughs 10 ft. :—

- (a) On a verandah which is attached to the main building, but not enclosed in front; or
- (b) In an apartment not forming part of the main building, and entered only from an open verandah, but having no opening communicating directly with the main building; or
- (c) In an outbuilding not used as a living room; or for cooking, and not connected directly by openings with the main building.

(11) Kitchen sinks may remain untrapped when fixed under any of the foregoing conditions, providing the length of waste pipe does not exceed three feet.

(12) Every wash trough or set of wash troughs inside a main building or in a building directly attached to a main building with doors or windows opening directly into living rooms, work rooms, or kitchens shall be trapped, but if fixed in an outbuilding may remain untrapped where the waste pipe does not exceed ten feet in length.

39.—BRASS TRAPS.

(1) In all cases—excepting only on porcelain fittings—preference shall be given to the use of brass traps. Lead traps may only be used when specially permitted by the Engineer-in-Chief.

(2) A brass cap and lining shall be used to connect all waste fittings to waste pipe, or trap.

40.—TRAP SCREWS AND CLEANING EYES.

(1) Where a trap is situated in a position not open to inspection, such as under ground floor, a trap screw will not be allowed.

(2) All other metal traps shall be provided with sufficient cleaning openings closed with brass trap screws and placed for easy access for cleaning purposes, screwed joint to be made with approved insertion and not red lead.

(3) Sufficient inspection and cleaning eyes must be provided in such positions on cast or wrought iron wastes as to be easy of access, for proper cleansing of these wastes.

(4) In all soil pipe stacks an inspection opening is to be provided near the ground level and also at every branch and at every change of direction.

(5) Where inspection openings are provided to soil and waste pipes, preference must be given to insertion cloth washers before red lead.

41.—WASTE PIPES.

(1) Separate internal wastes shall be provided for each of the following classes of polluted waters, viz. :—

- (1) Dirty water from baths, pantry, and china closet sinks, lavatories and wash troughs, and other waters with a small proportion of soap and dirt.
- (2) Greasy water from kitchen and scullery sinks, where grease is liable to accumulate.
- (3) Soil water from closets, and other water containing fecal matter, and urinal water from housemaids' slop sinks and public and private urinals.

(2) Each of these separate waste pipes (except those for soil water, urinal and slop-water) must be connected with the drains through a gully or disconnector trap, waste pipe being taken through the external wall of the building in which fitting is situated by the shortest possible route.

(3) Lead pipes must not be used under ground floors where they are inaccessible or in the soil. In such places cast-iron, wrought-iron, or earthenware pipes must be used, to be not less than four inches in diameter when below ground.

(4) In exposed positions, or where lead pipe would be liable to injury, galvanized wrought-iron waste pipes shall be used.

(5) Waste pipes laid in the ground outside any building shall be of approved vitrified stoneware unless otherwise allowed.

(6) The area of opening in gratings to any waste must not be less than will fully charge the waste pipe to which it is attached; and must be in accordance with the Authority's standard drawings.

(7) A main waste pipe into which lavatories, baths, or sinks discharge must be at least two inches (2 in.) in diameter.

(8) Where so directed the outlet of a floor or safe waste pipe shall be provided with a brass flap valve.

(9) Waste pipes from disconnected fittings need not be ventilated unless they exceed twelve feet in length, and branch wastes to such fittings, if connected with the ventilated main waste, provided there be no other fittings attached to the line of waste, may be 12 feet in length without being ventilated, unless syphoning occurs in a trap, in which case a vent pipe must be supplied to the waste of that trap.

42.—SOIL PIPE.

(1) The soil pipe from every water-closet shall be placed outside the building, unless it be found impracticable to do so, and shall have an internal diameter of not less than four inches. It shall be continued upward without diminution of its diameter, and except where unavoidable, without any bend or angle being formed in such soil pipe, to such a height, and in such a position, as to afford by means of the open end of such soil pipe, a safe outlet for foul air.

(2) In all cases the upward extension from the soil pipe for ventilation must pass in as direct a manner as possible above, and if necessary, through the roof.

(3) The open end of every soil pipe and vent pipe shall be furnished with a strong copper, or galvanized iron wire basket-guard covering of approved baloon shape, the aggregate area of the openings in the meshes of which shall be not less than twice the sectional area of the soil pipe.

(4) The soil pipe shall be so constructed that there shall not be any trap in such soil pipe, or between the soil pipe and any drain or sewer with which it is connected.

(5) In all cases where the vertical stack or soil pipe provides for closets four feet or more above ground level, a short length of pipe, with inspection opening cover close to the ground, clamped to a flange on the pipe with bolts, must be fixed.

43.—VENT PIPES.

(1) External vent pipes of galvanized iron must not be of less gauge than the following :—

| | |
|-------------------------------|-----------|
| 1½ in., 2 in., and 2½ in. ... | 22 gauge. |
| 3 in. and 4 in. ... | 20 gauge. |
| 6 in. ... | 18 gauge. |

(2) Vent pipes, if inside a building, must in all cases be of cast or wrought iron, or, where allowed in special cases, of lead. Grooved or riveted double galvanized iron vent pipes may be used where they are entirely outside a building, and these must be connected with the traps or waste pipes with brass ferrules, or other joints approved by the Engineer-in-Chief.

(3) The various vent pipes may be branched into a soil or waste pipe of the same class above the level of the highest fixture. They may be combined by branching together those which serve several traps of the same class.

(4) Vent pipes must always have a continuous slope, to avoid collecting water by condensation.

(5) Vent pipes shall not be used as waste or soil pipes.

(6) Galvanized sheet-iron vent pipes may be used inside stables or open sheds in place of cast-iron pipes, except where liable to blows from vehicles or to other external damage.

(7) Galvanized sheet-iron vent pipe must not be fixed at a lower level than 18 inches above the top of the fitting which it serves.

(8) Anti-syphoning vent pipes of fittings discharging into gully or disconnector traps must be carried above the eaves of the building, unless special permission to the contrary be granted by the Engineer-in-Chief. These vent pipes must be branched to the waste or soil pipe, as near as possible to the trap.

(9) Where an additional branch is required to a galvanized sheet-iron vent pipe already fixed, a brass saddle piece bolted and soldered to the existing vent must be used.

(10) Connections of galvanized sheet-iron vent pipes to cast-iron do not require a brass sleeve, unless ordered by the Engineer-in-Chief.

(11) The installation of dry vents is prohibited.

44.—VENTS FROM W.C. TRAPS.

(1) Vent pipes from traps of water-closets and similar fittings connected directly to a soil pipe may be branched into one main vent pipe which shall be carried up independently of the soil vent pipe or be connected to the latter above the level of the highest soil inlet. Where such vent pipes are carried up independently of the soil vent pipe, the rules relating to the position, height and construction of soil vent pipes shall apply to such independent vent pipes. All such vent pipes shall be not less than two inches diameter.

45.—VENTILATING WASTE PIPES.

(1) A disconnected waste pipe from a bath, basin, lavatory, wash trough or sink other than a slop sink, provided there be no other fitting attached to it, need not be ventilated unless it exceeds 12 feet in length; and a branch waste pipe to any such fitting, if it be the highest branch connected with a ventilated main waste pipe, provided there be no other fitting attached to such branch waste, may be 12 feet in length without being ventilated, but if in any case syphonage is likely to occur in a trap, an anti-syphonage vent must be supplied to the waste pipe of that trap.

(2) The anti-syphonage vent pipe must be taken off the waste pipe as near as is practicable to the trap to prevent syphonage, and arranged so that the entrance to the vent will not be fouled by the discharge of the trap.

(3) The vent pipe shall be carried up as straight as is practicable to such a height and in such a position as to afford by means of the open end of such pipe a safe outlet for foul air, and such open end shall have an approved wire guard.

46.—VENTING BRANCH SOIL PIPES.

(1) Unless otherwise directed by the Authority branches from properly ventilated soil pipes to water-closets and slop sinks where not less than 4 inches diameter and branches to urinals need not be vented unless they exceed four feet in length, provided that such fitting is the topmost or is the only fitting connected with the soil pipe. Branches to slop sinks if less than 4 inches diameter must have anti-syphonage vent pipes.

47.—ANTI-SYPHONAGE VENT PIPES.

(1) In every case where there is more than one water-closet or similar class of fitting joined to a soil pipe, or more than one bath, basin or similar class of fitting joined to a waste pipe, provision must be made for ventilating the trap of each fitting, except the topmost as before provided, in an approved manner, to prevent syphonage, and so as to have a current of air continually passing through the soil or waste and vent pipes.

(2) Provided that where topmost waste is not more than 1½ inch and discharges into a main-vented waste pipe not less than 2 inches diameter, any one fitting at a lower level need not be back vented unless syphonage occurs.

48.—PIPES WITHIN BUILDINGS.

(1) No material shall be used within the building for soil, vent, or waste pipes other than wrought or cast-iron pipes with securely screwed or leaded joints, or lead pipes with wiped joints. Cement or putty joints, or tin or sheet-iron pipes, whether galvanized or not, shall not be used.

(2) The soil, waste, and vent pipes, and traps must, where practicable, be exposed to view at all times, for ready inspection and for convenience of repairing. When unavoidably placed within partitions or recesses of walls, soil, waste, or vent pipes must be covered with woodwork so fastened with screws as to be readily removable.

49.—CLIPS AND TACKS.

(1) Care must be taken in fitting clips to carry vertical iron stacks, that the clips are fitted tight up under the collars.

(2) Spacing of lead tacks must be arranged as nearly as possible, thus:—

- 4 in. vertical lead pipes, 2 ft. 6 in. centres.
- 4 in. horizontal lead pipes, 2 ft. centres.
- Less than 4 inch vertical lead pipes, 3 ft. centres.
- Less than 4 inch horizontal pipes, 2 ft. 3 in. centres.

50.—FLUSH CISTERNS FOR W.C.'s, URINALS, ETC.

(1) Flush cisterns for water-closets, urinals, and slop sinks shall be constructed of galvanized cast-iron, glass enamelled cast-iron, reinforced concrete, or other approved materials, and shall be of such dimensions and of such form of construction and with such ball cocks, stop cocks, overflow pipes, and other apparatus as shall be deemed requisite by the Authority to prevent waste of water. Every flush cistern except glass enamelled cisterns or galvanized cast-iron cisterns shall have all surfaces in contact with water freshly and thoroughly painted with red lead paint, biturine or other approved anti-corrosive paint before being fixed; this painting to be in addition to the painting done by the manufacturer.

(2) The floats of all ball cocks shall be freshly painted with biturine, asphaltene or other approved anti-corrosive paint before being fixed.

(3) The height of cisterns must, except by special permission, be at least 6 ft. 6 in. from the floor to the bottom of the cistern. The cistern must be so fixed that the ball-cock shall be accessible.

(4) Every cistern must be capable of discharging its contents at rate of two (2) gallons in five seconds.

(5) Cistern board must be in one piece, not less than 10 inches deep, and 1½ inches thick.

(6) Every cistern shall be provided with a high-pressure cistern stop-cock (or low pressure if fed from storage tank) same to be connected between water supply pipe and cistern by means of a brass union (elbow where possible), or a 12-inch length of lead pipe all of same diameter as supply pipe but not less than half inch.

(7) Pull and chain flushing cisterns or other approved apparatus operated by hand must be fixed on all urinals, water-closets, and housemaids' slop-sinks.

(8) The discharge must be equal to one gallon for each urinal stall, except where otherwise allowed by the Engineer-in-Chief.

(9) In a combination of two urinals, one two-gallon cistern may be used.

(10) Where the sparge-pipe system of flushing urinals is adopted, such sparge pipes must be of brass or copper, with gun-metal fittings, and flush one gallon for every three feet length of sparge pipe.

51.—CISTERNS BRACKETS.

(1) Flushing cisterns shall be fitted on iron brackets, which shall be securely bolted through the wall with ½-inch bolts and with screws. Iron washers shall be placed on bolts outside wall. Or in the case of wood frames the cistern shall be bolted to the cistern board, and the board bolted to the studs.

52.—FLUSH PIPES.

(1) The flush pipe from every cistern to the pan or basin of a water-closet or slop sink shall be not less than 1½ inches in internal diameter and shall be fixed as direct as possible, free from sharp bends and be full bore throughout. Such flush pipe may be of lead, weighing not less than 6 lbs. per superficial foot, or galvanized sheet-iron, not less in thickness than No. 24 gauge, or galvanized wrought-iron. The connexion of the flush pipe to the outlet of the cistern shall be made by means of a T and S brass union, wiped to lead or soldered to sheet iron. The connexion of the flush to the pan or basin shall be made by means of a lead cap piece soldered to the flush pipe, or by some equally good and durable connexion approved by the Authority.

(2) Flush pipes for urinal cisterns generally must not exceed—

- | | |
|------------------------------------|---|
| 1-Gallon cistern, ¾ inch diameter | } With branches as directed by the Engineer-in-Chief. |
| 2-Gallon cistern, 1 inch diameter | |
| 3-Gallon cistern, 1¼ inch diameter | |

(3) One pair of tacks fixed opposite is sufficient for lead flush pipes for cisterns with lugs; in other cases an extra tack must be as near to the cistern as possible.

53.—EXISTING WATER-CLOSETS.

(1) No existing room, closet, privy building or office shall be used for a water-closet unless it shall have previously been approved for such use by the Authority or until it shall have been altered, repaired, and made to substantially comply with the By-laws of the Authority. No person shall use any building for a water-closet which has been condemned for such use by the Authority.

54.—WATER-CLOSETS AND LAVINES—GENERAL.

(1) At least one water-closet, approved by the Authority, shall be provided for each house, building, tenement or land required by notice from the Authority to be connected with a sewer of the Authority. In every shop, factory, office, flat, or building containing more than one tenement, at least one water-closet shall be provided for the use of the occupiers of such tenement, and shall be so placed either within or outside of such shop, factory, office, flat, or building as to insure the due observance of decency, and to be easily accessible to such occupiers.

Provided that in the case of common open yards adjoining or spaces or passages in non-residential shops or offices in same building or terrace and in same ownership, one water-closet may, upon written application, consented to in writing by the Authority, serve for an approved number of such non-residential tenements, so long as the number of persons to be accommodated by each is not more than ten; separate water-closets being provided for persons of opposite sex and separately accessible, a condition being that such consent may at any time be withdrawn by the Authority upon notice in writing. Each such water-closet to be directly accessible from each such tenement through such common open yard, space or passage without having to pass through any other tenement or premises.

(2) After the date fixed by notice from the Authority to the owner of any house, building, or land, requiring him to connect the same with a sewer of the Authority, or after such further time as shall be allowed by the Authority for the purpose of such connexion, no privy closet other than a water-closet approved by the Authority shall be used in connexion with such house or building or upon such land.

(3) In every hotel, restaurant, lodging-house, shop, or factory separate water-closet accommodation must be provided for males and females, one water-closet pan for each ten or portion of ten persons of each sex for whom water-closet accommodation is required, unless some Act of Parliament or Order or Regulation thereunder, otherwise provides; and, in hotels, urinal conveniences also must be provided for the public frequenting the premises.

(4) The water-closets provided for or used by the residents of any tenement shall not be available to, nor used by, any other persons.

(5) In all hotels, coffee palaces, cafes and all other places of public resort separate water-closets shall be provided for the use of—

- (a) the owner or lessee;
- (b) the other persons employed or resident on the premises;
- (c) the public.

both sexes being separately provided for in the cases of (b) and (c) in accordance with the provisions of this By-law. (See sub-section 3 hereof.)

55.—WATER-CLOSETS—DETAILS.

(1) The area of any new water-closet must be not less than 14 square feet, with a minimum internal dimension of 3 feet, inside measurement. The minimum height to be not less than 7 ft. 6 in. at back and 6 ft. 6 in. in front. Seats must be either flap or hinged tip-up.

(2) Every new water-closet shall be substantially built of brick, concrete, stone, or wood, or a combination of such materials, or of other approved material.

(3) All new water-closets shall accord with the type drawings of the Authority, and unless separated therefrom by a parapet wall of brick, stone or concrete not less than 9 inches in thickness throughout or by an approved independent screen shall be at least 3 feet clear of the boundary of the land appurtenant to the tenement of which they form a part. Floors to be of concrete or other approved impervious materials.

(4) Every water-closet shall be furnished with a basin of non-absorbent material of such shape, capacity, and mode of construction as to receive and contain a sufficient quantity of water, and to allow all filth which may from time to time be deposited in such basin to fall free of the sides thereof and direct into the water received and contained in the basin. To prevent fouling of pan, the closet seat openings must not be larger than 10½ inches by 9 inches, and seats with holes so large as to cause fouling of the pan must not be used. Pans must measure at least 12 inches between the lowest edge of the front and back faces of flushing rims.

(5) Closet pans and fittings thereto must be entirely open to inspection without any enclosure.

(6) A suitable apparatus must be provided for the effective application of water to the basin of the water-closet, and for the effective flushing and cleansing of such basin, and for the prompt and effective removal therefrom of any solid or liquid filth which may from time to time be deposited therein.

(7) Every closet pan shall be furnished with a separate flushing cistern or other apparatus approved by the Authority, of at least 2 gallons capacity, which shall be so constructed, fitted, and placed as to admit of the supply of water for use in such closet pan without any direct communication with any service pipe upon the premises.

(8) Except as otherwise specially approved and allowed the flush pipe from such cistern shall not be less than 1½ inches internal diameter, and shall be fitted as straight as possible under the circumstances. The bottom of every such cistern shall be at least 5 feet above the closet seat, but in cases where this distance cannot be obtained in existing buildings without structural alterations, four feet will be allowed, but the internal diameter of the down pipe must then be two inches.

Every cistern must be fixed so that the ball tap shall be accessible. Cisterns of all closets must have a separate step-cock to each.

Cistern boards when used must be in one piece, not less than 10 inches deep and 1½ inches thick.

(9) A rubber flush pipe buffer shall be fitted to each flush pipe to receive the seat when raised.

(10) Every hinged W.C. seat or sink cover shall be provided and so maintained with approved rubber buffers at least four in number, secured on underside of same in approved positions so as to support joints of seat or cover evenly from rim of pan, basin or sink.

(11) Where flap seats are required for water-closets, with separate pans and traps, cast-iron brackets must be provided, screwed to, or built into, the back wall of the closet and supported in front by an iron support secured to the floor.

(12) Seats of all water-closets in all places other than private houses and hospitals, i.e., all places of public resort of any kind, including boarding-houses and factories, shall be of wooden tip-up pattern having if ordered an opening in front portion of at least 4 inches wide, the seat being, if ordered, the type normally in an upright position when not in actual use, such position being maintained by balance weight and not by springs, unless specially authorized in writing.

56.—CONCRETE FLOOR FOR OUTSIDE W.C.

(1) The floor of every new water-closet situated wholly or in part outside the walls of a building except in the case of water-closets above the ground floor level, shall be constructed of good Portland cement concrete not less than four inches in thickness, so laid that the upper surface thereof shall in every part be not less than six (6) inches above the level of the ground surface adjoining such water-closet. The surface of such floor shall be made neat and smooth, and shall have one

and a half (½) inches fall or inclination from the back towards the door or entrance. The frame of every wooden closet shall be securely fastened to the concrete floor with heavy hoop-iron straps 12 inches long, as the Authority's type drawings provide.

57.—INTERNAL W.C.'S.

(1) Every internal water-closet shall be constructed in such a position that one of its sides at least shall be an external wall which shall abut immediately upon the street or upon a yard or garden or open space of not less than 100 square feet of superficial area, measured horizontally at a point below the floor of such closet.

(2) Such water-closet shall not be constructed so that it is entered directly from any room for the purpose of human habitation, or for the manufacture, preparation, or storing of food for man, or used as a factory, workshop, or work place. Such water-closet shall be constructed so that on any side on which it would abut on a room intended for human habitation or use for the manufacture, preparation, or storage of food for man, or used as a factory, workshop, or work place, it shall be enclosed by an air-tight partition of brick or other approved material extending the entire height from floor to ceiling.

(3) Such water-closet apartment must be entered only from a well-lighted and well-ventilated hall, passage, lobby, or staircase; or, if proposed to be fixed in or adjoining a room used for the purpose of human habitation, or as a factory, workshop, or work place, must be cut off from such room, factory, workshop, or work place by a separate enclosure adjoining the closet apartment. Such enclosure must have a floor area of at least twenty square feet per closet, and must be enclosed on all sides with air-tight partitions extending from floor to ceiling or ceiled over with an air-tight ceiling at an approved height from the floor.

(4) Such hall, passage, lobby, staircase, or enclosure must be provided with a window having an area of at least two square feet, opening directly into the external air. If such method of lighting enclosure be impracticable, other methods of naturally lighting same must be provided.

(5) Such water-closet apartment must be provided with a window of such dimensions that an area of at least two square feet, exclusive of frame, shall open directly into the external air.

(6) In addition to a window, such water-closet apartment, and such hall, passage, lobby, staircase, or enclosure must be provided with independent, adequate means of constant inlet and outlet ventilation, by means of air-bricks built in external wall of such water-closet apartment, hall, passage, lobby, staircase, or enclosure, or by combination of an air-brick, and an air-shaft, louvred openings, or by some other effective method or appliance for ventilation. The effective area provided for outlet ventilation of each water-closet apartment, hall, passage, lobby, staircase, or enclosure, must not be less than 27 square inches, and where the level of the floor of closet is lower than the outside surface of the ground, exhaust ventilation must be provided by means of a tube at least 6 inches in diameter carried up through roof and furnished with cowl.

(7) If considered necessary by the Engineer-in-Chief all water-closets inside a main building must be vented either by a soil vent pipe or by back venting the trap at a point near the crown of the trap where directed.

(8) In every case where there is more than one closet on an upstairs floor, provision must be made for ventilating in an approved manner to prevent syphonage, and so as to have a current of air continually passing through the soil pipe.

(9) Where there are more than three closets on the ground floor, special provision must be made to prevent syphonage.

(10) All internal water-closets where separate housemaid sinks are not provided must if ordered have seats of tip-up pattern, or that automatically tip-up when lid is lifted.

(11) Except while otherwise allowed by the Authority, on request in writing by the owner accepting all responsibility in the matter, internal water-closets must be provided with storage tanks capable of holding six gallons of water for each occupant of the building. These tanks may be of 22-gauge galvanized sheet-iron, or 24-gauge corrugated iron. The storage tanks may be placed in the closet room itself, on the roof over a flat or gutter, or in an accessible place between the ceiling and the roof, in which latter case a galvanized sheet-iron or lead safe, with overflow, must be fixed under the storage tank.

58.—WATER-CLOSETS IN BATH ROOMS.

(1) In houses or tenements where there exist or are installed sufficient water-closets, whether external or internal, for the use of the inmates as required under this By-law, an additional water-closet may be placed or remain in an internal bath room if same be amply lighted from window or skylight and ventilated by window or with an open cowl vent not less than nine inches diameter passing through ceiling and roof space to at least 18 inches above level of nearest ridge, and provided that such bath room does not open directly off any room used for human habitation, or for the preparation or storing of foodstuffs.

(2) Such water-closet shall be provided with a seat and cover or lid so arranged where ordered that upon lifting the cover or lid the seat itself automatically tips up to a vertical position actuated preferably by balance weights instead of springs.

(3) Provided always that the Authority, upon application made in writing, may, in the case of persons who are the owners of the private house in which they reside, suspend the condition that a separate water-closet be also provided when under the By-law only one water-closet is required, such suspension to cease upon the premises being let to any tenant or used as a boarding-house or other than a private residence, or upon one month's notice in writing from the Authority.

(4) A pedestal pan must be used wherever a combined water-closet, housemaid's slop sink, and internal urinal is required; and in such case must be provided with hinged tip-up seat. A lead safe of suitable area must be fixed under the pan.

59.—HOUSEMAIDS' SLOP SINKS.

(1) Slop sinks must be of approved material, and be provided with approved flushing arrangements, operated by hand.

(2) The waste pipe from a slop sink must be independently carried out to the open air with a quick fall, into a full bore ventilated cast-iron pipe to the ground level, and connected thereto to the drain, or branched into a soil pipe as near the fitting as possible; and the sink must be trapped with a stone-ware trap well opened out into a deep cone to receive the sink basin, and having a 2½-inch seal. Draw-off traps must not be used directly over slop sinks, unless at least 18 inches above the sink.

(3) Wherever a slop sink is connected to a soil pipe it may be treated in the same way as a closet as regards the ventilation.

(4) All insanitary slop sinks must be abolished.

(5) Slop sinks, inside a building, must only be fixed in well-lighted and well-ventilated rooms, and separated from other portion of building by a solid wall or a well-lighted and well-ventilated passage or air chamber. (See section 58.)

60.—SUPPORT FOR W.C. PAN AND H.M. SINK AND TRAP.

(1) Where a soil pan or basin is jointed to a trap in a water-closet having a concrete floor, so much of the trap and the lower part of the soil pan or basin as may be necessary to secure their stability shall be surrounded with concrete or brickwork set in cement mortar, or some other approved method for support adopted.

(2) Every pedestal pan and every cottage pan or soil pan jointed to a trap in an existing external water-closet, not having concrete floor, shall be supported from the ground independently of the floor; the cottage pan trap and lower part of basin to be surrounded with cement concrete, or brick in cement, to approval.

(3) On tiled floors closet pans must be secured to approved leaded plugs fixed in the floor. In brick or concreted floors the pan must be concreted into the floor.

(4) Where situated on wood or other absorbent floor all internal water-closet pans or housemaids' slop sinks must be fitted on blocks of wood at least 1½ inch thick, shaped to base of pan or sink and bevelled off under same with rounded edges, the lead tray to completely cover block. Block to be securely fixed to floor with nails punched, or screwed countersunk flush, before tray is placed in position and pan or sink then secured to block with stout 2¼-inch brass screws through tray.

61.—URINALS.

(1) Internal cradle urinals must be small, free from projecting ornament, and of non-absorbent material. The waste pipes shall be of pottery ware, lead, or glass enamelled, or coated cast-iron, and be kept as short and free from bends as possible. The waste pipes must be trapped. The urinals must be provided with approved flushing apparatus.

(2) The floors under urinals must be covered with non-absorbent material. The floors of the urinals must be tiled or paved with a fall toward a drain against the wall. The walls must be of a non-absorbent material, and of approved height. Screens that are separate from wall and form stalls are not allowed. Such forms of urinals will be allowed as specially approved by the Engineer-in-Chief.

(3) The following materials will be considered impervious:—

(a) For Urinal Walls: Glazed tiles, brickwork rendered with Portland cement mortar composed of equal parts of cement and sand with such water-proofing material added as may be approved or directed, slate, marble, white or brown-glazed fire-clay, salt-glazed stoneware, enamelled cast-iron, or 6-lbs. sheet-lead when joined to lead floor.

(b) For Urinal Floors: Tiles, Portland cement mortar consisting of equal parts of cement and sand with such water-proofing material added as may be approved or directed, slate, marble, or 6-lbs. sheet-lead. NOTE.—All new urinals shall have all angles between all adjacent walls and between all walls and floor and elsewhere rounded off to approval; and in all urinals in which wall or floor is renewed or altered all angles in new and between new and old work shall be similarly rounded.

(4) Urinals inside a building must only be fixed in well-lighted and well-ventilated rooms having at least one external wall, and separated from other portion of building by a well-lighted and well-ventilated passage or air chamber or by a solid wall.

No. 17.—887.—2

(5) The positions, approaches, arrangement of lighting, ventilation, &c., for internal urinals must comply as nearly as possible with this By-law as to internal closets.

(6) Outside urinals may discharge into open channels leading to disconnector traps without further trap.

(7) Open channels must not be provided for urinals inside main buildings, except where approved by the Engineer-in-Chief, and where there is ample ventilation and light. Wherever internal urinals are provided the traps must be fitted with ventilating pipes having an internal diameter of not less than 1½ inches.

(8) Every urinal waste pipe must be properly trapped and vented, and connected direct to soil pipe or drain.

(9) Wherever internal urinals are provided with wastes and traps, and drippings may become a nuisance, provision must be made to prevent the nuisance by one of the following methods. (See type drawings.) :—

(a) By a urinal floor trap, with the floor graded to the tray, where the floor is tiled or cemented with fall not less than 1½ inches per foot.

(b) By a suitable sunken tray, trapped and connected with the waste, where the floor is covered with lead.

(10) In either case approved suitable provision must be made for retaining the seal of the floor trap, and for flushing the surface of tray.

(11) A separate trap must be provided to each urinal basin.

(12) Urinals and housemaids' slop sinks shall be treated as soil fittings.

62.—BATHS AND LAVATORIES.

(1) The waste pipe from a bath or set of three or more lavatories must be at least two inches diameter, trapped with a deep syphon trap with a cleansing screw, except as otherwise provided, and provided with vent pipe where over 12 feet in length. The waste pipe must be carried to the open air, and delivered into a gully trap or disconnector trap.

(2) The waste pipe and trap from a single lavatory newly placed must be at least 1½ inches in diameter, and the area of the grating must be sufficient for the water to effectually scour the waste pipe. The waste pipe must be as short as possible, and discharge into a gully trap or disconnector trap. Every such 1½-inch waste must be back-vented with pipe of not less than 1½-inch diameter.

(3) A set of two lavatories must have at least 1½-inch combined waste pipe.

(4) In all internal lavatories, where syphoning occurs, separate trap ventilation must be provided. In ranges of lavatories in external buildings or rooms isolated from the main building the waste may be ventilated by single pipe at its upper end. The installation of dry vents is prohibited.

(5) Tip-up basins will not be allowed to be connected with sewers unless they are already in existence, and are allowed to be retained as existing fittings; the waste pipes from such basins must be two inches in diameter.

(6) Where it is necessary to fix new wastes to galvanized iron baths, the bottoms of which are unsupported, efficient supports for the bath must be provided before the wastes are fixed.

(7) Where a bath trap is fixed on the outside of a wall it must in no case be more than two feet from outlet of bath, unless with special permission of the Engineer-in-Chief.

(8) Where pedestal baths are to be fixed, and it is not desired to flush them, they must be fixed with a space of at least four inches clear of walls.

(9) The space actually under all baths, sinks of every kind, lavatories, and wash troughs shall be left entirely open, and in all existing cases of such fittings being enclosed such enclosure shall be entirely removed before sewerage, unless otherwise allowed in writing by the Engineer-in-Chief.

63.—KITCHEN AND SCULLERY SINKS AND TROUGHS.

(1) Unless where otherwise specially approved, kitchen and scullery sinks and wash troughs must discharge into a gully trap or into a disconnector trap.

(2) The brass strainer must be sunk to the level of the trough. The grating openings must be of ample size to fill the waste pipe full bore.

(3) Where sinks and draining boards thereto abut against walls and partitions sinks shall be flashed with 6 x 1 board, with groove cut into same around draining board, and a slip or tongue of 1-inch 16-gauge galvanized hoop iron inserted after painting joint; joint to be made and bedded in with white lead, the wood flashing cramped to the draining board and to be screwed down with screws 2 inches long inserted from under draining board (see type drawing), draining board to be so cut away that top of overflow of sink will be open for purpose of cleaning. In all new buildings sinks must be fixed on brackets, and the space between floor and the under portion of sink must be entirely open, without any enclosure.

(4) Cast-iron sinks must be enamelled or coppered.

(5) Where the distance between the outlets of troughs exceeds 21 inches, and lead pipe is used, the pipe must be supported either by lead tack, wiped on the top of the pipe, or by a wooden block screwed to the bottom of the trough and clamped to the pipe. The pipe passing through the trough must have a lead flange wiped on.

(6) Wherever the end of wash trough abuts against brickwork of washing copper, the space between the ends of trough and the brickwork must be made thoroughly watertight.

(7) The use of unlined wooden boxes as kitchen or scullery sinks is prohibited. Before their connexion with the Authority's sewers will be permitted, wooden boxes must be lined inside with sheet lead weighing not less than 6 lbs. per square foot, or with sheet-copper weighing not less than 1½ lbs. per square foot.

64.—SAFES, OVERFLOWS, ETC.

(1) Unless where otherwise ordered by the Engineer-in-Chief, every safe under a water-closet, urinal, lavatory, bath, refrigerator, sink, or other fixture, must be drained by special pipe not directly connected with any waste pipe, soil pipe, drain, or sewer.

(2) Pipes draining safes may discharge into the open air only when the discharge will not cause any inconvenience or nuisance. In all other cases the pipes must be brought to the ground surface, discharging into rain-water head or down pipe, or be arranged to discharge where they will not prove a source of annoyance or inconvenience.

(3) Pipes for bath safes must be of 2 inches diameter, and those from closet and urinal safes must be of 1½ inches diameter.

(4) A brass grating must be fixed to the inlet of each safe pipe.

(5) No steam exhaust, blow-off, or drip-pipe shall be connected with the drain or sewer, or with any soil or waste pipe. Such pipes must discharge into the rain-water channels.

(6) On special application of the owner, lead safes already in position may be retained as existing fittings if approved.

(7) It shall be compulsory to fix an approved lead safe or other impervious material under every fitting on an upstairs floor, and under every internal closet pan, urinal, and slop sink, provided that bath and basins may be temporarily exempted on request in writing by owner accepting all responsibility in the matter.

(8) Existing bath floors must be regraded if necessary in the opinion of the Authority's inspecting officer, and a proper waste pipe must be fixed.

(9) On ground floors where cisterns are fixed over concrete or tiled floors, graded to drain outside of the room, the overflow shall discharge on to them provided no damage is likely to arise therefrom, or otherwise discharge into pedestal or sink.

(10) Overflows from cisterns must not be taken through external walls except where specially allowed by the Engineer-in-Chief, but discharge into a slop sink or other fitting or on to a lead safe which has a drainage pipe attached.

65.—STANDING WASTES.

(1) In all places where refreshments are served to the public, all wash-up sinks must be fitted with standing waste and overflow.

(2) All new sinks, except housemaids' sinks, must be fitted with standing waste and overflow as far as same may be available.

(3) All sink overflows shall be as large as the prescribed diameter of waste will allow.

(4) Concealed standing wastes are not allowed.

66.—FLASHING.

(1) Where water might otherwise percolate to the floor, baths, troughs, and the like fittings must be flashed with sheet-lead of not less than 4 lbs. per square foot, or other approved material. All flashings must be turned up walls at least 4 inches, properly secured; and made water tight. This provision shall not apply to the sinks which are specially provided for under section 64 of this By-law.

(2) On existing fittings permitted to remain and to be connected to the sewerage system galvanized iron flashing may, at the discretion of the proper officer, be allowed where lead flashing is prescribed for new fittings.

67.—GRATINGS.

(1) The entrance to exit pipes to all fittings except water-closets shall be provided with suitable permanently attached gratings. The area of openings in such gratings must not be less than will allow the flow to fully charge the waste pipe to which grating is attached; and in no case must the diameter of the grating be less than the diameter of the waste pipe.

68.—PAINTING PLUMBER'S WORK.

(1) The whole of the outside plumbing work of a building, including soil and vent pipes, shall be properly painted with at least one good coat of best white lead and oil paint to approved tints.

69.—BASEMENT AND CELLAR DRAINAGE.

(1) No water-closet or urinal shall be placed in any cellar or basement, and no drain, sink, trap, appliance, apparatus, or connexion shall be laid or fitted in any cellar or basement unless with the special consent of the Authority in writing, under the hand of the Secretary, and only where, in the opinion of the Authority it cannot be otherwise placed. Before such consent is given the owner must submit plans for ap-

proval and give to the Authority an undertaking in writing that he will accept all risk of damage that may arise from the water-closet or other fitting so placed. Such plans and specifications shall be submitted in duplicate for the approval of the Authority, one copy to be retained by the Authority.

(2) If satisfied that the ventilation and light provided in such plans and specifications are sufficient, and that conditions of this clause have been complied with, the Authority may grant permission to carry out the work in accordance with such plans and specifications. Provided always that if on any subsequent inspection the light or ventilation is found not in accordance with the plans or specifications or that there is an offensive smell from such closet, urinal, or other fitting, then the said permission may be revoked by the Authority, and upon and after the expiration of fourteen days from the date of such revocation such closet, urinal, or other fitting shall be disconnected from the Authority's sewers.

(3) Where any house shall have its lowest floor, cellar, or basement at a lower level than the sewer of the Authority into which such house would otherwise drain, the owner shall, pending pulling down or alteration of such house, cause the drainage from such lowest floor, cellar, or basement to be raised by means of a syphon, or some other method approved by the Authority, so that it shall discharge into a drain communicating with the sewer of the Authority.

(4) Where, in the opinion of the Authority, a cellar or basement is so situated that it can be drained by gravitation to the Authority's sewers free from any risk of backflow in the event of the sewers becoming surcharged, the Authority may permit such connexion, provided a sluice valve be fixed between the cellar or basement connexion and the sewer, to be kept closed as hereinafter mentioned; and provided the owner apply in writing for same, and furnish the Authority with an undertaking that such connexion is made at his risk, and indemnify the Authority against all damage in connexion therewith. In such cases the soffit of the pipe draining the cellar shall at its highest point be, at least two feet below the cellar or basement at its lowest point, unless otherwise allowed. A reflux valve may be used when permitted.

(5) Sluice valves must be kept closed, and only opened, when it is necessary to allow an accumulation of water to drain to sewers. Spindles of sluice valves must be fitted with permanently attached extension rods of sufficient length and diameter to enable the valves to be opened or closed from above the level of ground floor of building.

(6) No external aperture to such cellar or basement shall be in such a position that any extraneous water from any drain, gutter, water-course, gully, or creek, or any other source, whether in flood or otherwise, has access thereto.

70.—RAIN WATER TO BE EXCLUDED.

(1) Rain-water conductors must not be connected with the sewers.

71.—AREAS FOR WASHING VEHICLES, ETC.

(1) If any area in any yard or premises is used for washing animals or for washing vehicles or other articles of any kind whatsoever, and is liable to pollute any surface water, the Authority may, if it thinks fit, require such area to be paved and connected with the Authority's sewers.

(2) The floor of the place to be connected must be above the level of the yard at least six inches.

72.—STABLES, ETC., AND POLLUTED AREAS.

(1) The Authority may, if it thinks fit, order that any of the following places, namely, stables, cowsheds, dairies, abattoirs, market places and washing areas, and any other polluted place shall be connected with the sewers of the Authority.

(2) Before any such connexion is made—

(a) if the place to be connected is of an area greater than 20 square yards, it must be roofed over so as to prevent the entry of rain-water from it into the sewers;

(b) the place to be connected must be paved with approved material and graded to the satisfaction of the Engineer-in-Chief;

(c) the drain from the place to be connected must be trapped with an approved silt trap connected with the drain;

(d) the floor of the place to be connected must be above the level of the yard at least six (6) inches;

(e) the joints of the floor of the place to be connected must be filled to the full depth with either (1) good cement mortar in the proportion of one part of cement to not more than three parts of clean sharp sand, or (2) an admixture of pitch, distilled tar, and sand mixed as directed, or (3) other jointing material which may be approved by the Engineer-in-Chief;

(f) if the place to be connected is a stable or cowshed, provision must be made that the drainage from the floors shall discharge over an approved silt trap which must have a top of brickwork or Portland cement concrete and be fitted with a heavy grating;

(g) provision must be made that the drainage of the place to be connected shall not drain into or upon a paved area.

73.—MANURE BINS.

(1) Manure bins must be provided for all stables or cowsheds or yards where horses or cattle are kept where the City Council's By-laws demand their construction or where the locality is closely built on.

(2) All manure bins must have the inside surfaces rendered with cement mortar, and must be made impervious throughout. Walls of new manure bins must, unless otherwise approved, be at least nine inches in thickness, built of concrete or brick-work laid in cement mortar.

(3) If an outlet pipe be provided for a manure bin, it must be properly connected with the Authority's sewers.

(4) In all cases where manure bins exist, branches in house drains must be provided for their connexion whenever the Authority or the Engineer-in-Chief deems it necessary.

74.—TRAPPING EXISTING SEWER.

(1) Where connexion to the existing sewer is desired at a point not provided with a junction and the Authority consents to such connexion the sewer will only be tapped by the Authority and a condition precedent to such tapping will be the prepayment by the person concerned of the estimated cost of such tapping and connexion including any necessary fees for opening street paid to the City Council or any compensation legally paid to any private owner upon whose property the sewer may be situate.

(2) Where the deferred payment provisions of the Act operate, the total actual cost involved in such tapping will be added to the other costs and expenses.

75.—EXISTING FITTINGS.

(1) Existing fittings and appliances, which the owner may desire to retain and which in the opinion of the Engineer-in-Chief are or are made inoffensive may by consent of the Authority be retained or remain unaltered until the Authority otherwise orders. All existing fittings and appliances which in the opinion of the Engineer-in-Chief are or are likely to become offensive must be removed at once. All such requests must be made by the owner or his agent on a proper form, and the owner must at his own expense have such fittings or appliances exposed where necessary to facilitate inspection.

76.—PANS IN UNSEWERED AREAS.

(1) As the contents of all night-soil pans in unsewered areas will be dumped into the main outfall sewer of the Authority within the city the placing in any such pan of any insoluble solids such as sand or tins or any garbage or house or garden refuse or any disinfectant or deodorant other than earth, ashes or chloride of lime is prohibited. And any person infringing this section of the By-law will be guilty of an offence against this By-law.

77.—EXEMPTION.

(1) This By-law shall not apply to the Authority, and the Authority may grant to the Bendigo City Council any exemption from the By-law or any part thereof, or may suspend the operation of any part or parts of the said By-law from time to time as applied to the Bendigo City Council or any buildings, works or undertakings of that Council.

78.—DISUSED SANITARY PROVISION.

(1) All closets, urinals, sinks and all other sanitary fittings and appliances which are situate on any sewered property and are not connected with the sewers of the Authority shall forthwith be dismantled to such extent as may prevent the possibility of their misuse, or as the Authority may require.

(2) Whenever a fitting is abolished, the soil, waste, vent, and water supply pipes to such fitting must be removed or if allowed by the Authority to remain the ends of pipes must be sealed with water tight, imperishable materials. Wrought-iron pipe must be sealed with screwed plug; a cast-iron pipe must have cast-iron plug caulked in with lead; lead pipe must have end securely closed with properly wiped joint; stoneware or cement concrete pipe must have a disc cemented in.

79.—CONSENT, SANCTION, ETC., OF THE AUTHORITY.

(1) Where the sanction, permission, authority, consent, approval, satisfaction, order, direction, opinion, indication, or notice of or from the Authority is necessary, whether special, in writing, or otherwise, with regard to any act, matter, or thing mentioned in this By-law, the same may be given by and under the hand of the Chairman of the Authority, or of the Engineer-in-Chief, personally, or through an inspecting officer appointed under him, who severally shall be competent to give the same, and authorized on behalf of the Authority, to prescribe any conditions attaching thereto, and subject to and in accordance with which only the same shall be deemed to have been given.

80.—STANDARD TYPE DRAWING (HOUSE CONNEXIONS).

(1) Such standard type designs and drawings of water-closets, sewer pipes, sewerage fittings, and sewerage appliances of wood, concrete, stoneware, metal, or other materials as may from time to time be prescribed or adopted by the Authority shall be deemed to be included and incorporated in this By-law, and to constitute the type designs and type drawings referred to therein.

81.—FORMS OF NOTICES, ETC.

(1) All applications, notices, consents, permits and the like required under this By-law shall be in such form or forms as the Authority may from time to time prescribe or to the like effect.

82.—VARIATION OF REGULATIONS.

(1) No variation from the Regulations contained in this By-law will be allowed except as therein provided for by the special written approval of the Authority obtained previously to the proposed variation being permitted or carried out.

83.—NEW BUILDINGS, ADDITIONS, ETC.—NOTICE AND PLAN REQUIRED.

(1) Every person who shall intend to erect a building on any property within the Sewerage District (which is the whole City of Bendigo) or to rebuild, or make any alterations or additions to any such building, shall, before commencing work, give to the Authority seven days' notice in writing of such intention, which notice shall be accompanied by a sketch plan (or, where so required by the Authority in writing, proper plans, and sections) of such intended building, alterations or additions, showing the position, dimensions, depths and levels of foundations, cellars or basements, the intended lines of drainage of such building, alterations, or additions, and all walls and fences appurtenant thereto, and the boundaries of the land.

84.—OFFENCES AND PENALTIES.

(1) Where anything is by this By-law directed to be done, or forbidden to be done, or where any authority is given to the Authority or any of its officers to direct or to forbid anything to be done, and such act so directed to be done remains undone, or such act so forbidden to be done, is done, then and in every such case the person making default as to said direction or prohibition respectively, shall be guilty of an offence against this By-law.

(2) Every person guilty of an offence against this By-law, not otherwise specially provided for by or under the authority hereof, shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in this By-law or the Act, to a penalty not exceeding Twenty pounds (£20) and to a further penalty of One pound for each day during which such offence is continued by such person after notice of the offence shall have been given by the Authority to him, and such penalty shall be recoverable, notwithstanding that the Authority may not have chosen to exercise any power given to it by the Act or by this By-law to remedy such default.

(3) And in addition to such penalty, any expense incurred by the Authority in consequence of a breach of the By-law or in the execution of work directed by or under the By-law to be executed by any person and not executed by him shall be paid by the person committing such breach or failing to execute such work.

85.—PRESCRIBED FEES.

- (a) Inspecting Authority's plan to obtain particulars of or for any sewer, private drain or fitting ... 0 1 0
- (b) Ground plan of property showing position of Authority's sewer, approximate position of branch and approximate depth of sewer, for each tenement ... 0 2 6
- (c) Examination of owner's plan of drainage; for each property a minimum charge of 7s. 6d., and an additional charge of 5s. for every water-closet more than one, and of 5s. for each latrine or slop sink.
- (d) Preparation by Authority of plan of drainage; for each property a minimum charge of 7s. 6d., and an additional charge of 5s. for every water-closet more than one, and 5s. for each latrine or slop sink.
- (e) Making or examining any alteration or addition to a plan previously issued or approved of by the Authority, 2s. 6d. for each existing closet, latrine and slop sink, except where there may be additions, when the charge will be 5s. for each additional closet, latrine, or slop sink, or draftsman's time.
- (f) Preparation by Authority of estimate of cost for carrying out work shown on an owner's plan or Authority's plan of drainage; for each property a minimum charge of 10s. and an additional charge of 5s. for every water-closet more than one and of 5s. for each latrine or slop sink.
- (g) Copy of any plan previously prepared and issued by the Authority, or plan of completed drainage will be supplied on payment of 2s. 6d. for each water-closet, latrine and slop sink, appurtenant to the house or building thereon.
- (h) Plans or copies of drawings will only be issued to owners or their agents authorized in writing.
- (i) The Authority will open ground to expose house drain branch on sewer on prepayment of estimated cost—minimum charge 5s.
- (j) For additional inspection necessitated through obstruction or default of owner or occupier, contractor or workman—fee to be paid before further inspection will be made—10s.
- (k) Where instead of applying for plans or estimates as above, a property-owner signs a request to the Authority to provide or carry out the sewerage of his premises and signs the prescribed undertaking to pay for same, the charge to cover preparation of all plans, estimate, contract, and specifications, advertising tenders, supervision and testing of work, will be 7½ per

cent. on cost up to £50 and 5 per cent. on amount by which cost exceeds £50. NOTE.—Fees paid for plans and estimates prepared before signing this request will be allowed for.

This By-law, No. 2, was passed by the Bendigo Sewerage Authority on the 19th day of July, 1923, and confirmed on the 9th day of August, 1923, and the common seal of the said Authority was hereunto affixed on the date last named, in the presence of—

(SEAL) M. G. GIUDICE, Chairman.
J. H. CURNOW, Member.
DAVID ANDREW, Member.
S. GORDON MOORE, Secretary.

This By-law was approved by the Governor in Council at a meeting of the Executive Council, held on the fifteenth day of January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

The foregoing By-law (No. 2 of the Bendigo Sewerage Authority) was published in the *Victoria Government Gazette* of the 23rd January, 1924, and took effect from the said date of publication.

SURVEYORS BOARD.

NOTICE.

THE Surveyors' Board hereby notifies that the following gentlemen have passed the examination for Land Surveyors, and have been granted the Certificate of Competency:—

No. 209, HARRY ROONEY, Oberwyl-road, Burwood.
No. 210, DONALD WILLIAM MCCLURE, 18 Howitt-street, Hawksburn.

Also, the undermentioned surveyors have been registered and licensed under the provisions of the Land Surveyors Acts:—

No. 518, HARRY ROONEY, Oberwyl-road, Burwood.
No. 519, DONALD WILLIAM MCCLURE, 18 Howitt-street, Hawksburn.

F. G. G. HYNES,
Secretary, Surveyors Board.

**STATE RIVERS AND WATER SUPPLY COMMISSION.
THE BALLARAT WATER COMMISSIONERS.
AUTHORITY TO OBTAIN BANK OVERDRAFT.**

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Order made on the 15th day of January, 1924, authorized, in pursuance of section 271 of the *Water Act 1915* (No. 2747), the Ballarat Water Commissioners to obtain an advance from the Commonwealth Bank of Australia, by overdraft of the said authority's current account thereat, such overdraft not to exceed at any one time the sum of Ten thousand pounds (£10,000).

F. W. MABBOTT,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 15th January, 1924.

Victoria.

**WARRENHEIP ROMAN CATHOLIC CHURCH PURPOSES.
ACT 391.—SECOND SCHEDULE.**

A STATEMENT of Trusts having been submitted by the head or authorized representative of the denomination of the Roman Catholic Church of Victoria under the provisions of the "Act to provide for the Abolition of State Aid to Religion," for allowance by the Governor, the same was allowed by him on the tenth day of January, 1924, and the following is the form in which such statement of trusts has been allowed:—

Description of Land.—2 acres, Parish of Warrenheip, County of Grant, being portion 4A of allotment 6, section 15; Commencing at the north angle of allotment 7; bounded thence by that allotment bearing south 573 links, by portion 3A of said allotment 6 bearing west 400 links and north 426 links, and by a road bearing north 69 deg. 50 min. east 426 links to the commencing point.

Name of Trustee.—The Roman Catholic Trusts Corporation for the Diocese of Ballarat.

Power of Disposition.—To exchange, sell, lease, or mortgage. *Purposes to which Proceeds of Disposition are to be Applied.*—To such purposes of the Roman Catholic Church in the Diocese of Ballarat as a Council of such Diocese, under the provisions of an Act of the Parliament of Victoria, No. 2100, may from time to time by resolution direct.

As witness the Hand of the Governor of the State of Victoria, this tenth day of January, 1924.

STRADBROKE,
Governor of the State of Victoria.

Victoria.

**GLENDARUEL ROMAN CATHOLIC SCHOOL RESERVE.
ACT 391.—SECOND SCHEDULE.**

A STATEMENT of Trusts having been submitted by the head or authorized representative of the denomination of the Roman Catholic Church of Victoria under the provisions of the "Act to provide for the Abolition of State Aid to Religion," for allowance by the Governor, the same was allowed by him on the tenth day of January, 1924, and the following is the form in which such statement of trusts has been allowed:—

Description of Land.—1 acre 2 roods, being allotment R, section 11, County of Talbot, Parish of Glendaruel; Commencing at the N.E. angle, being a point bearing south 1 deg. 24 min. W. 17 chains 42 links and south 88 deg. 36 min. W. 1 chain 50 links from the N.W. angle of allotment A, section 2; bounded on the east by a road bearing south 1 deg. 24 min. W. 2 chains 77 links, on the south by allotment M bearing S. 88 deg. 36 min. W. 4 chains 94 links, on the west by the main road from Ballarat to Avoca and Amherst bearing north 17 deg. 42 min. W. 2 chains 93 links, and on the N. by a line bearing N. 88 deg. 36 min. 5 chains 90 links to the point of commencement.

Name of Trustee.—The Roman Catholic Trusts Corporation for the Diocese of Ballarat.

Power of Disposition.—To exchange, sell, lease, or mortgage. *Purposes to which Proceeds of Disposition are to be Applied.*

—To such purposes of the Roman Catholic Church in the Diocese of Ballarat as a Council of such Diocese, under the provisions of an Act of the Parliament of Victoria, No. 2100, may from time to time by resolution direct.

As witness the Hand of the Governor of the State of Victoria, this tenth day of January, 1924.

STRADBROKE,
Governor of the State of Victoria.

Veneral Diseases Acts.

**AMENDMENT TO VENEREAL DISEASES REGULATIONS
1923.**

UNDER the powers conferred by the Veneral Diseases Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby repeal clause 21 of the Veneral Diseases Regulations 1923, and doth substitute therefor the clause following (that is to say):—

21. (1) Every medical practitioner on becoming aware that any person consulting or attended or treated by him is suffering from any veneral disease, shall forthwith give or send notice thereof to the Chief Health Officer in Form A as proscribed in the Schedule.

(2) Where any patient fails to consult or attend his medical adviser within ten days after the expiration of the prescribed period of attendance, such medical adviser shall (unless he has received a notice from another medical practitioner that the patient has placed himself under his care) forthwith give or send notice to the Chief Health Officer in Form C as proscribed in the Schedule.

(3) The following fees shall be payable to a medical practitioner:—

- (a) Two shillings for every case notified in Form A as occurring in his private practice, and One shilling for every case occurring in his practice as medical officer of any public hospital, public institution, or appointed place.
- (b) One shilling for every case notified in Form C.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

VICTORIAN RAILWAYS.

Melbourne, 18th January, 1924.

BAIRNSDALE WATERWORKS TRUST.

RATING BY-LAW FOR YEAR 1924.

THE Commissioners of the Bairnsdale Waterworks Trust, in pursuance of the powers conferred by the Water Acts, hereby make the following By-law determining the rates and charges to be paid in respect of water supplied or available for supply within the Urban District of the Trust during the calendar year 1924:—

1. The following rates and charges are those which the occupiers or owners of land, houses, and tenements situated within the Urban District of the Trust shall pay in respect of water supplied or available for supply to such land-holders, or tenements situated on any street in which pipes for water supply are laid, or which land, houses, or tenements, if not on such street, are supplied with water by reticulation from such pipes, for the year commencing on the first day of January, 1924, and ending on the thirty-first day of December, 1924. Such person or persons as the Commissioners of the said Trust may from time to time appoint for the purpose shall be authorized to demand and receive the said rates and charges—

- (a) On every house or tenement of £25 annual municipal valuation or under, Twenty-five shillings per annum.
- (b) On every house or tenement above the annual municipal valuation of £25, at the rate of One shilling for every One pound per annum of such valuation.
- (c) On all vacant allotments of land, at the rate of One shilling for every One pound per annum of municipal value thereof, with a minimum of Five shillings, except where there is a water service to the allotment, when the minimum charge will be Twenty-five shillings.
- (d) For water supplied from the wharf at Bairnsdale for shipping and other purposes, a minimum charge of 6d. per hundred gallons, or 6d. for any fractional part thereof, except in cases of special agreement with the Trust.

- (e) For water supplied by the Trust by measurement, except in cases of special agreement with the Trust, or water supplied under the terms of sub-section (g) of section 1 of this By-law, One shilling per One thousand gallons.
- (f) Water supplied to manufactories, acrated water and cordial makers, brewers, bakers, and butchers, livery and coach-horse stables, hotel premises, and for any other domestic purposes, may be charged for by measurement at the discretion of the Trust.
- (g) Water supplied to Government Departments, mechanics' institutes, churches, cricket clubs, bowling greens, shall be charged by agreement or measurement at the discretion of the Trust.
- (h) Private water-troughs shall be charged for at the rate of Twenty-five shillings per annum, where the valuation of the property on which such troughs are situated does not exceed Twenty-five pounds. Such trough charge of Twenty-five shillings shall mean to include the rate of valuation. Where the valuation of the property exceeds £25, the trough to be exempt from rating purposes, except when in the opinion of the Trust a meter shall be necessary.
- (i) The charge for water supplied to market gardens or fruit gardens shall be at the rate of 1s. per thousand gallons, by measurement, at the discretion of the Trust, a meter to be fixed at the expense of the ratepayer.
- (j) For water supplied for new buildings being erected, at the rate of 1 per cent. on the contract for labour and material of all stone, brick, concrete, and plastering work, or any work where water is used, and to be arranged for before the work is commenced.
- (k) The service for conveying the water from the pipes of the Trust to the premises of the consumer shall in no case exceed the following diameter:—
 - (1) For domestic supply of premises with annual municipal value of £40 or over, a 2-inch service may be allowed at the discretion of

the Trust. For domestic supply of premises not exceeding £40 annual municipal valuation, 1-inch diameter.

- (2) For the supply of water other than for domestic purposes and for supplies by meter, such diameter as the Trust shall order in each case.

- (l) Each house or tenement must be provided with separate service from the main.
- (m) Water supplied to market gardens, nurseries, or for any irrigation purposes shall be charged for by meter at the rate of One shilling per thousand gallons in addition to the usual rate for a domestic supply on the basis of valuation. A separate service from the main for domestic supply may be allowed for at the discretion of the Trust.

2. The rates and charges for water and all sums due to the Trust under this By-law shall be paid by and recoverable from the occupier of the premises, or owner, or the person requiring, receiving, or using supply of water.

3. The said rates and charges for water supplied otherwise than by meter or by special agreement, shall be payable in advance on the first day of January, 1924.

All charges for water supplied by meter or by special agreement shall be payable half-yearly, or at such time or times as may be determined by the Trust. The first payment shall, in respect of rates, be made at the time when owner or occupier shall become liable to pay rates for the supply of water hereinbefore mentioned.

In construction of this By-law the word "person" shall be deemed to extend to and include a corporation, whether aggregate or sole, and the word "Trust" shall mean the Bairnsdale Waterworks Trust.

The foregoing By-law was made by the Commissioners of the Bairnsdale Waterworks Trust on the 16th day of November, 1923, and the corporate seal of the Trust was affixed in the presence of—

(SEAL) J. W. L. JACKSON, Chairman.
W. P. HEATH, Commissioner.
R. STAVELY, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

COLBINABBIN WATERWORKS TRUST.

BY-LAW MAKING A RATE FOR WATER SUPPLY PURPOSES FOR YEAR 1924.

THE Commissioners of the Colbinabbin Waterworks Trust do hereby, pursuant to and in exercise of the powers conferred by the Water Acts, make the following rate for the year 1924 upon all lands and tenements within the Waterworks District of the aforesaid Trust, that is to say:—

The rates and charges hereinafter specified are those which the occupiers or owners of lands and tenements liable to be rated shall pay in respect of water supplied otherwise than by measure for domestic purposes:—

On all the properties of £20 and over annual valuation, the sum equivalent to a rate of Three shillings and sixpence in the £1 per annum; all properties under £20 annual valuation shall be rated at Three pounds ten shillings minimum per annum. Vacant lands shall be rated at Thirty shillings per annum.

Such rate is hereby made payable, in equal moieties, on 1st January and 1st July, 1924, and such person or persons as the Commissioners of the said Trust shall appoint for that purpose shall be authorized to demand, collect, and recover the said rate.

The charges for water by measure shall be Two shillings and sixpence per One thousand gallons.

The foregoing By-law was made and passed by the Colbinabbin Waterworks Trust on 24th day of November, 1923.

(SEAL) JAMES H. GAMBLE, Chairman.
II. ADAMSON, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

BOROUGH OF HORSHAM WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1924.

THE Commissioners of the Borough of Horsham Waterworks Trust do hereby make the following By-law in pursuance of the provisions of the Water Acts:—

1. That the water rate for the year 1924 on all lands and tenements within the Borough of Horsham Waterworks Trust District shall be One shilling and sixpence in the pound on the municipal valuation of the Borough of Horsham for the year 1923-1924, with a minimum of One (1) pound upon all

tenements valued at or under £13 6s. 8d. (Thirteen pounds six shillings and eightpence) except such as are entitled to the provisions of section 237 of the above-mentioned Acts.

2. For water supplied by the Trust for domestic and other than domestic purposes by measurement (except in cases of special agreement with the Trust) the minimum quantity of water to be charged for in respect of lands and tenements within the Trust District shall be the quantity for which the charge, at One shilling per thousand (1,000) gallons, would be equal to the amount of the assessed rate which would be payable for the premises so supplied, if supplied otherwise than by measure. All water supplied by the Trust by measure in excess of such aforesaid quantity shall be charged at the rate of Ninepence per 1,000 gallons.

3. For the water supplied by measurement for other than domestic purposes solely, a charge of Ninepence for every 1,000 gallons shall be made (except in cases of special agreement with the Trust), and for water supplied for railway purposes, which shall be at the rate of One shilling per 1,000 gallons. Provided that the minimum charge shall not be less than the amount payable under the assessed rate as specified in clause 1 hereof.

4. All rates and charges shall be due and payable in advance on the 1st day of January, 1924, at the office of the Trust, Wilson-street, Horsham, where payments will be received during office hours.

5. Such officers as the Trust may from time to time appoint for the purpose are hereby authorized to demand, receive, and recover the said rates and charges.

The foregoing By-law was passed by the Commissioners of the Borough of Horsham Waterworks Trust on the 20th day of December, 1923, and the common seal hereunto affixed in the presence of—

(SEAL) R. J. WILMOTH, Chairman.
JAMES BARNES, } Commissioners.
F. J. MILLAR, }
A. DEAN, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

KERANG WATERWORKS TRUST.

RATING BY-LAW FOR 1924.

THE Chairman and Commissioners of the Kerang Waterworks Trust, the Waterworks District of which has been proclaimed an Urban District for the purpose of the Water Acts, do hereby, pursuant to and in exercise of the powers conferred by the said Acts, make the following By-law:—

By-law No. 25, making a Rate for 1924.

The following are the rates which the occupiers or the owners of lands and tenements within the district of the Kerang Waterworks Trust shall pay for water supplied by the said Trust:—

For every house or tenement of the annual value of over Thirteen pounds, according to the municipal valuation, an amount of One shilling and sixpence in the pound of such valuation.

For every house or tenement of the annual value of Thirteen pounds or under, according to the municipal valuation, an amount of One pound sterling per annum.

For all water sold by meter by the Trust, the sum of One shilling per thousand gallons will be charged, except in the cases of special agreement.

For a temporary supply during the erection of new buildings, repairs or additions, Ten shillings per centum on the amount of contract for stonework, brickwork, or plastering, or, if in the absence of a contract on the sum paid for stonework, brickwork, or plastering; or the Trust may require a meter to be fixed, when the charge shall be by measurement. Minimum charge, One pound.

The above-mentioned rates and charges are made for one year, commencing on the first day of January and ending on the 31st day of December, 1924, and shall be due and payable on the first day of July, 1924. Such person or persons as the Commissioners of the Kerang Waterworks Trust may appoint from time to time for the purpose shall be authorized to demand and receive and collect the rates and charges hereby made.

Passed this 20th day of December, 1923.

The seal of the Trust was affixed in the presence of—

(SEAL) FRED. J. TAVERNER, Chairman.
D. G. RATTRAY, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

LORNE WATERWORKS TRUST.

RATING BY-LAW FOR 1924, No. 34.

THE Commissioners of the Lorne Waterworks Trust hereby make the following By-law, pursuant to and in exercise of the powers and authorities conferred by the Water Acts:—

A rate of Two shillings in the pound sterling shall be imposed and levied on all rateable property in the Waterworks District of the Lorne Waterworks Trust, according to the valuation for the time being of all lands and tenements for the municipal rate of the Shire of Winchelsea, in which such lands and tenements are situated, for one year, commencing on the first day of January, 1924, and ending on the 31st day of December, 1924, provided that the sum of Ten shillings shall be the minimum of rates to be paid annually by every occupier or owner of unoccupied land, and provided that £2 shall be the minimum of rates to be paid annually by every occupier or owner of every house and tenement.

Such rate shall be payable and collected in one moiety of Two shillings, and shall be due and payable on the first day of January, 1924. Interest at the rate of 6 per cent. per annum from 1st January, 1924, shall be chargeable on any rate not paid on or before 1st September, 1924.

Such persons as the Commissioners of the Lorne Waterworks Trust may from time to time appoint for that purpose shall be authorized to demand and receive, collect, and recover the said rate.

Passed this fifth day of December, 1923.

(SEAL) ALICK M. McLENNAN, Chairman.
P. JAMES, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

NAGAMBIE WATERWORKS TRUST.

RATING BY-LAW FOR YEAR ENDING 1924.

THE Chairman and Commissioners of the Nagambie Waterworks Trust (the Waterworks District of which has been proclaimed an Urban District for the purpose of the Water Acts) make the following By-law:—

By-law making a Rate for 1924.

The following are the rates which the occupiers or owners of land and tenements within the Urban District of Nagambie Waterworks Trust shall pay for water supplied by the said Trust:—

(a) For every house or tenement of the annual value of Ten pounds (£10) or under according to the municipal valuation, an amount of One pound ten shillings sterling per annum.

(b) For every house or tenement over the annual value of Ten pounds (£10) according to the municipal valuation, an amount of Two shillings and sixpence (2s. 6d.) in the pound sterling of such valuation.

(c) For every vacant block of land under the annual value of Ten pounds (£10), an amount of Fifteen shillings (15s.) per annum.

(d) For every vacant block of land of the annual value of Ten pounds (£10) or over according to the municipal valuation, an amount of Twenty shillings (20s.) per annum.

(e) For all water supplied by meter, Two shillings (2s.) per 1,000 will be charged, except in cases of special agreement.

(f) For all water from the stand-pipe, Sixpence (6d.) per 100 gallons will be charged and paid for on delivery.

The before-mentioned rates and charges were made for one year commencing on the 1st day of January and ending on the 31st day of December, 1924, and shall be due and payable on the 1st day of January and the first day of July, 1924.

Such person or persons as the Commissioners of the Nagambie Waterworks Trust may appoint from time to time for the purpose shall be authorized to demand and receive the said rates and charges.

The seal of the Trust was affixed hereto in the presence of—

(SEAL) J. C. COWAN, Chairman.
F. M. CHAPMAN, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

SEYMOUR WATERWORKS TRUST.

THE Chairman and Commissioners of the Seymour Waterworks Trust, a portion of the Waterworks District of which Trust has been proclaimed an Urban District for the purposes of the Water Acts, do hereby, pursuant to and in exercise of the powers and authorities conferred by the said Acts, make the Regulations following:—

The following are the rates for 1924 which the owners or occupiers of lands, tenements, and vacant or unoccupied allotments within the aforesaid Urban District, and liable to be rated, shall pay to the Trust in respect of such property:—

1. For every house or tenement used either wholly or partly as a domicile of Thirteen pounds annual municipal value and under, a rate of One pound five shillings shall be paid.

2. For every house or tenement of more than Thirteen pounds and not exceeding Twenty pounds annual municipal value, a rate of One pound ten shillings shall be paid.

3. For every house or tenement of more than Twenty pounds and not exceeding Twenty-five pounds annual municipal value, a rate of One pound fifteen shillings shall be paid.

4. For every house or tenement used either wholly or partly as a domicile of more than Twenty-five pounds annual municipal value, and not exceeding Thirty-seven pounds annual municipal value, a rate of One pound seventeen shillings and sixpence shall be paid.

(5) For every house or tenement used wholly or partly as a domicile of more than Thirty-seven pounds annual municipal value, a rate of One shilling in the pound sterling.

6. The rate to be paid in respect of vacant or unoccupied allotments shall be:—Under Seven pounds—Seven shillings and sixpence, over Seven pounds the rate shall be One shilling in the pound per annum for each and every separate allotment by which a main passes.

7. For all lands and tenements situated otherwise than in streets in which pipes are laid down, and which are not supplied with water, and being within a quarter of a mile of a stand-pipe, one-half of the before-mentioned rate, and where lands and tenements are over a quarter of a mile and under half-a-mile from the stand-pipe, one-quarter of the before-mentioned rate.

8. Water supplied by measure shall be charged for at the rate of One shilling per 1,000 gallons, and the minimum quantity to be charged for half-yearly, where the water is used for domestic and other purposes shall be the quantity which at the rate of One shilling per 1,000 gallons would be equal to the assessed rate for the half-year which would be payable in respect of the premises so supplied if supplied otherwise than by measure. In cases where water is sold by measure for other than domestic use solely, the charge shall be One shilling per 1,000 gallons or such price as may be specially agreed upon, and the minimum quantity to be charged for half-yearly shall be 40,000 gallons.

9. Water supplied to engines for cutting firewood to be charged a rate of Six pounds per annum.

10. The foregoing rates are hereby made payable in equal moieties on the 1st January and 1st of July, 1924.

11. Such person or persons as the Commissioners of the said Trust may from time to time appoint for that purpose shall be authorized to demand, collect, and recover the said rates and charges.

Passed the 18th day of December, 1923.

SUNBURY WATERWORKS TRUST.

RATING BY-LAW FOR 1924.

THE Chairman and Commissioners of the Sunbury Waterworks Trust in the Waterworks District of Sunbury, which has been proclaimed an Urban District under the Water Acts, make the following By-law:—

By-law for the making of a rate for the year 1924 on all rateable property within the Waterworks District of the Sunbury Waterworks Trust, and also dealing with the sale of water by measure from the works of the Trust:—

1. A rate of One shilling and threepence in the £1 sterling shall be paid on the annual value of all rateable property fronting streets on which a main pipe has been laid, according to the valuation for the time being on all lands and tenements for the municipal rate of the Shire of Bulla, the minimum amount to be paid in respect of any tenement to be not less than Twenty-five shillings.

2. For all unoccupied allotments a minimum sum of Ten shillings shall be paid.

3. For water supplied by measure for domestic and other than domestic purposes, a charge of One shilling per thousand gallons shall be paid, and the minimum quantity to be charged for shall be the quantity which would be equal to the assessed rate payable for the premises so supplied, and where the water is used for other than domestic purposes solely the charge shall be One shilling per thousand gallons, and the minimum quantity to be charged for shall be 40,000 gallons, and shall be paid for in advance or as the Trust shall deem necessary.

4. For any public water-trough supplied by the Trust, the sum of Thirty shillings per annum shall be charged, unless supplied by meter.

5. For water supplied from the stand-pipe or hydrant, for each load of 200 gallons or under, the sum of One shilling, and for each load in excess of 200 gallons *pro rata* on the above scale.

The foregoing rates are hereby made payable in advance on the first day of April, 1924, and such person or persons as

the Commissioners of the Trust may from time to time appoint for the purpose shall be authorized to demand, receive, and recover the said rates.

Passed by the Commissioners of the Trust this 20th day of December, 1923.

(SEAL) W. H. JOHNSTON, Chairman.
S. J. STARKIE, Commissioner.
PATRICK LYONS, Commissioner.
J. F. MOUNSEY, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

CITY OF WARRNAMBOOL.
BY-LAW NO. 33.

THE Municipal Council of the City of Warrnambool doth hereby, pursuant to and in exercise and execution of the powers and authorities conferred on it by the Water Acts (and whose Water District has for the purpose of the said Acts, been proclaimed an Urban District), make the By-law following:—

The following rates and charges are those which the occupiers and owners of land and tenements shall pay in advance in one instalment for the period from the first day of October, 1923, to the thirtieth day of September, 1924, in respect of water supplied by the Council (that is to say):—

(a) On every house or tenement, whether occupied or not, a rate of Twelvepence (1s.) for each pound sterling on the amount of the annual value, but the minimum amount to be paid shall be Twenty shillings (20s.) sterling.

(b) Unoccupied lands where no water is laid on shall be charged Five pounds per centum on the amount of the annual valuation.

(c) Houses unoccupied for a period of not less than six calendar months commencing on the first day of October or the first day of April, shall be charged two-thirds rate.

(d) Tenements built and used for storage purposes only, such as bonded stores, warehouses, and wholesale stores, not being domiciles nor used in retail business, a rate of Twelvepence in the pound on the amount of the annual valuation, except in cases where the Council shall order a meter to be used.

(e) Private water-troughs shall be charged at the rate of Twenty shillings per annum each, except when the Council shall order a meter to be used, in which case the minimum quantity of water to be charged for half-yearly shall be 10,000 gallons.

(f) For water supplied by the Council by measure, except in cases of special agreement with the Council, or otherwise provided for in this Regulation, the rate shall be Fifteenpence per 1,000 gallons.

(g) The rate to be charged to non-ratepayers for water supplied from stand-pipes shall be Threepence per 1,000 gallons, and the ratepayers shall be charged for quantity of water which, at Fifteenpence per 1,000 gallons, exceeds the amount of the assessed rate payable for lands or tenements according to their distance from the stand-pipe.

(h) Water for gas-engines shall be charged for at the rate of Ten shillings per annum for each engine, except in cases where the Council shall order a meter to be used.

(i) For steam-boilers the rate shall be Twelve shillings and sixpence per annum for each horse-power of each boiler, except in cases where the Council shall order a meter to be used.

(j) For a supply of water for building purposes the charge shall be Two shillings and sixpence per centum on the contract price for all stonework, brickwork, and plastering, and in the absence of any such contract on the sum paid for such stonework, brickwork, and plastering. The Council may require a meter to be fixed, when the charge shall be by measurement at the rate of 2s. 6d. per 1,000 gallons consumed. The minimum charge on the per centum basis to be 5s. and as per measurement 20s. Such charges to be paid by the owner of the building. Payment in either case to be made in advance.

(k) For water supplied to shipping, the charge shall be Five shillings per 1,000 gallons, with a minimum charge of Five shillings. With paid meters the charge shall be Two-shillings per 1,000 gallons.

(l) Supplies of water for purposes not specified herein must be paid for at such rate as the Council shall in each case determine, and the preliminary payment at such rate must be made at the office of the Council before a supply can be taken or used.

(m) In the event of any dispute as to which sub-section applies to any particular case, the Council shall have power to decide or to make a special charge.

(n) The minimum quantity of water to be charged for in each case where water is supplied by measure for domestic and other than domestic purposes shall be the quantity which at Fourteenpence per 1,000 gallons is equal to the amount of the assessed rate for the period which would be payable for the premises or land so supplied, if supplied otherwise than by measure.

(o) For water supplied to public parks and show grounds the charge shall be Ninepence per 1,000 gallons, and the supply must be taken through a meter.

(p) For water supplied to the Botanic Gardens, the Manifold-street Reserve, and Flagstaff Hill Reserve, the charge shall be Twopence per 1,000 gallons, and the supply must be taken through a meter.

(q) The before-mentioned rates shall be payable in advance on the first day of January of the said year, and such charges shall be payable on the fourteenth day of January of the said year.

(r) Such person or persons as the Council may appoint from time to time for the purpose shall be authorized to demand, receive, and collect the said rates and charges.

The foregoing By-law was made and adopted by the Municipal Council of the City of Warrnambool on the 11th day of December, 1923, and the common seal of the Mayor, Councillors, and Citizens of the City of Warrnambool was hereunto affixed by Order of the said Council in the presence of—

(SEAL) M. L. CARTER, Mayor.
J. SWAN, Councillor.
H. J. WORLAND, Town Clerk.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

WINCHELSEA WATERWORKS TRUST.
RATING BY-LAW FOR YEAR 1924.

THE Chairman and Commissioners of the Winchelsea Waterworks Trust hereby, pursuant to and in exercise of the powers and authorities conferred by the Water Acts, make the following By-law, viz.:—

By-law No. 10.

The following are the rates and charges which occupiers or owners of land and tenements liable to be rated shall pay for the year 1924 in respect of water supplied by the Trust within the Waterworks District thereof:—

1. For every house and tenement up to £16 annual municipal value and under, the sum of £2 16s. (Two pounds sixteen shillings) per annum.

2. For every house and tenement of £17 annual value and upwards, an amount of Three shillings and sixpence to the £1 upon the municipal value of such property.

3. Houses unoccupied for a period of not less than six calendar months, commencing on the first day of July, shall be charged two-thirds rates.

4. For every unoccupied piece or allotment of land unsupplied or supplied with water from the works of the Trust of Six pounds annual municipal value and under, the amount of One pound one shilling sterling per annum.

5. For every unoccupied piece or allotment of land unsupplied or supplied with water from the works of the Trust of Seven pounds annual municipal value and upwards, an amount of Three shillings and sixpence in the £1 upon the municipal value of such property.

6. Water supplied to cricket, tennis, or bowling clubs, and to Government grounds and similar properties, shall be charged for by measurement at 2s. (Two shillings) per 1,000 gallons.

7. For water supplied from stand-pipe or hydrant there shall be a charge for every 200 gallons or under, the sum of Ninepence.

8. For a supply during the erection of new buildings there shall be a charge of Ten shillings per cent. on the amount of the contract for stonework, brickwork, or plastering; or, if there be no contract, then upon the value of the amount charged or paid for such stonework, brickwork, or plastering.

9. Except hereinbefore otherwise provided, the minimum quantity of water to be charged for where water is supplied by the Trust by measurement shall be the quantity which, at 2s. per 1,000 gallons, equals the amount of assessed rates which would be payable for the premises so supplied, and for such minimum quantity of water there shall be a charge of 2s. per 1,000 gallons, and for water in excess of such minimum there shall be a charge of Two shillings per 1,000 gallons, or such price as may be specially agreed upon.

10. The fee to be paid for a plumber's licence shall be £1, renewals 5s.

That the before-mentioned rates and charges shall be payable yearly in advance, or in other cases as directed by the secretary, and shall be payable in one moiety. The payment shall be due on the 1st day of January, 1924, for the year ending 31st December, 1924, and after the 30th day of September, 1924, all rates not paid shall bear interest at the rate of 6 per cent. per annum. Such person or persons as the Commissioners of the Winchelsea Waterworks Trust may from time to time appoint for the purpose shall be authorized to demand, receive, collect, and recover the said rates and charges.

In the construction of the By-law the word "person" shall be deemed to extend to and include a corporation, whether aggregate or sole, and the word "Trust" shall mean the Winchelsea Waterworks Trust.

Passed this fifth day of December, 1923.

(SEAL) ALICK M. McLENNAN, Chairman.
P. M. JAMES, Secretary.

Approved by the Governor in Council,
the 15th January, 1924.

F. W. MABBOTT,
Clerk of the Executive Council.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the fifteenth day of January, 1924.

PRESENT:

His Excellency the Governor of Victoria.

Sir A. J. Peacock | Mr. Gordon.
Dr. Argyle

Country Roads Act 1915 (No. 2635) and Developmental Roads Act 1918 (No. 2944).

DECLARATION OF MAIN ROADS UNDER THE COUNTRY ROADS ACTS IN THE SHIRES OF SOUTH GIPPSLAND AND EAST LODDON.

WHEREAS by the Resolution set out below and dated the second day of January One thousand nine hundred and twenty-four, the Country Roads Board incorporated under the Country Roads Act 1915 (No. 2635) being of opinion that the highways in the State of Victoria set out or described in the Schedule to the same are of sufficient importance to be main roads and acting under the powers in that behalf conferred upon it by the said Act declared such highways to be main roads within the meaning and for the purposes of the Act aforesaid: And whereas the said Act amongst other things provides that the Governor in Council may by Order published in the Government Gazette confirm such Resolution whereupon any road mentioned in such Resolution shall be a main road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the said Country Roads Board: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution and declare upon the publication of this Order in the Government Gazette the roads mentioned in the Schedule to such Resolution of the Country Roads Board main roads within the meaning and for the purposes of the Country Roads Act 1915.

RESOLUTION OF THE COUNTRY ROADS BOARD ABOVE REFERRED TO.

The Country Roads Board incorporated by the Country Roads Act 1915 (No. 2635) at a meeting now holden being of opinion that the highways within the State of Victoria set out or described in the Schedule hereunder written are of sufficient importance to be main roads, acting under the powers conferred upon it by the said Act, doth by this Resolution hereby declare such highways to be main roads within the meaning and for the purposes of the said Country Roads Act 1915.

SCHEDULE.

Shire of East Loddon.

4. Dingee-road (5404).—Commencing at the north-western angle of allotment 76, Parish of Pomppapel; thence westerly to the north-western angle of allotment 78 of the said parish.

Shire of South Gippsland.

2. Toora-Gunyah Road (15402).—Commencing at the south-western angle of lot 9 on plan of subdivision number 2603 lodged in the Office of Titles; thence easterly a distance of approximately 12 chains to the goods railway crossing at the Toora Railway Station.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this second day of January, One thousand nine hundred and twenty-four, in the presence of—

(SEAL) W. CALDER, Chairman.
W. MCCORMACK, Member.
W. L. DALE, Secretary.

DECLARATION OF A DEVIATION FROM THE ALBERT RIVER-ROAD IN THE SHIRE OF ALBERTON AND DISCONTINUANCE OF PART OF OLD ROAD.

WHEREAS by section 58 of the Country Roads Act 1915 (No. 2635) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Acts has by Resolution declared a deviation to be a developmental road the said Board may also declare that such deviation shall be in lieu of the existing road or part thereof named in such Resolution and that on publication in the Government Gazette of the Order confirming such Resolution the existing road or part thereof shall cease to be a developmental road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a developmental road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the said existing road as is described in the Third Schedule shall be discontinued: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

RESOLUTION OF THE COUNTRY ROADS BOARD ABOVE REFERRED TO. Resolution of the Country Roads Board declaring Road on Site taken for a Deviation of a Developmental Road fit for use.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the Country Roads Act 1915 for the purpose of constructing such road deviation, which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 58 of the said Act doth by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a developmental road within the meaning and for the purposes of the Developmental Roads Act 1918: And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto and that such part of the said existing road as is described in the Third Schedule shall be discontinued.

FIRST SCHEDULE.

Shire of Alberton.

6. Albert River-road (156).—All that piece of land in the Parish of Binginwarri and being a roadway generally one chain wide the northern boundary of which commences at a point on the northern boundary of allotment 13, section B, of the said parish distant 90 deg. 0 min. 1,085.2 links from an angle in the said northern allotment boundary formed by the intersection of lines bearing 60 deg. 40 min. and 90 deg. 0 min.; thence generally south-westerly through the said allotment, across a one-chain road and north-westerly through allotment 12 of the said section to a point on the northern boundary thereof distant 249 deg. 12 min. 106.5 links from the north-eastern angle of the said allotment 12. Also, all that piece of land in the Parish of Binginwarri, and being a roadway generally one chain wide the northern boundary of which commences at a point on the southern boundary of allotment 21a, section B, of the said parish distant 90 deg. 19 min. 84 links from the south-western angle of the said allotment; thence north-westerly through that allotment north-westerly along and across a one-chain road, generally westerly and south-westerly through allotment 21 of the said section and again south-westerly through the allotment last named to a point on the northern boundary of the existing one-chain road through that allotment, the said point being distant from the south-eastern angle of the said allotment 21 by lines bearing respectively 273 deg. 0 min. 1,022 links, 223 deg. 0 min. 1,052 links, more or less, and 268 deg. 18 min. 123.7 links.

NOTE.—The routes of the portions of the roadway above described are more particularly delineated and shown coloured red and yellow on survey plans numbered 975 and 976 lodged in the office of the Country Roads Board.

SECOND SCHEDULE.

Shire of Alberton.

6. Albert River-road.—All that piece of land in the Parish of Binginwarri and being a roadway generally one chain wide the southern boundary of which commences at a point on the northern boundary of allotment 13, section B, of the said parish distant 90 deg. 0 min. 1,085.2 links from an angle in the said northern allotment boundary formed by the intersection of lines bearing 60 deg. 40 min. and 90 deg. 0 min.; thence westerly and south-westerly to a point on the northern boundary of allotment 12, section B, of the said parish, distant 249 deg. 12 min. 106.5 links from the north-eastern angle of the allotment last named. Also, all that piece of land in the Parish of Binginwarri and being a roadway generally two chains wide the northern boundary of which commences at the south-eastern angle of allotment 21, section B, of the said parish; thence westerly and south-westerly to a point on the southern boundary of the said allotment distant 273 deg. 0 min. 1,022 links and 223 deg. 0 min. 370.7 links more or less from the south-eastern angle aforesaid.

NOTE.—The routes of the portions of the roadway above described are more particularly delineated and shown coloured light and dark blue on survey plans numbered 975 and 976 lodged in the office of the Country Roads Board.

THIRD SCHEDULE.

Shire of Alberton.

All that piece of land in the Parish of Binginwarri and being a roadway generally one chain wide the southern boundary of which commences at an angle in the northern boundary of allotment 13, section B, of the said parish formed by the intersection of lines bearing 60 deg. 40 min. and 90 deg. 0 min.; thence south-westerly by the said northern allotment boundary to the north-western angle of the said allotment. Also, all that piece of land in the Parish of Binginwarri and being a roadway generally two chains wide the northern boundary of

which commences at the south-eastern angle of allotment 21, section B, of the said parish; thence westerly and south-westerly to a point on the southern boundary of the said allotment distant 273 deg. 0 min. 1,022 links and 223 deg. 0 min. 370.7 links more or less from the south-eastern angle aforesaid.

NOTE.—The routes of the portions of the roadway above described are more particularly delineated and shown coloured dark blue on survey plans numbered 975 and 976 lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this second day of January, One thousand nine hundred and twenty-four, in the presence of—

(SEAL) W. CALDER, Chairman.
W. McCORMACK, Member.
W. L. DALE, Secretary.

DECLARATION OF A DEVIATION FROM THE SNOWY CREEK-ROAD IN THE SHIRE OF TOWONG.

WHEREAS by section 58 of the *Country Roads Act 1915* (No. 2635) (as amended by section 16 of the *Developmental Roads Act 1918*, No. 2944) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Acts has by Resolution declared a deviation to be a developmental road the said Board may also declare that such deviation shall be in lieu of any existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a developmental road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a developmental road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the said existing road shall be discontinued: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

RESOLUTION OF THE COUNTRY ROADS BOARD ABOVE REFERRED TO.

Resolution of the Country Roads Board declaring Road on Site taken for a Deviation of a Developmental Road fit for use.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the *Developmental Roads Act 1918* for the purpose of constructing such road deviation which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the *Country Roads Act 1915*) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 58 of the said last cited Act doth by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a developmental road within the meaning and for the purposes of the *Developmental Roads Act 1918*: And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto and that such part of the said existing road shall be discontinued.

FIRST SCHEDULE.

Shire of Towong.

2. *Snowy Creek-road* (16352).—All that piece of land in the Parish of Dorchap and being a roadway generally one chain wide the western boundary of which commences at a point on the eastern boundary of allotment 7, section 6, of the said parish distant 4 deg. 23 min. 912.1 links from an angle in the said allotment boundary formed by the intersection of lines bearing 26 deg. 1 min. and 4 deg. 23 min.; thence south-westerly and southerly through the said allotment to a point on the eastern boundary thereof distant 206 deg. 1 min. 694.7 links from the angle aforesaid. Also, all those pieces of land in the Parish of Dorchap the boundaries of which are as follow:—(a) Commencing at the north-western angle of allotment 4, section 6, of the said parish; thence by lines bearing respectively 127 deg. 13 min. 27 links, 202 deg. 11 min. 145.4 links, and 12 deg. 28 min. 154.6 links to the point of commencement. (b) Commencing at the most westerly angle of allotment 2, section 6, of the said parish; thence by lines bearing respectively 22 deg. 57 min. 205 links, 198 deg. 52 min. 209.3 links, and 307 deg. 13 min. 15.3 links to the point of commencement. (c) Commencing at a point on the western boundary of allotment 53, section 2, of the said parish distant 231 deg. 55 min. 222 links from an angle in the said allotment boundary formed by the intersection of lines bearing 51 deg. 55 min. and 60 deg. 18 min.; thence by lines bearing respectively 222 deg. 38 min. 405.5 links, 246 deg. 44 min. 246.2 links, and 51 deg. 55 min.

622.6 links to the point of commencement—which said pieces of land are particularly delineated and shown coloured red on survey plans numbered 1129, 1130, 1131, and 1132 lodged in the office of the Country Roads Board.

SECOND SCHEDULE.

Shire of Towong.

2. *Snowy Creek-road*.—All that piece of land in the parish of Dorchap the boundaries of which are as follow:—Commencing at an angle in the eastern boundary of allotment 7, section 6, of the said parish formed by the intersection of lines bearing 26 deg. 1 min. and 4 deg. 23 min.; thence by lines bearing respectively 4 deg. 23 min. 684.4 links, 30 deg. 26 min. 227.7 links, 184 deg. 23 min. 908 links, 206 deg. 1 min. 690 links, 359 deg. 17 min. 222.3 links, and 26 deg. 1 min. 472.4 links to the point of commencement, which said piece of land is particularly delineated and shown coloured blue on the survey plan number 1131 lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this second day of January, One thousand nine hundred and twenty-four, in the presence of—

(SEAL) W. CALDER, Chairman.
W. McCORMACK, Member.
W. L. DALE, Secretary.

DECLARATION OF A DEVELOPMENTAL ROAD UNDER THE DEVELOPMENTAL ROADS ACTS IN THE SHIRE OF WOORAYL.

WHEREAS by the Resolution set out below and dated the second day of January One thousand nine hundred and twenty-four the Country Roads Board incorporated under the *Country Roads Act 1915* (No. 2635) being of opinion that the road set out or described in the Schedule to the same is of sufficient importance and will serve to develop areas of land (whether alienated from the Crown or not) by providing access to a railway station or to a main road leading to a railway station, and acting under the powers in that behalf conferred upon it by the *Developmental Roads Act 1918* (No. 2944) declared such road to be a developmental road within the meaning and for the purposes of the *Developmental Roads Act 1918*: And whereas the said Act amongst other things provides that the Governor in Council may by Order published in the *Government Gazette* confirm such Resolution whereupon any road or part thereof mentioned in the said Resolution shall be a developmental road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the said Country Roads Board: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm such Resolution and declare upon the publication of this Order in the *Government Gazette* the road mentioned in the Schedule to such Resolution of the Country Roads Board a developmental road within the meaning and for the purposes of the *Developmental Roads Act 1918*.

RESOLUTION OF THE COUNTRY ROADS BOARD ABOVE REFERRED TO.

The Country Roads Board incorporated by the *Country Roads Act 1915* (No. 2635) at a meeting now holden being of opinion that the road set out or described in the Schedule hereunder written is of sufficient importance and will serve to develop areas of land by providing access to a railway station or to a main road leading to a railway station, acting under the powers in that behalf conferred upon it by the *Developmental Roads Act 1918* (No. 2944) doth by this Resolution hereby declare such road to be a developmental road within the meaning and for the purposes of the said *Developmental Roads Act 1918*.

SCHEDULE.

Shire of Woorayl.

17. *Meeniyar-Tarwin Road* (18677).—Commencing at its junction with the Lower Tarwin (main) road at, or near, the north-western angle of allotment 9, section 4, Township of Bongurra, Parish of Nerrena; thence south-easterly and easterly to and across the Tarwin River; thence generally north-easterly, easterly, and north-easterly to its junction with Farmers (main) road at the southern boundary of allotment 7, section 2, Township of Meeniyar. Also, commencing at its junction with Farmers (main) road at the north-western angle of allotment 23, section 2, Township of Meeniyar, Parish of Nerrena; thence generally easterly and south-easterly to its junction with the Stony Creek-Dollar (main) road at the western angle of allotment 39c of the said parish on the eastern boundary of the shire.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this second day of January, One thousand nine hundred and twenty-four, in the presence of—

(SEAL) W. CALDER, Chairman.
W. McCORMACK, Member.
W. L. DALE, Secretary.

DECLARATION OF DEVELOPMENTAL ROADS UNDER THE DEVELOPMENTAL ROADS ACT IN THE SHIRE OF MELTON.

WHEREAS by the Resolution set out below and dated the sixth day of December One thousand nine hundred and twenty-three the Country Roads Board incorporated under the *Country Roads Act 1915* (No. 2635) being of opinion that the roads set out or described in the Schedule thereunder written are of sufficient importance and will serve to develop areas of land (whether alienated from the Crown or not) by providing access to a railway station or to a main road leading to a railway station and acting under the powers conferred upon it by the *Developmental Roads Act 1918* (No. 2944) declared such roads to be developmental roads within the meaning and for the purposes of the *Developmental Roads Act 1918*: And whereas the said Act amongst other things provides that the Governor in Council may by Order published in the *Government Gazette* confirm such Resolution whereupon any road or part thereof mentioned in such Resolution shall be a developmental road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the said Country Roads Board: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm such Resolution and declare upon the publication of this Order in the *Government Gazette* the roads mentioned in the Schedule to such Resolution of the Country Roads Board developmental roads within the meaning and for the purposes of the *Developmental Roads Act 1918*.

RESOLUTION OF THE COUNTRY ROADS BOARD ABOVE REFERRED TO.

The Country Roads Board incorporated by the *Country Roads Act 1915* (No. 2635) at a meeting now holden being of opinion that the roads set out or described in the Schedule hereunder written are of sufficient importance and will serve to develop areas of land by providing access to a railway station or to a main road leading to a railway station acting under the powers in that behalf conferred upon it by the *Developmental Roads Act 1918* (No. 2944) doth by this Resolution hereby declare such roads to be developmental roads within the meaning and for the purposes of the said *Developmental Roads Act 1918*.

SCHEDULE.

Shire of Melton.

2. *Exford-road* (10252).—Commencing at the north-western angle of allotment A, section 4, Parish of Djerriwarrah; thence westerly to the north-western angle of allotment C, section 2, of the said parish; thence southerly, south-westerly, south-easterly, and south-westerly to the bridge over the Werribee River, on the south-western boundary of the shire.

3. *Mount Kororoit-road* (10253).—Commencing at the north-eastern angle of allotment A, section 21, Parish of Kororoit; thence southerly to and across Kororoit Creek; thence further southerly to the southern boundary of allotment 4, section 7A, of the said parish.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this sixth day of December, One thousand nine hundred and twenty-three, in the presence of—

(SEAL) W. CALDER, Chairman.
W. McCORMACK, Member.
W. L. DALE, Secretary.

ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF ALEXANDRA.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Cathkin-Mansfield road in the Shire of Alexandra (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 25th November, 1914, on page 5286) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Merton and being a roadway one chain or more in width, the eastern boundary of which commences at the north-eastern angle of allotment 77A of the said parish; thence generally south-westerly and southerly through that allotment and south-easterly and south-westerly through allotment 77 of the said parish to a point on the

western boundary of the allotment last named, distant 212 deg. 28 min. 778 links from an angle in the said western boundary formed by the intersection of lines bearing 32 deg. 28 min. and 14 deg. 41 min.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 1485 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF MORWELL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Jeeralang West-road in the Shire of Morwell (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 14th January, 1914, on page 92) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Hazelwood, the boundaries of which are as follow:—Commencing at the south-western angle of allotment 38 of the said parish; thence by lines bearing respectively 31 deg. 10 min. 1,534 links, 180 deg. 22 min. 270 links, 195 deg. 41 min. 361 links, 199 deg. 47 min. 201 links, 226 deg. 33 min. 296 links, 236 deg. 31 min. 147 links, 222 deg. 6 min. 297 links, and 270 deg. 4 min. 90 links to the point of commencement—which said piece of land is particularly delineated and shown coloured, red on survey plan No. 1482 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF ORBOST.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Orbost-Genoa road in the Shire of Orbost (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 14th January, 1914, on page 1545) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Orbost East, the boundaries of which are as follow:—Commencing at the south-western angle of allotment 17A, section B, of the said parish; thence by lines bearing respectively 0 deg. 5 min. 279 links, 85 deg. 47 min. 788 links, 165 deg. 55 min. 45 links, 255 deg. 55 min. 772 links, and 204 deg. 35 min. 116 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 1480 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF ORBOST.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Orbost should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plans marked "A" to "D" respectively and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plans and a

consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

WEST CANN-ROAD IN THE SHIRE OF ORBOST.

All that piece of land in the Parish of Noorinbee, the boundaries of which are as follow:—Commencing at a point on the northern boundary of allotment 24B, section A, of the said parish, distant 9.4 links from the north-western angle of that allotment; thence by lines bearing respectively 102 deg. 42 min. 100.5 links, 198 deg. 23 min. 482.1 links, 232 deg. 45½ min. 290.8 links, 110 deg. 22½ min. 223.6 links, 203 deg. 12 min. 101.1 links, 290 deg. 23½ min. 169.6 links, 237 deg. 35 min. 239.1 links, 320 deg. 16 min. 72.9 links, 38 deg. 3 min. 403 links, 52 deg. 45½ min. 169.8 links, and 18 deg. 23 min. 441.2 links to the point of commencement.

Also, all that piece of land in the Parish of Noorinbee, and being a roadway generally one chain wide, the western boundary of which commences at a point on the southern boundary of allotment 20A, section A, of the said parish, distant 1,330 links from the south-western angle of the said allotment; thence generally north-easterly through that allotment to a point on the northern boundary thereof distant 2,504.5 links from the north-western angle of the said allotment.

Also, all that piece of land in the Parish of Combienbar, and being a roadway generally one chain wide the eastern boundary of which commences at a point in Crown lands east of allotment 1, section B, of the said parish, distant 99 deg. 38 min. 158.3 links from the south-eastern angle of the said allotment; thence north-easterly through the said Crown lands, generally northerly through the said allotment 1, north-easterly through allotment 3 of the said section, north-easterly across the Government road, and north-easterly through allotment 4 of the said section to a point on the northern boundary of that allotment, distant 89.6 links from the north-western angle thereof.

NOTE.—The routes of the portions of the roadway above described are more particularly delineated and shown coloured red on survey plans Nos. 1298, 1299, 1301, and 1302, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF PHILLIP ISLAND AND WOOLAMAI.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Phillip Island and Woolamai should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new developmental road is proposed to be made and the cost of acquiring the land and constructing the said new developmental road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new developmental road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

WONTHAGGI-LOCH ROAD IN THE SHIRE OF PHILLIP ISLAND AND WOOLAMAI.

All that piece of land in allotment 52B, Parish of Jumbunna, the boundaries of which are as follow:—Commencing at the south-eastern angle of the north-western portion of the said allotment; thence by lines bearing respectively 238 deg. 48 min. 80 links, 27 deg. 0 min. 121 links, and 168 deg. 41 min. 18 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 1481 lodged in the office of the Country Roads Board.

ORDER IN COUNCIL CONFIRMING RESOLUTION OF THE COUNTRY ROADS BOARD RESCINDING IN PART RESOLUTION DECLARING A CERTAIN HIGHWAY IN THE SHIRE OF MORWELL TO BE A MAIN ROAD AND THEREUPON DECLARING SUCH PART OF SUCH ROAD A DEVELOPMENTAL ROAD.

WHEREAS by the Resolution set out below and dated the seventeenth day of December One thousand nine hundred and twenty-three the Country Roads Board incorporated under the *Country Roads Act 1915* (No. 2635) being of opinion that the road set out or described in the First Schedule to the same is no longer of sufficient importance to be considered a main road resolved that the Resolution passed by the Board on the first day of December, One thousand nine hundred and thirteen and con-

firmed by the Governor in Council by an Order published in the *Government Gazette* of the fourteenth day of January, One thousand nine hundred and fourteen, on page 92, declaring the highway particulars of which are therein set out or described be rescinded so far as the same covers the said highway between the points referred to in the Resolution hereby confirmed: And whereas the said Board by the said Resolution set out below being further of opinion that the said road more particularly described in the Second Schedule to the said Resolution is of sufficient importance and will serve to develop areas of land (whether alienated from the Crown or not) by providing access to a railway station or to a main road leading to a railway station and acting under the powers in that behalf conferred upon it by the *Developmental Roads Act 1918* (No. 2944) declared such road to be a developmental road within the meaning and for the purposes of the *Developmental Roads Act 1918*: And whereas the said Act amongst other things provides that the Governor in Council may by Order published in the *Government Gazette* confirm such Resolution whereupon any road or part thereof mentioned in such Resolution shall cease to be a main road and any road or part thereof mentioned in such Resolution shall be a developmental road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the Country Roads Board: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm such Resolution and declare upon the publication of this Order in the *Government Gazette* the road mentioned in the First Schedule to such Resolution shall cease to be a main road and the road mentioned in the Second Schedule to such Resolution shall be a developmental road within the meaning and for the purposes of the *Developmental Roads Act 1918*.

FIRST SCHEDULE.

Shire of Morwell.

3. *Boolarra-Welshpool Road.*—Commencing at the north-eastern angle of the Boolarra Recreation Reserve, Parish of Mirboo; thence north-easterly and generally south-easterly to the bridge over the Morwell River near the north-eastern angle of allotment 9A of the said parish.

SECOND SCHEDULE.

Shire of Morwell.

10. *Boolarra-Welshpool Road* (11260).—Commencing at its junction with the Boolarra-Foster (main) road at the north-western angle of the Boolarra Recreation Reserve, Parish of Mirboo; thence easterly to the north-eastern angle of the said reserve; thence north-easterly and generally south-easterly to the bridge over the Morwell River near the north-eastern angle of allotment 9A of the said parish.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this seventeenth day of December, One thousand nine hundred and twenty-three, in the presence of—

(SEAL) W. CALDER, Chairman.
W. McCORMACK, Member.
W. L. DALE, Secretary.

And the Honorable George Louis Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

LORNE WATERWORKS TRUST.

MINIMUM WATER RATE, 1924.

At the Executive Council Chamber, Melbourne, the fifteenth day of January, 1924.

PRESENT:

His Excellency the Governor of Victoria.
Sir A. J. Peacock | Mr. Gordon.
Dr. Argyle

WHEREAS by section 148 of the *Water Act 1915*, it is enacted that the Governor in Council may from time to time fix a sum which shall be the minimum amount of rates to be paid annually by the occupier or owner of any land or tenement liable to be rated by any Waterworks Trust: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, and in pursuance of the now in part recited Act, doth order and direct that the sum of Ten shillings (10s.) shall be the minimum amount of rates to be paid for the year 1924 by every occupier or owner of any land or tenement liable to be rated by the Lorne Waterworks Trust.

And the Honorable Harry Sutherland Wightman Lawson, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

Discharged Soldiers Settlement Act 1917, Section 6.
LAND SET APART FOR DISCHARGED SOLDIERS.

At the Executive Council Chamber, Melbourne, the fifteenth day of January, 1924.

PRESENT:

His Excellency the Governor of Victoria.
 Sir A. J. Peacock | Mr. Gordon.
 Dr. Argyle

WHEREAS by the *Discharged Soldiers Settlement Act 1917* (8 Geo. V. No. 2916) it is amongst other things enacted that the Governor in Council may, by Order published in the *Government Gazette*, set apart any area of Crown land for the purpose of being disposed of under the said Act to discharged soldiers in the manner therein provided: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the provisions contained in section 6 of the Act aforesaid, doth hereby set apart for the said purpose the land set out in the schedule hereunder:—

SCHEDULE REFERRED TO.

| County. | Parish. | Allotment. | Section. | Area. |
|--------------|-------------|------------|----------|----------------------|
| Karkaroc ... | Bumbang ... | 2, 3 | ... | A. R. P. 639 3 32 |

And the Honorable J. Allan, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
 Clerk of the Executive Council.

Discharged Soldiers Settlement Act 1917.

ORDERS PARTLY REVOKED.

At the Executive Council Chamber, Melbourne, the fifteenth day of January, 1924.

PRESENT:

His Excellency the Governor of Victoria.
 Sir A. J. Peacock | Mr. Gordon.
 Dr. Argyle

WHEREAS by section 6 of the *Discharged Soldiers Settlement Act 1917* (8 Geo. V. No. 2916) it is amongst other things enacted that the Governor in Council may, by Order published in the *Government Gazette*, set apart any area of Crown land for the purpose of being disposed of under the said Act to discharged soldiers in the manner set out in the said Act, and may amend or revoke any such Order: Now therefore His Excellency the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, doth by this Order revoke the Orders in Council hereunder mentioned, viz.:—

The Order in Council dated 16th November, 1920, setting apart land under section 6 of the *Discharged Soldiers Settlement Act 1917*, being certain allotments in the Parishes of Koimbo, Koorkab, Geera, &c., so far as regards only allotment 27 in the Parish of Koorkab.

The Order in Council dated 29th August, 1921, setting apart land under section 6 of the *Discharged Soldiers Settlement Act 1917*, being certain allotments in the Parishes of Patchewollock, Dennyning, Koorkab, &c., so far as regards only allotment 13 in the Parish of Koorkab, and allotment 11 in the Parish of Margooya.

And the Honorable J. Allan, His Majesty's Commissioner of Crown Lands and Survey, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
 Clerk of the Executive Council.

APOLLO BAY WATERWORKS TRUST CONSTITUTED.

At the Executive Council Chamber, Melbourne, the fifteenth day of January, 1924.

PRESENT:

His Excellency the Governor of Victoria.
 Sir A. J. Peacock | Mr. Gordon.
 Dr. Argyle

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council of the said State, doth hereby approve of the application of the councillors for the East Riding of the Shire of Otway for the constitution of a Waterworks Trust and for a loan, subject to the provisions of the said Acts, to carry out works for the supply of the Township of Apollo Bay with water, and doth order and appoint as follows:—

1. The construction of the said waterworks.

2. That the councillors for the East Riding of the municipal district of the Shire of Otway for the time being and three other persons shall be the Commissioners of the Waterworks Trust.

3. That the amount of the loan hereby granted to such Trust shall be Four thousand eight hundred pounds (£4,800).

4. That the limits of the land within which the said Waterworks Trust shall have authority shall be those comprised within the following boundaries:—

PORTION 1.

Reticulation Area.

Commencing at the south-western angle of allotment 19, section 1, Parish of Krambruk, County of Polwarth; thence easterly along the southern boundaries of allotments 19 and A and by a line being a continuation of the southern boundary of the said allotment A to a point on the coast of Bass Strait; thence southerly by the said coast to the left bank of the Barham River; thence westerly along the said left bank of the Barham River to a point in line with the eastern boundary of allotment 19; thence northerly by a line to the south-eastern angle of the said allotment 19; thence westerly along the southern boundary of the said allotment 19 to the north-western angle of allotment 19A; thence north-westerly by a line through allotments 19 and 4 and across a road and through allotment 1 to the point of commencement.

PORTION 2.

Pipe Track.

Commencing at a point on the western boundary of the reticulation area in Crown allotment 1, section 1, Parish of Krambruk; thence by a strip of land 22 feet in width, being 11 feet on either side of the centre of the pipe line, north-westerly through the aforesaid Crown allotment 1, and through Crown allotments 2 and 17, section 1, all in the Parish of Krambruk, to the oftake weir on Anderson's Creek in the said allotment 17.

PORTION 3.

Weir Site.

A piece of land on Anderson's Creek approximately 2 acres in extent, and comprising the site of the weir, and situated in Crown allotments 17, 14, and 14c, section 1, Parish of Krambruk;

all of which boundaries are as shown on a plan approved by the Governor in Council and deposited in the office of the State Rivers and Water Supply Commission, Treasury Gardens, Melbourne.

5. That the principal works to be constructed or carried out by the Trust shall consist of a masonry weir on Anderson's Creek, pipe main, and reticulation of the Township of Apollo Bay.

6. That the name of the Trust shall be Apollo Bay Waterworks Trust.

And the Honorable Harry Sutherland Wightman Lawson, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
 Clerk of the Executive Council.

WODONGA WATERWORKS TRUST.

ADDITIONAL LOAN OF £11,145.

At the Executive Council Chamber, Melbourne, the fifteenth day of January, 1924.

PRESENT:

His Excellency the Governor of Victoria.
 Sir A. J. Peacock | Mr. Gordon.
 Dr. Argyle

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby grant an additional loan of Eleven thousand one hundred and forty-five pounds (£11,145) to the Wodonga Waterworks Trust for the purpose of providing a new pumping plant, service tank, and pipe mains at Wodonga, as set forth in the detailed statement bearing date the fourteenth day of January, 1924, and verified under the seal of the State Rivers and Water Supply Commission.

The loan hereby granted shall be subject to the provisions of the Water Acts and the amount shall be charged to the *Water Supply Loans Application Act 1923* (No. 3300).

And the Honorable Harry Sutherland Wightman Lawson, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
 Clerk of the Executive Council.

REGULATIONS UNDER THE MILK SUPPLY ACT 1922.

At the Executive Council Chamber, Melbourne, the twenty-second day of January, 1924.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lawson Mr. Goudie
Mr. Allan Mr. Wettenhall.
Dr. Argyle

WHEREAS by section 15 of Part I. of the Milk Supply Act 1922 it is enacted that the Governor in Council, on the recommendation of the Milk Supply Committee, may, by Order published in the Government Gazette, make Regulations for the purpose therein mentioned and generally for the carrying into effect the provisions of the said part of the said Act: Now therefore His Excellency the Governor of Victoria, with the advice of the Executive Council thereof, doth by this Order, on the recommendation aforesaid, make the following Regulations (that is to say):—

1. These Regulations may be cited as the Milk Supply Act 1922 Regulations 1924.

2. Interpretation—

“Bottled milk” means milk sold in glass, metal, or other approved containers.

“Consumer” means any person, whether as principal or agent, directly or indirectly receiving milk from a dairy-farmer, depot, or dairy, intended for consumption by himself or another.

“Dairy-farmer” means any person who holds a licence for a dairy farm issued under the Dairy Supervision Act for premises upon which cows are milked for the purpose of producing milk for sale as milk within the metropolitan area.

“Dairyman” means the owner or person in charge of premises within the metropolitan area for which a licence under the Dairy Supervisor Act has been issued and from which milk is sold or delivered retail.

“Metropolitan area” means the municipal districts of the municipalities specified in the Schedule to the Act.

“Milk” means the normal product of the udder of an animal without addition or subtraction.

“Pasteurized milk” means milk which has been heated to a temperature of not less than 145 degrees Fahrenheit and held at such temperature for not less than thirty minutes and immediately after reduced to a temperature below 40 degrees Fahrenheit.

3. The maximum temperature at which milk shall be kept forthwith after production until disposed of by the producer to a depot, dairy, or consumer shall be the temperature of the coolest water available on the farm upon which such milk is produced.

4. Every dairyman shall, on receipt of any milk, cause the same to be immediately and efficiently cooled to a temperature not greater than 40 degrees Fahrenheit. Provided that if the milk has been efficiently cooled below 40 degrees Fahrenheit at the centre of production and is received by a dairyman below a temperature of 50 degrees Fahrenheit, further cooling to 40 degrees Fahrenheit or under shall not be necessary.

5. When any dairy-farmer produces milk for sale within the metropolitan area and sells such milk direct to the consumer, the cooling of such milk to 40 degrees Fahrenheit or under shall not be necessary, provided that all such milk is sold within two hours of the time of production.

6. No person shall hold or store any milk for sale unless the same has been efficiently cooled to a temperature below 40 degrees Fahrenheit and is held or stored in a cool chamber or ice chest, and no milk shall be sold unless the same is below a temperature of 60 degrees Fahrenheit.

7. The lowest grade of raw milk which may be received by any dairyman from any dairy-farmer shall be milk containing not more than 500,000 organisms per cubic centimetre.

8. The lowest grade of raw milk which may be sold by any dairyman within the metropolitan area shall be milk containing not more than 2,000,000 organisms per cubic centimetre.

9. No milk which has been pasteurized in any dairy or factory situated outside the metropolitan area and which is intended for sale within the metropolitan area shall contain more than 800,000 organisms per cubic centimetre at any time before pasteurization.

10. No pasteurized milk shall be sold within the metropolitan area which contains more than 500,000 organisms per cubic centimetre.

11. No person shall sell as bottled milk any milk unless the same has been bottled at a dairy and is delivered to the customer in the state in which it leaves such dairy.

And the Honorable Francis Edward Old, His Majesty's Minister of Agriculture for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

Land Act 1915.

AREAS OF LANDS COMPRISED IN CERTAIN CLASSES INCREASED AND DIMINISHED:

PROCLAMATION

By His Excellency Colonel the Right Honorable George Edward John Mowbray, Earl of Stradbroke, K.C.M.G., C.B., C.V.O., C.B.E., Aide-de-Camp to His Majesty the King; Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the Land Act 1915 it is amongst other things enacted that the Governor in Council may, by Proclamation to be published in the Government Gazette, at any time increase or diminish the area of land comprised in any of the classes mentioned in Part I., Division 1, section 5, of the said Land Act 1915; but that the area of lands which may be sold by auction (Class 5) shall not be increased except as in certain cases in the said Act provided: Now therefore I, the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in accordance with the provisions of sections 94 and 117 of the Land Act 1915 aforesaid, do hereby increase or diminish (as the case may be) the areas of Crown lands comprised in Classes 2, 3, and 6 respectively of the classes mentioned in section 5 of the Land Act 1915 aforesaid to the extent set forth in the subjoined Schedules (that is to say):—

Schedules referred to.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this fifteenth day of January, in the year of our Lord One thousand nine hundred and twenty-four, and in the fourteenth year of the reign of His Majesty King George V.

(L.S.)

By His Excellency's Command,
J. ALLAN,
Commissioner of Crown Lands and Survey.

GOD SAVE THE KING!

Vermin and Noxious Weeds Act 1922, No. 3195.
SIMULTANEOUS DESTRUCTION OF VERMIN ORDERED.

PROCLAMATION

By His Excellency Colonel the Right Honorable George Edward John Mowbray, Earl of Stradbroke, K.C.M.G., C.B., C.V.O., C.B.E., Aide-de-Camp to His Majesty the King; Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by section 11 of the *Vermin and Noxious Weeds Act 1922* (No. 3195) it is enacted that it shall be the duty of every occupier and of every owner of land from time to time to destroy all vermin on any land occupied or owned by him and on the adjacent half-width of all roads bounding or adjoining the same or any part thereof and to keep such land and half-width of roads clear and free of all vermin and for such purpose to do all necessary or proper acts or things: Provided that where on any road any formed part of the road or any bridge culvert cutting embankment channel drain or work or any stone gravel wood or material deposited on the road to be used in the construction or maintenance thereof is a harbor or cover for vermin it shall be the duty of the council of the municipality in the municipal district of which such harbor or cover is situate to destroy all vermin therein and to keep the same clear and free of all vermin.

And whereas by section 12 of the said Act it is further enacted that the Governor in Council may from time to time by Proclamation in the *Government Gazette* specify a day on from and after which any duty specified in the next preceding section shall in the whole or any part of Victoria specified in the Proclamation be simultaneously commenced continued and performed by every occupier and every owner of any land within the whole or such part of Victoria (as the case may be):

Now therefore I, the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do hereby name the twentieth day of February, One thousand nine hundred and twenty-four, as the day on from and after which the duty specified by the said section 11 shall be simultaneously commenced continued and performed by every occupier and every owner of land within the whole of Victoria.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-second day of January, in the year of our Lord One thousand nine hundred and twenty-four, and in the fourteenth year of the reign of His Majesty King George V.

(L.S.) STRADBROKE.

By His Excellency's Command,
 J. ALLAN,
 Commissioner of Crown Lands and Survey.
GOD SAVE THE KING!

APPROACHING LAND SALES.

SALES of Crown Lands in Fee simple to be held at the under-mentioned places and dates, viz:—

| | No of Gazette. |
|--|-------------------|
| Portland—Thursday, 14th February, 1924 . . . | 5 |
| Sea Lake—Wednesday, 20th February, 1924 . . . | 9 |
| St. Arnaud—Thursday, 28th February, 1924 . . . | 17 |
| Swan Hill—Thursday, 14th February, 1924 . . . | 5 |

Lands and Survey Office, Melbourne.

SALE (No. 9536) OF CROWN LANDS IN FEE SIMPLE AT ST. ARNAUD, ON 28th FEBRUARY, 1924. TO BE CONDUCTED BY W. J. SMART, Esq., LAND OFFICER.

HIS Excellency the Governor, with the advice of the Executive Council, has been pleased to direct that a sale by auction of the undermentioned Crown lands will be holden at half-past Ten o'clock in the forenoon, on Thursday, the 28th day of February, 1924, at the Court House, and that such lands be offered for sale in the lots hereinafter specified, and at the upset price fixed to each lot respectively.

The lands will be sold in fee simple, and subject to the covenants, conditions, exceptions, and reservations directed by the Governor in Council by an Order in Council dated the 19th day of October, 1915, and published in the *Government Gazette* of the 21st October, 1915, page 4046, as amended by Order in Council dated the 8th day of February, 1921, published 16th February, 1921, page 585.

A deposit of twelve and a half per centum of the price at which each lot is sold must be paid by the purchaser at the time of sale, and all such payments shall be made only in gold, silver, or bank notes, or cheques approved of by the Receiver

and Paymaster, and the residue of such price will be payable in equal instalments, in accordance with the scale hereunder, on the last day of each successive period of six months from the time of sale, or, if the purchaser choose, at any earlier time or times, being one of such last days of any of the periods of six months stated above; such residue of payment will bear interest at the rate of £5 per centum per annum, to be computed from the time of sale to the time of payment of such residue or instalment of such residue.

The Governor in Council may, if he think fit, register the transfer of the interest of any purchaser of an allotment sold by public auction prior to the final payment of the purchase money being made. The fee for such registration shall be Ten shillings.

SCALE OF PAYMENTS.

- £20 and under, not more than 6 instalments.
- Over £20, and not exceeding £50, not more than 8 instalments.
- Over £50, and not exceeding £100, not more than 10 instalments.
- Over £100 and not exceeding £200, not more than 12 instalments.
- Over £200, and not exceeding £300, not more than 14 instalments.
- Over £300, and not exceeding £400, not more than 16 instalments.
- Over £400, and not exceeding £500, not more than 18 instalments.
- Over £500, not more than 20 instalments.

LEASING RAILWAY LANDS.

Applications are invited for letting on building leases for business purposes land at or near stations. Terms up to 21 years. For particulars, apply to Estate Officer, Spencer-street, Melbourne, or to local stationmasters or roadmasters.

No tenders will necessarily be accepted.

E. C. EYERS, Secretary.

TENDERS FOR THE SERVICE 1924-25.

GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Friday, 15th February, 1924, from persons willing to furnish the undermentioned articles, in such quantities as may be ordered by the Victorian Government, for the twelve months commencing on 1st March, 1924:—

| Schedule No. | Description | Preliminary Deposit. |
|--------------|--|----------------------|
| 7. | Drugs, Medicines, &c. | £10 |
| 8. | Druggists' and Chemists' Sundries | £5 |
| 9. | Ironmongery | £10 |
| 10. | Shipchandlery | £10 |
| 11. | Tents and Flvs | £5 |
| 12. | Tools, General | £10 |
| 13. | Locks, Lock Furniture, and Keys | £5 |

Security.—Ten per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £5 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—

(a) to tenders for articles manufactured within the Commonwealth;

(b) to tenders for articles manufactured within any other part of the British Empire.

In all cases the country of origin of the articles offered must be stated.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application.

Security will be required, either in Victorian or Commonwealth Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for—" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

Conditions of Contract are those published under General Stores, in the Victoria Government Gazette of 28th November, 1923, pages 3370 and 3371.

H. S. W. LAWSON,
Acting Treasurer.

The Treasury,
Melbourne, 14th January, 1924.

NOTICE is hereby given that the estate of Alfred Cole, of Terang, in the State of Victoria, labourer, has been sequestrated, and that a general meeting of creditors in the said estate will be holden at the Insolvency Court Offices, at Warrnambool, on Wednesday, the 30th day of January, A.D. 1924, at the hour of half-past Ten o'clock in the forenoon, for the election of trustees and for the other purposes mentioned in the 72nd section of the *Insolvency Act 1915*.

Dated at Warrnambool this 14th day of January, A.D. 1924.

H. J. O'NEILL,
 Chief Clerk.

PRIVATE ADVERTISEMENTS.

ALBERTON TO WON WRON RAILWAY CONSTRUCTION TRUST.

RESOLUTION ADOPTED BY THE ALBERTON TO WON WRON RAILWAY CONSTRUCTION TRUST AT A MEETING HELD ON 17TH JANUARY, 1924.

THAT in pursuance of the powers conferred by the *Railway Lands Acquisition Act 1915*, this Trust does now make and levy a rate upon all rateable property within the Alberton to Won Wron Railway Construction District of the respective amounts for the different divisions set forth in the schedule appended for the year ending 30th September, 1924, such rate to be due and payable forthwith at the office of the Trust, Shire Hall, Yarram.

Division A.—Area coloured red on plan, 3d. in the £1 on the municipal valuation.

Division B.—Area coloured blue on plan, 4d. in the £1 on the municipal valuation.

The foregoing rate was approved by the Governor in Council on the 12th December, 1923.

G. W. BLACK, Secretary.
 Yarram, 18th January, 1924. 6610

WON WRON TO WOODSIDE RAILWAY CONSTRUCTION TRUST.

RESOLUTION ADOPTED BY THE WON WRON TO WOODSIDE RAILWAY CONSTRUCTION TRUST AT A MEETING HELD ON 17TH JANUARY, 1924.

THAT in pursuance of the powers conferred by the *Railway Lands Acquisition Act 1915*, this Trust does now make and levy a rate upon all rateable property within the Won Wron to Woodside Railway Construction District of the respective amounts for the different divisions set forth in the schedule appended for the year ending 30th September, 1924, such rate to be due and payable forthwith at the office of the Trust, Shire Hall, Yarram.

Division A.—Area coloured red on plan, 10d. in the £1 on the municipal valuation.

Division B.—Area coloured blue on plan, 6d. in the £1 on the municipal valuation.

The foregoing rate was approved by the Governor in Council on the 12th December, 1923.

G. W. BLACK, Secretary.
 Yarram, 18th January, 1924. 6611

Health Act 1919. CITY OF MALVERN. BY-LAW No. 67.

IN pursuance of the powers contained in the *Health Act 1919* and of all other powers thereunto enabling it in that behalf, the Council of the City of Malvern, in the name and on behalf of the Mayor, Councillors, and Citizens of the said city, for the purpose of carrying the provisions of the said Act with regard to the subject dealt with into execution within its jurisdiction, makes the following By-law; being By-law No. 67, that is to say:—

1. No person shall within a distance of 40 feet of any dwelling, living-room, or sleeping-out tent keep or permit any horse or cattle to be kept or remain in any yard or enclosed land without the written permission of the Council.

"Horse" shall mean and include any horse, mare, filly, foal, gelding, or colt. "Cattle" shall mean and include any bullock, cow, heifer, steer, calf, ass, mule, sheep, ewe, wether, ram, lamb, goat, or swine.

2. Every person who shall by any act or default be guilty of any breach of this By-law shall be liable to a penalty not exceeding Ten pounds for every such breach, or to a penalty not exceeding Five pounds and not less than Five shillings for each day during which such breach shall be committed or continued.

This By-law shall apply to and have operation in the whole of the City of Malvern.

Made and passed this 15th day of October, 1923.

Confirmed this 19th day of November, 1923.

The common seal of the Council of the City of Malvern was hereunto affixed in the presence of—

(SEAL) CHARLES J. WATERS, Mayor.
 ROBERT N. CORNEY, Councillor.
 B. CROSBIE GOOLD, Town Clerk.

Approved by the Governor in Council,
 the 10th January, 1924.

F. W. MABBOTT,
 Clerk of the Executive Council.

Submitted to the Commission of Public Health on the 11th day of December, 1923.

T. DIMELOW.

SHIRE OF STAWELL.

BY-LAW No. 11.

A By-law of the Shire of Stawell, made under section 197 of the *Local Government Act 1915* and numbered 11, for prohibiting cattle being allowed to graze or wander within certain areas in the Townships of Great Western and Marnoo.

IN pursuance of the powers conferred by the *Local Government Act 1915*, the Council of the Municipality of the Shire of Stawell orders as follows:—

1. This By-law shall apply to and have operation within the areas specified, that is to say—

Township of Great Western, Parish of Concongella.

Commencing at Railway Reserve on the south side of the road opposite the south-east angle of allotment 135; thence north-easterly to the south-east angle of allotment 12; thence along Stephenson-street to the north-east angle of allotment 37, Parish of Concongella South; thence southerly to the north-east angle of allotment 65, Township of Great Western, Parish of Concongella; thence north-westerly to the north-west angle of allotment 61; thence southerly to the Railway Reserve; thence, westerly along same to the commencing point.

Township of Marnoo, Parish of Marnoo.

Commencing at Railway Reserve at a point north of and opposite the north-east angle of allotment 17 of subdivision 124; thence north-westerly to the north-west angle of same allotment; thence south-easterly to the south side of the 1-chain road; thence north-westerly along such road to the north-west angle of allotment 124; thence south-easterly to the south-west angle of allotment 125; thence westerly across such road to the south-east angle of allotment 17 of subdivision 126; thence westerly to the south-west angle of same allotment; thence north-westerly along the right-of-way to the north-west angle of allotment 1 of subdivision 126; thence easterly by the said allotment to the north-east angle thereof; thence easterly across the main 3-chain road to the north-west angle of the Railway Reserve; thence south-easterly along such reserve to the south-west angle thereof; thence south-easterly to the commencing point.

2. If any cattle are found without any person having charge of them within either of the areas hereinbefore described, the proper officer of the Council may seize such cattle and impound them or place them at some neighbouring place of safe custody.

3. The owner of such cattle shall forfeit a sum not exceeding Twenty shillings for every head of such cattle, and any Justice, if such owner be not known, upon proof of the issue of a summons in the usual form addressed to such owner as "Owner" only, without otherwise naming or describing him, such cattle and the place of seizure being duly described therein, and of the publication of such summons in some newspaper commonly circulating in the neighbourhood, may, after the expiration of twenty-four hours from such publication, proceed with respect to such owner not appearing as if personal service of a summons stating his name had been effected, or if such owner appear, then as in other cases; and the Justice may order the cattle to be sold, and the money arising from the sale, after deducting the said penalty and the costs awarded and the reasonable expenses, to be estimated and assessed by the Justice, of seizing, keeping, and selling the said cattle, shall be paid, if demanded within one month, to the owner of the cattle, and if not so demanded then to the Municipal Fund; and if the said money is not sufficient for all the purposes aforesaid the amount whereby the same falls short, or if no such sale be ordered, the whole of the said amount may be recovered from the owner if and when known in like manner as other penalties and sums adjudged or ordered to be paid by Justices are to be recovered.

4. If such cattle, by reason of having been so found at large, have been impounded by the Council the amount of such penalty and costs, if adjudged respectively before the release or sale of such cattle, shall be added to the pound fees and

charges payable in respect of such cattle, and the amount thereof or such lesser amount (if any) as after the sale of the cattle may remain in the hands of the pound-keeper shall be paid over by him accordingly; and if the proceeds of any sale of such cattle are not sufficient after paying the lawful fees and charges aforesaid to satisfy such penalty and costs, or if such penalty and costs have been adjudged after the release or sale of the cattle, the same or so much thereof as remains unpaid shall and may be recovered from the owner of the cattle in like manner as other penalties and costs adjudged by a Justice are by law to be recovered; and if in the case of any information under this section the owner be not known then the provisions of the last preceding section so far as necessary to give the adjudicating Justice jurisdiction shall apply.

Resolution for passing this By-law agreed to by the Council of the Shire of Stawell the fourth day of September, 1923.
Confirmed the fourth day of December, 1923.

(SEAL) T. F. HALL, President.
G. T. HOLDEN, Councillor
G. McNEILL, Secretary.

6691

NOTICE is hereby given that the partnership heretofore subsisting between Alexander William Mitchell Chalmers and Arthur Justin Hancock, carrying on business as public accountants and auditors, at 331 Collins-street, Melbourne, under the style or firm of "Chalmers & Hancock," has been dissolved by mutual consent as from the 30th day of June, 1923, so far as concerns the said Alexander William Mitchell Chalmers, who retires from the said firm. All debts due to and owing by the said late firm will be received and paid respectively by the said Arthur Justin Hancock, who will continue to carry on the said business under the style or firm of "Chalmers & Hancock."

Dated the twenty-first day of December, 1923.

In the matter of the *Companies Act 1915* and in the matter of BAQUIE MARSHALL PNEUMATIC WHEEL LIMITED, a company incorporated under the provisions of the said *Companies Act*.

NOTICE is hereby given that a petition for the winding up of the above-named company by the Supreme Court was, on the 14th day of December, 1923, presented to the said Court by Sarah Goetz, trading as W. G. Goetz and Sons, and that the said petition is directed to be heard before the Court sitting at the Law Courts, William-street, Melbourne, on Monday, the 4th day of February, 1924, and any creditors or contributory of the said company desirous to support or oppose the making of an order on the said petition may appear at the time of hearing by himself or his counsel for the purpose, and a copy of the petition will be furnished to any creditor or contributory of the said company requiring the same by the undersigned on payment of the regulation charge for the same.

ERNEST M. GODFREY, 325 Collins-street, Melbourne, solicitor for the petitioner.

NOTE.—Any person who intends to appear on the hearing of the said petition must serve on, or send by post to, the above-named notice, in writing, of his intention so to do. The notice must state the name and address of the person, or, if a firm, the name and address of the firm, and must be signed by the person or firm, or his or their solicitor (if any), and must be served, or if posted, must be sent by post in sufficient time to reach the above-named not later than Twelve noon on the 2nd day of February, 1924. 6658

MURNANE TRACTOR LIMITED.

NOTICE is hereby given that shares in the above company in the name of the following persons have been forfeited:—

F. OSWALD BARNETT, Secretary.
440 Little Collins-street, Melbourne. 6673

Companies Act 1915.

COMMERCIAL TUTORS PROPRIETARY LTD. (IN LIQUIDATION).

NOTICE is hereby given that a meeting of the creditors of the above company will be held at 322 Park-street, South Melbourne, on Wednesday, the 30th day of January, 1924, at a quarter past One o'clock in the afternoon, for the purposes of section 189 of the *Companies Act 1915*.

Dated this 21st day of January, 1924.

6639 M. F. YARRA, Liquidator.

In the matter of the MISSISSIPPI SAWMILLING COMPANY PROPRIETARY LIMITED.

NOTICE is hereby given that a Meeting of the creditors of the above-named company will be held at the company's registered office, at 65 William-street, Melbourne, on Friday, the 25th day of January, 1924, at Twelve o'clock noon, in pursuance of, and for the purposes of, section 189 of the *Companies Act 1915*.

Dated the 16th day of January, 1924.

B. HUNT, Liquidator.
Blake and Riggall, 120 William-street, Melbourne, solicitors for the above-named company. 6646

SCARBOROUGH, QUINN, & COMPANY PROPRIETARY LIMITED.

AT an Extraordinary General Meeting of the members of the above-mentioned company, duly convened and held at 288 Flinders-lane, Melbourne, on the 15th day of January, 1924, the following extraordinary resolution was passed, viz:—

"Resolved that the company cannot, by reason of its liabilities, continue its business, and it is advisable to wind up."

Dated this 16th day of January, 1924.

6656 K. C. WOOTTON, Liquidator.

In the matter of the *Companies Act 1915*, and in the matter of SCARBOROUGH, QUINN, & COMPANY PROPRIETARY LIMITED (in liquidation).

NOTICE is hereby given that a Meeting of the creditors of the above-named company will be held at the offices of Wootton & Sons, 286 Flinders-lane, Melbourne, public accountants, on Thursday, 31st day of January, 1924, at Twelve noon, to determine whether an application shall be made to the Court for the appointment of any person as liquidator in place of, or jointly with, the liquidator appointed by the company, or for the appointment of a committee of inspection.

6657 K. C. WOOTTON, Liquidator.

Companies Act 1915.

THE MISSISSIPPI SAWMILLING COMPANY PROPRIETARY LIMITED.

AT an Extraordinary General Meeting of the above-named company, held on the 19th day of December, 1923, the following resolution was (*inter alia*) passed as an extraordinary resolution, and at a subsequent Extraordinary General Meeting of the said company, also duly convened and held on the 9th day of January, 1924, the same resolution was duly confirmed as a special resolution, namely:—

That it is desirable to wind up the company, and accordingly that the company be wound up voluntarily under the provisions of the *Companies Act 1915*, and that Benjamin Hunt, of 65 William-street, Melbourne, be and he is hereby appointed liquidator for the purposes of the winding up.

Dated the 16th day of January, 1924.

B. HUNT, Secretary.

Blake and Riggall, 120 William-street, Melbourne, solicitors for the company. 6645

NOTICE TO CREDITORS.

PURSUANT to the *Trusts Act 1915*, notice is hereby given that all persons having claims against the estate of Walter Herbert Collison, late of Lakes Entrance, in the State of Victoria, farmer, deceased (who died on the sixteenth day of August, 1923, and probate of whose will was granted by the Supreme Court of the said State, in its probate jurisdiction, on the twenty-fifth day of September, 1923, to Rupert James Mosley, of Orbost, in the said State, solicitor), are hereby required to send particulars, in writing, of such claims to the said Rupert James Mosley, at his above-mentioned address, on or before the first day of March, 1924, after which date the said Rupert James Mosley will proceed to distribute the assets of the said Walter Herbert Collison, deceased, which shall have come to his hands amongst the persons entitled thereto, having regard only to the claims of which he shall then have had notice. And notice is hereby further given that the said Rupert James Mosley will not be liable for the assets so distributed, or any part thereof, to any person of whose claim he shall not have had notice as aforesaid.

Dated this seventeenth day of January, 1924.

RUPERT JAMES MOSLEY, proctor, Orbost. 6682

NOTICE TO CREDITORS.

PURSUANT to the provisions of the *Trusts Act 1915*, notice is hereby given that all persons having any claims against the estate of Margaret Wall, late of Royal-avenue, Spring Vale, in the State of Victoria, widow, deceased (who died on the second day of April, One thousand nine hundred and twenty-three, and probate of whose last will and testament was granted to Henry Malcolm Lee, of 360 Collins-street, Melbourne, in the said State, solicitor, the sole executor named in and appointed by the said will), are hereby required to send particulars, in writing, of such claims to the said trustee on or before the twenty-fourth day of February, One thousand nine hundred and twenty-four. And notice is hereby given that after that day the said executor will proceed to distribute the assets of the said Margaret Wall, deceased, which shall have come to his hands or possession amongst the persons entitled thereto, having regard only to the claims of which the said executor shall then have had notice; and the said executor will not be liable for the assets, or any part thereof, so distributed to any person of whose claim he shall not then have had notice.

Dated the twenty-first day of January, One thousand nine hundred and twenty-four.

HENRY M. LEE, of 360 Collins-street, Melbourne. 6652

NOTICE TO CREDITORS.—THOMAS TONKS, DECEASED.

PURSUANT to the provisions of the *Trusts Act 1915*, notice is hereby given that all persons having claims against the estate of Thomas Tonks, late of 44 Scotia (formerly Albion) street, Moonee Ponds, in the State of Victoria, journeyman, deceased (who died on the thirtieth day of August, 1923, and letters of administration, with the will annexed, of whose estate were granted by the Supreme Court of the said State, in its probate jurisdiction, on the sixth day of December, 1923, to The Union Trustee Company of Australia Limited, of 333 Collins-street, Melbourne, in the said State), are hereby required to send particulars, in writing, of such claims to the said administrator, care of the undersigned, Messieurs Maddock, Jamieson, and Lonie, proctors for the said administrator, on or before the twenty-eighth day of February, 1924, after which date the said administrator will proceed to distribute the assets of the said deceased amongst the persons entitled thereto, having regard only to the claims of which it shall then have had notice. And notice is hereby further given that the said administrator will not be liable for the assets, or any part thereof, so distributed to any person of whose claim it shall not then have had notice.

Dated the twenty-first day of January, 1924.

MADDOCK, JAMIESON, & LONIE, of 136 and 138 Queen-street, Melbourne, proctors for the said administrator. 6675

NOTICE TO CREDITORS.—*RE* ALFRED WILLIAM JOY,
DECEASED.

PURSUANT to the provisions of the *Trusts Act* 1915, notice is hereby given that all persons having any claims against the estate of Alfred William Joy, deceased, late of High-street, Eaglehawk, in Victoria, undertaker, deceased (who died on the eighteenth day of August, 1923, and letters of administration of whose estate, with the will annexed, were granted by the Supreme Court of Victoria, in its probate jurisdiction, on the seventeenth day of December, 1923, to the Sandhurst and Northern District Trustees, Executors, and Agency Company Limited, of View-street, Bendigo, in Victoria), are hereby required to send particulars, in writing, of such claims to the said administrator, at its above address, on or before the twenty-sixth day of February, 1924, after which date the said administrator will proceed to distribute the assets of the said deceased which shall have come to its hands amongst the persons entitled thereto, having regard only to the claims of which the said company shall then have had notice; and the said administrator will not be liable for the assets so distributed, or any part thereof, to any person of whose claim it shall not then have had notice.

Dated this twelfth day of January, 1924.

TATCHELL, DUNLOP, SMALLEY, & BALMER, Victoria-street, Eaglehawk, proctors for the said administrator. 6619

NOTICE TO CREDITORS.

PURSUANT to the provisions of the *Trusts Act* 1915, notice is hereby given that all persons having claims against the estate of Horace Egbert George Whitelock, late of 41 Mundy-street, Bendigo, in the State of Victoria, tailor, deceased (who died on the twenty-first day of October, 1923, and letters of administration, with the will annexed, of whose will and estate were granted by the Supreme Court of the State of Victoria, in its probate jurisdiction, on the fourth day of January, 1924, to Farmers and Citizens Trustees Company, Bendigo, Limited, of Charing Cross, Bendigo aforesaid), are hereby required to send particulars, in writing, of such claims to the said company, on or before the twenty-second day of February, 1924, after which date the said company will proceed to distribute the assets of the said Horace Egbert George Whitelock, deceased, which shall have come to its hands amongst the persons entitled thereto, having regard only to the claims of which it shall then have had notice. And notice is hereby further given that the said company will not be liable for the assets so distributed, or any part thereof, to any person of whose claim it shall not have had notice as aforesaid.

Dated this twenty-second day of January, 1924.

SECOMB & WOODFULL, 446 Little Collins-street, Melbourne, proctors for the said executors. 6663

STATUTORY NOTICE TO CREDITORS.—*RE* JAMES CANNON, DECEASED.

PURSUANT to the provisions of the *Trusts Act* 1915, notice is hereby given that all persons having any claims against the estate of James Cannon, late of Nirranda, in the State of Victoria, farmer, deceased (who died on the tenth day of November, 1918, and probate of whose last will was granted by the Supreme Court of Victoria, in its probate jurisdiction, on the seventeenth day of December, 1918, to James Burleigh, of Nirranda aforesaid, farmer, and Patrick James Bradley, of Nirranda aforesaid, farmer, the executors named in and appointed by the said will), are hereby required to send in particulars, in writing, of such claims to the said James Burleigh and Patrick James Bradley, in the care of the undersigned, the proctor for the said executors, on or before the twentieth day of February, 1924. And notice is hereby further given that after that date the said executors will proceed to distribute the assets of the said James Cannon, deceased, which shall have come into their hands or possession amongst the persons entitled thereto, having regard only to the claims of which the said executors shall then have had notice; and the said executors shall not be liable for the assets, or any part thereof, so distributed to any person of whose claim they shall not then have had notice.

Dated this 16th day of January, 1924.
G. S. MACKAY, Warrnambool, proctor for the said executors. 6667

NOTICE TO CREDITORS.—*RE* JOHN HENRY DYER, DECEASED.

PURSUANT to the provisions of the *Trusts Act* 1915, notice is hereby given that all persons having any claims against the estate of John Henry Dyer, late of Rupanyup, in the State of Victoria, retired farmer and grazier, deceased (who died on the 16th day of November, 1923, and probate of whose will was granted by the Supreme Court of the State of Victoria, in its probate jurisdiction, to the Ballarat Trustees, Executors, and Agency Company Limited, of 101 Lydiard-street north, Ballarat, in the State of Victoria, the executor named therein), are required to send particulars, in writing, of such claims to the said company, at its said address, on or before the 26th day of February, 1924. And notice is hereby given that after that date the said company will proceed to distribute the assets of the said deceased which shall have come into its possession amongst the persons entitled thereto, having regard only to the claims of which it shall have had notice as aforesaid. And notice is hereby further given that the said company will not be liable for the assets so distributed to any person of whose claim it shall not then have had notice as aforesaid.

Dated the twenty-first day of January, 1924.
J. ALLAN ANDERSON & CO., 97 Queen-street, Melbourne, proctor for the applicant. 6664

RE JAMES GARDNER, DECEASED.

ALL persons having claims against the estate of James Gardner, late of Oatlands, Nilma, retired farmer, deceased, are required to send particulars to the undersigned solicitors for the executrices, Elizabeth Ann Gardner, of Nilma, widow, and Phyllis Sylvia Gray, of Nilma North, married woman, on or before the 23rd day of February, 1924, after which date the said executrices will proceed to distribute the assets amongst the persons entitled thereto, and will not be liable for assets so distributed to any person of whose claim they shall not have had notice.

Dated this 23rd day of January, 1924.
GRAY & FRIEND, proctors, Warragul. 6662

A copy of the *Gazette* filed at each place for public reference.

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The Subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the *Gazette*.

ADVERTISEMENTS are charged at the rate of EIGHTPENCE per line throughout.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, eleven words make a line, but for the description of a brand consisting of more than one letter, &c., placed perpendicularly, thus B, each additional letter under the first is charged as a line.

All communications should be addressed to "The Government Printer, Melbourne."

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

Signatures (in particular) and proper names must be written very plainly in the text, ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before TWO p.m. at ordinary rates, and late advertisements between TWO p.m. and FIVE p.m. at double rates, on the day preceding the day of publication.

Single Copies of the GOVERNMENT GAZETTE are Sixpence, posted, Sevenpence, each.

No GAZETTES prior to January, 1908, in stock.

ALL PAYMENTS ARE REQUIRED IN ADVANCE. Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
