11. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Government Printer to the Tender Board, to such mulct, not exceeding One hundred pounds, for each and every default as the Treasurer may direct, and the amount may be deducted as set out in clauses 2 and 10. It will also be in the power of the Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.
