PRIVATE ADVERTISEMENTS.

APPLICATION BY ALEXANDER CHARLES SUMMERS, OF AVOCA, GARAGE PROPRIETOR, AND THOMAS McLAUGHLIN, OF GLENPATRICK, GRAZIER, FOR AN ORDER UNDER THE ELECTRIC LIGHT AND POWER ACT.

NOTICE is hereby given that we, Alexander Charles Summers, of Avoca, garage proprietor, and Thomas McLaughlin, of Glenpatrick, grazier, as the proprietors of the Avoca Electric Light Company Pty. Ltd., intend to apply to the Governor in Council of the State of Victoria for an Order, under section 10 of the *Electric Light and Power Act 1915*, to authorize the said Avoca Electric Light Company Pty. Ltd. to supply electricity for public and private purposes as defined by the said Act within an area consisting of the Township of Avoca.

The exact limits of such area are shown on a map, a copy of which before the application is lodged will be deposited at the office of the said Alexander Charles Summers, one of the applicants, in High-street, Avoca.

The streets dedicated to public use in or along which it is proposed that lines be or may be at some time laid or erected are the whole of the streets, roads, rights-of-way, throughout the area.

But the applicants at present contemplate laying down or erecting lines only in the following streets or roads within the said area:—The following streets: High, Russell, Barnett, Boyce, Pascoe, North, Rotherford, Bridgeport, Davy, Napier, Palmerston, Templeton, Duke, and the Homebush-road.

The applicants propose to erect or lay down the lines in the last preceding paragraph within two years from the granting of the now proposed Order, and to extend them as may become necessary or advisable from time to time throughout the area, but the time within which such extensions shall be made cannot now be specified.

The following is a list of the railways which the applicants propose to interfere with in pursuance of the special powers to be inserted in that behalf in the now proposed Order. The overhead wires of the company will cross the main Avoca to Ararat railway at two points, namely, at High-street and Homebush-road, but save for the fact that wires will cross the line, the said railway will not be interfered with.

Copies of the draft Order and of the Order when made can be obtained at a price of One shilling per copy at the office of the said Alexander Charles Summers, one of the applicants, in High-street, Avoca, where notices of objection may be served, and also at the office of Messrs. Weigall & Crowther, of 459 Little Collins-street, Melbourne.

A copy of every such notice of objection must be forwarded to the applicant for the Order.

Dated at Avoca this 30th day of September, 1925.
