In the matter of a railway accident at Heidelberg Railway Station on 24th February, 1925.

REPORT OF BOARD.

We have the honour to report that we have held an inquiry into the causes of and circumstances surrounding the above accident, and have also inspected the locus in quo.

We are satisfied that the accident was in no way due to any defect in the permanent way, the rolling-stock, or any part of the equipment, all of which were shown to have been in good condition on the night of the accident.

As to what was the cause of the accident the skilled witnesses called before us did not feel competent to express any definite opinion, and no satisfactory evidence was adduced which would enable us to determine the cause, and in these circumstances we regret that we find ourselves unable to come to a conclusion as to what was the efficient cause of the accident.

**CITY OF CAMBERWELL.
PROPOSED RE-SUBDIVISION.**

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the City of Camberwell, and they desire that the said city be re-subdivided into five Wards, in lieu of three Wards as at present.

The petitioners state that the last subdivision of Wards took place in 1889, when Camberwell was a shire; that since then great progress and growth has taken place, and population and settlement have rapidly increased, with the result that the original subdivision of Wards is seriously retarding development within the municipality.

The petitioners further state that, under the proposed re-subdivision, the expenditure of revenue would be more effectively and equitably distributed.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the city into five Wards, to be called the

- South Ward,
- Riversdale Ward,
- Central Ward,
- North-west Ward, and
- North-east Ward.

Notice for the petitioners may be served on Mr. N. D. Mackay, Riversdale-road, East Camberwell.

GEO. L. GOUDIE,
Commissioner of Public Works.

**CITY OF FOOTSCRAY.
PROPOSED RE-SUBDIVISION.**

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the City of Footscray, and they desire that the said city be re-subdivided into five Wards, in lieu of four Wards as at present.

The petitioners state that the ratepayers have for many years been dissatisfied with the present Ward boundaries, such being the same to-day as they were sixty years ago, when the population was 608 persons, whereas to-day it is 45,676.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the city into five Wards, to be called the

- South Ward,
- Middle Ward,
- North Ward,
- North-west Ward, and
- West Ward.

Notice for the petitioners may be served on Claude Smith, Esq., J.P., 26 Pentland-parade, Seddon.

**SHIRE OF CRANBOURNE.
PROPOSED RE-SUBDIVISION.**

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Cranbourne, and they desire that the said shire be re-subdivided into four Ridings by dividing the Yallock Riding into two Ridings, thereby constituting an additional Riding.

The petitioners state that the Yallock Riding pays one-half of the rates of the shire, and has only one-third of the representation.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire into four Ridings as desired.

Notices for the petitioners may be served on Mr. J. O'Riordan, Koo-wee-rup.

**CITY OF HAWTHORN.
PROPOSED RE-SUBDIVISION.**

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the City of Hawthorn, and they desire that the said city be re-subdivided by the abolition of the existing four Wards, and the substitution in lieu thereof of four new Wards.

The petitioners state that the last subdivision of Wards took place over 33 years ago, and since then great progress and growth has taken place, with the result that the municipality is inequitably subdivided at present.

The petitioners further state that, under the proposed re-subdivision, the ratepayers in each of the Wards would have more equitable and effective representation than at present.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the city into four Wards, to be called the

- Varra Ward,
- Glensferrie Ward,
- Auburn Ward, and
- South Ward.

Notice for the petitioners may be served on Mr. W. T. Lewis, 346 Auburn-road, Auburn.

**BOROUGH OF CARRUM.
PROPOSED RE-SUBDIVISION.**

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Borough of Carrum, and they desire that the said borough be re-subdivided into four Wards, in lieu of three Wards as at present.

The petitioners state that there are four growing townships in the borough, each having its own railway station, but only three Wards, consequently there is much overlapping. The petitioners wish to improve the facilities of the area in the proposed new Ward, to be known as Edithvale Ward.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the borough into four Wards, to be called the

- Aspendale Ward,
- Edithvale Ward,
- Chelsea Ward, and
- Carrum Ward.

Notice for the petitioners may be served on Mr. J. D. Henderson, Dudley-grove, Edithvale.

**SHIRE OF EAST LODDON.
PROPOSED RE-SUBDIVISION.**

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of East Loddon, and they desire that the said shire be re-subdivided by the abolition of the existing three Ridings, and the substitution in lieu thereof of three new Ridings.

The petitioners state that the present East Riding of the shire is very heavily burdened, owing to the fact that the main Bendigo to Swan Hill railway passes through the Riding, which causes traffic from all parts of the shire to pass along the roads of the said Riding, and that the four main townships of the shire, viz., Mitiamo, Prairie, Dingee, and Tandarra, are all in the East Riding, which creates further traffic through the said Riding, thus causing much maintenance on all roads therein.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire into three Ridings, to be called the

- North Riding,
- Central Riding, and
- South Riding.

Notice for the petitioners may be served on Messrs. Downing and Williams, solicitors, 450 Little Collins-street, Melbourne.

SHIRE OF YACKANDANDAH.
PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Yackandandah, and they desire that the said shire be re-subdivided by the abolition of the existing two Ridings and the substitution in lieu thereof of three new Ridings.

The petitioners state that the Kiewa Riding is of much greater area and contains rateable property of a greater annual value than the Yackandandah Riding, and they believe that it would conduce to the more effective working of the municipality and give more satisfaction to ratepayers if the municipality were re-subdivided into three Ridings, and the Council consisted of nine members in lieu of six as at present.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire into three Ridings, to be called the

Dederang Riding,
Kiewa Riding, and the
Yackandandah Riding.

Notice for the petitioners may be served on Mr. G. E. Beatty, c/o G. H. Wray, Esq., solicitor, Yackandandah.

PROPOSED SEVERANCE OF AREA FROM THE SHIRE
OF FRANKSTON AND HASTINGS AND CONSTITUTION
OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of ratepayers in the portion of the Shire of Frankston and Hastings described in their petition, and they desire that the area so described may be severed from the Shire of Frankston and Hastings and constituted a new municipality under the name and title of the Borough of Frankston.

Area Described in Petition.—Commencing at a point on the west side of the Melbourne to Frankston railway line reserve, which point is where the south boundary of allotment 87 in the Parish of Lyndhurst, in the County of Mornington, on being produced westerly would intersect such railway boundary; thence southerly by the western boundary of such railway reserve to a point where the north boundary of allotment 80 of the said parish produced westerly would intersect such railway reserve boundary; thence easterly by such line produced and by the north boundary of the said allotment 80 across a Government road and again easterly by the north boundary of allotment 78, across Wills-road, and still easterly by the north boundaries of allotments 77, 76, 75 of the said parish to the north-east angle of allotment 75 above mentioned; thence southerly by the eastern boundary of the said allotment 75 to a point on the north boundary of allotment 45 of the Parish of Frankston, one chain south of and in prolongation of the eastern boundary of the said allotment 75; thence easterly by the northern boundary of allotment 45 to its eastern angle; thence south-westerly along the eastern boundaries of allotments 45, 46, 44, 43 to a point on the west side of the Frankston-Dandenong road, which point is where the north boundary of allotment 42 produced westerly would intersect the western boundary of such road; thence easterly by the north boundary of such allotment to its north-eastern angle; thence southerly by the eastern boundary of this allotment and allotment 41 to the south-east angle of the last-mentioned allotment; thence westerly by the south boundary of allotment 41 to a point on that boundary where the eastern boundary of allotment 1, section 6, of the said Parish of Frankston on being produced in a northerly direction would intersect the south boundary of allotment 41; thence southerly by the east boundary of the said allotment 1 to its south-east angle; thence easterly across McMahon's-road and on by the south boundary of allotment 1, section 6, of the same parish to a point on that boundary 34 chains easterly from its south-west angle or thereabouts, and more particularly to its intersection with a subdivisional road going southerly; thence again southerly by the western side of such road to its intersection with Beach-street; thence across Beach-street to the north-east angle of allotment 6c; thence by the eastern boundary of that allotment to its south-east angle; thence by a line through allotment 6b to the north-east angle of allotment 6a; thence by the eastern and southern boundaries of that allotment across the Frankston and Hastings road to the north-east angle of allotment 1, section 4, of the same parish; thence by the eastern

boundaries of allotments 1, 2, and 3 to the south-east angle of the said allotment 3; thence westerly by the south boundaries of allotment 3, section 4, across a road and still westerly along the south boundaries of allotments 11 and 12 of section 3, across Yuide-street, still westerly along the south boundaries of allotments 10 and 11, section 2, to the north-west angle of allotment 12, section 2; thence southerly by the west boundary of the last-mentioned allotment to the centre of the Sweet-water Creek; thence southerly by that creek to its intersection with the south-eastern boundary of allotment 9, section 4, of the same parish; thence south-westerly along that boundary across Humphris-road; and thence by the eastern boundaries of allotment 10, section 4, and allotment known by as Mt. Eliza P.R. to its intersection with the Kackeraboite Creek; thence westerly to a point on the intersection of the prolongation of the north boundary of the boundary road north-westerly with the shore of Port Phillip Bay; thence northerly by the eastern shore of that bay to a point due west of the commencing point; thence easterly to the commencing point.

The petitioners state that their reasons for desiring severance are as follows :—

The entire lack of a community of interest existing, and which always has existed, between the ratepayers to be included within the boundaries of the proposed borough and the ratepayers beyond.

The area included within such boundaries has been for some time and is continually developing into an industrial outer suburban district, requiring extensive private street construction and the amplification of electric light and gas services.

The proposed area embraces a very considerable length of foreshore, which is almost in its primitive condition, and requires the creation of such a Trust as will receive and secure its future improvement and advanced control.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the Shire of Frankston and Hastings and constitute it a separate municipality under the name and title of the Borough of Frankston, such borough to be subdivided into three wards.

Notice for the petitioners may be served on F. S. Bell, Esq., secretary Frankston Progress Association, Cranbourne-road, Frankston.

PROPOSED SEVERANCE OF AREA FROM THE SHIRE
OF SHEPPARTON AND CONSTITUTION OF A NEW
MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition, in accordance with the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of ratepayers in the portion of the Shire of Shepparton described in their petition, and they desire that the area so described may be severed from the Shire of Shepparton and constituted a new municipality under the name and title of the Borough of Shepparton.

Area described in Petition.—Commencing at the intersection of the Goulburn River with Balaclava-road; thence easterly by that road to Verney-road; thence southerly by that road to Dookie-road; thence easterly by that road to Lockwood-road; thence southerly by that road to Benalla-road; thence westerly by that road to Archer-street; thence southerly by that street to McIntosh-street; thence westerly by that street and a line to the railway; thence south-westerly by the railway to the Goulburn River; thence northerly by that river to the point of commencement.

The petitioners state that their reasons for desiring severance are that the portion of the shire described in their petition comprises a closely-settled and prosperous town, with rateable property thereon of the annual value of £36,425, and only three councillors out of fifteen are elected by the ratepayers within the said portion; and the petitioners believe that the affairs of the ratepayers within the said portion can be more effectively managed by a Council elected by ratepayers within that portion only.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described, and constitute it a separate municipality under the name and title of the Borough of Shepparton.

Notice for the petitioners may be served on D. C. Morrison, Esq., solicitor, Shepparton.

PROPOSED SEVERANCE OF AREA FROM THE SHIRE OF NUNAWADING AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686), section 46, the substance and prayer of a petition, in accordance with the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of rate-payers in the portion of the Shire of Nunawading described in their petition, and they desire that the area so described may be severed from the Shire of Nunawading and constituted a new municipality under the name and title of the Shire of Blackburn and Mitcham.

Area described in Petition.—Commencing at the intersection of Middleborough and Highbury roads; thence northerly by Middleborough-road to the Koonung Koonung Creek; thence easterly by that creek to the west boundary of Crown portion 144; thence southerly by Springvale-road to the south-west angle of Crown portion 137; thence easterly and north by that Crown portion to the north-east angle thereof; thence south-easterly by Mitcham-road to the southern boundary of Crown portion 138A; thence easterly by that Crown portion to the Mullum Mullum Creek; thence south-easterly by that creek to the east boundary of Crown portion 128A; thence southerly by that boundary and Heatherdale-road to the Dandenong Creek; thence southerly by that creek to the south boundary of the Parish of Nunawading; and thence west by Highbury-road to the commencing point.

The petitioners state that the present valuation of the Shire of Nunawading is £268,000, of the proposed new shire £87,500, leaving the remainder of the shire £180,500; that the area, income, and rateable property of the now existing Shire of Nunawading are such as to justify severance of the proposed new shire, the formation of which will still leave an area of 8 square miles or thereabouts within the Shire of Nunawading, with an income sufficient for its proper maintenance, and with rateable property capable of yielding, upon a rate not exceeding 1s. in the £1 on the annual value thereof estimated under the provisions of the *Local Government Act 1915*, a sum of more than £1,500, viz., £9,025; that if this petition be granted a 2s. 6d. rate in the £1 in the proposed new shire will yield £10,938, which, with the revenue derived from other sources (approximately £1,300), will be ample to maintain it; and that proper supervision, which is essential, can only be exercised over such area as to expenditure, drainage, lighting, water, and other works, particularly in regard to health matters, by the constitution of the proposed new shire.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described from the Shire of Nunawading, and constitute it a new municipality under the name and title of the Shire of Blackburn and Mitcham.

Notices for the petitioners may be served on Cr. N. Armstrong, Mitcham.

If the tenderer is in a position to supply a suitable substitute of Commonwealth production or manufacture in place of the sample at the Tender Board Office he may tender for such substitute under column A in the schedule, but he must submit with his tender a sample of the article offered.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.
