STATE RIVERS AND WATER SUPPLY COMMISSION.
BY-LAW NO. 1528.—FOR THE SALE AND DISTRIBUTION OF WATER
FOR IRRIGATION.—ECHUCA NORTH IRRIGATION AND WATER
SUPPLY DISTRICT.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following:—

1. This By-law shall apply to and have force in Echuca North Irrigation and Water Supply District, and shall come into operation on 1st May, 1925, and shall continue in operation and have the force of law until amended or revoked.

2. All previous By-laws and Regulations relating to the subject-matter herein in respect of the Echuca North Irrigation and Water Supply District shall be and the same are hereby revoked; but not so as to relieve, discharge, or absolve any person from liability to pay any rates or charges made in accordance with the provisions of the revoked By-laws or Regulations, for payment of which rates or charges such person may have become liable prior to or at the date of this By-law coming into operation; or to abrogate or diminish the power of the Commission to recover and enforce payment of any such rates or charges, or to annul or stay any proceedings taken or business initiated, as in conformity with the provisions of the By-laws or Regulations hereby revoked, prior to the date of this By-law coming into operation, but the same respectively may be continued and carried to completion.

3. All water supplied for irrigation from the works of the Commission shall be paid for by measure; all gauges or appliances for measurement shall be of a form and pattern approved by the Commission, and shall be constructed by, and fixed under the supervision of, the Commission; and all quantities of water supplied shall be computed by the water bailiff or such other officer as may be appointed by the Commission for that purpose.

4. In the case of lands other than swamp lands the quantity of water supplied shall, in the absence of any specific means of measurement, be ascertained by accounting a watering as being a volume of water four inches in depth over any area watered, and for the purposes of this By-law, and any By-law making an irrigation charge, a watering shall mean the application of water to land for the purpose of irrigation, and a watering shall be and is hereby deemed to be a volume of water four inches in depth over any area watered other than swamp lands.

5. In the case of swamp lands the quantity of water supplied shall, in the absence of any specific means of measurement, be ascertained by accounting a watering as being a volume of water twelve inches in depth over any area watered, and for the purposes of this By-law and any By-law making an irrigation charge a watering shall mean the application of water to land for the purpose of irrigation, and a watering shall be and is hereby deemed to be a volume of water twelve inches in depth over any area of swamp lands watered.

6. The charge for the supply of water for irrigation of lands to which water rights have been apportioned during the period from the 1st day of September in every year (beginning with the year 1925) to the 30th day of April in each succeeding year, shall be as set out in the By-law making the irrigation charge for such period; and if a supply is obtained in excess

of any water rights apportioned to any lands during such period, the charge for such excess shall be at the same rate of payment per unit of volume as that imposed in respect of the water apportioned to the lands as rights.

7. The charge for the supply of water for irrigation of lands other than those to which water rights have been apportioned during the period from the 1st day of September in every year (beginning with the year 1925) to the 30th day of April in each succeeding year shall be as agreed upon between the Commission and the persons requiring water.

8. The charge for the supply of water for irrigation of all lands shall be—

During the period from the 1st day of May to the 31st day of May in every year (beginning with the year 1925), Seven shillings and sixpence for each and every acre-foot of water supplied.

During the period from the 1st day of June to the 31st day of August in every year (beginning with the year 1925), Three shillings and ninepence for each and every acre-foot of water supplied.

9. An acre-foot of water shall be and is, for the purposes of this By-law and any By-law making an irrigation charge, deemed to be such quantity of water as would cover an area of one acre to a depth of one foot.

10. Applications for the supply of water for irrigation shall be made in writing to the water bailiff in charge of that portion of the district in which the land to be irrigated is situated, or to such other officer as may be authorized by the Commission to receive applications.

11. Charges for water supplied for irrigation, other than water supplied under a water right, shall be payable at the office of the Commission, at Rochester, fourteen days after the date such water is supplied.

12. Such person or persons as the Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said charges.

13. All persons taking water from the works of the Commission shall take delivery thereof through their respective outlets at such times, in such order, and in such manner as the Commission may direct.

14. The outlets for the delivery of water shall be operated only by the water bailiffs of the district, or such other officers as may be authorized by the Commission.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 27th day of April, 1925, and the common seal of the Commission was hereunto affixed the 28th day of April, 1925, in the presence of—

WM. CATTANACH, Chairman.
J. S. DETHRIDGE, Commissioner.
E. SHAW, Commissioner.
