MAFFRA WATERWORKS TRUST.
RATING BY-LAW No. 12.

IN pursuance of the powers conferred by the Water Acts, the Commissioners of the Maffra Waterworks Trust do hereby make the following By-law:—

1. The following rates and charges are those which the occupiers or owners of lands and tenements liable to be rated shall pay for the year 1925 in respect of water supplied within the Urban District of the Trust.

2. For every house or tenement of an annual value of £14, or over, at the rate of One shilling and ninepence in the pound of such value.

3. For every house or tenement of a less annual value than £14, a minimum charge of £1 5s.

4. For every vacant allotment of land a minimum charge of 5s. for such vacant allotment rated together with the first allotment, One shilling. Where the annual value of an allotment is £5, or over, a rate of One shilling and ninepence in the pound of such value.

5. For every water trough supplied with water, £1. On vacant lands the rate payment shall be considered as part payment thereof.

In cases where a large quantity of water is consumed by the use of a trough, as in a paddock where stock are watered, the Trust may at its discretion insist on a meter being installed.

6. For water supplied by measure, Two shillings for every 1,000 gallons, provided that the minimum charge shall not be less than the amount of the assessed rate; except in cases where the Trust has made special arrangement. When an occupier quits without paying for the excess water the owner will be held liable for payment of same.

7. For using a hose for stable watering, Twenty shillings.

8. For water supplied to new buildings being erected £1 per centum on the contract price of all brick, stone, cement, or other work where water is used, in any case where a building is being erected, a minimum charge of Ten shillings shall be paid by the owner. Where it is provided in any specification that this building charge shall be paid by the contractor, the Trust will still hold the owner liable for payment of same.

9. Water supplied to factories, railways, gardens, and other than for domestic purposes, may be charged for by a special rate, or by measurement at the discretion of the Trust.

10. The Trust may, by notice in writing, require any owner or occupier using water by means of a hose, other than for domestic purposes, to install an approved meter, and if such meter is not so installed within the time specified, the Trust may cause the water to be cut off from the premises, and the expense so incurred shall be recoverable from the owner or occupier. Notwithstanding the payment of any charge by any owner or occupier the Trust reserves the right to cut off water from any premises where it has been allowed to run to waste, or has been used in an unauthorized manner, and such premises will not be reconnected with the main until the expense so incurred has been paid.

11. Water is not to be used for gardens or for other than domestic purposes between the hours of 8 o'clock p.m. and 6 o'clock a.m. With the object of conserving water in dry weather, or when making repairs or extensions, the Trust may cut off the supply of water during certain hours of the day. In all cases the Trust must be notified when connexions are being made with the mains, and a permit obtained.

12. For water supplied through any stand-pipe or hydrant, a charge of One shilling for every 200 gallons.

13. For all lands or tenements in the said district, situated other than in streets where pipes for the supply of water have been laid, and being within a quarter of a mile from any stand-pipe or hydrant for the supply of water, one-half the

above-mentioned rates, and where such lands or tenements are more than a quarter of a mile and less than half a mile from such stand-pipe or hydrant, one-fourth the above rates.

14. For every plumber's licence One pound for the year ending 31st December, 1925.

15. The foregoing rates and charges are payable in two moieties, in advance, on the 1st February, and 1st July, 1925. Interest at the rate of six per cent. per annum will be charged on accounts six months overdue. Sums under £2 are to be paid in one payment.

Such person as the Commissioners of the Trust may appoint shall be authorized to demand and collect the said rates and charges.

Every person who commits a breach of this By-law shall be liable to a penalty not exceeding Five pounds, nor less than Ten shillings, and a further penalty not exceeding Five pounds, nor less than Ten shillings for every day such breach is committed or continued.

The above By-law was made by the Maffra Waterworks Trust on the 9th day of December, 1924.

The seal of the Maffra Waterworks Trust was affixed hereto this 9th day of December, 1924, in the presence of—
