Leave to Appeal.

Leave to appeal generally.

2. All Appeals shall be brought either in pursuance of leave obtained from the Court appealed from, or, in the absence of such leave, in pursuance of special leave to appeal granted by His Majesty in Council upon a Petition in that behalf presented by the intending Appellant.

Special Leave to Appeal.

Form of petition for special leave to appeal.

3. A Petition for special leave to appeal to His Majesty in Council shall state succinctly and clearly all such facts as it may be necessary to state in order to enable the Judicial Committee to advise His Majesty whether such leave ought to be granted, and shall be signed by the Counsel who attends at the hearing or by the party himself if he appears in person. Five copies of petition to be lodged together with affidavits in support.

4. The Petitioner shall lodge at least five copies of his Petition for special leave to appeal together with the Affidavit in support thereof prescribed by Rule 50 hereinafter contained, and, unless a Caveat as prescribed by Rule 48 has been lodged by the other parties who appeared in the Court below, an Affidavit of service of notice of the intended application upon such parties or their Solicitors or Agents, either abroad or in England.

Security for costs and transmission of Record.

6. Where the Judicial Committee agree to advise His Majesty to grant special leave to appeal, they shall, in their Report, specify the amount of the security for costs (if any) to be lodged by the Petitioner, and shall, unless the circumstances of a particular case render such a course unnecessary, provide for the transmission of the Record by the Registrar to the Registrar of the Privy Council and for such further matters as the justice of the case may require. Unless otherwise ordered the security shall be lodged at any time before the Appellant enters an appearance.

7. Save as by the four last preceding Rules otherwise provided, the provisions of Rules 47 to 50 and 52 to 59 (all inclusive) hereinafter contained shall apply *mutatis mutandis* to Petitions for special leave to appeal.

Petitions for special leave to appeal in form *pauperis*.

8. Rules 3 to 7 (both inclusive) shall apply *mutatis mutandis* to Petitions for leave to appeal *in formâ pauperis*, but in addition to the Affidavits referred to in Rule 4 every such Petition shall be accompanied by an Affidavit from the Petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the intended Appeal, and that he is unable to provide sureties, and also by a certificate of Counsel that the Petitioner has reasonable ground of appeal.

Exemption of pauper appellant from lodging security and paying office fees.

9. Where a Petitioner obtains leave to appeal *in formâ pauperis*, he shall not be required to lodge security for the costs of the Respondent or to pay any Council Office fees.

Exemption of unsuccessful petitioner for leave to appeal in form *pauperis* from payment of office fees.

10. A Petitioner whose Petition for leave to appeal *in formâ pauperis* is dismissed may, notwithstanding such dismissal, be excused from paying the Council Office fees usually chargeable to a Petitioner in respect of a Petition for leave to appeal, if His Majesty in Council on the advice of the Judicial Committee, shall think fit so to order.

Record and Appearance by Appellant.

11. As soon as the Appeal has been admitted, whether by an Order of the Court appealed from or by an Order of His Majesty in Council granting special leave to appeal, the Appellant shall without delay take all necessary steps to have the Record transmitted to the Registrar of the Privy Council, and the Registrar shall, with all convenient speed, certify to the Registrar of the Privy Council that the Respondent has received notice, or is otherwise aware, of the Order of the Court appealed from admitting the Appeal, or of the Order of His Majesty in Council giving the Appellant special leave to appeal, and has also received notice, or is otherwise aware, of the dispatch of the Record to England. Where an Appellant who has obtained special leave to appeal by an Order of His Majesty in Council fails to have the Record transmitted to the Registrar of the Privy Council with due diligence, the Registrar of the Privy Council shall call upon the Appellant to explain his default, and if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar insufficient, the said Registrar may issue a summons to the Appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said summons why the special leave to appeal granted should not be rescinded. The Respondent shall be entitled to be heard before the Judicial Committee in the matter of the said summons and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said summons, recommend to His Majesty to rescind the grant of special leave to appeal or give such other directions therein as the justice of the case may require.
12. The Record shall be printed in accordance with the Rules contained in Schedule A hereto. It may be printed either abroad or in England. When printed abroad the parties in England shall, upon perusal, consider whether the order of the documents is in accordance with these Rules, and if it is not, they shall agree upon the proper order. The Appellant shall then rearrange copies of the Record for the use of the Judicial Committee and the other parties. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.
13. Where the Record is printed abroad, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court appealed from.
14. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.
15. Where part of the Record is printed abroad and part is to be printed in England, Rules 13 and 14 shall, as far as practicable, apply to such parts as are printed abroad and such as are to be printed in England respectively.
16. The reasons given by the judge, or any of the judges, for or against any judgment pronounced in the course of the proceedings out of which the Appeal arises, shall by such judge or judges be communicated in writing to the Registrar and shall be included in the Record.
17. The Registrar, as well as the parties and their Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and, generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be printed or copied shall be enumerated in a typewritten list to be transmitted with the Record.
18. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the Record, as finally printed (whether abroad or in England), shall, with a view to the subsequent adjustment of the costs of and incidental to such document, indicate, in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

Record to be transmitted without delay.

Printing of Record.

Number of copies to be transmitted, where Record printed abroad.

One certified copy to be transmitted, where Record to be printed in England.

Record printed partly abroad, partly in England.

Reasons for judgments to be included.

Exclusion of unnecessary documents from Record.

Documents objected to be indicated.

Registration and numbering of Records.

19. As soon as the Record is received in the Registry of the Privy Council, it shall be registered in the said Registry, with the date of arrival, the names of the parties, and the description whether "printed" or "written." A Record, or any part of a Record, not printed in accordance with the Rules contained in Schedule A hereto shall be treated as written. Appeals shall be numbered consecutively in each year in the order in which the Records are received in the said Registry.

Inspection of Record by parties.

20. The parties shall be entitled to inspect the Record and to extract all necessary particulars therefrom for the purpose of entering an Appearance.

Appearance by appellant.

21. The Appellant shall enter an Appearance before taking any step in the prosecution of the Appeal, and after entering such Appearance, shall forthwith give notice thereof to the Respondent, if the latter has entered an Appearance.

Times within which a copy of a written Record shall be bespoken.

22. Where the Record arrives in England either wholly written, or partly written and partly printed, the Appellant shall, within a period of four months from the date of such arrival in the case of Appeals from Courts situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of Appeals from any other Courts, enter an Appearance and bespeak a typewritten copy of the Record, or of such parts thereof as it may be necessary to have copied, and shall engage to pay the cost of preparing such copy at the following rates per folio typed (exclusive of tabular matter)—2d. per folio of English matter, 2½d. per folio of Indian matter, and 3½d. per folio of foreign matter; and shall also engage to pay at such price as shall be fixed by the Registrar of the Privy Council the cost of printing at least 50 copies thereof.

Preparation of copy of Record for printer.

23. As soon as the Appellant has obtained the typewritten copy of the Record bespoken by him, he shall proceed, with due diligence, to arrange the documents in suitable order, to check the index, to insert marginal notes and check the same with the index, and, generally, to do whatever may be required for the purpose of preparing the copy for the printer, in accordance with the Rules contained in Schedule A hereto, and shall, if the Respondent has entered an Appearance, submit the copy, as prepared for the printer, to the Respondent for his approval. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.

Lodging copy of Record for printing.

24. As soon as the typewritten copy of the Record is ready for the printer, the Appellant shall lodge it in the Registry of the Privy Council for printing by a printer selected by the Registrar of the Privy Council, and at the same time shall lodge the amount of the estimated cost of printing the Record.

Special case.

25. Whenever it shall be found that the decision of a matter on appeal is likely to turn exclusively on a question of law, the parties, with the sanction of the Registrar of the Privy Council, may submit such question of law to the Judicial Committee in the form of a Special Case, and print such parts only of the Record as may be necessary for the discussion of the same. Provided that nothing herein contained shall in any way prevent the Judicial Committee from ordering the full discussion of the whole case, if they shall so think fit, and that, in order to promote such arrangements and simplification of the matter in dispute, the said Registrar may call the parties before him, and having heard them, and examined the Record, may report to the Judicial Committee as to the nature of the proceedings.

Examination of proof of Record and striking off copies.

26. The Registrar of the Privy Council shall, as soon as the proof prints of the Record are ready, give notice to all parties who have entered an Appearance requesting them to attend at the Registry of the Privy Council at a time to be named in such notice in order to examine the said proof prints and compare the same with the certified Record, and shall, for that purpose, furnish each of the said parties with one proof print. After the examination has been completed, the Appellant shall, without delay, lodge his proof print, duly corrected and (so far as necessary) approved by the Respondent, and the Registrar of the Privy Council shall thereupon cause the copies of the Record to be struck off from such proof print.

Number of copies of Record for parties.

27. Each party who has entered an Appearance shall be entitled to receive, for his own use, six copies of the Record.

How costs of printing Record are to be borne.

28. Subject to any special direction from the Judicial Committee to the contrary, the costs of and incidental to the printing of the Record shall form part of the costs of the Appeal, but the costs of and incidental to the printing of any document objected to by one party, in

accordance with Rule 18, shall, if such document is found on the taxation of costs to be unnecessary or irrelevant, be disallowed to, or borne by, the party insisting on including the same in the Record.

Petition of Appeal.

29. The Appellant shall lodge his Petition of Appeal—

Times within which petition shall be lodged.

- (a) Where the Record arrives in England printed, within a period of four months from the date of such arrival, in the case of Appeals from Courts situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of Appeals from any other Courts;
- (b) Where the Record arrives in England written, within a period of one month from, but not before, the date of the completion of the printing thereof:

Provided that nothing in this Rule contained shall preclude the Appellant from lodging his Petition of Appeal prior to the arrival of the Record, or the completion of the printing thereof, if there are special reasons why, in the opinion of the Registrar of the Privy Council, it should be desirable for him to do so.

30. The Petition of Appeal shall be lodged in the form prescribed by Rule 47, hereinafter contained. It shall recite succinctly and, as far as possible, in chronological order, the principal steps in the proceedings leading up to the Appeal from the commencement thereof down to the admission of the Appeal, but shall not contain argumentative matter or travel into the merits of the case.

Form of petition.

31. The Appellant shall, after lodging his Petition of Appeal, serve a copy thereof without delay on the Respondent, as soon as the latter has entered an Appearance, and shall endorse such copy with the date of the lodgment.

Service of petition.

Withdrawal of Appeal.

32. Where an Appellant, who has not lodged his Petition of Appeal, desires to withdraw his Appeal, he shall give notice in writing to that effect to the Registrar of the Privy Council, and the said Registrar shall, with all convenient speed after the receipt of such notice, by letter notify the Registrar of the Court appealed from that the Appeal has been withdrawn, and the said Appeal shall thereupon stand dismissed as from the date of the said letter without further Order.

Withdrawal of appeal before petition of appeal has been lodged.

33. Where an Appellant, who has lodged his Petition of Appeal, desires to withdraw his Appeal, he shall present a Petition to that effect to His Majesty in Council. On the hearing of any such Petition a Respondent who has entered an Appearance in the Appeal shall, subject to any agreement between him and the Appellant to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the Respondent has not entered an Appearance, or, having entered an Appearance, consents in writing to the prayer of the Petition, the Petition may, if the Judicial Committee think fit, be disposed of in the same way *mutatis mutandis* as a Consent Petition under the provisions of Rule 56 hereinafter contained.

Withdrawal of appeal after petition of appeal has been lodged.

Non-Prosecution of Appeal.

34. Where an Appellant takes no steps in prosecution of his Appeal within a period of four months from the date of the arrival of the Record in England in the case of an Appeal from a Court situate in any of the countries or places named in Schedule B hereto, or within a period of two months from the same date in the case of an Appeal from any other Court, the Registrar of the Privy Council shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the Appeal has not been prosecuted, and the Appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further Order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to any Respondent who has entered an Appearance in the Appeal.

Dismissal of appeal where appellant takes no step in prosecution thereof.

35. Where an Appellant who has entered an Appearance—

Dismissal of appeal for non-prosecution after appellant's appearance and before lodgment of petition of appeal.

- (a) fails to bespeak a copy of a written Record, or of part of a written Record, in accordance with, and within the periods prescribed by, Rule 22; or
- (b) having bespoken such copy within the periods prescribed by Rule 22, fails thereafter to proceed with due diligence to take all such further steps as may be necessary for the purpose of completing the printing of the said Record; or
- (c) fails to lodge his Petition of Appeal within the periods respectively prescribed by Rule 29;

the Registrar of the Privy Council shall call upon the Appellant to explain his default, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the Appeal has not been effectually prosecuted, and the Appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further Order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to all the parties who have entered an Appearance in the Appeal.

Dismissal of appeal for non-prosecution after lodgment of petition of appeal.

36. Where an Appellant, who has lodged his Petition of Appeal, fails thereafter to prosecute his Appeal with due diligence, the Registrar of the Privy Council shall call upon him to explain his default, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar shall issue a Summons to the Appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said Summons why the Appeal should not be dismissed for non-prosecution. Provided that no such Summons shall be issued by the said Registrar before the expiration of one year from the date of the arrival of the Record in England. If the Respondent has entered an Appearance in the Appeal, the Registrar of the Privy Council shall send him a copy of the said Summons, and the Respondent shall be entitled to be heard before the Judicial Committee in the matter of the said Summons at the time named and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said Summons, recommend to His Majesty the dismissal of the Appeal for non-prosecution, or give such other directions therein as the justice of the case may require.

37. An Appellant whose Appeal has been dismissed for non-prosecution may present a Petition to His Majesty in Council praying that his Appeal may be restored.

Notice of appearance by respondent.

39. The Respondent shall forthwith after entering an Appearance give notice thereof to the Appellant, if the latter has entered an Appearance.

Form of appearance where all the respondents do not appear.

40. Where there are two or more Respondents, and only one, or some, of them enter an Appearance, the Appearance Form shall set out the names of the appearing Respondents.

42. A Respondent who has not entered an Appearance shall not be entitled to receive any notices relating to the Appeal from the Registrar of the Privy Council, nor be allowed to lodge a Case in the Appeal.

Procedure on non-appearance of respondent.

43. Where a Respondent fails to enter an Appearance in an Appeal, the following Rules shall, subject to any special Order of the Judicial Committee to the contrary, apply :—

- (a) If the non-appearing Respondent was a Respondent at the time when the Appeal was admitted, whether by the Order of the Court appealed from or by an Order of His Majesty in Council giving the Appellant special leave to appeal, and it appears from the terms of the said Order, or Order in Council, or otherwise from the Record, or from a Certificate of the Registrar of the Court appealed from, that the said non-appearing Respondent has received notice, or was otherwise aware, of the Order of the Court appealed from admitting the Appeal, or of the Order of His Majesty in Council giving the Appellant special leave to appeal, and has also received notice, or was otherwise aware, of the dispatch of the Record to England, the appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing Respondent at any time after the expiration of three months from the date of the lodging of the Petition of Appeal;

- (b) If the non-appearing Respondent was made a Respondent by an Order of His Majesty in Council subsequently to the admission of the Appeal, and it appears from the Record, or from a Supplementary Record, or from a Certificate of the Registrar of the Court appealed from, that the said non-appearing Respondent has received notice, or was otherwise aware, of any intended application to bring him on the record as a Respondent, the Appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing Respondent at any time after the expiration of three months from the date on which he shall have been served with a copy of His Majesty's Order in Council bringing him on the Record as a Respondent:

Provided that where it is shown to the satisfaction of the Registrar of the Privy Council, by Affidavit or otherwise, either that an Appellant has made every reasonable endeavour to serve a non-appearing Respondent with the notices mentioned in clause (a) and (b) respectively and has failed to effect such service, or that it is not the intention of the non-appearing Respondent to enter an Appearance to the Appeal, the Appeal may, without further Order in that behalf and at the risk of the Appellant, be proceeded with *ex parte* as against the said non-appearing Respondent.

44. A Respondent who desires to defend an Appeal *in forma pauperis* may present a Petition to that effect to His Majesty in Council, which Petition shall be accompanied by an Affidavit from the Petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the Appeal.

57. A Petitioner who desires to withdraw his Petition shall give notice in writing to that effect to the Registrar of the Privy Council. Where the Petition is opposed, the Opponent shall, subject to any agreement between the parties to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the Petition is unopposed, or where, in the case of an opposed Petition, the parties have come to an agreement as to the costs of the Petition, the Petition may, if the Judicial Committee think fit, be disposed of in the same way *mutatis mutandis* as a Consent Petition under the provisions of the last-preceding Rule.

Procedure

of petition
unduly delayed.

58. Where a Petitioner unduly delays bringing a Petition to a hearing, the Registrar of the Privy Council shall call upon him to explain the delay, and if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar may, after notifying all parties interested by Summons of his intention to do so, put the Petition in the paper for hearing on the next following day appointed by the Judicial Committee for the hearing of Petitions for such directions as the Committee may think fit to give thereon.

The Case may be printed either abroad or in England, and shall, in either event, be printed in accordance with the Rules I. to III. contained in Schedule A hereto, every tenth line thereof being numbered in the margin, and shall be signed by at least one of the Counsel who attends at the hearing of the Appeal or by the party himself if he conducts his Appeal in person.

Provided that no Case Notice shall be served until after the completion of the printing, or re-arrangement under Rule 12. of the Record, and also that nothing in this Rule contained shall preclude the party in default from lodging his Case, at his own risk as regards costs and otherwise, at any time up to the date of hearing.

Case notice.

67. Subject to the provisions of Rule 43 and of the last-preceding Rule, an Appeal shall be set down *ipso facto* as soon as the Cases on both sides are lodged, and the parties shall thereupon exchange Cases by handing one another, either at the Offices of one of the Agents or in the Registry of the Privy Council, ten copies of their respective Cases.

The copies shall be bound in cloth or in half leather with paper sides, and six leaves of blank paper shall be inserted before the Appellant's Case. The front cover shall bear a printed label stating the title and Privy Council number of the Appeal, the contents of the volume, and the names and addresses of the London Agents. Notice to parties of day fixed for hearing appeal.

71. The Taxing Officer may, if he think fit, disallow to any party who fails to lodge his Bill of Costs (together with all necessary vouchers for disbursements) within the time prescribed by the last-precoding Rule, or who in any way delays or impedes a taxation, the charges to which such party would otherwise be entitled for drawing his Bill of Costs and attending the taxation.

Taxation on the pauper scale.

81. Where the Judicial Committee directs costs to be taxed on the pauper scale, the Taxing Officer shall not allow any fees of Counsel, and shall only award to the Agents out-of-pocket expenses and a reasonable allowance to cover office expenses, such allowance to be taken at about three-eighths of the usual professional charges in ordinary appeals. Such pauper scale shall apply to and include the application upon which leave to appeal in *forma pauperis* was granted.

Applications to be excused from compliance with the requirements of any of these Rules shall be addressed in the first instance to the Registrar of the Privy Council, who shall take the instructions of the Committee thereon and communicate the same to the parties. The Index to Part II. shall follow the order of the exhibit mark, and shall be placed immediately after the Index to Part I.

VI. Part I. shall be arranged strictly in chronological order, i.e., in the same order as the index.

Part II. shall be arranged in the most convenient way for the use of the Judicial Committee, as the circumstances of the case require. The documents shall be printed as far as suitable in chronological order, mixing Plaintiff's and Defendant's documents together when necessary. Each document shall show its exhibit mark, and whether it is a Plaintiff's or Defendant's document (unless this is clear from the exhibit mark) and in all cases documents relating to the same matter, such as

(a) a series of correspondence, or

(b) proceedings in a suit other than the one under appeal,

shall be kept together. The order in the Record of the documents in Part II. will probably be different from the order of the Index, and the proper page number of each document shall be inserted in the printed Index.

The parties will be responsible for arranging the Record in proper order for the Judicial Committee, and in difficult cases Counsel may be asked to settle it.

VII. The documents in Part I. shall be numbered consecutively.

The documents in Part II. shall not be numbered, apart from the exhibit mark.

Part I.

(a) Where the case has been before more than one Court, the short name of the Court shall first appear. Where the case has been before only one Court, the name of the Court need not appear.

(b) The marginal note of the document shall then appear consisting of the number and the description of the document in the Index, with the date, except in the case of oral evidence.

(c) In the case of oral evidence, "Plaintiff's evidence" or "Defendant's evidence" shall appear beneath the name of the Court, and then the marginal note consisting of the number in the Index and the witness's name, with "examination," "cross-examination," or "re-examination," as the case may be.

Part II.

The word "Exhibits" shall first appear.

The marginal note of the exhibit shall then appear consisting of the exhibit mark and the description of the document in the Index, with the date.

X. The parties shall agree to the omission of formal and irrelevant documents, but the description of the document may appear (both in the Index and in the Record), if desired, with the words "not printed" against it.

A long series of documents, such as accounts, rent rolls, inventories, &c., shall not be printed in full, unless Counsel so advise, but the parties shall agree to short extracts being printed as specimens.

XI. In cases where maps sent from abroad are of an inconvenient size or unsuitable in character, the Appellant shall, in agreement with the Respondent, prepare in England, from the materials sent from abroad, maps drawn properly to scale and of reasonable size, showing, as far as possible, the claims of the respective parties, in different colours.

THE land is situated from 8 to 10 miles north-east and north-west of Walpeup (on the Ouyen-Murrayville railway line).

The land is available for general selection, but no person who has not reached the age of eighteen is eligible to apply.

Applications (with uncancelled Victorian duty stamp of 5s., or postal note for the same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any local Land Office or to the Under-Secretary for Lands, Lands Department, Melbourne, on or before 18th July, 1925.

Applicants may apply for one or more allotments on one application form.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvements, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of 14 or 34 years, as the case may be, a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee ranges from £11 5s. to £13 15s. per allotment.

A deposit of £5 will be accepted on account of survey fee, the balance to be paid with half-yearly rents in equal half-yearly instalments during the first six years of the lease.

In accordance with section 16, Land Act 1920, provision for water storage must be made on the land to the extent of approximately 4 cubic yards per acre within two years from date of lease.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land. If in the third class, to the value of Five shillings per acre before the end of the third year from the date of the lease, and the balance of Five shillings per acre before the end of the sixth year of the lease. If in the fourth class, improvements to the value of Two shillings and sixpence per acre must be made on the land before the end of the third year from the date of the lease, and the balance of Two shillings and sixpence per acre before the end of the sixth year of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within 5 miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years from the date of the lease.

That the lessee shall not transfer, assign, mortgage, or sublet or part with the possession, or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment

unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

That a special condition shall be inserted in the lease providing that the land referred to therein shall at all times be maintained and used for the purpose of residence and agriculture or grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in any area in the Mallee country in excess of that quantity of land as set out in section 20 of the Land Act 1921.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of not less than three per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable.)

It must be distinctly understood that a reliable water-supply by channel may not be available for some years.

Handwritten text, likely bleed-through from the reverse side of the page. The text is extremely faint and illegible due to the quality of the scan. It appears to be several lines of a letter or document, possibly containing names and dates.
