TRIENNIAL GENERAL RENEWAL OF ELECTORS' RIGHTS.

Important Notice to Electors.

IT is hereby notified that all persons who are holders of electors' rights issued before or on the 1st December, 1925, must, not later than the 1st December next, obtain renewed rights in lieu thereof, in order to have their names retained upon the new General Electoral Lists, which will be made up forthwith after that date.

Neglect of this action will result in the omission of the names of the persons so neglecting from such Lists.

The old right must in every case be delivered up to the Registrar, but the renewed right will be equally available for any election that may take place before the coming into force of the new rolls in February, 1927.

Intending applicants for electors' rights are advised to apply early to the Registrar. If application be postponed until the last day allowed for the purpose, the Registrar may be unable to issue rights to all applicants, and those to whom rights are not issued will not be enrolled, and will lose their title to vote.

No person whose name is on, or entitled to be on, any roll of ratepaying electors for any division of a province may obtain an elector's right for such province.

Persons of foreign birth who desire to obtain electors' rights must, if not already naturalized, obtain letters of naturalization, without which they are not qualified.

Each applicant for an elector's right for the Legislative Council should provide himself with a Sixpenny duty-stamp necessary for payment for the right.

GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Tuesday, 26th October, 1926, from persons willing to furnish the undermentioned article, in such quantities as may be ordered by the Victorian Government, for supplies for the period ending 30th June, 1927:—

Schedule No.	Preliminary Deposit.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—

In all cases the country of origin of the articles offered must be stated, and the total cost of each item extended in the columns provided.
