**MALLEE LANDS AVAILABLE FOR APPLICATION UNDER SELECTION PURCHASE LEASE, SECTION 198, LAND ACT 1915, IN THE PARISHES OF MALLANBOOL, KURNWILL, MALLOREN, AND TUNART, COUNTY OF MILLEWA.**

THE subdivision is situated south of and adjoining the Red Cliffs-Meringur railway line. The allotments are served by railway stations at Werrimull, Bambill, Yarrara, and Meringur, the furthest allotments being about 14 miles from Meringur. These allotments, however, will be brought nearer to the railway by the extension of the line beyond that station.

The land is available for general selection, but no person who has not reached the age of eighteen is eligible to apply.

Applications (with uncanceled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any local Land Office or to the Under-Secretary for Lands, Lands Department, Melbourne, on or before 3rd July, 1926.

Applicants may apply for one or more allotments on one application form.

The term of the lease shall be for twenty years.

**Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.**

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvement, and all other conditions have been complied with, the lease will be endorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of fourteen years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee ranges from £12 10s. to £13 15s. per allotment.

A deposit of £5 will be accepted on account of survey fee, the balance to be paid with half-yearly rents in equal half-yearly instalments during the first six years of the lease.

In accordance with section 16, *Land Act 1920*, provision for water storage must be made on the land to the extent of approximately 4 cubic yards per acre within two years from the date of lease.

The lease will contain (*inter alia*) conditions to the effect as follows:—

That substantial and permanent improvements shall be made on the land; if in the second class, to the value of Two shillings and sixpence per acre before the end of the second year from the date of lease, another Two shillings and sixpence per acre before the end of each year of the third and fourth years, and the balance of Seven shillings and sixpence per acre before the end of the sixth year of the lease. If in the third class, improvements to the value of Five shillings per acre must be made on the land before the end of the third year from the date of the lease, and the balance of Five shillings per acre before the end of the sixth year of the lease. If in the fourth class, improvements to the value of Two shillings and sixpence per acre must be made on the land before the end of the third year from the date of the lease, and the balance of Two shillings and sixpence per acre before the end of the sixth year of the lease.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within 5 miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years from the date of the lease.

That the lessee shall not transfer, assign, mortgage, or sublet or part with the possession, or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been endorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

That a special condition shall be inserted in the lease providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or for the purpose of agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in, any area in the Mallee country in excess of that quantity of land as set out in section 20 of the *Land Act 1921*.

That the lessee or grantee or owner shall preserve the timber on, or plant an area of not less than, three per cent. of the total extent of his holding. (N.B.—Along the exposed boundary lines, viz., the western and southern, would be preferable.)

The price per acre on each allotment set out in the Schedule hereto includes loading for Water Supply and Road purposes.

Plans can be obtained at the Inquiry Office, Lands Department, Melbourne, and at Lands Offices, St. Arnaud, Berdigo, Horsham, and Mildura.

Intending applicants may obtain warrants from any Land Officer authorizing the issue of a railway ticket at half fares for the purpose of inspecting the land.

The Government will not necessarily accept the lowest or any tender.

## CONDITIONS OF CONTRACT.

*For Burials and Removals.*

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act* 1915 (No. 2626), section 50, cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 16.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be made of 1-in. white pine timber covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctively offensive character, such as of persons drowned and long in the water, or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor, of timber 1 inch in thickness.

7. Bodies of deceased persons, with the exception of those provided for under clause 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the Yarra, excepting bodies buried from the Morgue, and to the Spring-

vale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and Cemetery Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

10. When burials or removals are required to take place on Sunday, or, in the case of any lunatic asylum, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities in the case of burials will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the Contractor must inform the police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the Contractor gives the order for interment. The Contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed at the time of the burial, and that he received the fee for so doing. Should the burial service not be performed at the time of the burial no reimbursement will be allowed. The receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

12. Should the religious belief, however, of the deceased preclude the burial being carried out in conformity with the above clause as regards the attendance of the officiating clergyman, the friends of the deceased shall, if practicable, be notified by the police with respect to the service. In the case of foreigners, the Consul for the country to which he is reputed to belong shall also be notified by the Police Department of his decease, in which case, when practicable, he may provide for such service as he may consider necessary.

13. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, zinc lined and water-tight, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.

14. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the post-mortem examination.

15. Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will, on report of the Tender Board, subject the Contractor to the immediate cancellation of his contract, the forfeiture of the security money, or such other disqualifications as the Hon. the Treasurer may direct. The decision of the Board as to whether any breach of the condition has taken place to be final and conclusive.

16. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

17. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals or removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

18. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

A. J. PEACOCK,  
Treasurer.

The Treasury,  
Melbourne, 26th May, 1926.

## CARTAGE (COUNTRY).

TENDERS will be received until Eleven o'clock a.m. on Friday, 18th June, 1926, for cartage and delivery at Ararat, Bairnsdale, Ballarat, Beechworth, Bendigo, Castle-maine, Geelong, Hamilton, Horsham, Mildura, Stawell, Sunbury, and Warrnambool, of such goods and furniture as may be forwarded to and from the railway and various Government Departments by the Stores and Transport Department for and on behalf of the Government of Victoria, also for the Commonwealth Government for its offices situated in Victoria if required, from 1st July, 1926, to the 30th June, 1928.

A deposit of £10 in bank notes or bank draft, payable to the order of the Secretary to the Tender Board (cheques will in no case be received), must accompany each tender, which will be retained from the successful tenderer as security for the due fulfilment of the contract. Such deposit to be forfeited in the event of the tenderer withdrawing his tender before notification of the acceptance of the tender or in the event of the successful tenderer failing to sign and complete his contract within the prescribed period. The deposits will be returned to unsuccessful tenderers within ten days, on their application.

Tenders may be accepted or rejected for each place separately.

Tenders must express the prices in words as well as in figures, and without alterations or erasures.

Full particulars, forms of tender, and conditions of contract may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, and at the police stations at the places named.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

## CONDITIONS OF CONTRACT.

1. The prices quoted cover all descriptions of parcels and goods, including furniture, &c.

2. A separate charge is to be made for each consignment, such charge to be for the gross weight thereof, irrespective of the number of packages. Accounts in all cases to be made out by weight only, and to be rendered monthly, supported by the waybills properly receipted, subject to any deductions for damage sustained to the goods whilst in the custody of the carrier.

3. For removals of officers' furniture and effects, a separate charge must be made per van per hour, including loading and reloading as required, and a certificate from the officer concerned must accompany the voucher setting forth the number of hours employed before payment can be made. Provided that with the prior consent of the Tender Board officers' furniture and effects may be removed in the manner and by the persons approved of by the Board. Transport sling vans are not to be requisitioned without the authority of the Secretary to the Tender Board.

4. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment note, which should be found on each consignment or package forwarded by the contractors or departments, and the weight. Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition will render the contractor, on report, liable to such fine as the Tender Board may recommend, and the amount will be deducted from any account due to the contractor or from the security money.

5. Contractors are not at liberty to transfer their contracts, under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

6. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

## GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Friday, 11th June, 1926, from persons willing to furnish the undermentioned articles, in such quantities as may be ordered by the Victorian Government, for supplies for the periods stated, commencing on 1st July, 1926:—

Schedule No.	Period.	Preliminary Years.	Deposit.
7. Flannel, Serges, and Tweeds	...	1	£5
25. Brushware—Painters	...	2	£5
39. Covers and Tubes for Motor Cars and Cycles	...	1	£5
79. Timber (Commonwealth) sawn and other, for items Nos. 29 to 42 inclusive, 53 to 58 inclusive, and 76 to 86 inclusive	...	1	£5
84. Overcoats and Cloaks (Waterproof) for the Police	...	1	£10

Security.—Ten per cent. on total amount of tender accepted, except where otherwise specified in the tender form, but in no case will security of less than £5 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

If the tenderer is in a position to supply a suitable substitute of Commonwealth production or manufacture in place of the sample at the Tender Board Office he may tender for such substitute under column A in the schedule, but he must submit with his tender a sample of the article offered.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—

- to tenders for articles manufactured within the Commonwealth;
- to tenders for articles manufactured within any other part of the British Empire.

In all cases the country of origin of the articles offered must be stated, and the total cost of each item extended in the columns provided.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board. Cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

The amount of the deposit required with each tender must be enclosed and the amount must be carefully written in and the designation stated, whether marked cheque, bank draft, or bank notes, as the case may be.

Security will be required, either in Victorian or Commonwealth Government debentures, Savings Bank deposit book, or bank deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for ——" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

Conditions of Contract are those published under General Stores in the Victoria Government Gazette of 6th January, 1926, pages 26 and 27.

## SHIRE OF AVOCA.

A By-law of the Shire of Avoca, numbered 9/26, made under section 197 of the *Local Government Act*, and section 2 of the *Local Government Act 1915* (No. 2), for regulating the use of the streets, roads, and public places in the Township of Avoca, by street hawkers, and itinerant traders dealing in foodstuffs and flowers, and licensing and regulating street hawkers, and itinerant traders dealing in such goods.

IN pursuance of the powers conferred by the *Local Government Act 1915* and the *Local Government Act 1915* (No. 2), and of every other power enabling it on that behalf, the Council of the Shire of Avoca doth hereby make the By-law following, which shall have operation in the Township of Avoca, as set out in the Government lithograph plan marked L6447, and shall come into force and have operation on being published in the *Government Gazette*.

(1) The place mentioned in the first schedule hereto, and such other places as may from time to time be fixed in lieu thereof, or in addition thereto, by the said Council, shall be stands for the sale of foodstuffs and/or flowers in the said township.

2. No person shall take up, or occupy, or sell, or attempt to sell, or assist to sell from such stands, or any position in any street, road, or public place, unless licensed so to do as hereinafter provided; but this prohibition shall not prevent any itinerant trader, holding a permit on that behalf, from vending foodstuffs and/or flowers from door to door.

(3) The Council may from time to time—

(a) Abolish, enlarge, or diminish any stand or position.

(b) Move any stand or position to another site in its vicinity.

(c) Appoint additional stands or positions.

Notice in writing of the exercise of any of the powers conferred in this clause shall be given to any licensee concerned.

(4) Any person desiring to sell or to assist in selling foodstuffs and/or flowers from such stands shall apply, in writing, to the Shire Secretary, hereinafter called the Licensing Officer, in the form or to the effect set out in the second schedule hereto, and shall be accompanied by a certificate of good character signed by at least two ratepayers in the said township.

(5) The Licensing Officer shall bring all such applications before the Council, and the Council shall, in its unfettered discretion, grant, refuse, or otherwise deal with such applications.

(6) If an application is granted, a licence, subject to the conditions of this By-law, will be issued to the applicant by the Licensing Officer on payment of the prescribed charges, as set out in schedule 3, and such licence shall state the stand to be occupied by the licensee, the goods licensed to be sold, and the days in the week (not exceeding three in each week), on which he may occupy such stand.

(7) When a licence is issued pursuant to this By-law to occupy a position on a stand, the person named in such licence, or his permitted transferee, and/or assistant, and none other, shall have the right to use, or occupy, such position.

(8) A licence for a position may, with the consent of the Council, be transferred to any person not already holding a licence for a position, or interested therein.

(9) When a proposed transferee has been approved by the Council, the original licence, with the prescribed fee for the transfer, shall be handed to the Licensing Officer, who shall endorse thereon the name of the transferee, and the date of the transfer.

(10) Council may, at any time, revoke any licence issued hereunder if the holder, in the opinion of the Council—

(a) Has committed any offence against this By-law.

(b) Has been guilty of offensive, or unbecoming conduct, or behaviour, on or near his position.

(c) Has not kept his cart, truck, or barrow, or other vehicle clean, or has not kept himself cleanly in habits while on his position.

(d) Has been convicted of any offence under the Health Act, the Fish and Game Act, Fruit, or Weights and Measures Act.

(11) When the licence is revoked, the right thereunder to occupy the position, or to act as assistant thereat, shall then cease, and any moneys paid in advance shall be forfeited to the said Council, and the licence shall be delivered to the Licensing Officer.

(12) The hours within which positions or stands may be occupied shall be between 10 a.m. and 6 p.m. on each day of the week, except Sunday, but no licence issued hereunder shall be for more than three days in each week, nor shall it give the right to occupy the position on Sunday, Good Friday, or Christmas Day.

(13) The following rules shall be observed by every licensee. That is to say, he shall—

(a) Keep his position, and the street and path round it clean and free from all paper, fruit-stems, peelings, refuse, and rubbish of all sorts during the hours each day he is occupying his stand, and leave it in like condition each day.

- (b) Not place any box, basket, receptacle, or other thing, except his vehicle, upon the position, or on the roadway or footpath contiguous thereto.
- (c) Not suffer any horse to be attached to his vehicle, or to be unattached thereto on the position, or the roadway, or path contiguous thereto.
- (d) Not press his wares upon passers by, or solicit their custom.
- (e) Personally attend his position during the whole time it is occupied by his vehicle, unless prevented by ill health, or unavoidable absence from Avoca, when a substitute authorized by the Licensing Officer will be permitted.

(14) No cart, truck, barrow, or other vehicle shall be used on any position, or for hawking from door to door, unless same has been previously approved by the Licensing Officer.

(15) No vehicle shall be approved for the sale of foodstuffs unless the same is provided with a roof or cover, and have provision for the protection of the goods offered for sale from sun, dust, and flies.

(16) No fish shall be sold, or offered for sale, on any stand or position, or in any street, road, or lane in the township unless the same shall have been previously cleaned (guttled) to the satisfaction of the Licensing Officer.

(17) No fish shall be cleaned (guttled) at or near any stand or position.

(18) No person shall sell, or attempt to sell, foodstuffs and/or flowers from door to door in the township without first obtaining from the Licensing Officer a permit so to do in the form prescribed in the fourth schedule hereof, such permit shall be for the term of six or twelve months. The charge for same shall be as set out in the third schedule hereto, and the holder thereof shall be subject to all the conditions hereof which may be applicable.

(19) Where under this By-law notice in writing is required to be served on any licensee, such notice may be served personally, or through the post in a registered letter, to such licensee at the address mentioned in his licence, and where service is by registered letter, it shall be deemed to have been made within twenty-four hours from the posting thereof.

(20) Any person who shall offend against any provision of this By-law, or being a licensee, offend against any of the rules enumerated in clause 13 hereof, shall on conviction for every such offence be liable to a penalty not exceeding Five pounds (£5).
