PART II.

The Beaufort Water Supply.

2. The rates and charges hereinafter specified are those which the occupiers or owners of lands and tenements shall pay in respect of water supplied from the Beaufort Water Supply otherwise than by measure for domestic purposes, that is to say:—

For each water trough (public) supplied with water, such trough having a ball tap attached thereto, the sum of Ten shillings; for each steam-boiler supplied, the sum of Fifteen shillings; for each syphon supplied, the sum of Ten shillings. For water supplied by measure, a charge of One shilling per 1,000 gallons shall be made. For water supplied to public buildings, charge of Four pounds per annum will be made.

(b) On every piece of land not having a building thereon, and to which water pipes are not laid, but having a frontage to any street or road along which there is any main pipe laid for the supply of water from the Beaufort Water Supply, provided such pipe or some portion thereof is laid in the street or road opposite the frontage of such land or opposite some portion of such frontage, the minimum sum of Ten shillings. Nothing in this sub-section contained shall be deemed to apply to land adjoining and used in connexion with any other tenement.

3. "The Beaufort Water Supply" means and includes the reservoirs (with their respective systems of reticulation) known as Jackson's Reservoir and the Goldfields Reservoir, situate to the north and south respectively of the Township of Beaufort, and the springs and races which feed such reservoirs.

PART III.

MACEDON WATERWORKS TRUST.

RATING BY-LAW FOR 1927.

THE Commissioners of the Macedon Waterworks Trust, the Waterworks District of which has been proclaimed an Urban District, do hereby, in pursuance of the powers conferred by the Water Acts, make the following By-law:—

The following rates are those which the occupiers or owners of land and tenements liable to be rated shall pay for the year 1927 in respect of water supplied by the Trust within the boundary of the Trust's district, that is to say:—

A rate of Two shillings in the pound sterling, payable in two equal instalments on the 1st January and 1st July, 1927, shall be imposed and levied on all rateable property in the Trust's district according to the municipal valuation of such properties.

The minimum rate to be paid shall be Forty shillings on all tenements; vacant land, where the main passes the property and within one hundred (100) yards, Thirty shillings (30s.); outside that distance, Fifteen shillings (15s.); stand-pipe rate, Seven shillings and sixpence (7s. 6d.):

All water supplied by the Trust for other than domestic purposes shall be by meter, and charged at the rate of Two shillings (2s.) per 1,000 gallons. Water for engine purposes to Victorian Railways, 6d. per 1,000 gallons.

Such person or persons as the Trust may appoint for that purpose shall be authorized to demand, collect, and recover the said rate.

The foregoing By-law was made by the Commissioners of the Macedon Waterworks Trust on 14th day of January, 1927, and the seal of the Trust was affixed hereto in the presence of—

SHIRE OF GRENVILLE.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Grenville, and they desire that the said shire be re-subdivided by severing portion of the West Riding and annexing it to the Central Riding.

The petitioners state that the value of the rateable property in the existing four ridings is as follows:—

North Riding	£13,533
East Riding	£13,844
West Riding	£24,611
Central Riding	£12,014

and they therefore consider it equitable that portion of the West Riding be severed and annexed to the Central Riding, the North Riding and the East Riding to remain unaltered.

The respective valuations of the four Ridings, if the petition be granted, would be—

North Riding	£13,533
East Riding	£13,844
West Riding	£20,640
Central Riding	£15,985

The petitioners state that this would make a more equitable distribution of revenue, and that the ratepayers affected have more community of interest with the Central Riding than the West Riding.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to re-subdivide the shire in accordance with the request of the petitioners.

Notices for the petitioners may be served on Mr. Alfred John Smith, Shire Secretary, Linton.

GEO. J. GOUDIE,
Commissioner of Public Works.

Department of Public Works (Local Government Branch),
Melbourne, 28th February, 1927.

SHIRE OF MELTON.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1915 (No. 2686), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Melton, and they desire that the said shire be re-subdivided by having only three ridings, viz., East, South, and West Ridings, in lieu of four ridings as at present.

The petitioners state that the reasons for desiring re-subdivision are that all traffic of the shire concentrates to railway stations, and the present subdivision does not provide for a railway station within each riding, the consequence being that one riding is dependent on other ridings for the provision of roads for carrying its traffic to a railway, and at the same time does not contribute to the maintenance of such roads. The re-subdivision will provide a railway station within each riding, and the traffic from each riding will be provided for by the roads of that riding.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to re-subdivide the shire in accordance with the request of the petitioners.

Notices for the petitioners may be served on George Minns, Shire Office, Melton.
