RATING BY-LAW FOR THE YEAR 1927.

THE Commissioners of the Borough of Horsham Waterworks Trust do hereby make the following By-law, in pursuance of the provisions of the Water Acts:—

1. That the water rate for the year 1927 on all lands and tenements within the Borough of Horsham Waterworks Trust District shall be One shilling and threepence in the pound on the municipal valuation of the Borough of Horsham for the year 1926-1927, with a minimum of One (1) pound upon all tenements valued at or under £16 (Sixteen pounds) except such as are entitled to the provisions of section 237 of the above-mentioned Acts.

2. For water supplied by the Trust for domestic and other than domestic use by measurement (except in cases of special agreement with the Trust) the minimum quantity of water to be charged for in respect of lands and tenements within the Trust District shall be the quantity for which the charge, at One shilling per thousand (1,000) gallons, would be equal to the amount of the assessed rate which would be payable for the premises so supplied, if supplied otherwise than by measure. All water supplied by the Trust by measure in excess of the aforesaid quantity shall be charged at the price of Ninepence (9d.) per 1,000 gallons.

3. For the water supplied by measurement for other than domestic purposes solely, a charge of Ninepence for every 1,000 gallons shall be made (except in cases of special agreement with the Trust) and for water supplied for railway purposes, which shall be at the rate of One shilling per 1,000 gallons. Provided that the minimum charge shall not be less than the amount payable under the assessed rate as specified in clause 1 hereof.

4. All rates and charges shall be payable in advance on the 1st day of February, 1927, at the office of the Trust, Wilson-street, Horsham, where payments will be received during office hours.

5. Such officers as the Trust may, from time to time appoint for the purpose, are hereby authorized to demand, receive, and recover the said charges.

The foregoing By-law was passed by the Commissioners of the Borough of Horsham Waterworks Trust on the 1st day of February, 1927, and the common seal hereunder affixed in the presence of—

ROSEDALE WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1927.

THE Commissioners of the Rosedale Waterworks Trust hereby make the following By-law, pursuant to and in exercise of the powers and authorities conferred by the Water Acts:—

A By-law for making the rate for the year 1927 on the rateable property within the district of the Rosedale Waterworks Trust, also dealing with the sale of water by measure from the works of the Trust.

A rate of Three shillings in the pound shall be paid on the net annual value of the rateable property within the Waterworks District, according to the valuation, for the time being, of all lands and tenements for the municipal rates for the Shire of Rosedale, but no such rate shall be less than Two pounds five shillings.

For every piece or allotment of vacant land, a rate of Ten shillings shall be paid.

When water is supplied by measure for domestic or other than domestic purposes, a charge of Two shillings and sixpence per thousand gallons shall be made, and the minimum quantity to be charged for shall be the quantity which at the price named would be equal to the price payable in respect of such property if the water were supplied otherwise than by measure.

When the water is supplied for other purposes than domestic solely, the charge shall be Two shillings and sixpence per thousand gallons, and the minimum quantity to be supplied shall be ten thousand gallons for the year ending 31st December, 1927.

The Trust may, by notice in writing, intimate to any owner or occupier using the water for other than domestic purposes solely, that the water to be used is to be charged for by measure, and may by such notice require such owner or occupier to provide a meter within one month of such notice at his own expense.

In all cases not herein provided for, the Trust shall make special provision as may be deemed necessary.

The service pipe from the main, being the property of the owner or occupier, the owner or occupier of the tenement supplied by such service pipe shall in every instance in which any damage be caused by such service pipe being leaky, broken, or otherwise out of repair, be guilty of an offence.

If any person neglect to repair any such service pipe conveying water from the pipes of the Trust into the premises of such person, after the required notice from the officer of the Trust, that such service pipe required repairing, the Trust may stop the water from flowing into such premises, either by cutting off the service pipe or otherwise, until such repairs be effected.

The Trust may at any time when found necessary repair or remove any pipe or stop-cock laid for supplying water to any tenement, and may charge the owner with the cost of providing, laying, repairing or renewing the same, and such cost shall be a debt due to the Trust, and shall be recoverable in any Court of competent jurisdiction.

The foregoing rates are made payable on the first day of March, 1927, and any such person or persons as the Trust may appoint from time to time shall be authorized to demand and collect such rates and charges.

(Part V.—Division 14.)

How Votes to be Marked by Voter.

292. (1) When at any election for the municipality a person receives a ballot-paper instead of striking out the name of any candidate for whom he does not intend to vote he shall mark his vote on the ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference and shall give contingent votes for all the remaining candidates by placing figures 2, 3, 4 (and so on as the case requires) opposite their names so as to indicate by such numerical sequence the order of his preference.

(2) The candidate opposite whose name the figure 1 is so placed shall be deemed to be the candidate to whom the elector gives his vote for the purpose of the election.

Marking of Ballot-paper where only Two Candidates.

293. Notwithstanding anything contained in this Division, at any election where there are only two candidates—

- (a) the requirements of this Division as to the marking of ballot-papers by electors shall be deemed to be sufficiently complied with in the case of any ballot-paper marked so as to indicate the elector's first preference only; and
- (b) in the case of a postal ballot-paper the elector's first preference shall be deemed to be sufficiently indicated if the surname of only one candidate is written thereon.

Invalid Ballot-papers.

294. (1) A ballot-paper shall under this Division be rejected at the close of the poll if it does not indicate the elector's first preference for one candidate, and in the case of any election where there are more than two candidates his contingent votes for all the remaining candidates.

Ballot-papers Not Invalid.

(2) Except as otherwise expressly provided a ballot-paper shall not be rejected for any reason other than the reasons enumerated in this section but shall be given effect to according to the elector's intention so far as his intention is clear.

295. The returning officer (for the ward) shall in manner hereinafter provided ascertain the total number of votes given for each candidate.

- (d) make and keep a record of the number of votes counted from each ballot-box; and
- (e) abstain himself from inspecting the writing upon the back of the ballot-papers and take care that the same is not seen by any person.

- (a) ascertain from the certified lists received from deputy returning officers the number of first preference votes given for each candidate; and
- (b) add the first preference votes so given for each candidate to the votes counted by himself in favour of each such candidate so as to ascertain for the whole ward the number of first preference votes polled by each candidate respectively.

(5) The candidate who has received the greatest number of first preference votes shall if such number constitutes an absolute majority of votes (including the casting vote of the returning officer if necessary) be declared by the returning officer duly elected.

Counting of Votes by Returning Officer.

(6) If no candidate has an absolute majority of votes the returning officer shall upon receipt of the several sealed parcels from the deputy returning officers declare the candidate who has obtained the fewest first preference votes to be a defeated candidate, and with the assistance of such officers as he deems necessary shall (notwithstanding anything contained in the Act) in the presence and subject to the inspection of such of the scrutineers as choose to be present and the poll clerk (if any) but of no other persons than—

(7) After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.

(8) If no candidate then has an absolute majority of votes the process of declaring the candidate who has the fewest votes to be defeated and distributing his ballot-papers amongst the non-defeated candidates next in order of the voters' preference shall be repeated and the votes recounted after every such redistribution until one candidate has obtained an absolute majority of votes, and such candidate shall then be declared duly elected.

Casting Vote for Exclusion during Progress of Count.

(9) If on any count two or more candidates have an equal number of votes and one of them has to be declared defeated the returning officer shall decide which is to be declared defeated.

Adjournment of Count of Votes to be Announced.

(10) If on the polling day the count of the votes by the returning officer cannot be completed he shall adjourn such count and inform the scrutineers and the officers appointed to assist him at such count as regards the time and place when and where such count will be continued and conducted by him.

(11) The count of the votes may from time to time be adjourned as the returning officer may deem necessary until it has been duly completed; and each adjournment shall be announced by the returning officer to the scrutineers and the officers assisting him.

Before Adjournment Ballot-papers, &c., to be Sealed in Ballot-boxes.

- (12) Before every adjournment of the count of the votes—

 (b) also write the surnames of all the remaining candidates underneath such name and record contingent votes for such remaining candidates numbering them 2, 3, 4, and so on in the order of his preference.
